## CANADA CHILD BENEFIT IS INCREASING AGAIN

**Submitted by Employment and Social Development Canada**

The Government of Canada is committed to improving the lives of hard working middle class families. That is why four years ago we launched the Canada Child Benefit (CCB), which

was put more money in the pockets of 9 out of 10 Canadian families and ensured that children have the best start in life.

The Honourable Ahmed Hussen, Minister of Families, Children and Social Development, announced that starting today the CCB will be increased again for

the 2020-21 benefit year to keep pace with the cost of living. This is on top of the one-time additional \$300 per child qualified CCB recipients received with their May 20 payment as part of the Government's response to COVID-19.

## GOVERNMENT SUPPORTS JOBS AND SAFE OPERATIONS OF JUNIOR MINING EXPLORATION

**Submitted by Gerald Soroka, MP for Yellowhead**

Gerald Soroka, Member of Parliament for Yellowhead, and Deputy Shadow Minister for Natural Resources (Forestry and Mining), is pleased to inform constituents that the government is taking measures to support junior mining exploration

companies facing significant challenges as a result of COVID-19, including voluntary shutdowns or difficulty accessing the field.

The government is proposing to protect jobs and safe operations of junior mining exploration and other flow-through share issuers, by extending the timelines for spending

the capital they raise via flow-through shares by 12 months.

This proposal would mean that companies with operations that are impacted by COVID-19 would be allowed additional time to incur eligible expenses and avoid costs from not meeting original flow-through share timelines.

# MISERICORDIA COMMUNITY HOSPITAL NOW UNDER FULL FACILITY OUTBREAK

**Submitted by Alberta Health Services**

The Misericordia Community Hospital is now under a full facility outbreak due to ongoing transmission of COVID-19.

No patients will be admit-

ted to the hospital and day procedures and visits will be postponed or rescheduled at another Edmonton hospital.

In order to reduce the risk of further transmission of COVID-19, all services at the Misericordia are tem-

porarily closed to incoming patients. Patients are being contacted and will be cared for and/or rescheduled at another Edmonton hospital. We appreciate your patience at this time.

*Continued on Page 8*

# MORE PROTECTION FOR COMMERCIAL TENANTS

**Submitted by Government of Alberta**

Bill 23, the Commercial Tenancies Protection Act, would protect eligible commercial tenants from having their leases terminated due to non-payment of rent as a result of the COVID-19 pandemic. If passed, the act would also prevent land-

lords from raising rent and charging late fees and penalties on missed rent.

The new measures will help address shortfalls in the current Canada Emergency Commercial Rent Assistance (CECRA) program, and will give eligible business owners peace of mind as they reopen and help with the provincial eco-

nomie recovery.

"Alberta has the most generous support models for small businesses in Canada, but we know that more supports are needed. We're listening to Alberta's business community, and we're responding to their needs.

## JOKE of the week

A nursery school teacher was delivering a station wagon full of kids home one day when a fire truck zoomed past. Sitting in the front seat of the fire truck was a Dalmatian dog. The children started discussing the dog's duties. "They use him to keep crowds back," said one youngster. "No," said another, "he's just for good luck!" A third child brought the argument to a close... "They use the dogs", she said firmly, "to find the fire hydrant."

# LAC STE. ANNE COUNTY NEWS HIGHLIGHTS

## Submitted by Lac Ste. Anne County

**BEAVER TRAPPING PROGRAM UNDERWAY:** Exercise caution and keep dogs leashed in common trap areas.

Please be advised that the County's beaver abatement program is still underway. This program includes setting beaver traps in problematic areas across the County. If you encounter a beaver trap, do not go near or touch it; a beaver trap is a dangerous device. Dog owners are strongly advised to leash their pets when in lesser-traveled marshy areas of the County.

The County uses traps that are designed to kill instantly. These traps are placed in ditches and ravines, and are kept away from public trails

and off-leash areas for the protection of dogs, park users and other wildlife. Traps are checked on a regular basis.

Visit [LSAC.ca/beavers](http://LSAC.ca/beavers) for more information on the County's beaver abatement program.

