LAC STE. ANNE COUNTY NEWS HIGHLIGHTS

Submitted by Lac Ste. Anne County

ASB MEETING DATE CHANGE: The County's first ASB meeting of 2020 has been moved from January 28 to March 24. The meeting will take place at the County Admin building at 9:00am.

SNOW ANGELS: County volunteers help keep communities safe and accessible.

Uncleared walkways make it difficult for community service providers like first

responders, delivery drivers and meter readers to do their jobs. However, snow removal can be a monumental task for some residents.

The County's Snow Angels program is designed to help seniors and less-than-mobile citizens with snow removal. If you need a helping hand this season, dial 780.785.3411.

Please note that this program relies on volunteers. Service levels may fluctuate depending on the availability of volunteer Snow Angels.

The County would love to hear from community members willing to lend some time and energy to this great program.

CARBON MONOXIDE SAFETY: Beat this silent killer by arming yourself with the facts.

Carbon monoxide (CO) is a toxic gas that is odorless and colorless, making it extremely hard to detect by the human nose.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

The 2020 Budget Information Open House is scheduled from 4:00 to 7:00 p.m. on Wednesday, February 26 at the Allan & Jean Millar Centre. The event, which is in its fifth year, will provide information to the public on the interim budget, provide opportunity for ratepayers to comment, and allow for

two-way communication between the public and Whitecourt representatives. Residents are encouraged to attend and share their thoughts. Watch for advertisements in the coming weeks!

Results of the Police Services Community Satisfaction Survey have been finalized, and Council has identified three priorities for the 2020/2021 RCMP Annu-

al Performance Plan. A large majority of survey respondents believe Whitecourt is a safe place to live, work and visit; and 63% of respondents felt that the community effectively manages top crime. Areas identified as priorities based on community feedback include:

1. Improved police communication with the public;

Lac Ste. Anne County News Highlights

In an enclosed space like a home or garage, even a small amount of CO can lead to serious illness or death. Winter can be a prime time for carbon monoxide poisoning as people turn on their heating systems and mistakenly warm their cars in garages. That's why it's especially important to take

extra precautions during the winter months.

Lac Ste. Anne County Fire Services often responds to unfortunate and avoidable incidents related to CO poisoning. County Fire Chief Randy Schroeder urges everyone in the community to practice some simple, commonsense safety precautions to minimize the risk posed by this silent kill-

er. Visit CountyFire.ca for some easy-to-implement CO safeguards.

Recommendations like fixing leaks or installing CO alarms may be cost-prohibitive to some residents. If this is ever the case, residents are encouraged to contact Chief Schroeder directly at 780.785.3411 or rschroeder@lsac.ca.

2. Enhanced property crime reduction, break and enter and theft reduction initiatives; and,

3. Preservation of the prolific and priority offenders program.

The Police Services Community Satisfaction Survey will be conducted annually, and residents will have an opportunity to participate in the 2020 survey in the fall.

Annexation of the area between Flats Road and the Athabasca River has been approved. The annexation includes the Whitecourt Golf & Country Club, and Graham Acres Recreation Area. The Town is the majority property owner of this area, and with a large amount of undeveloped property, there will be little actual changes to the usage of the annexed land in the near future. Over the next several months, Ad-

ministration will be working towards adoption of the North Flats Annexation Area Structure Plan, along with corresponding changes to the Municipal Development Plan and Land Use Bylaw.

Additional lighting will be installed along a portion of the Highway 43 path, as well as along Memorial Point Trail. In total, 17 decorative light fixtures will be added in the area to improve safety and usability of the trails.

A NEW DECADE

Submitted by Cherhill 4-H Multi Club

The month of December was not too busy for the Cherhill 4-H club. We did not do too much as a club in December because we came to a decision that the majority of people would be busy with Christmas. But I am going to tell you what progress our projects are making.

Last month our beef members did not do anything as a whole but they had time to work on their projects individually. They have been increasing their market calves feed ration, so they can finish them by achievement day. The last month was a great opportunity for the beef kids to get their calves on feed and spend quality bonding time with them. Their next workshop is a leader tour on January twenty fifth.

Quilting has made a lot of progress last month. Last month our quilting members were quilting away and making lots of progress on there projects. Their next workshop is on January second.

Last month our sheep members did not really do much more than books, but this month their first workshop is learning how to cook lamb and working on their books. They are waiting for their lambs to be born so they can start getting them on feed and getting them ready for achievement day.

Our feathered friends didn't do too much last month. They have not started to raise their birds yet because they have not hatched, but they are learning how to incubate eggs.

Our food members were probably our busiest bunch as a unified whole last month. They were baking desserts for all of our club

events and more. They baked chocolate moose, strawberry tarts, and many more sweet treats.

Last month our photography club went to a light up at Central Park in Spruce Grove and took some really cool pictures.

This last month some of our trapping kids had the opportunity to go out with Denis Gobet and set squirrel snares. I would like to thank Denis for taking those kids out and teaching them how

to set squirrel snares.

Last month 2 of our vet science members got to shadow a vet. Some of the things that they saw were basic operations and preg testing cows. We would like to thank the vets for letting them have this opportunity.

