RCMP Request Public's Assistance To Identify Person Of Interest

Continued from Page 1

The structure was a new home that was under construction. The cause of the fire is under investigation and is considered to be suspicious.

On the same date at approximately 8:00 p.m., video surveillance showed an unknown Caucasian male, believed to have a shaved or brush-cut hairstyle, arrive at the location. The male was driving what appears to be a 2000-2003

dark-colored single cab GMC Sierra 2500 4X4 with a push bumper, a chrome headache rack, a black ladder rack at the rear of the bed and toolboxes inside the truck bed.

The Parkland RCMP would like to speak to the driver of the truck. If you recognize the driver and /or the vehicle please contact the Park-

land RCMP at 825-220-7267 or call your local police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS (check your local Crime Stoppers www.crimestoppers.ab.ca for instructions).

JOKE of the week

A farmer purchased an old, run-down, abandoned farm with plans to turn it into a thriving enterprise. The fields were grown over with weeds, the farmhouse was falling apart, and the fences were broken down. During his first day of work, the town preacher stops by to bless the man's work, saying, "May you and God work together to make this the farm of your dreams!" A few months later, the preacher stops by again to call on the farmer. Lo and behold, it's a completely different place. The farm house is completely rebuilt and in excellent condition, there is plenty of cattle and other livestock happily munching on feed in well-fenced pens, and the fields are filled with crops planted in neat rows. "Amazing!" the preacher says. "Look what God and you have accomplished together!" "Yes, reverend," says the farmer, "but remember what the farm was like when God was working it alone!"

YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

Submitted by Yellowhead County

May 12, 2020

Telecommunications Towers – Council refused to support an application for a proposed Telus telecommunications tower near Edson. Yellowhead County and CRTC policies require that service providers must collocate on pre-existing towers if there are already towers in the area. These policies help reduce the proliferation of towers in a region. Telus has stated that they are not interested in locating their services on the pre-existing tower.

Road Access for Private Residence – Council will not pursue further actions to help resolve a property access issue for a county landowner who does not have legal access to his property. The only road to the property owner’s home

crosses an adjacent privately-owned industrial property. The neighbouring business stated they will continue to allow road access across their property, but will not grant ownership of the road right-of-way to the county or provide an easement to the residential property owner to guarantee long-term access.

Recycling Society Agreement – Council approved entering into a recycling agreement with the Edson and District Recycling Society (EDRS) and the Town of Edson. The three-partner agreement will provide recycling services to Yellowhead County through the newly independent EDRS. The estimated cost for the county’s share of this agreement for 2020 is \$210,000.

Obed Access Road – The construction of 2 km of paved road from Highway 16 to the east of Obed, and

the removal of a CN overpass and other work was awarded to Carmacks Enterprises Ltd. in the amount of \$3,912,780.00. Any additional money, if required, will come from the Transportation Reserve.

PLEASE NOTE: Yellowhead County Council meetings will continue to be broadcast online live at www.yhcounty.ca/join. The next scheduled regular Council meeting is May 26, 2020 at 9:30 AM. The next scheduled Governance & Priorities meeting is May 19, 2020.

3 PERENNIAL GARDENING POINTERS

Gardening is an engaging hobby that can provide a host of benefits, some of which may surprise even the most devoted gardeners. For example, the Harvard Medical School notes that just 30 minutes of gardening activities burns 135 calories, making gardening a fun and simple way to incorporate more exercise into your daily routine. In addition, scientists have long proven that gardening releases the hormones serotonin and dopamine in the brain, each of which are associated with improved mood.

Perennial gardens can be especially attractive to seasoned gardeners and novices. Perennials are

plants that come back year after year, and committing to a perennial garden can ensure people stick with gardening for the long haul, reaping all of the rewards that come with making such a commitment.

Before planting a perennial garden, those new to gardening may want to consider these three tips.

1. Make a plan.

A perennial garden comes back year after year, which means any mistakes you make when planting are likely to haunt you year after year as well. Factors like space and location must be considered before planting. Many gardeners utilize garden planning

applications like GrowVeg to make the process of planning a garden simpler and more organized. Such applications can be especially useful for novices.

2. Consider aesthetics.

Gardens can be awe-inspiring, especially when gardeners consider aesthetics prior to planting. The DIY Network advises gardeners to consider scale before choosing which perennials to plant. Tall plants and wide beds tend to look best outside large homes, while short plants in small beds tend to look better outside small homes.

3. Work with a professional.

Local garden centers

can be excellent resources when planning perennial gardens. Representatives at such businesses can offer tips on native plants, which will be more likely to thrive year after year than non-natives. Such representatives also can help you choose the right plants based on the amount of sunlight the plants will likely get after being planted. Each of these factors can be easily overlooked by people without much gardening experience.

Perennial gardens can provide years of joy and inspiration, especially when gardeners give ample attention to certain details prior to planting.

