### UTILITY BILL ASSISTANCE FUND AVAILABLE BY DIALING 211

Direct Energy continues partnership with United Way to provide \$75,000 utility assistance program.

Submitted by Direct Energy

Strongly committed to Alberta, Direct Energy and Direct Energy Regulated Services is proud to continue its partnership with the United Way of Calgary and Area, and to begin a new partnership with the United Way Alberta Northwest to help Albertans experiencing financial crisis pay their

utility bills. The impact of COVID-19, compounded by the challenges faced by Alberta's energy sector, has put significant financial stress on families across the province. United Way's Direct Energy Emergency Fund provides a helping hand for hundreds of Alberta families and reduces the risk of debt due to utility bills in arrears or disconnection no-

tices. Since it began in 2017, Direct Energy has committed more than \$575,000 to the Fund.

This announcement follows the province-wide end of the 90-Day Utility Payment Deferral Program, through which Albertans were able to defer bill payments until June 18, 2020.

# Utility Bill Assistance Fund Available by Dialing 211

Continued from Page 1

Knowing that many families continue to face financial challenges, Direct Energy is providing program participants with a 10-month repayment plan, in addition to ensuring

the Fund is in place for families in need of assistance. Effective July 2020, any Albertan living in the Calgary or Grand Prairie area may contact 211 to speak with a case worker to determine eligibility.

"With almost one million

customers, we understand the financial challenges many Albertans are facing. We want to help those who need it most," said Tanis Kozak, Vice President and General Manager, Canada, Direct Energy. "Since the fund kicked off in 2017, the

Direct Energy Emergency Fund has delivered much-needed financial relief for over 900 individuals and families struggling with basic needs, including natural gas and electricity bills."

"With our current economic reality, and the onset of COVID-19, we've seen a big spike in the number of Calgarians struggling to pay for basic needs, including utilities," said Karen Young, President and CEO of United Way of Calgary and Area. "We are grateful for our renewed partnership with Direct Energy, which will allow Albertans who face financial challenges to access emergency funds that prevent them from slipping into further debt."

Direct Energy's 2020 funding commitment of \$75,000 will be available to Albertans served by the United Way of Calgary and Area and the Grand Prairie Region.

Disconnected or pending disconnected utilities are not a specific requirement.

All requests for individual assessment and assistance should be directed to 211 or [www.ab.211.ca](http://www.ab.211.ca).

# 20 MILLION FREE MASKS AVAILABLE PROVINCEWIDE

*Albertans have another chance to pick up free non-medical face masks at the counter or drive-thru of their local A&W, McDonald's Canada or Tim Hortons restaurant.*

## Submitted by Government of Alberta

Masks are now available at more than 700 partner restaurant locations, including those without drive-thru service, adding more than 100 new locations and expanding the availability of masks to Albertans. No purchase is necessary to pick up masks in restaurants, either at the counter or through drive-thrus.

A&W, McDonald's Canada, and Tim Hortons partner restaurants are handing out eight masks per person for this distribution. Albertans are encouraged to pick up masks for family and friends to reduce traffic at partner restaurant locations. Masks will be available at restaurants while supplies last.

"Albertans don't shy away from hard work when there is a job to do. Right now, it's our job to continue to do the work needed to prevent the spread of COVID-19 as our province relaunches. Washing your hands regularly, practising physical distancing, and wearing a mask when physical distancing isn't possible will help keep us all safe." - Jason Kenney, Premier

A larger number of long-term care and supportive living, seniors facilities, community groups, social service organizations, libraries, court houses and places of worship will be distributing masks to their residents, clients and members. Municipalities without easy access to a partner restaurant location are again being supplied with masks to distribute to their residents, as are First Nations communities and Metis Settlements.

Four million masks are being provided to 20 transit systems across Alberta, including Calgary and Edmonton, to be used by transit riders. 7-Eleven Canada has generously donated logistics support to ship and deliver these masks and distri-

bution supplies from the government warehouse to each participating transit service.