**RATEPAYER BILLS RETURNED TO SENDER:** Make sure the County has your correct mailing address.

A number of Taxation & Assessment and Solid Waste Utility bills that were recently mailed to households have been returned to the County administration office. If you have not yet received these important notices in the mail, please call the County at 780.785.3411 (toll-free 1.866.880.5722).

The County mails important notices to its residents

several times each year. This correspondence can sometimes go astray due to an incorrect or out-of-date mailing address on file with the County.

**WEED INSPECTION ACTIVITIES UNDERWAY:** Program targets noxious and prohibited noxious weeds.

This is a friendly remind-

er that the County's annual weed inspection is still being conducted. Ag Services crews plan to inspect properties in the Sherwood Cove, Losie Glade, and Diamond Country Estates areas in the days ahead.

Visit [LSAC.ca/weeds](http://LSAC.ca/weeds) for County weed control updates and resources.

# PARKLAND RCMP INVESTIGATE BREAK AND ENTER AND THEFT OF VEHICLE

**Submitted by Parkland RCMP**

On June 21, 2020 at 2:45 p.m., Parkland RCMP were advised of a collision that occurred in the Cameron Lake Estates area. A single vehicle, a black Chevrolet Cruz, had collided with a tree. While enroute to the location, RCMP were advised that a homeowner in the same area had inter-

rupted a break and enter to her home.

The homeowner arrived home and noted a black four door car in her driveway. She noticed two males at her garage door. When the homeowner confronted the two suspects, they ran to the black car, which was identified as a Chevrolet Cruz. A third male suspect exited her garage and pointed a firearm at the

homeowner. The third suspect entered the vehicle and the vehicle left the area. The homeowner realized a short time later that her truck had been stolen. It was later recovered not far from the residence.

No one was injured during the incident.

The investigation is on going and various investigational avenues are being pursued.

If you have any information about this incident, please contact the Parkland RCMP at 825-220-7267 or your local police. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at [www.P3Tips.com](http://www.P3Tips.com) or by using the "P3 Tips" app available through the Apple App or Google Play.

## RCMP ARREST FEMALE AS A RESULT OF A SUSPICIOUS VEHICLE REPORT

**Submitted by Parkland RCMP**

On May 30, 2020 at 4:35 a.m., Parkland RCMP re-

sponded to a report of a suspicious vehicle in the Brookwood area on Blairmore Street in Spruce Grove. The complainant advised that there were three or four people in a burgundy SUV checking vehicles in the area. RCMP patrolled the area and located the suspect vehicle. It had been reported stolen out of Edmonton.

A 32-year-old female from Lloydminster, Alta. was located inside the vehicle. She was charged with possession of property obtained

by crime over \$5000. Her first appearance is scheduled for August 12, 2020 at 9:30 a.m. at Stony Plain Provincial Court.

The involved males were not located.

The details and descriptions provided by an alert resident assisted RCMP and resulted in an arrest and the recovery of stolen property. RCMP are thankful for those residents who help protect our communities by reporting this type of behaviour.

# GOLFER'S GUIDE

## ALBATROSS MADE AT SILVER SANDS GOLF RESORT

**Submitted by Silver Sands Golf Resort**

A very rare event occurred at Silver Sands Golf Resort. If your not familiar with Silver Sands Golf Resort, it is a picturesque 18-hole secret located in summer village of Silver Sands on the east end of Lake Isle, Alberta.

On Saturday July 11, 2020

a foursome of young lads from Whitecourt, Alberta decided to play a round at SSGR. If your not familiar the ninth hole at SSGR it is an uphill 245 yard par 4 with a small green that is well guarded by two large white silica sand bunkers. One of the young men (who wished to remain anonymous) teed up his ball and let it rip. The

foursome watched the shot which was right on line with the flagstick and as the ball crested the hill over the bunker he said to his golf mates "I'll bet you \$10 that's in the hole". They proceed to the green and sure enough the ball was in the hole. Unfortunately none of the other players took the bet! The golfer (who wishes to re-

main anonymous) got an "ALBATROSS". A golf Albatross is 3 strokes under par on a single hole and is rarely achieved even on the PGA tour. The odds of this amazing shot are 6 million to 1.

Come try to make your spot in golf history with your own albatross or hole in one at Silver Sands Golf Resort!