A MESSAGE FROM MLA MARK SMITH

Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency

This week we will hopefully begin the first phase of reopening as we endeavour to get our province back on track. Alberta's Relaunch Strategy puts safety first while gradually reopening businesses, resuming activities and getting people back to work.

While we face a long road to recovery, there are signs our collective efforts are helping slow the spread of COVID-19, however we must ensure the sacrifices we have already made are not wasted. To be successful, we must stay vigilant to slow the spread: follow public health measures, practice physical distancing and good hygiene, and continue acting responsibly. If things go well, we will begin the first of our three phase reopening process as early as May 14th. As always, head to <https://www.alberta.ca/covid-19> for current Covid-19 information in Alberta.

The legislature returned to debate important relief measures for Albertans during this difficult time. Our government introduced Bill 14, the Utility Payment Deferral Program Act, to support the provincial utility bill payment deferrals that were announced by our government on March 18. The utility payment deferral program was introduced for Albertan residences, farms, and small businesses who are experiencing financial hardship as a direct result of COVID-19. Bill 14 also lays out repayment criteria for individuals who defer payments through the program, with all deferred payments to be paid back by June 18, 2021. The program will ensure that no Albertan has their electricity or natural gas turned off between March 18 and June 18 of this year. To arrange a deferral, I encourage you to call your provider directly.

I am pleased to share that our government is taking

steps to provide relief to the forestry industry. An increased annual allowable cut of 13 percent and new options for wood fibre access are providing security for forest companies. With our province's fibre supply facing significant pressures, including the mountain pine beetle and annual wildfires, our government is taking steps to ensure access to fibre and continued support for a strong and competitive forest industry.

I have heard from many with questions about how and

when schools will begin reopening. As it stands, students will continue to receive teacher-directed, at-home learning. Schools and teachers are using multiple approaches to deliver curriculum to their students; 91% of school authorities are offering online learning to their students and 53% are emailing homework to their students. This entire process has been challenging and we recognize that not every student has access to technology, we have countered this by providing rough-

ly 60,000 devices to students as they learn from home

Families and parents may find it challenging to know what to do and where to find support during at-home learning. This is especially true for parents of students with disabilities. We have created a helpline for parents and families to call if they have any questions or require resources. The help line can be reached at 780-422-6548 (toll free by first dialing 310-0000), or by email at student-support@gov.ab.ca

FOR SALE BY OWNER

#29 Warwa Estates, Lac Ste Anne

The residence is a 1509 sqft 1.5 story residence on a cement foundation, situated on a half acre well maintained lot. The residence has 3 bedrooms (2 bedrooms on the upper level along with one bedroom on the main floor) along with a living room, kitchen and 2 storages or future washrooms. The residence has a 100 amp electric service, natural gas with a (2017) forced air furnace in a crawl space under the floor along with the phone service.

The residence is very well maintained and was used as a summer and winter weekend retreat. Even though the residence does not have running water or a septic holding tank, the residence was built with provisions for a washroom on the main floor along with a washroom on the upper level.

Obituaries

Helen Jackie Rozgo

Born September 7, 1934 in Calmar, Alberta. Passed away May 1, 2020 in Wabamun, Alberta. Age 85 years. Helen will always be remembered by her loving family. She is survived by three daughters and two sons. Katherine (Alan) Hrynyk of Vegreville, Patricia Wildeboer (Gary Lewchuck) of Sangudo, Alberta, Kandise Cull of

Westlock, Alberta, Brian Rozgo of Wabamun, Alberta, Terry (Lisa) Rozgo of Calgary, Alberta. She leaves behind four grandchildren. ..Jackie, Cory, Andrea, Adam and four great grandchildren.. Jessica, Weston, Alexander, Xavier. Also survived by 3 sisters... Mary, Olga, Sophie (Wendel), brother Fred (Phyllis) and numerous nieces and nephews. Helen was predeceased by her husband Edward (2009) and her son Roger, grandchildren.. Michael and Amanda, parents...Michael and Maria Jakowicki and siblings Annie and George. Helen was born and raised in the Calmar/Thorsby area until she met and married Edward Rozgo of Mundare. In 1953 they made their home in Gainford, Alberta where they raised their family. Helen loved her gardening, fishing and crocheting. She also had a passion for cooking, especially outstanding

Ukrainian meals during the holidays and family gatherings. Her warm and kind disposition will linger in our memories of her forever. She had a heart of gold and will be deeply missed by her family and friends. A celebration of Helen's life will be announced at a future date. Special Thank You To Cheryl White (Neighbor), Paramedics of Parkland Ambulance (1) 19-05

SUDOKU of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

“
I am super excited!
Down 4 lbs / 6.5 inches
in 8 days. Feeling GREAT!
Awesome product!
- Donna
”

“
I had given up on losing
weight but 11 days in I
dropped enough lbs to fit
into a favorite pair of jeans
hanging in my closet for the
last 5 years – and they are
loose, Yeah! – Kayla M.
”
