### DEALING WITH BLACK KNOT FUNGAL DISEASE

Submitted by Yellowhead County

Yellowhead County's Agricultural Services Department has received numerous calls from residents regarding black growths on residents' fruit trees.

These tar-like black swellings are a sign of Black Knot and will distort and stunt any tree species within the Prunus genus. Examples of trees in this genus include

Mayday, Shubert, Chokecherry, Pincherry, Plum, and Apricot trees.

Black Knot reduces the aesthetic value of affect-

ed trees and, if left long enough, may result in eventual death of the tree.

### ENTWISTLE LIBRARY CURBSIDE PICKUP NOW AVAILABLE

Submitted by Jakob Kubke - Parkland County Libraries

As of Tuesday May 19, you can physically check out books and movies from Entwistle Public Library. The building remains closed, but outdoor pickup will be allowed. Materials will be limited to those present in

this library only, as the normal TRAC resource sharing is still not functioning. In order to get your items, just follow these steps (no need to log in):

1. Go to [tracpac.ab.ca](http://tracpac.ab.ca)
2. At the top left of the screen, click "library". Scroll and down and select Entwistle Public Library.
3. Immediately below the

centre search bar, click the arrow beside "All formats", and click "All formats at this branch".

4. Call the library at 780-727-3811 or email [entwistlelibrary@pclibraries.ca](mailto:entwistlelibrary@pclibraries.ca) to request the items you want. We will arrange a time for you to pick up the items in front of the school.

# WILDWOOD AND DISTRICT AGRICULTURAL SOCIETY NEWS

Submitted by Carol Riehl

Hello Everyone. Spring is here! Leaves are popping, grass is turning green, robins are back. And what the heck, so are the mosquitoes. Lot's

of beautiful hot house plants are available. Some have part of their garden's planted. All is good.

The Ag Society would like to thank all of the people who sponsor classes in our annual

fair (which there won't be one this year). Those of you that have sent your sponsorship in thank you. We will keep a record of who you are and use your sponsorship next year. Thanks again.

It's drying up in the arena. So if you want to keep your horses exercised, you can book a time to use the arena by calling Wilma @ 780-325-2424. Keep staying safe and have a great summer.

## CELEBRATING SENIORS' WEEK

Submitted by Yellowhead County

The pandemic has changed how we honour seniors in our community, but it has also reminded us about the importance of connecting with our most beloved older community members, even if we cannot see them face-to-face.

Yellowhead County Family and Community Support

Services (FCSS) would like to challenge everyone to do something kind during Senior's Week (June 1 to 7) for the older adult in their life—whether it be a relative, friend, or neighbor.

Although we know we can't go for a coffee and a face-to-face visit with an older adult, we can still schedule a friendly phone call and mail a Tim Horton's gift card to them. You could even read a book to an

older adult over the phone to help reduce the feeling of isolation. Friendly calls are a great way to check in with older adults and increase feelings of connection.

You can also have a safe window visit; offer to do grocery shopping and delivery of groceries to the door step of an older adult; help older adults with technology—including offering tips on programs and

activities on the Internet and through different apps. Remember to let older adults know that 2-1-1, a 24/7 hotline, can help them locate whatever community resources they may need during these trying times.

These are great ways to show a little kindness and compassion to older adults during Senior's Week. From June 1st and onward during the pandemic, let's make sure that our older adults don't feel isolated and that their community connection stays strong!

Yellowhead County FCSS can't host its regular Seniors' Appreciation day due to the pandemic, so we are asking seniors (ages 55+) to call into the Yellowhead County Wildwood Office at 780-325-3782 to register for a gift certificate for a plant to a local greenhouse in Yellowhead County. As well, the senior will receive a thank you card and a senior resource sheet. When you show some kindness and compassion to an older adult, please let us know by commenting on our Facebook page (@YellowheadCountyFCSS). We would love to hear what everyone is doing for our older adults in our communities!