The month of December was not too busy of a month but the Cherhill 4-H Multi Club had another successful month.

Sincerely, Anthony Lee Bouius

OJSH "TURKEY DINNER DAY" AND DECEMBER WRAP-UP

Submitted by Ono-way Junior Senior High School

December is always a fun yet hectic month at OJSH. Lessons, homework, quizzes and exams continue as it all leads up to end of semester exams in January. But, December is also Christmas-time where students and staff can add fun, interactive activities and events to their regular school days.

The first week of December was National Safe Driving Week. Each day, Monday through Friday, there was a different activity for students to participate in at noon. On Monday, students competed on the Wii, playing Mario Kart – it was a great way to

learn about defensive driving. On Tuesday, students tried on impaired goggles and then tried to put together a puzzle. Impaired goggles show how alcohol adversely affects vision, co-ordination and skill solving. On Wednesday, we had Grant Johnson from Country Automotive speak to students about the importance of winterizing their vehicles as he gave some valuable tips to our student drivers. On Thursday, the focus was on distracted driving and SRO Cst. Duncan spent the noon break talking to student drivers about the dangers of texting and other distractions that can cause serious accidents.

PARKLAND RCMP INVESTIGATE BREAK-IN BY ARMED SUSPECTS

Submitted by Parkland RCMP

Spruce Grove, Alta. - On Jan. 23, 2020, at approximately 6:00 p.m., two male suspects used an axe to break into an apartment building located in the area of 799 Calahoo Road Spruce Grove, Alta. The suspects knocked on an apartment door and confronted the occupant in search of another male. The suspects then broke into another apartment that was unoccupied at the time of

the break-in, before fleeing without taking anything.

One of the two suspects was observed carrying what appeared to be a handgun. No one was injured during the incident.

Suspect #1 is described as:

- 20-26 years of age
- Caucasian
- Thin build
- Medium to long light coloured hair
- Clean shaven

- Pale white complexion
- Wearing a black and white long sleeved checkered shirt

Suspect #2 is described as:

- 20-26 years of age
- Short length dark coloured hair
- Black sweater or hoody
- Blue jeans
- Carrying a handgun

Anyone with information regarding this crime is asked to contact the Park-

land RCMP at 825-220-2208 or your local police. These suspects are considered armed and dangerous and should not be approached.

If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com (<http://www.p3tips.com>) or by using the "P3 Tips" app available through the Apple App or Google Play Store.

Friday was Mocktail day. OJSH Success Coach Kristine Bellingham, teacher Mrs. Barr Stierman and Cst. Duncan made and served non-alcoholic mocktails to students. They were able to share recipes for these delicious non-alcoholic drinks.

The last week of school before Christmas Holidays was particularly busy. Student Council held a different contest every day. Monday was the start of the Door Decorating contest with the winning class to be determined on the Friday. Tuesday was Christmas Socks Day as staff and students wore their brightest Yule-themed socks to school. The ever-popular Ugly Christmas Sweater Day was Wednesday.

OJSH "Turkey Dinner Day" and December Wrap-up

Continued from Page 5

Both staff and students enjoyed wearing creative Christmas sweaters: some ugly, some beautiful, some with lights with the best of the best winning gift certificates to the cafeteria. Thursday was Christmas Hat day and Santa hats, reindeer horns, elf ears, jingle bells and other imaginative headwear filled the halls. The last day of the school week, Friday, was Christmas PJ Day and everyone who participated enjoyed the comfort and ease of wearing their best Christmas PJs to school.

Also, on Friday, during the afternoon, Junior High students participated the second annual Reindeer Games. Teams of grade 8 and 9 students competed with each other in a variety of fun-filled activities to see who would be this year's champions. It was great way

to burn off energy, laugh and enjoy healthy competition at the end of the school week before Christmas Holidays. There were "Snowball" Fights, Secret Santa Dodgeball, Musical Snowflakes, Cake decorating, Spaghetti & Marshmallows, Seasonal Trivia Kahoot and a Fashion Show. There were even old fashioned board games held in the library!

Thursday, December 19th was a special turkey dinner day. Staff, students and others could buy a festive turkey dinner for their lunch but, in addition, there was a very special turkey dinner served to some very worthy people including some of Onoway's senior citizens. Mr. Galliford and his crew cooked, baked and served a turkey dinner with all the trimmings to a special group of students and invited guests who were being recognized by OJSH. Tender turkey and ham, creamy mashed potatoes, mixed vegetables, seasoned stuffing, savoury gravy, fresh warm buns and a rich English Toffee pudding dessert were on the menu. It was a feast for the eyes as well the stomach. OJSH and Mr. Galliford wish to thank the corporate sponsors who help sponsor this annual dinner: CIBC Staff Onoway, Sysco Canada, Grande Tire Onoway, Trius Insurance & Onoway Registries, Country Automotive Specialists, and Constable Jim Duncan. We are truly grateful for your generous support and kindness as we would like to continue this tradition with community involvement. This activity is a tangible example of our Webs of Support model, throwing strings to support students and our school community.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