Wearing a non-medical mask when it's difficult to maintain physical distancing of two metres is one way we can continue to limit the spread of COVID-19 as we relaunch our province. This initiative is a key part of Alberta's Relaunch Strategy to safely reopen our economy while protecting Albertans from COVID-19.

"This is the only initiative of its kind in Canada and it's a key support to our safe relaunch. Like other provinces, we strongly recommend people follow public health advice on distancing, and wear a mask when that's not possible. And we're the only province in Canada that's backing up that advice with free masks to socialize their use. Thank you to our partners A&W, McDonald's Canada, and Tim Hor-

tons for again stepping up to support us - and to 7-Eleven Canada for volunteering to ship masks to transit services. And, of course, thanks to municipalities, First Nations and Metis communities, places of worship, social services organizations, seniors facilities and others who are helping us get masks to as many Albertans as possible." - Tyler Shandro, Minister of Health

# ALBERTA FISH & WILDLIFE AND PARKLAND RCMP PATROL LOCAL WATERWAYS

### Submitted by RCMP Alberta

Stony Plain, Alta. - During the weekend of July 4 and 5, 2020, Parkland RCMP and local Alberta Fish and Wildlife officers teamed up to patrol the local waterways. The officers ran compliance checks, not only to educate but to ensure safety for boaters and fishermen.

On Saturday, July 4, 2020, 50 boats were checked. Officers wrote several inspection warnings and Alberta Fish and Wildlife laid nine charges.

On Sunday, July 5, 2020, at Wabamun Lake and Jackfish Lake, officers checked over 150 boats and spoke to numerous

shore fishermen. Warnings were given out, a few tickets were issued and one person was arrested for impaired operation. Alberta Fish & Wildlife and Parkland RCMP found that there was approximately a 90% compliancy rate, a significant change from two years ago when compliancy was at 50%.

RCMP and Alberta Fish & Wildlife would like to remind the public that the same laws regarding the impaired operation of a conveyance (which includes boats, watercrafts and motor vehicles) apply if you're on the water or the road.

If a person's blood alcohol level is between 0.05 to 0.08,

the first offence is a minimum \$1000 fine, immediate 3-day license suspension and 3-day vehicle seizure. The length of suspension and the number of days the vehicle is seized increases per offence.

If a person's blood alcohol is over 0.08, the first offence is a minimum \$1,000 fine, sustained license suspension, 3-day vehicle seizure, must complete the Government of Alberta's Planning Ahead course at a cost of \$275. The number of days the vehicle is seized and the cost of the impact course increase per offence.

Passengers (never the operator) on a boat are permitted

to consume alcohol if the boat meets certain criteria. To legally consume alcohol on a boat, it must be moored or anchored with permanent cooking and sleeping facilities, and a permanent bathroom. If the boat meets those requirements, the passengers are allowed to consume alcohol. Fishing boats and general pleasure-craft don't meet this criteria, but some house boats do.

Officers will remain visible on the lakes and rivers of the area for the remainder of this season and into the next to ensure the safety of all users. Remember, life jackets for everyone, enjoy your summer and stay safe.

# GEORGE PEGG BOTANIC GARDEN IS OPEN!

**Submitted by Emily Fyfe, Garden Supervisor**

George Pegg Botanic Garden, just north of Glenevis, AB is now open for the summer season, seven days a week, from 10:00 am till 4:00 pm. The Garden contains the original homestead of the Pegg family as a reminder of how life was in the early twentieth century, as well as the important botanical work completed by George Pegg. Garden staff have been hard at work preparing for visitors and ensuring a safe and en-

joyable time. We are taking extra care to keep everyone healthy by physical distancing, providing sanitizer, and cleaning surfaces regularly. Please visit our website for more details regarding the COVID-19 protocols we have in place.

Visiting the Garden is a perfect way to spend time outside exploring nature and learning about the past in peace and quiet. The plants in bloom change each week- the 'Black Prince' lily will be flowering soon.

Our vegetable garden is coming along. The potatoes

will be donated to local food banks in the fall as part of the "Plant-a-Row, Share-a-Row" program. We encourage you to donate any extra vegetables you may grow this summer to a local food bank as well.

