### GAME ON! SUMMER READING PROGRAM AND MINECRAFT WITH PARKLAND COUNTY LIBRARIES

Submitted by Jakob Kubke - Entwistle Public Library

It looks like summer has finally arrived! After so much "time off" already, undoubtedly young and old alike are looking for new things to do. Parkland County Libraries has lots of offer, with our online Summer Reading Program as well as a Minecraft building challenge!

The Minecraft challenge goes from July 2nd to 31st.

Build the most beautiful house; the most defensible structure (like a castle); and the most difficult maze. As a bonus, make the new library building - how you think it will look or how you want it to look!

The library has made its own multiplayer server. You can join it and build your creations on it if you have the PC Java Edition of the game. The server address is entwistle.mcs.cool

If you have the game on console (like Playstation,

Xbox, or Switch) or on mobile, you can still participate by doing the challenges single player and sending screenshots to Parkland County Libraries on Facebook by the end of July.

The game costs about \$10 on mobile, \$35 on PC, and anywhere from \$40 to \$70 on console. After that, everything is free!

Call the library at 780-727-3811 if you have questions about the Minecraft challenge.

**Dear Participants, Competitors, Vendors**  
The Darwell & District Agricultural Society would like to thank everyone for all the continuing support through the years. Unfortunately, due to the ongoing Covid-19 Pandemic and the restrictions of large gatherings, the Darwell Ag Society has been forced to cancel our 2020 Barnbumer, Tractor Pull and Fair. We wish everyone the best and a healthy and safe summer and look forward to seeing you all in 2021.

# A MESSAGE FROM MLA MARK SMITH

**Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency**

This month is a time to celebrate the history and diversity that make our province, and country, a great place to live. I take great pride in being Canadian and I wish everyone a very happy Canada Day! I hope you will get a chance to enjoy the great attributes of our province and country by getting out in the beau-

tiful sunshine we have been blessed with recently.

After a difficult beginning of the year, our province has been gradually reopening businesses and facilities. Our province's relaunch strategy puts the health and safety of our community first. Our province has expanded its testing capacity and contact tracing ability, and put a rapid response plan in place for possible outbreaks to ensure that our province can continue to prevent the spread of

COVID-19. General workplace and industry-specific guidelines, which can be found at [alberta.ca/bizconnect](http://alberta.ca/bizconnect), are in place to protect employees and customers of businesses across the province. Our wonderful local businesses are at the heart of our community, and I encourage you to shop local and show them your support!

I am happy to share that the hard work and sacrifices of Albertans has paid off, and our province was able

to begin Phase 1 of the Alberta Relaunch Strategy in May. With strict guidelines in place, our community can and should confidently support Alberta businesses as our economy begins to reopen. Alberta's relaunch strategy puts safety first as restrictions are gradually lifted. Our province is prepared to gradually allow some businesses and facilities to reopen, including retail, hairstylists and barber shops, and cafes and restaurants in the first stage. General workplace and industry-specific guidelines, available at [alberta.ca/bizconnect](http://alberta.ca/bizconnect), must be implemented to keep patrons and employees safe in this stage.

This week our province launched the Human Trafficking Task Force, which will find ways to prevent human trafficking, and protect and empower survivors. Anti-human trafficking advocate Paul Brandt will lead the seven-member task force that will provide guidance and recommendations on how to best implement the government's strategy to combat human trafficking in Alberta. This task force will also help shed a light on an often overlooked and under-reported crime that causes serious harm. The task force will provide recommendations on how to support survivors, enhance collaboration between organizations working on this issue, engage experts on how to bring sustainable change, and lobby other levels of government to take coordinated action against human trafficking. Alberta should be a place where people can live free from exploitation and coercion. The new Human Trafficking Task Force will help shine a light on an important issue in our province and make change.

As always, it is my honour to serve as your MLA.

# YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

## Submitted by Yellowhead County

June 23, 2020

Economic Corridor Initiative Presentation – Bart Guyon, Reeve, Brazeau County, and Brian Senio, Research Analyst, Global Public Affairs, presented to county council regarding a proposed western economic corridor.

The presenters are seeking to create a collaboration of industries, First Nations communities, municipalities, and the provincial and federal government, which will aim to stimulate economic recovery, job creation, and investment attraction in the western Alberta region.

Agricultural Services Board Establishment – Earlier this

year, Yellowhead County Council rescinded the Agricultural Service Board (ASB) and assumed all previously delegated responsibilities of that board. Alberta Agriculture and Forestry requires a municipality to establish an ASB to meet applicable legislation and the requirements of the annual provincial ASB grant. Council gave third reading to Bylaw No. 15.20, being a bylaw to establish an Agricultural Service Board and an Agricultural Services Appeal Committee.

Council Appointment of an Agricultural Service Board – As county council had previously rescinded the Agricultural Service Board (ASB), council is now responsible for manning the ASB. Yellowhead County Council appointed the whole of council as the Yellowhead County Agricultural Service Board with the Mayor as chair.

River Ridge Area Structure Plan Amendment – River Ridge Properties Ltd. has recently submitted an application to amend the River Ridge Area Structure Plan 25.13. This application is in support of the subdivision of one additional lot from the plan area, meaning the proposed amendment will increase the number of country residential lots within the plan area from 47 to 48. Council gave first reading to Bylaw 16.20 amending the River Ridge Area Structure Plan as indicated on Schedule “A” and forwarded the bylaw to a public hearing to be held on July 28, 2020.

PLEASE NOTE: The next scheduled regular Council meeting is July 28, 2020 at 9:30 AM. The next scheduled Governance & Priorities meeting is July 21, 2020. The July 14 council meeting has been cancelled.

# SUDOKU

of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