**All the Best to All of Our Graduates**

Graduation ceremonies may look a little different this year, but that doesn't mean they aren't still cause to celebrate. It's your day, and we hope you enjoy every moment as you celebrate the culmination of your hard work. May your graduation be the beginning of a bright and beautiful future. We look forward to celebrating your continued success!

# Dealing With Black Knot Fungal Disease

*Continued from Page 1*

The disease spreads in the spring, attacking new growth on branches. The spores released by the fungi can be carried by wind and splashing rain.

The only reliable method of controlling Black Knot is pruning. Here's how you can prune your trees properly to combat the disease:

1. Only prune between November and March.

2. Cleanly cutoff at least 6-8 inches below the knot, better to prune back to a healthy collar, then leaving a stub.

3. For knots on branches or trunks that can't be removed, use a knife to cut away diseased tissue down to good wood and then ½ inch beyond the edge of the

knot.

4. Cleaning your equipment properly is another good way to prevent the spread. Pruning shears should be dipped in a 1% bleach/water solution between cuts and once you are finished pruning ensure you run your tools under water for 10 minutes and dry thoroughly.

5. Treat pruned branches

like hazardous waste, they can release spores for up to 4 months. Burn, bury, or wrap them in plastic and throw them in the trash. Do not compost.

If you need more information about pruning, please reach out to an arborist or Yellowhead County's Agricultural Services Department at 1-800-814-3935 or 780-325-3782.

Dear Clients:

Greetings from LA LAW.

We are taking this moment to send a contact note to all our clients to inform you that even through the uncertain events we are all facing, our office is remaining open to assist you with your needs on a pre-booked appointment basis.

We are available during usual office hours (after hours when urgently required). As designated essential service providers we know of the continued requirement of our clients to keep their affairs moving along in an orderly manner.

Whether a move is in the near future or there is concern brought on by the current health uncertainties requiring updating of Estate Planning documents, or should you have other legal matters, we remain at the ready for you.

If Estate Planning update is on your mind this might be a good time to attend to it particularly if the work slow-down has sent you home with time on your hands. Your telephone call, fax or e-mail will receive our prompt attention. As you will understand, during this worldwide crisis the bulk of our contact must be by means of telephone and electronic communication but when it comes time for document signing, cautionary measures will be made to ensure a safe outcome. Since everyone is feeling the pinch of our stalled economy, please ask about our reduced fee rates in several key areas.

# PAINTING THE PEMBINA

**JOKE** of the week

A new business was opening and one of the owner's friends wanted to send him flowers for the occasion. The flowers arrived at the new business site and the owner read the card: "Rest in Peace." The owner was annoyed, and called to complain. "Sir, I'm really sorry for the mistake, and sorry you were offended," said the florist. "But even worse, somewhere there is a funeral taking place today, and they have flowers with a note saying, "Congratulations on your new location."

**Submitted by Brie Adkins, Artist and Owner of Salt of the Earth Gallery**

The owner and artist of Salt of the Earth Gallery has set out to create a stunning mural in the heart of Entwistle adjacent to the gallery. This extra large mural, called the 'Painting the Pembina' has been a community crowd funded project - 'selling' the brick of the building to fund not only the mural

but to raise money for the 3 Pembina Schools in the area. So far the project has raised \$4200, and had room to raise much more. Besides good heartedness and the excitement over the mural itself, the residents and businesses in the area are contributing to this cause because their names will be added to a plaque that will be in front of the mural. Yes, anyone who contributes will be immortalized in the town of Entwistle. There are extra incentives for those extra generous as well.

This is a self directed mural project by professional artist Brie Adkins who has been working as an artist for the past 5 years. It is her hopes to bring more art into rural settings through classes, education and public art. Last year and again this year she will be working with the Vegreville Tourism Board for a mural project in their town in June. Painting the Pembina will take place mid July and feature images of the river bend with wildflowers and the bridges. The aesthetic will be a modern one that had bold design and a pop of color that can be seen from the main road.

