GYPSED GOOD NEWS STORY: STUDENT SUPPORTS CONTINUE AT HOME

Submitted by GYPSED

GYPSED students continue to receive valuable support from Speech-Language Pathologists and Occupational Therapists in all our communities during school closures. Working closely with our families to identify specific needs during these unprecedented times, parents provided information on what type of support their child required, and how often they would like to receive help.

20 MILLION MASKS TO BE DISTRIBUTED TO ALBERTANS

Submitted by Government of Alberta

A&W, McDonald's Restaurants of Canada Ltd. and Tim Hortons are partnering with the Alberta government to distribute non-medical masks at no cost through their drive-th-

ru locations across the province, to help prevent the spread of COVID-19. Distribution will start in early June.

Government is also working with municipalities, First Nations communities, Metis Settlements and local agencies to distribute

the non-medical masks to those who need them, such as people who depend on public transit.

This initiative is part of Alberta's Relaunch Strategy to safely begin removing public health restrictions and reopen our economy.

YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

Submitted by Yellowhead County

May 26, 2020
 Election Sign Bylaw – Council provided third reading to the Election Sign Bylaw 13.20. This bylaw is meant to enforce election sign removal. The bylaw comes in response to a great number of signs littered throughout the county after the last municipal election. The bylaw will penalize those who incorrectly fix or

erect a sign or do not remove their signs following an election. The penalty is a standard \$100 fine per sign.

Edson Waste Transfer Site Fee Implementation – County council approved using the Town of Edson's fee schedule for county users of the Edson Waste Transfer Site. County users of the Edson Waste Transfer site were historically exempt from user fees. However, it is evident that the system is being abused. County users of the facility will now be charged the minimum fee of \$5.00 per use. It is estimated that the county will save some \$60,000 in fees paid to the town.

Water Tank Installation Tender – Yellowhead County's Fire Department (YCFD) currently has 13 underground water tanks strati-

tegically located in non-hydrant areas throughout the county. These tanks supply water when needed for fire operations. The tanks will also form part of the superior water-shuttle rating that YCFD is striving to achieve. If this rating is acquired, a substantial decrease in insurance rates could be seen by all residents and workers within Yellowhead County. Council accepted a tender from K-Rite Construction Ltd. (lowest bidder) to install two final water tanks at a cost of \$122,148.42.

PLEASE NOTE: The next scheduled regular Council meeting is June 23, 2020 at 9:30 AM. The next scheduled Governance & Priorities meeting is June 16, 2020. Council meetings for June 9 and July 14 have been cancelled.

JOKE of the week

The elementary school cook prided herself on the healthy meals she provided with lots of vegetables and fruits. When the power failed one day, the cook couldn't serve a hot meal in the cafeteria, so at the last minute she whipped up great stacks of peanut-butter-and-jelly sandwiches. As one little boy filled his plate, he said, "It's about time. At last, a home-cooked meal!"

The first four months of 2020 have been challenging yet despite changes to funding, and the significant impact of the COVID pandemic, Grande Yellowhead Public School Division has maintained its focus on student learning. The crisis has illustrated the crucial role that teachers play in the communities they serve. In addition to ensuring student learning remains a top priority, teachers and school leaders have worked to ensure schools share fact-based information, provided digital devices and technology support, facilitated access to nutritional meals for struggling families, and maintained access to mental health supports and counselling. The Division applauds the incredible partnerships that exist between teachers, students, and families in the support of student learning.

Prior to the COVID restrictions announced in early March, the Board of Trustees for Grande Yellowhead Public School Division had just completed their second year of Community Engagement events in each of the five zones beginning February 25 in Edson and ending in Grande Cache on March 12.

NEW ASSISTANT SUPERINTENDENT ANNOUNCEMENT - CONSTANTINE KASTRINOS

Submitted by Grande
Yellowhead Public
School Division

Constantine Kastrinos and his family are honoured to be joining the Grande Yellowhead Public School Division (GYPSD). Mr. Kastrinos is the new Assistant Superintendent of Human Resources, Staff Relations, and Leadership Development. During his 21 years as an educator, Mr. Kastrinos has been entrusted with a myriad of leadership opportunities; including Department Head, Consultant, Supervisor, Assistant Principal, and confirmed Principal.

Mr. Kastrinos's leadership excellence as Consultant, and then Supervisor of Planning, for the Edmonton Public School Division, was instrumental in establishing stakeholder engagement processes that have become trusted practices within that urban school division. Mr. Kastrinos has excelled in staff recruitment and hiring, instructional leadership, and community relations. In addition, Constantine is a life-long learner who values the pursuit of academic interests and will continue to do so as a doctoral student in the fall of 2020.

