### WILDWOOD AND DISTRICT AG SOCIETY UPDATE

Submitted by Carol Riehl

Isn't it hard to believe that we are approaching the end of February. Time really does fly by when you are having fun. We, at the Wildwood and District Agricultural Society, are having a lot of fun planning the fair for August 21, 2020. Although the two day fair in 2019 to celebrate the 80th anniversary of the Ag Society was an exciting successful event, we are

happy to be only planning for our one day event this year. Things will be back to normal. (LOL) The parade will be on Friday and the adult exhibit entry fee will be reinstated.

The fair book cover contest is open now and will close on April 30. The design needs to be in black in white and vertical in style. The Theme for 2020 is Country Trails and Barnyard Tails.

Coming up on Saturday May 8th, the society will be

hosting a tack, small animal and garage sale at the Wildwood Complex. The time and table rental fee will be announced later.

I'm far from being a gardening expert but I've been told by some of the best that it is time to plant some seeds so that you have seedlings ready for transplanting when the time is right. Good luck with growing the best vegetables and flowers to enter in our bench show at the fair.

# LIVESTOCK PRODUCERS IN YELLOWHEAD ELIGIBLE FOR TAX DEFERRAL

Submitted by **Gerald Soroka, MP for Yellowhead**

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, is pleased to inform constituents that livestock producers in pre-

scribed drought, flood or excess moisture regions will be able to defer a portion of their 2019 sale proceeds of breeding livestock until 2020 to help replenish the herd.

The cost of replacing the animals in 2020 will offset

the deferred income, thereby reducing the tax burden associated with the original sale.

Many of the eligible regions are located within Yellowhead. The full list can be found at the link below:

<http://www.agr.gc.ca/eng/agriculture-and-climate/drought-watch/livestock-tax-deferral-provision/2019-list-of-prescribed-regions/?id=1563200329910>

# YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

## Submitted by Yellowhead County

RCMP Presentation – Staff Sergeant Chris Murphy (Hinton detachment), Sgt. Kevin Gaal (Edson detachment), and Sgt. Brian Topham (Evansburg detachment) presented to council. Staff Sergeant Murphy expressed the value of the ongoing relationship between RCMP and Yellowhead County Protective Services, and cited the excellent cooperation between YCFD and RCMP during incidents such as the Brule evacuation. In brief, Staff Sergeant Murphy named the following priorities for the year: Reducing property crimes and break and enters; improving the mental wellness of internal staff; engaging with the community to improve relations and visibility; and monitoring crime trends. Staff Sergeant Murphy also noted that the year has seen an overall reduction in criminal investigations in the region (a 6-year low), a reduction in break and enters, but an increase in vehicle theft. County residents are urged to lock up their homes and vehicles, and keep valuables out of sight as well as to call and report all criminal activity. Visit [www.rural-crimewatch.ab.ca](http://www.rural-crimewatch.ab.ca) for more tips.

Robb Area Structure Plan Consultant Presentation – Invisitec Consulting Ltd., planning consultants for the Robb Area Structure Plan rewrite, presented to council. Stephen Yu, Senior Planner, and Fabio Coppola, Planner, expressed their gratitude for the community's participation in two public engagement events. The focused feedback gleaned from those open houses, along with distributed surveys, will help inform and guide the consultants towards an area structure plan that represents Robb's residents. A draft re-write will go to public hearing in the coming months.

Clearwater County/Yellowhead County ICF – The Municipal Government Act requires municipalities that have a common boundary to create an Intermunicipal Collaboration Framework Agreement (ICF). Council passed three readings of the ICF with Clearwater County. In essence, this ICF maintains an agreement towards existing services, chiefly mutual fire aid and the Sasky da Sasquatch environmental cam-

paign.

Letter to the Minister of Transportation – As Highway 16 continues to fall further into disrepair, a letter to the Honourable Ric McIver, Minister of Transportation, has been drafted on behalf of council to bring further attention to the issue. The letter notes the complaints issued by residents and travelers and highlights that this is a pending safety concern. Moreover, photos of the highway are

attached for the minister's review. Council endorsed the letter.

St. Mary Church Purchase – The Ukrainian Catholic Eparchy of Edmonton has contacted the county to see if the county is willing to buy the old St. Mary's church in Wildwood. County council declined to take ownership of the church as it does not have any long-term strategic value for the county.

