Conservatives Call on Government to Make National Parks Accessible

Continued from Page 1

Canadians should be trusted to follow physical distancing guidelines while still enjoying our national parks.

"In my riding, we have Jasper National Park. It is

one of the most beautiful places in the world, with lots of open space, allowing people to maintain physical distancing."

"The tourism sector has been among the hardest hit by this pandemic. They need to be informed of the

government's plan at the earliest opportunity to help give park businesses peace of mind and the ability to plan for the future".

We look forward to an update from the government on their plan to restore access to our National Parks.

JOKE of the week

A farmer purchased an old, run-down, abandoned farm with plans to turn it into a thriving enterprise. The fields were grown over with weeds, the farmhouse was falling apart, and the fences were broken down. During his first day of work, the town preacher stops by to bless the man's work, saying, "May you and God work together to make this the farm of your dreams!". A few months later, the preacher stops by again to call on the farmer. Lo and behold, it's a completely different place. The farm house is completely rebuilt and in excellent condition, there is plenty of cattle and other livestock happily munching on feed in well-fenced pens, and the fields are filled with crops planted in neat rows. "Amazing!" the preacher says. "Look what God and you have accomplished together!" "Yes, reverend," says the farmer, "but remember what the farm was like when God was working it alone!"

FLOOD WATCH & SPRING RUNOFF ADVISORY - ROAD CLOSURES

Submitted by County of Barrhead

A flood watch has been issued by Alberta Environment & Parks for, both, the Paddle and Little Paddle Rivers, as a result of rapid snow melt and an accelerated rise in water levels.

Overland flooding has been reported in the County of Barrhead. As the air temperatures are forecast to increase over the next few days, water levels are expected to rise.

Paddle River continues to rise downstream of the Paddle Reservoir in response to increased flows from the Little Paddle and other local streams and rivers. Over-topping of the Paddle River Dyke has

been observed and flooding of agricultural land is expected.

The County is working diligently to manage rising water from spring runoff by actively monitoring levels, steaming culverts, mitigating damage to infrastructure and preventing hazardous conditions.

Current Road Closures

- Low Level Bridge crossing the Paddle River on Rge. Rd.40, also known as the Golf Course Road, north of Twp. Rd. 592.

- Twp. Rd. 584 between Rge. Rd. 60 and Rge. Rd. 61A

- Twp. Rd. 591 between Rge. Rd. 51 and Rge. Rd. 52

We ask residents to exercise caution around the river as bank stability is reduced during high water events. Please respect signage and barricades. Debris and undercurrents pose significant dangers. Please do not allow children to play near flooded waterways.

For more information, visit

rivers.alberta.ca. More information will be shared as it becomes available.

Report flooded or washed out roads to Public Works at 780-674-2619 or the County Office at 780-674-3331. For all after hour inquiries, please email info@countybarrhead.ab.ca

Do not attempt to drive through flooded or washed local County roads as this may cause personal injury and property damage.

Regional Relief and Recovery Fund is Now Open for Applications

Continued from Page 1

The Fund is meant to help mitigate the financial pressure experienced by businesses and organizations to allow them to continue their operations, including paying their employees.

This initiative is implemented by the six regional development agencies, which have also adjusted certain criteria for their regular programs in response to the exceptional circumstances that businesses are facing.

More information on Canada's Regional Development Agencies and how to apply can be found at: https://www.ic.gc.ca/eic/site/icgc.nsf/eng/h_07682.html

ALBERTA RCMP IS #HERETOHELP WITH PERSONALIZED CRIME PREVENTION TIPS

Submitted by Alberta RCMP

Edmonton – Due to COVID-19, Jennifer Kee, Community Engagement and Outreach Specialist, has adopted a virtual way to conduct home visits. As part of the Project Lock Up initiative Jennifer Kee has been visiting the properties of owners who have been repeat victims of property

crime.

On our social media accounts we are inviting all of our followers to send us a direct message with questions or photos of their properties. Jennifer Kee will review the messages and provide personalized advice and tips for the property owners. The property can be any type including homes, businesses, and seasonal properties. We're here

to help!