# EMERGENCY FUNDING FOR COVID-19 SAFETY MEASURES IN FOREST OPERATIONS

Submitted by Gerald Soroka, MP for Yellowhead

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, and Deputy Shadow Minister for Natural Resources (Forestry and Mining) is pleased to inform constituents that the government will be providing \$30 million to offset the additional costs associated with COVID-19 safety measures for small and medium sized enterprises in the

forest sector, including tree planting operations.

This money will cover extra costs such as sanitizing stations, additional accommodations and/or transportation, facilities and services to maintain social distancing, and personal protective equipment.

The government intends to work with the provinces and territories to deliver this funding, which will preserve jobs for forest sector workers.

## Canada Child Benefit is Increasing Again

Continued from Page 1

This means that for the 2020-21 benefit year, the maximum benefit will be \$6,765 per child under age 6 and \$5,708 per child age 6 through 17. This additional tax-free support ensures that the benefit continues to play a vital role in supporting Canadian families by helping to pay for things their children need such as healthy food, clothes and activities they can do together at home.

For example, a family with two children under the age of 6 and an income of \$30,000 will receive \$13,530. That is \$252 more than last year and \$3,080 more than in 2015, before the introduction of the Canada Child Benefit.

"Parents know how expensive raising a child can be. That is why I am pleased to announce on the 4th anniversary of the Canada Child Benefit, that it is again going to be raised. This means more money tax-free in the pockets of Canadian families each month." - The Honourable

Ahmed Hussen, Minister of Families, Children and Social Development

Examples of payments for the 2020-21 benefit year:

- A single-parent family with one child under the age of 6 and earning \$25,000 will receive an additional \$126 for the 2020-21 benefit year, bringing their new yearly total benefit to \$6,765.

- A two-parent family with two children aged 4 and 9 and earning \$55,000 will receive an additional \$174 for the 2020-21 benefit year, bringing their new yearly total benefit to \$9,329.

- A two-parent family with two children under the age of 6 and earning \$90,000 will receive an additional \$136 for the 2020-21 benefit year, bringing their new yearly total benefit to \$7,322.

# Misericordia Community Hospital Now Under Full Facility Outbreak

Continued from Page 2

The full facility outbreak extends to all adult and child services including the Emergency Department. Patients should not visit the Misericordia, and should instead visit one of the other hospitals within the Edmonton Zone or call 911 if needed.

This step is a necessary extension of the progressive outbreak restrictions put in place on July 6, with those re-

strictions now encompassing all patient services at the Misericordia.

Patients within the hospital will continue to receive the treatment, care and support they need. In order to keep everyone safe visitors will be restricted to end-of-life situations only.

Arrangements will be made for labouring mothers to deliver at Grey Nuns Community Hospital.

Alberta Health Services and

Covenant Health continue to aggressively manage this outbreak.

"Activating the full facility outbreak is necessary at this time to protect patients, staff and physicians. We acknowledge the challenges these additional restrictions create for patients, families, staff and physicians," said Dr. David Zygun, Medical Director, AHS Edmonton Zone.

Ongoing transmission means that this is a necessary

step to protect patients, staff and physicians and to ensure that the outbreak can be managed as efficiently and effectively as possible."

"The safety of our patients, staff, physicians and visitors remains our number one priority," said Dr. Owen Heisler, Chief Medical Officer, Covenant Health. "Covenant Health, Alberta Health Services and our teams continue to work tirelessly and collaboratively, taking every possible step to respond with compassion to this challenging situation and to ensure a safe environment for care."

As of this morning, there are 20 patients at the hospital who have tested positive for COVID-19 in relation to this outbreak. In addition, 15 staff members have tested positive. Admitted patients who have tested positive for COVID-19 are being treated on two units within the hospital.

Sadly, three patients linked to this outbreak have passed away. Our thoughts are with the family members and loved ones of all three patients at this difficult time.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

Covenant Health is one of Canada's largest Catholic healthcare organizations with over 15,000 physicians, employees and volunteers serving in 12 communities across Alberta. A major provider in Alberta's integrated health system, Covenant Health works with Alberta Health Services and community partners to positively influence the health of Albertans through a broad range of programs and services. For more information visit Covenant-Health.ca.