# FIVE ALBERTA ARTISTS GATHER TO SHARE THEIR SONGS AND STORIES

Ryan Langlois Hosts Horizon Stage's Inaugural Singer Songwriter Night on Saturday, March 7

**Submitted by Horizon Stage**

Enjoy an intimate evening exploring the art and craft of songwriting. Hosted by Alberta songwriter Ryan Langlois, this Singer Songwriter Night will feature a panel of four guest artists - Mark Times, Hannah Gazso, Maddison Krebs, and

Martin Kerr - all of whom are passionate about telling stories through music. In the tradition of the world-famous songwriter rounds of Nashville, and many festival side-stages, each will share backstories and insight into their writing process. Each will play a few of their favourite songs, and will be challenged to

perform a cover of someone else's work in their own stripped-down style. Singer Songwriter Night with Ryan Langlois at Horizon Stage on Saturday, March 7 promises to be filled with laughter, behind-the-scenes turmoil, and vulnerability - any of which can be the basis of a good song.

The former lead singer of The Boom Chucka Boys, Ryan Langlois' solo career has earned him three Alberta Country Music Award nominations, and second place in the Project Wild Country Artist Development Program in 2018. He is a barstool balladeer who can turn ordinary moments into lessons in wisdom and grace. Every time he takes the stage, he gives all he has to offer, and something special happens.

Hannah Gazso is a 16 year old singer-songwriter from Ardrossan. Her passion lies in storytelling, and she loves to share her music

with anyone who will listen. She has a homegrown coffeehouse country style that is sure to catch your attention. Back from her third trip to Nashville, she is looking forward to what this year will bring her!

Maddison Krebs, a singer-songwriter from Southern Alberta, got her first guitar when she was six so she could put her poetry to music. She won ole Media Management's "On The Spot" competition and signed a publishing and record deal in 2016. She has performed at Big Valley Jamboree, Canadian Music Week, Folk Alliance International, Calgary Stampede and The Bluebird Cafe in Nashville. Her single "Real Real Thing" charted in the Top 40 on Radio Disney Country and her EP, Bulls-Eye, reached Top 6 on iTunes Country music chart.

# Yellowhead County Council Highlights

*Continued from Page 3*

Evansburg Street Rehabilitation – The 2020 Evansburg Street Rehabilitation project involves construction of a new water main, sanitary sewer, storm sewer, sidewalks, and paved roadway surface (in phases). 20 tenders were

submitted in total for this final phase. Council awarded the contract to Barsi Enterprises Ltd. (lowest bidder) at a total tender price of \$2,724,175.00.

Motor Grader Replacement – Council approved the purchase of four new Cat 150M Motor Graders from Finning in the amount of \$923,400

plus GST, which would replace four near-end-of-warranty graders. The county aims to replace its graders at 7,500 hours or five years whichever comes first. This replacement plan ensures that the motor graders have full warranty and that the county has a guaranteed buyback value.

Swanson Road Grading and Other Work – Council awarded the tender for clearing and grading on Swanson Road from Highway 16, north to Little Sundance Creek (approximately 16.7 km) to Northern Road Builders LP (lowest bidder) in the amount of \$9,380,295.84.

# Five Alberta Artists Gather to Share Their Songs and Stories

*Continued from Page 4*

Mark Times from Stony Plain is a novelist with a Gibson, plucking stories from the windswept prairies and humming to the slow clack of typewriter keys. His work is the product of raw emotion filtered through a thoughtful process, distilling songs that are just the right amount of head and heart. His self-titled 2017 EP earned him nominations for

the Singer/Songwriter and Roots/Folk Recording of the Year at the Edmonton Music Awards, while the track “Saskatchewine” received an honourable mention in the Canadian Songwriting Competition.

Edmonton-based singer-songwriter Martin Kerr built his career as a busker. He has been an independent musician for 10 years and has achieved some incredible things during that time,

including selling out the Winspear Centre twice and landing an album in the Canadian Top 10. Often compared to James Taylor, Kerr’s powerful voice and intricate songwriting has earned him praise from the likes of Sarah McLachlan and Bruce Cockburn. His song ‘You’re Amazing’ has been the soundtrack to summer festivals where the audience joins in for the line “I’m not bad myself but you’re amazing.”

