### WHITECOURT ADOPTS NEW UTILITY BYLAW

Submitted by Town of Whitecourt

New rules are now in place for Whitecourt utility services and systems, which include water, wastewater and stormwater. Utility Bylaw 1511, which came into effect on January 1, 2020, will address evolving needs of our community, and will help to protect not only the environment but also mu-

nicipal infrastructure and interests.

With the January utility bill, all utility customers will be receiving an information sheet that highlights changes in the new bylaw. Further information is available on Whitecourt's website at [www.whitecourt.ca/Services/Water-Sewer](http://www.whitecourt.ca/Services/Water-Sewer).

"Our focus this year will be educating residents and the business community

on the new regulations included in Bylaw 1511," stated Kamruz Zaman, Director of Infrastructure.

The most significant change is the transitioning of utility accounts from the renter's name into the property owner's name; this includes residential, business and industrial rental properties.

### RESILIENCE IN THE FACE OF STRESS

Four strategies for you and your community, February 5, 2020

Submitted by Lac Ste. Anne County

Stress has become a common household word - like Duct Tape. Many of us are challenged with increasing life demands with family, running kids to activities, volunteering, technology, work, business, aging parents... It seems, the more we do, the more lands on our plate! Add to the mix agricultural emergencies and

the effects of the economic downturn. The feeling of overwhelm increases. Sadly, stress can result in relationship challenges - with our spouse or partner, our kids, parents, colleagues, community members, and even with oneself.

Join Carol Ohler for a day of resiliency-building. Explore common-sense, regenerative tools that will allow you to reduce the negative effects of overwhelm,

fear, anger, frustration, guilt, shame and other less-than-desired emotions.

Carol is a certified professional coach and facilitator, specializing in relationships and inter-personal communications. She and her husband, Dan, have 'experimented' with these tools for the past 35 years and have created amazing results for themselves and others.

# COMMUNITY CHOIR LOOKING FOR NEW MEMBERS!

Submitted by Lac Ste. Anne Community Choir

Wherever the Lac Ste. Anne Community Choir entertains, there are always some people who say they'd love to become part of this successful group. As another season begins, we're welcoming new members - especially men.

Most members live in the Lac Ste. Anne/Onoway area, but certainly not all. Members (and our accompanist!) come from as far away as Edmonton, Wabamun, Sandy Beach, and Sangudo. They're willing to travel for both rehearsal and performances because of their love for singing. They enjoy the camaraderie and friendship of belonging to a group dedicated to singing for enjoyment and excellence. The group rehearses in Alberta Beach because it's a central location.

Debbie Rosen has directed the Lac Ste. Anne Community Choir since it began in 2011, and is proud of what she calls

'her choir'. "The combination of seasoned choir singers, professionals, and amateurs who don't know how to read a note of music really works. They learn from one another, and the joy that results is infectious. This Christmas that joy resulted in the choir's best performance in eight years."

While we strongly encourage those with choral experience to join us, there are no auditions. People with no choir experience, and/or no music reading ability, are also welcome. Rehearsal CDs of all parts are included in the registration package, so those who need to learn by ear will have an excellent tool for learning the music. Debbie Rosen and accompanist R.J. Chambers will inspire you to constantly improve, making you laugh along the way, and leave with a smile on your face at the end of every rehearsal. Special social gatherings provide a way for you to get to know the people "at the other end of the row".

The next season of the Lac Ste. Anne Community Choir began January 8. All rehearsals are Wednesdays from 7 - 9 p.m., preparing for Christmas-season concerts. Didn't make our first night? A second chance for registration is on Wednesday, January 15, at 6:15 p.m. at the Heritage Centre in Alberta Beach (5012 - 49 Avenue).

Not sure it's for you? Come out for two consecutive weeks before you make a firm decision. Membership is just \$70 each session (September to December; January to May), with a discount for multiple family members. Each member is also asked to help with our various fundraising efforts.

No one is refused membership, and if necessary, fees may be adjusted to meet individual needs. A black binder plus concert clothing is the only other cost.

Questions? Call Diane at 780-924-2348 or Gracie Anne at 780-967-5002.

**JOKE OF THE WEEK**

A man goes to the doctor, concerned about his wife's hearing. The doctor says, "Stand behind her and say something and tell me how close you are when she hears you." The man goes home, sees his wife in the kitchen, cutting carrots on the countertop. About 15 feet away he says, "Honey, what's for dinner?" Nothing. He gets halfway to her and repeats the same question. Nothing. Very concerned, he gets right behind her and asks again "What's for dinner?" She turns around and says "For the THIRD time, beef stew!"

# PUBLIC ONLINE CONSULTATIONS ON MEDICAL ASSISTED DYING LAUNCHED

Submitted by Gerald Soroka, MP for Yellowhead

Gerald Soroka, Member of Parliament for Yellowhead, would like to inform constituents that the Federal govern-

ment is asking Canadians to provide their views on medically assisted dying.

This consultation comes in response to a Quebec Superior Court ruling that it is unconstitutional to limit access to

## Whitecourt Adopts New Utility Bylaw

Continued from Page 1

Property owners must transfer the account by December 31, 2020. There is no cost to transfer and forms are available on the Town's website.

"Making this change will significantly enhance operational efficiencies, provide substantial cost savings to the munic-

ipality, and improve account collection," added Mr. Zaman. "Once the account is transitioned to the property owner's name, the property owner can determine how best to transfer that cost to their tenant through a rental agreement."