# More Protection For Commercial Tenants

*Continued from Page 2*

If passed, these protections will provide businesses with more protection as they reopen and rehire staff as we move through the phases of relaunch and recovery.” - Tanya Fir, Minister of Economic Development, Trade and Tourism

The legislation and upcoming regulation would cover the period from March 17 to Aug. 31, and would apply to:

- Commercial tenants with tenancy agreements that would be eligible for the CECRA program, but whose landlords have chosen not to participate.

- Commercial lease agreements where tenants have had to close their business due to public health orders or have had their business revenue decline by 25 per cent or more as a result of the COVID-19 pandemic.

If passed, any late fees, penalties or rent increases imposed on a commercial tenant by their landlord between March 17 and Aug. 31 would need to be reimbursed, however, the legislation would not undo any evictions or lease terminations that happened before the legislation was tabled.

“As small businesses move into reopening, many are facing lower revenues and fear not being able to make rent payments. Today’s announcement of commercial eviction legislation will provide a safety net for those small businesses unable to access the CECRA and will help them reopen and continue their operations.” - Annie Dormuth, Alberta provincial affairs director, Canadian Federation of Independent Business

“This moratorium legislation will reduce the anxiety and fear small businesses had of being evicted from their premises during the pandemic. Businesses who faced a potential eviction for non-payment of rent due to substantial revenue decreases can feel a bit more reassured of their chances of reopening.” - Ken Kobly, president and CEO, Alberta Chamber of Commerce

ident and CEO, Alberta Chamber of Commerce

“Restaurants Canada appreciates the government coming to the table with this much-needed commercial rent protection legislation. The inability to pay rent with little or no revenue for the past few months, combined with the inability to convince landlords to participate in the CECRA program or other rent relief arrangements, is the No.1 concern for the majority of Alberta’s restaurants. The legislation introduced today will provide the time needed for restaurant

tenants and their landlords to agree to long-term rent solutions without worrying about evictions.” - Mark von Schellwitz, vice-president, Western Canada, Restaurants Canada

The act would also help ensure landlords don’t miss out on deferred rent by requiring tenants and landlords to work together to develop a rent payment plan for missed payments.

Alberta has a comprehensive response to COVID-19 including measures to enhance physical distancing, screening and testing. Financial supports are

helping Alberta families and businesses.

Quick facts

- Many businesses have experienced a dramatic decrease in revenues, while other businesses have temporarily ceased operations as a result of COVID-19.

- Rent and labour are two of the largest expenses for small businesses, typically accounting for 50 to 60 per cent of total operating expenses.

- In 2016, Alberta businesses paid an average monthly rent of almost \$650 million.

## PURE HEMP PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

### A Health and Beauty Breakthrough!

Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

#### Therapeutic Uses For Pure Hemp

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

#### Anti-Aging Uses For Pure Hemp

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

#### KEY BENEFITS

**PAIN RELIEF:** Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

**PROMOTES HEALTH:** Helps to promote relaxation and overall health.

**WELL-BEING:** Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

### PET PRODUCTS

#### PET CHEW TREATS

##### KEY BENEFITS

**SYNERGISTIC BENEFITS:** Can be used in conjunction with regular medications with no side effects.

**NO SIDE EFFECTS:** Does not damage the liver, kidney or GI Tract like OTC medication.

**DIETARY SUPPLEMENT:** Can be administered daily as part of your pet's diet.

#### ORAL SPRAYS & DROPS

##### KEY BENEFITS

**MANAGES PAIN:** Helps to treat inflammation, arthritis and joint pain.

**TREATS DIGESTIONAL ISSUES:** Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

**GENERAL HEALTH:** Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

**CONVENIENT:** Can be sprayed into pet's mouth or on food.

**For more information, Call (780) 907-8642**

# PREVAIL

## CELLULAR HOMEOSTASIS FORMULA MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU  
...RIGHT DOWN TO THE LAST CELL!

How do you want your  
**BLOOD** to look?

### Before PrevailMAX:

poor circulation

low energy

brain fog

dehydration

decreased nutrients

pH imbalance

poor endurance

### After PrevailMAX:

better circulation

more vitality

mental clarity

cellular movement

nutrient assimilation

balanced pH

optimal endurance

**PrevailMAX™** is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!

SERENITY FAMILY SERVICE SOCIETY - YOUR NOT-FOR-PROFIT SOCIETY

## SUDOKU of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