We also welcome you to walk through our Nature Trail. We advise you to proceed with caution; like many areas in the community, it is wet in some locations! We are excited to have a Botanist from the Royal Alberta Museum writing an illustrated guide of the native plants found on the trail. We

look forward to having this available for your reference!

Our staff members look forward to your visit, they are eager to provide you an insightful tour. Watch for updates about the 2020 version of the Rural Roots Farmer Showcase in August on our website, Facebook, and Instagram!

# WHITECOURT PARTNERSHIP RECEIVES PROVINCIAL SUPPORT TO COMPLETE A COVID-19 IMPACT ASSESSMENT PROJECT FOR THE REGION

**Submitted by Town of Whitecourt**

The Province of Alberta is working in partnership with the Government of Canada to provide employment support programs and services, and Whitecourt is proud to announce that the Government of Alberta's Labour Market

Partnership Program has allocated \$59,000 to the Whitecourt region to complete a COVID-19 Impact Assessment Project.

"The impacts of COVID-19 have and will continue to change how business and industry hire staff, address labour force challenges, and respond to consumer behav-

ior," stated Whitecourt Mayor Maryann Chichak. "This project will involve the implementation of an extensive business outreach platform to align programs, communications and plans between employees, employers, training providers, post-secondary institutions, and other organizations in the region."

In March 2020, the Town of Whitecourt launched an Economic Supports and Recovery Task Team to leverage resources and provide a coordinated response to supporting businesses in the community throughout the COVID-19 pandemic. As a result of discussions and information gathered, Whitecourt, Community Futures Yellowhead East and the Whitecourt & District Chamber of Commerce submitted a proposal to the Labour Market Partnership Program to complete the COVID-19 impact assessment and recovery strategy.

"The Whitecourt & District Chamber of Commerce is pleased to partner with the Town of Whitecourt and Community Futures Yellowhead East to administer this project," added Chamber President Mark Dickin. "Our businesses have been hard hit by the impact of COVID-19, which has come at an already extremely challenging time for our community. Establishing a coordinated effort to educate, train and employ high quality personnel in alignment with the requirements of our businesses, will foster growth and sustainability in our region."

The approved project is jointly funded by the partners with support through the Labour Market Partnership Program and will provide a proactive plan to best meet the needs of the business community and its employees as the COVID-19 pandemic situation evolves.

Components of the local project include:

- implementing a COVID-19 Economic Impact Assessment for the Whitecourt region, including communicating with and aligning the project with employers, employees, training providers, post-secondary institutions, and various organizations in the Whitecourt region;
- identifying immediate labour force needs and chal-

# CULTURAL TOURISM AND LOCAL FOOD PRODUCERS

## A new version of the Rural Roots Farmer Showcase for 2020

Submitted by the RRFS committee

This year began as a year full of ideas and excitement for our second annual Rural Roots Farmer Showcase (RRFS) in Lac Ste. Anne County, but sadly, the pandemic had other ideas. We are directing our efforts down a slightly different avenue in order to keep spreading the awareness of our local producers and

to showcase what produce is available locally. Instead of a market and a long-table dinner, we will be bringing local food to the people in the form of a Special Edition RRFS Picnic Box during the Alberta Open Farm Days weekend, August 15 & 16, 2020

We are putting the call out to producers in the Lac Ste. Anne County area, to see what types of products you have available to contribute. The pic-

nic box will include an eclectic selection of food- think cheeses, charcuterie meats, condiments, salads, fruits, and more. Foods need to be prepared, stored, transported, and labelled following Alberta Health Services regulations. We are working with a chef to create an enticing menu with your ingredients.

The RRFS committee is a passionate group of producers and like-minded in-

dividuals who are dedicated to connecting people with Alberta's roots and the vast selection of farm fresh food available in our community. If you are a local food producer and would like to be a part of this exciting event contact Lucie Heins by July 20, 2020 at heins.lucie@gmail.com OR 780-964-1844.