Albertans can count on the RCMP to continue to be fully committed to the safety and security of our province during COVID-19 and this includes adapting our Crime Prevention strategies.

Here are some questions to consider while spending more time at home:

- Is your yard adequately lit?
- Do you have clear sight-lines in your yard?
- Is it obvious when you're not home?
- Do you have a fence or natural barrier around the property?
- Are bushes trimmed under windows?
- Do you have a gate?
- Is your garage secure?
- Which way do your doors open?
- Do your windows have locks?

We know these tips may

sound silly or simple, but CPTED has proven its value all over the world. CPTED is an international concept that has proven to discourage crime and promote security. For more tips and crime prevention information, follow #HereToHelp and our social media accounts on Twitter (@RCMP-Alberta), Facebook (@RCMPinAlberta) and YouTube (@RCMP-GRC Alberta).

RCMP encourage the public to report any criminal or suspicious activity to police. Reports tell us where to look, who to look for, and where to patrol in the future. If you see a crime in progress, dial 911. If you wish to remain anonymous, contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

Lawn & Garden

3 PERENNIAL GARDENING POINTERS

Gardening is an engaging hobby that can provide a host of benefits, some of which may surprise even the most devoted gardeners. For example, the Harvard Medical School notes that just 30 minutes of gardening activities burns 135 calories, making gardening a fun and simple way to incorporate more exercise into your daily routine. In addition, scientists have long proven that gardening releases the hormones serotonin and dopamine in the brain, each of which are associated with improved mood.

Perennial gardens can be especially attractive to seasoned gardeners and novices. Perennials are plants

that come back year after year, and committing to a perennial garden can ensure people stick with gardening for the long haul, reaping all of the rewards that come with making such a commitment.

Before planting a perennial garden, those new to gardening may want to consider these three tips.

1. Make a plan.

A perennial garden comes back year after year, which means any mistakes you make when planting are likely to haunt you year after year as well. Factors like space and location must be considered before planting. Many gardeners utilize garden planning applications like GrowVeg

to make the process of planning a garden simpler and more organized. Such applications can be especially useful for novices.

2. Consider aesthetics.

Gardens can be awe-inspiring, especially when gardeners consider aesthetics prior to planting. The DIY Network advises gardeners to consider scale before choosing which perennials to plant. Tall plants and wide beds tend to look best outside large homes, while short plants in small beds tend to look better outside small homes.

3. Work with a professional.

Local garden centers can be excellent resources

when planning perennial gardens. Representatives at such businesses can offer tips on native plants, which will be more likely to thrive year after year than non-natives. Such representatives also can help you choose the right plants based on the amount of sunlight the plants will likely get after being planted. Each of these factors can be easily overlooked by people without much gardening experience.

Perennial gardens can provide years of joy and inspiration, especially when gardeners give ample attention to certain details prior to planting.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

MAY 13, 2020

Whitecourt Town Council adopted Tax Rate Bylaw 1559 at the May 11, 2020 Electronic Regular Meeting, and property owners can expect to receive combined assessment and taxation notices later this month. The 2020 Budget included a decrease to the municipal tax rate, including seniors and education requisitions, and for the average property owner this means:

- 4.52% total tax rate reduction for residential properties;
- 4.49% total tax rate reduction for non-residential properties.

The property tax deadline for 2020 has been extended to August 31, 2020 as part of COVID-19 relief measures for property

owners. For details on how property taxes are calculated, and how tax dollars have been allocated in the 2020 Budget, please read the 2020 Budget Report. The report is available online at www.whitecourt.ca/Government. If you have questions about your tax notice or the 2020 Budget, please contact the Town Office.

Town Council received an overview of 2020 assessment figures by the municipal assessor at the May 11 Electronic Regular Meeting.

- The valuation date for 2020 taxation of properties is July 1, 2019.

• Assessment values for single family homes have decreased approximately 4.1% in the valley area, and 2.4% in the hilltop area. The average house value in Whitecourt is \$329,200.

• Property owners can view the assessment report for their property online. Visit the Whitecourt website at www.whitecourt.ca/Services/Taxes-Assessment and follow the link and instructions to view assessment reports.