If you’ve ever wanted to know the stories behind the songs don’t miss Singer Songwriter Night with Ryan Langlois at Horizon Stage on Saturday, March 7 at 7:30 p.m. Tickets are just \$25 for everyone and they may be purchased at the City Hall Ticket Centre (315 Jespersen Ave), by phone at 780-962-8995 or 1-888-655-9090, and online by visiting horizonstage.com and clicking on the ‘Tickets’ link.

## HOW TO PLAN A WEDDING CEREMONY

Months of planning is par for the course for couples about to tie the knot. Much of that planning concerns the reception, and rightfully so. Receptions last longer than ceremonies, and couples are often involved in every reception detail, from picking the appetizers to serve during cocktail hour to choosing the final song before everyone calls it a night. But it's equally important that couples devote considerable attention to their wedding ceremonies.

A wedding ceremony might not last long, but it is the most crucial component of a couple's wedding day and can even set the tone for the rest of the festivities. From choos-

ing readings to honoring loved ones to immersing oneself in his or her faith, these tips can help couples plan their perfect ceremony.

- Give the ceremony equal footing with the reception. Spend time trying to put a personalized spin on the proceedings, whether that entails writing your own vows or choosing moving music that means something to you. When given ample attention, seemingly minor details can make for a special, memorable ceremony.

- Choose a ceremony location that is close to the reception site. If a ceremony will take place in a house of worship, try to choose a reception

venue close to the ceremony site. This keeps guests, some of whom may be out-of-towners who have already traveled extensively, from spending too much time on the road during the day of the wedding.

- Get to know the officiant. The officiant should be someone with whom you both feel comfortable. This person should know you well enough that he or she can preside over the ceremony and add sentiments that come across as authentic and personalized.

- Do your best to avoid especially lengthy ceremonies. Couples will need to meet the religious requirements if they are getting mar-

ried in the faith, and there may be some aspects of the ceremony that you cannot cut short or modify. But if you have wiggle room, try to keep the ceremony to around 30 minutes; otherwise, you run the risk of guests getting antsy, especially if children are in the audience.

- Decorate the ceremony space. While the altar and aisle are key places to draw attention, couples also can dress up the chairs/pews, ceiling (if allowed), and entrance to the space to make it welcoming and romantic.

Even wedding ceremonies that likely won't run long can benefit from some pre-wedding planning.

## BAND OR DJ? HOW ABOUT BOTH?

Few elements can make or break a couple's wedding day more than entertainment. While factors like the weather are beyond couples' control, ensuring guests have an opportunity to dance or sing along to some good music is something couples can emphasize as they plan their weddings.

When it comes to music, the two main options for weddings are a live band or a disc jockey. Each has its share of advantages and disadvantages. A live band may be more expensive, but it can get the crowd excited. A good bandleader also acts as a master of ceremonies and can pay attention to the vibe of the room, tailoring a play-

list around that overall mood. Plus, bands offer live performances, which adds an extra special element to the occasion that can't be replicated at home.

A DJ is a popular choice, and today's DJs are often artists in their own right. They know just how to select and seamlessly mix music to create the mood and really keep the party going. Couples who prefer to hear original versions of particular songs - especially for their first dance song - often prefer DJs. The popular wedding planning resource The Knot also says that it is often no problem for a DJ to find and play a song from an extensive digital library, while bands may not be able to learn and

perform a song in time.

Couples who can be flexible with their entertainment budgets may be able to enjoy the best of both worlds. There is nothing that says a wedding cannot feature both a live band and a DJ. Such a wedding may just take a little more planning. Consider the scenario of bringing in a band for the cocktail hour and perhaps an hour or more during the dinner service of the reception when live music can accompany the meal. After that, a DJ can take over and drive the festivities up another notch with a late-night dance party. Some music vendors also do a combination of live and prerecorded music. They may have live singers who accompany

recorded tracks, or digital instruments like keyboards and drum pads that can enhance recorded songs. These also are options when selecting wedding music.

There is no right or wrong answer when it comes to setting the soundtrack for a wedding. A band, DJ or combination thereof can make the occasion even more memorable.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