With his youth rooted in Lakeland country, namely Bonnyville, Alberta, Constantine and his wife Roshan, who was raised in Spruce Grove, are looking forward to bringing their three children to the Grande Yellowhead Public School Division. The couple has been married for 16 years and enjoys traveling as a family and experiencing new locales and cultures. Constantine would like to thank Superintendent Lewis and the Board of the GYPSD for trusting him with this opportunity and he is excited to contribute his skill-set to the outstanding GYPSD team, while serving all stakeholders.

The types of support that the Division is pleased to be able to offer range from phone con-

sultation, emails, paper program plans, and virtual therapy sessions. Speech-Language Pathologists and Occupational Therapists from our contracted

service providers, Khan Communication and Alberta Health Services, are dedicated to ensuring students are making progress on their individual

goals. GYPSD is very fortunate to have such dedicated partners in learning that continue to assist over 150 students in our communities!

20 Million Masks To Be Distributed To Albertans

Continued from Page 1

For more information, visit alberta.ca/RelaunchStrategy.

"I want to thank A&W, McDonald's Canada, Tim Hortons, and all of the other organizations and municipalities that have come together to help us distribute millions of masks. The collective response from leaders in government, public, and private sectors has been overwhelming and I am in-

credibly grateful to everyone involved." - Tyler Shandro, Minister of Health

"A&W is very pleased to support the Government of Alberta with this great initiative. Our restaurants across the province have been quick to step up and help organize the distribution of masks, and are looking forward to welcoming Albertans at our drive-thrus." - Susan Senecal, president and CEO, A&W Canada

"McDonald's Canada, together with our franchisees, have been committed to helping our communities throughout this pandemic. We welcome this opportunity to use our drive-thru operations to assist the Alberta government, and do the right thing for Albertans when they need us most." - Jeff Kroll, restaurant support officer and COVID Response lead, McDonald's Canada

"Throughout the pandemic, the 1,500 Tim Hortons owners across Canada have been eagerly supporting their local communities and stepping up to answer calls for assistance. When we were asked by the Alberta government to help distribute masks through our drive-thrus we did not hesitate. We're proud to have been asked to participate in this important program and do our part to help Alberta move forward on its relaunch strategy." - Mike Hancock, chief operating officer, Tim Hortons

ages of four.

- Masks will be available at almost 600 restaurant partner locations across Alberta.

- Masks will be available only at drive-thrus, and only while supplies last. No purchase is necessary.

- About 95 per cent of Albertans are located within 10 kilometres of these drive-thrus.

- Mask use is not mandatory; they are an option for situations where maintaining a physical distance of two metres is not possible.

- The mask distribution program is intended to supplement an individual's efforts to acquire non-medical masks. Albertans who wish to use non-medical masks are encouraged to purchase their own supply from local retailers in addition to using those provided by government.

- Instructions for proper care and use of non-medical masks is available on alberta.ca/masks.

GOLFER'S GUIDE

POPULAR GOLF COURSES AROUND THE WORLD

The Masters Tournament is the first of golf's four major championships in the calendar year. Competitors tee off at the Augusta National Golf Club in Augusta, GA, in April 2020. Americans Tiger Woods and Patrick Reed are the two most recent Masters champions, and fans are already eager to see who earns the fabled green jacket this year.

Televised golf competitions often inspire people to hit the links. People with a passion for golf may want to check out some of the top courses in the world, as ranked by leading golf resources and experts.

- **Ballybunion:** This Irish course was touted as "nothing less than the finest seaside course" by famed golf writer Herbert Warren Wind. The course hosted the 2000 Irish Open, but lack of other tournaments can be attributed to its remote, albeit beautiful, location

- **Cypress Point:** This club sits at the foothills of the Santa Lucia Mountains at the tip of the Monterey Peninsula in California. Located in coastal dunes and on rocky coastlines, Cypress

Point is often noted for its dramatic holes along the Pacific Ocean.

- **Pine Valley:** Located in Pine Valley, NJ, this course, which is more than 100 years old, boasts some formidable hazards with sophisticated green expanses.

- **St. Andrew's:** This historic course in Scotland has hosted the Open Championship (once known as The British Open) a record 29 times. Historians believe golf originated in Scotland,

and people have been playing on this course since the 15th century. Massive greens, cavernous bunkers and a brilliant layout contribute to its distinguished history.

- **Shinnecock Hills:** This course in Southampton, NY, is a very old club built in the tradition of Scottish courses. This was likely the inaugural American golf course design, and the Shinnecock Hills Golf Club was one of the five found-

ing members of the United States Golf Association.

- **Augusta National:** Home to the Masters, Augusta is considered a golf paradise by many. The sheer beauty of Augusta has made it a staple on many golfers' bucket lists, even if only a few may get to walk its fairways with club in hand.

Golf has a storied history, and that history is on display at various jaw-dropping courses across the globe.