• Property owners will receive a combined assessment and tax notice later this month.

The Town of Whitecourt has experienced revenue losses and unexpected expenditures related to COVID-19. The length of the economic disruption and recovery is not known; however, the Town of Whitecourt intends to address these impacts through funding strategies that will not affect taxation. Whitecourt Town Council has reallocated \$1.5 million from existing reserves to establish a Sustainability Reserve that will ensure the continuation of essential services and also minimize impact on taxation for future years as our community returns to normal. Ongoing monitoring and reporting of the financial impacts will provide for fiscal responsibility during this unprecedented event.

The Community Services Department has published its 2019 Year End Report. The report is prepared annually to provide Council and the Community Services Advisory Board with an overview of programs and services offered, and records major projects and accomplishments achieved throughout the year. Highlights from the report include:

- The Allan & Jean Millar Centre launched the Intelligenz Customer Registration Web Portal allowing customers to register online.

- Daily admission revenue in 2019 was the highest it has ever been since the Allan & Jean Millar Centre opened in 2008.

- 2,023 people participated in registered programs;

- 47,404 visits to the Pembina Fitness Centre and Rotary Running Track;

- 5,226 people attended the Rotary Club of Whitecourt free family swims at the SemCAMS Midstream Aquatic Centre;

- 1,846 people were assisted through the Whitecourt Food Bank;

- 4,036 participants attended Parent Link & Early Childhood Development programs;

- 30,610 passengers were provided service on Public Transit, representing a 25% increase in ridership between 2017 and 2019.

A complete copy of the report can be viewed on www.whitecourt.ca.

STAGE 1 OF ALBERTA'S RELAUNCH STRATEGY STARTED MAY 14

Submitted by Town of Whitecourt

MAY 12, 2020

The Town of Whitecourt is preparing for the reopening of local businesses as part of Alberta's phased in Relaunch Strategy. As of May 14, businesses included in stage 1 of the strategy will be able to open with enhanced infection prevention and controls in place. Included in stage 1 are clothing and furniture stores, farmer's markets, cafés, restaurants, and some personal services including hair salons and barber shops.

"This is great news for our local business owners and entrepreneurs, as well as our community," stated Whitecourt Mayor Maryann Chichak. "For the last several weeks, Whitecourt staff have been working with our partners and the business community to navigate the public health orders and relief funding programs and initiatives. It's exciting that we can move on to a step that involves supporting them on their reopening."

"While this is an exciting step in the relaunch phases, there are health and safety protocols that will be required of local businesses for their reopening," added Whitecourt Economic Development Officer, Rhonda Hough. "In partnership with the Whitecourt & District Chamber of Commerce, Community Futures Yellowhead East and other support organizations, we have and will continue to communicate and promote these guidelines to the local business community."

Businesses should reference the websites below for information and guidelines for the reopening. Both websites are also linked on Whitecourt's website at www.whitecourt.ca/Business/EconomicSupportandRecovery.

- Alberta Relaunch Strategy: www.alberta.ca/alberta-relaunch-strategy.aspx

- Workplace Guidance For Business Owners: www.alberta.ca/assets/documents/covid-19-workplace-guidance-for-business-owners.pdf

Sector specific information and operating planning guidelines are available for businesses included in stage 1 on the Alberta website. www.alberta.ca/biz-connect.aspx

The timing of phases where the Town of Whitecourt could consider reopening facilities will be determined based on the success of stage 1 and preceding stages. Whitecourt

will continue to monitor the COVID-19 situation, and is preparing a plan to reopen facilities and relaunch programming based on the recommendations by the Government of Alberta. Further information on the opening of outdoor recreational facilities, such as the Whitecourt River Slides and Rotary Park Splash Park, will be announced later this week once guidance has been received from the Province.

"The timing of other reopen-

ings will hinge on how stage 1 goes," added Mayor Maryann Chichak. "As a community, we have been extremely vigilant in following public health measures, and we will have to continue to follow these guidelines through this gradual opening of services to help prevent the spread of COVID-19. Mass gathering restrictions continue to be in place, and physical distancing practices continue to be recommended by the Alberta Chief Medical Officer."