New sampling and monitoring practices will also be implemented to reduce the discharge of prohibited sub-

stances into the wastewater collection system, and to help protect waterways and municipal infrastructure. Whitecourt will be conducting an onsite educational campaign later this year to familiarize commercial and industrial property owners with how to properly care for and maintain sumps, grease traps, and other components of the wastewater

collection system within their property. Official inspections on premises will begin in 2021 to ensure acceptable wastewater is discharged to the Town's wastewater collection system.

To learn more about new utility regulations, and to view a copy of Utility Bylaw 1511, visit [www.whitecourt.ca](http://www.whitecourt.ca).

## GUNN HALL'S DECEMBER 7TH FAMILY CHRISTMAS PARTY

Submitted by Marlaire Janke

Our Christmas Party was a full house again this season. Supper was a traditional turkey & ham dinner with all the accompanying dishes and was prepared by Ira Austin and his crew of helpers. It was delicious and while clean up was underway by the very helpful Onoway Cadets group, the evening progressed with the arrival of our favorite holiday person.

Santa Claus made his way from the North Pole early to spend some time with the children. Welcoming him into the hall was our DJ "Spin City Music Productions" from the nearby city of Spruce Grove.

They played "Here Comes

Santa Claus" as he HO HO'd his way into the building with his bag of toys thrown over his shoulder and ringing his jingle bells. Faces lit up and all the children gathered around. Each child found a place on the floor in front of Santa and waited their turn to be called up by Santa's helpers. Parents took pictures as their children sat on Santa's knee and received their special gift. After all were given out, Santa said his goodbyes, jingled his bells and made his way down the hallway - with children giving him hugs again - before he made his way out of the building. Oh, what a beautiful sight!!!

Most of the children were playing with what they received, yet some chose to keep their gift intact until

they got home. There was lots of running around and playing amongst the children making new friends. The DJ continued with children's favorites and everyone was dancing and enjoying the music. Part of the magic in Christmas is watching the little ones have fun with other children - even though they don't know each other.

Our organizers also set up a Silent Auction for the adults to enjoy and the proceeds help with the costs of this function. We hold two prize draws and all the table center pieces are given away during the evening as door prizes.

This was an enjoyable evening for all of the families in our surrounding communities. They look forward to this function each Christmas

and our party has been held ever since the Gunn Hall was built. A special thanks to all the volunteers who contribute their time into making this event run smoothly. You are extremely important to the success of our organization and we appreciate all you do.

**The Lac Ste Anne County, through its FCSS Program (Family and Community Support Services), provides some grant funding to help support this event. The Gunn Area Recreation Society wants our county to know that we appreciate the help we receive through this program. Thank you once again.**

# RCMP ISSUE BITCOIN WARNING POSTERS

**Submitted by Alberta RCMP**

Alberta – In an effort to stop victims of fraud from making bitcoin payments, the RCMP has launched an initiative that will see posters with warnings placed in rural locations.

Scams continue to be prevalent throughout the

province, primarily scams where culprits are representing themselves as agents from a government organization and requesting payment in Bitcoin. To assist citizens throughout Alberta, posters have been created by the RCMP – Strategic Communications New Media team. The posters are very clear with warnings,

including: “STOP – DO NOT use this Bitcoin machine if you are not in control of the QR Code you scan”.

“We felt that we needed to take one more step in educating potential victims and stopping them from making that irretrievable payment” says Staff Sergeant Rob Marsollier of Red Deer RCMP Detachment. “We

know that Edmonton Police Service has done similar posters and if it stops even one person from losing their savings, then it’s a success.”

With cooperation from the businesses hosting the bitcoin machines, the posters will be put up throughout Alberta in the near future.

# WHITECOURT COMPLETES COMMUNITY TRAINING NEEDS AND LABOUR FORCE ANALYSIS

**Submitted by Town of Whitecourt**

Responding to employer-expressed needs, the Town of Whitecourt has completed the Community Training and Workforce Needs Analysis to quantify local labour force strengths, and identify gaps in

occupational skills and training.

Whitecourt's location is an obvious advantage for business; however, understanding our workforce capabilities, and human resource and training needs is a bit more complex. The Community Training Needs and Labour Force Anal-

ysis Report and resulting recommendations will set a roadmap for Whitecourt to become a leader in integrated training and workforce development.

"Thank you to all of the organizations and individuals that shared their time and provided input for this study," stated Whitecourt Mayor Maryann

Chichak. "Economic development and business attraction and retention is changing. It used to be about providing cheap land and utilities and now it is about fostering the right talent in the right place to meet business needs."

Whitecourt's Economic Development Committee is reviewing the report, and will be forwarding recommendations to Council later this month for implementation throughout 2020 and beyond.

Rhonda Hough, Whitecourt Economic Development Officer, added "This project has provided our team with the tools necessary to develop labour force strategies and action plans that contribute to the future planning of economic development and assist with implementing business retention and attraction initiatives."

A copy of the report can be viewed on our website at [www.whitecourt.ca/Business](http://www.whitecourt.ca/Business).

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**

9	8	3	6	5	7	4	2	1
7	4	5	2	9	1	3	8	6
2	6	1	8	4	3	5	9	7
1	5	2	3	7	8	6	4	9
6	7	8	9	2	4	1	3	5
4	3	9	5	1	6	8	7	2
8	2	6	1	3	9	7	5	4
3	9	4	7	6	5	2	1	8
5	1	7	4	8	2	9	6	3

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