SENIORS' WEEK 2020

Submitted by **Josephine Pon, Minister of Seniors and Housing**

Seniors' Week 2020 will, in some ways, be different

than any other in the 34 years of this wonderful Alberta tradition.

Although COVID-19 will change the way we celebrate this year, it won't change the spirit of Seniors' Week. That spirit is as strong as ever and, as ever, it is about recognizing and celebrating all that seniors have contributed to making our families, communities and province so much stronger.

In past years, we have celebrated seniors at BBQs, teas, parties and all types of social events. These can be gatherings in seniors centres and lodges and community halls throughout the province. This year, pandemic-related restrictions will prevent those types of large gatherings.

It won't prevent us, however, from celebrating Seniors' Week in fun, creative and innovative ways. A lot of us are leveraging technology to stay connected with family and friends during this challenging time. Don't be surprised if the senior in your family suggests hosting an event on Facetime, Zoom or other online platforms.

You could consider sending fun videos with grandchildren dancing or singing a song.

GYPSD GOOD NEWS STORY TO SHARE:

HAPPY SCHOOL BUS DRIVER APPRECIATION DAY!

Submitted by Grande Yellowhead Public School Division

May 4 was School Bus Driver Appreciation Day, a day in which we recognize and thank our many dedicated school bus drivers for getting our students safely to and from school. Our school bus drivers are often the first and last smile that students see at the start and

end of each school day - a role they take on proudly as a member of the GYPSD team. From our families to yours, thank you for your service, support, and dedication to the students across the Grande Yellowhead Public School Division!

WHISTLE CESSATION RESOLUTION

Seniors' Week 2020

Some communities will hold parades, ensuring physical distancing, that will move their way to seniors residences where people will leave cards outside for seniors.

Offer to pick up groceries, run errands, drop by a senior's home and cut the grass. It all matters.

Most importantly, check in with the seniors you know.

Even if we can't all be together, let's make sure that all seniors feel valued by family, friends and Albertans.

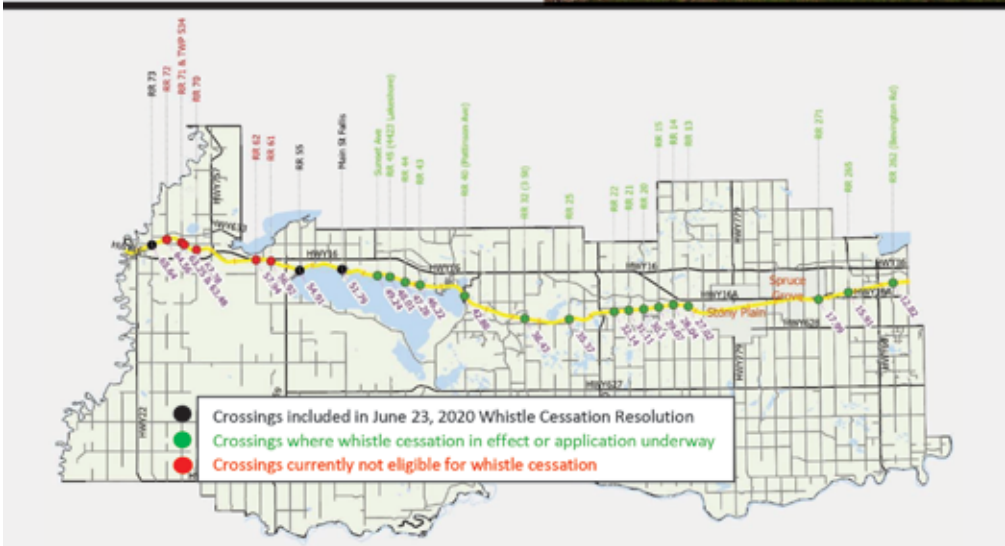

Alberta has a strong, active, and growing seniors population of more than 640,000. These seniors are vital members of our communities and they make a difference in our daily lives. Seniors have lived through difficult times. They have much to share with us.

I say it all the time - seniors are the strength of Alberta. Enjoy Seniors' Week from June 1-7.

Be safe, have fun and thank you to all Alberta Seniors

As a result of recent crossing control upgrades at the rail crossings located at Main Street in Falls, Range Road 55 and Range Road 73, Parkland County is of the opinion that these three rail crossings now meet whistle cessation requirements outlined in the Railway Safety Act, R.S.C. R.S.C. 1985 C-32 (4th Supp.).

On June 23, 2020 Parkland County will be recommending that Council pass a resolution prohibiting train whistling at three at grade rail crossings located at Main Street in Fallis, Range Road 55, and Range Road 73.

Any feedback for Council's consideration prior to the meeting must be received by June 9, 2020.
Submissions can be sent to keith.bobey@parklandcounty.com or mailed to 53109A Hwy 779, Parkland County, AB T7Z 1R1

MESSAGE TO MY CONSTITUENTS

Submitted by Gerald Soroka, MP for Yellowhead

Provinces are slowly easing health restrictions after being shut down for weeks. While we are not out of the woods yet, there is reason for cautious optimism here in Yellowhead and across the country.