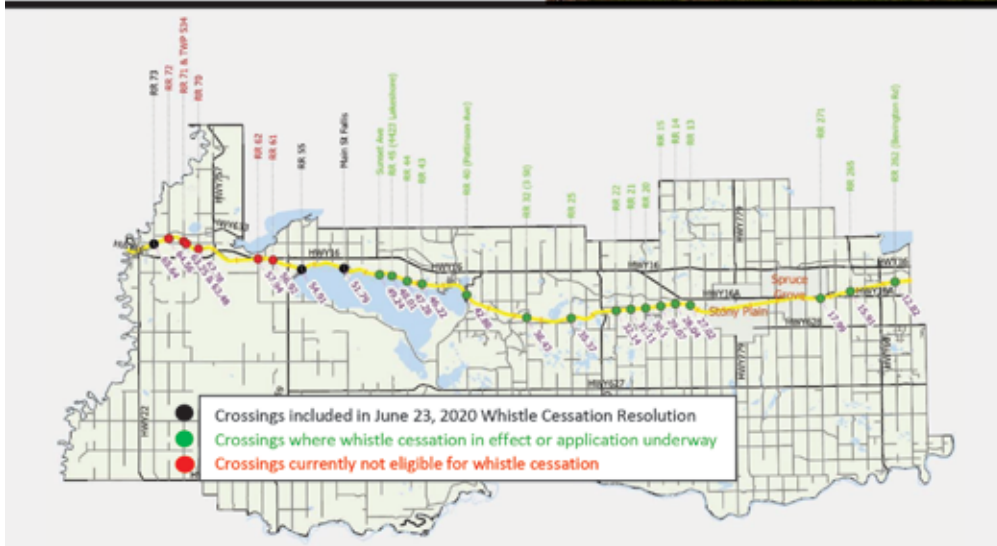

There is still time to contribute to the project. The mural will be commenced in July however the fundraising will be open until August 31. It is Brie's plan to award the funds to the schools and unveil the plaque during September Culture Days weekend. 'Bricks' can be 'purchased' at Salt of the Earth Gallery or online at [www.saltoftheearthgallery.com](http://www.saltoftheearthgallery.com)

This mural will most definitely be a pick-me up for the heart of Entwistle which is also welcoming a new pool, library and soon to open restaurant right downtown.

## WHISTLE CESSATION RESOLUTION

As a result of recent crossing control upgrades at the rail crossings located at Main Street in Falls, Range Road 55 and Range Road 73, Parkland County is of the opinion that these three rail crossings now meet whistle cessation requirements outlined in the Railway Safety Act, R.S.C. R.S.C. 1985 C-32 (4th Supp.).

On June 23, 2020 Parkland County will be recommending that Council pass a resolution prohibiting train whistling at three at grade rail crossings located at Main Street in Falls, Range Road 55, and Range Road 73.

**Any feedback for Council's consideration prior to the meeting must be received by June 9, 2020.**

Submissions can be sent to [keith.bobey@parklandcounty.com](mailto:keith.bobey@parklandcounty.com) or mailed to 53109A Hwy 779, Parkland County, AB T7Z 1R1

# Lawn & Garden

## DID YOU KNOW?

Many lawns contain a mixture of the roughly one dozen types of different grasses. According to the lawn care experts at Scotts®, knowing which type of grass they have in their yard can help homeowners more effectively manage and care for their lawns. But with so many

lawns containing a mixture of grasses, how can homeowners know exactly what's making up that green carpet in their yards? Scotts® notes that lawns typically fall into one of two categories: warm-season grasses and cool-season grasses. Warm-season grasses are those that thrive

in regions where the climate tends to be especially warm, such as the southern United States. Cool-season grasses are those that are at their best in climates that experience extreme temperature fluctuations. For example, cool-season grasses are most likely to be found in the northern United States, as much of this area of the country experiences cold winters and

warm, and in some places very hot, summers. Homeowners who are uncertain about which type of grass they have can consult a lawn care professional for advice. Homeowners who learn which type of grass is in their yard can use that information to determine how frequently they should mow and water their lawns and which type of fertilizer is best-suited to their lawns.

# SUDOKU

*of the week*

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

**ANSWER:**