However, the Trudeau government has been slow to react from the very beginning of this crisis, and their failures have cost Canadians.

They spent the cupboards bare in the good times and were unprepared when the pandemic hit. Their failure to close our borders allowed the virus to spread. Their inability to maintain Canada's national stockpile of personal protective equipment meant there weren't enough medical supplies when our doctors and nurses needed them most. Their failure to get federal COVID aid programs right the first time has allowed businesses and workers to fall through the

cracks.

We cannot afford to have Liberal failures derail provincial efforts to get our country back on track. But that is precisely what federal programs are threatening to do.

For example, for those Canadians who want to work but who lost their jobs due to the pandemic, the Canada Emergency Response Benefit (CERB) and the Canada Emergency Student Benefit (CESB) both prevent you from earning more than

\$1,000 per month. As businesses open and have shifts to fill, their employees will be penalized for returning to work under the Liberals' program. That's wrong.

Conservatives are calling on the Trudeau government to make programs like the CERB more generous and more flexible so that no one is worse off going back to work or picking up a shift.

Liberal failures must be fixed before it's too late.

REGIONAL RELIEF & RECOVERY FUND IS NOW OPEN FOR APPLICATIONS

Submitted by Gerald Soroka, MP for Yellowhead

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, would like to inform constituents that the Regional Relief and Recov-

ery Fund is now open for applications.

Nearly \$1 Billion will be made available through this fund to support businesses and communities. The Fund is meant to help mitigate the financial pressure experienced by businesses and organizations to allow

them to continue their operations, including paying their employees.

This initiative is implemented by the six regional development agencies, which have also adjusted certain criteria for their regular programs in response to the exceptional circum-

stances that businesses are facing.

More information on Canada's Regional Development Agencies and how to apply can be found at: https://www.ic.gc.ca/eic/site/icgc.nsf/eng/h_07682.html

2020 Community Engagement Results

Continued from Page 4

Each event ran from 6:30 to 9:00 pm, and attendees heard from Board Chair Brenda Rosadiuk, the local trustee for that zone, Superintendent Lewis, and the community's school principals – who described their collaborative approach to using data, leveraging professional learning, and accessing Division services and resources to support the learning journey of all GYPSD students, junior kindergarten through to Grade 12.

The evening events are one of the ways that the trustees connect with community members to discuss the Board's mission, vision, and priorities for Grande Yellowhead Public School Division. Yellowhead MP

Gerald Soroka and MLAs Long and Getson also attended the events for their areas.

In addition to an overview of school and Division budget allocations led by Superintendent Lewis, the event participants responded to four survey questions posed by the Board of Trustees:

- What does it mean to be an educated person in this community?
- What are the key skills our graduates require coming into the workforce?
- What are our blind spots? What are we not seeing?
- How will you/how are you, as a stakeholder, supporting public education in this community?

Responses to the questions were collected, collated, and reviewed for themes. Top answers for

Question 1 included Social Skills and Emotional Intelligence. Important skills identified in Question 2 for graduates were Emotional Intelligence and Communication.

The Board was pleased by the overwhelmingly positive feedback it received for Question 3 - to identify blind spots. Participants shared their appreciation for the effort schools make to support students in the rural context – particularly students with complex needs – and asked for more opportunities and avenues for parents to connect with teachers and the school, more social-emotional supports, and expanded cultural learning programs.

The top responses to Question 4 included advocating for the school and the Division, participating

in community engagement events and volunteering in the school.

The Board of Trustees strives to connect with parents, community partners, staff, and students throughout the Division. Community Engagement is a Board Priority, and the events are an important avenue for the trustees to hear from the stakeholders and collect important feedback on key topics.

The Board extends its appreciation to everyone who was able to join in the conversation to help inform the upcoming school year. The complete summary can be accessed on the GYPSD website. Photos from all community engagement sessions can also be viewed on the Division's Facebook page.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

WE'RE ALL IN THIS TOGETHER.
Thanks to Our Team & Community!

As your community newspaper, we are committed to delivering the latest and most accurate COVID-19 news and local updates. We also remain dedicated to serving our local advertisers, as they struggle to overcome unprecedented economic challenges resulting from the pandemic.

ADVERTISERS, call 780.962.9228 to learn how we can help you.

In uncertain and troubled times like today, the importance of local news and community connection is more evident than ever. You can help support businesses in our community by purchasing gift cards for later use, frequenting restaurants that are open for takeout or checking to see if your favorite businesses have opened online stores. You can also support the future of local news and reporting by reserving your ad space today and letting our readers know how they can help you!

Together, we are all stronger.
