ENTWISTLE PUBLIC LIBRARY CLOSED FOR AUGUST

Submitted by Jakob Kubke, Parkland County Libraries

Entwistle Public Library is almost at the next chapter, where we move into the new Community Hub. July 27th will be the last day to use curbside pickup and return items. After that, all of our physical services will be unavailable indefinitely.

As soon as possible we will resume services in some capacity, which will include interlibrary borrowing through TRAC (yay!). That means you'll once again be able to place holds on 3 million+ items - essentially anything you could ever want.

Because of the move, the book return bin in front of the school will be perma-

nently unavailable after July 27th. It might still be there, but it will be out of order, so please do not use it. If you have books that you want to return, you will have to wait until we are open in the new building. But you are certainly welcome to return items before July 27th. No late fees will be charged either way.

ALBATROSS MADE AT SILVER SANDS GOLF RESORT

Submitted by Silver Sands Golf Resort

A very rare event occurred at Silver Sands Golf Resort. If you not familiar with Silver Sands Golf Resort, it is a picturesque 18-hole secret located in summer village of Silver Sands on the east end of Lake Isle, Alberta.

On Saturday July 11, 2020 a foursome of young lads from Whitecourt, Alberta decided to play a round at SSGR. If you not familiar the ninth hole at SSGR it is

an uphill 245 yard par 4 with a small green that is well guarded by two large white silica sand bunkers. One of the young men (who wished to remain anonymous) teed up his ball and let it rip. The foursome watched the shot which was right on line with the flagstick and as the ball crested the hill over the bunker he said to his golf mates "I'll bet you \$10 that's in the hole". They proceeded to the green and sure enough the ball was in the hole. Unfortunately none of

the other players took the bet! The golfer (who wishes to remain anonymous) got an "ALBATROSS". A golf Albatross is 3 strokes under par on a single hole and is rarely achieved even on the PGA tour. The odds of this amazing shot are 6 million to 1.

Come try to make your spot in golf history with your own albatross or hole in one at Silver Sands Golf Resort!

DRAFT MANAGEMENT PLAN FOR WABAMUN LAKE RELEASED FOR PUBLIC REVIEW

Submitted by Wabamun Watershed Management Council

(Wabamun, July 14)
A draft of the Wabamun Lake Watershed Management Plan (PDF) is now available for public review at <https://www.wwmc.ca/studies-reports>. Also available is a PDF of a Power-Point presentation that summarizes the plan. Those interested in the future and health of Wabamun Lake are encouraged to read the summary or the full plan and provide the WWMC with feedback about the plan's efficacy and any changes people would like to see.

All stakeholders in the lake should send their comments and questions by July

31, 2020 to info@wwmc.ca. Feedback might include discussions about:

- The four overarching goals—1) Good Water Quality, 2) Healthy Aquatic Ecosystems and Biodiversity, 3) Wise Land Use, and 4) Engaged Stewardship.

- The Highest Risks and how to ameliorate them—1) Invasive Species, 2) Blue-green Algae Blooms, 3) Nutrient Loading, and 4) Cumulative Effects of Development and Climate Change.

- People may also wish to comment on the Ten-Year Work Plan (Appendix 3).

For information about watershed management plans, generally, and how the Wabamun plan was created, go to <https://www.wwmc.ca/watershed-management-plan>.

The Wabamun Watershed Management Council was formed in 2006 to address the concerns raised in Dr. David Schindler's (2004) report, Lake Wabamun: A Review of Scientific Studies and Environmental Impacts concerning the health and viability of Wabamun Lake. The report recommended that "a permanent citizens panel, whose objective is to protect the health of Wabamun Lake," be established and represent "the community of Wabamun Lake users." The WWMC provides consensus-based recommendations to its partners concerning watershed management within the Wabamun Lake watershed.

JOKE of the week

A nursery school teacher was delivering a station wagon full of kids home one day when a fire truck zoomed past. Sitting in the front seat of the fire truck was a Dalmatian dog. The children started discussing the dog's duties. "They use him to keep crowds back," said one youngster. "No," said another, "he's just for good luck!" A third child brought the argument to a close... "They use the dogs", she said firmly, "to find the fire hydrant."

PARKLAND RCMP INVESTIGATE BREAK AND ENTER AND THEFT OF VEHICLE

Submitted by Parkland RCMP

Stony Plain, AB - On June 21, 2020 at 2:45 p.m., Parkland RCMP were advised of a collision that occurred in the Cameron Lake Estates area. A single vehicle, a black Chevrolet Cruz, had collided with a tree. While enroute to the loca-

tion, RCMP were advised that a homeowner in the same area had interrupted a break and enter to her home.

The homeowner arrived home and noted a black four door car in her driveway. She noticed two males at her garage door. When the homeowner confronted the two suspects, they

ran to the black car, which was identified as a Chevrolet Cruz. A third male suspect exited her garage and pointed a firearm at the homeowner. The third suspect entered the vehicle and the vehicle left the area. The homeowner realized a short time later that her truck had been stolen. It was later recovered not far from the

residence.

No one was injured during the incident.

The investigation is ongoing and various investigational avenues are being pursued.

If you have any information about this incident, please contact the Parkland RCMP at 825-220-7267 or your local police.

Entwistle Public Library Closed for August

Continued from Page

Don't forget, our eResources are always available at www.pclibraries.ca/eresources

Watch out for the announcement for when we will open by following us on Facebook! <https://www.facebook.com/pclibraries/>

I have been preparing the library to move for four months now, and I am very excited to finally see it done!

I would also like to note that I will be finished my position at the library in mid-August. I have very much enjoyed my year here in Entwistle and Evansburg. All the best!

A MESSAGE FROM MLA MARK SMITH

Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency

Weekly Summary for July 14, 2020

I hope that everyone in our community is doing well and staying safe. As our economy reopens, our government is putting the interest of Albertans first and proposing new legislation that restores balance and confidence in businesses across the province. New rules to reduce red tape

and barriers, combined with the creation of an estimated 50,000 new jobs, will create immediate investments in projects across Alberta.

I am pleased to share that our government is introducing new measures that support economic recovery, restore workplace balance and get Albertans back to work. Bill 32, or the Restoring Balance in Alberta's Workplaces Act, proposes changes by reducing red tape for job creators to keep Albertans employed, and supports

worker choice. If passed, this bill could save job creators up to \$100 million each year by making daily operations more streamlined. Other measures in the bill would prevent union leaders from using union dues to fund political causes unless the member has opted in. As we begin the long road to economic recovery in our province, it is essential to reduce the costs of doing business and keep our province working.

I am happy to share that

after years of delays, Albertans are getting back to work putting the Keystone XL pipeline in the ground. Our province's \$1.5-billion investment in this project will create approximately 2,000 Alberta-based construction jobs over the next two years, spurring thousands of additional jobs and increased economic activity in trades, retail, and hospitality services along the construction route. Once completed, this pipeline will contribute \$30-billion in tax and royalty revenues for Alberta, ensuring that public services like education and healthcare continue to have strong funding. Our government has been committed since day one to supporting our oil and gas industry and the hardworking men and women supporting this sector.

As our province begins to recover from many recent shocks, our government has also introduced legislation to create jobs and drive high-impact investment to our province. If passed, the Alberta Investment Attraction Act will create the Invest Alberta Corporation. This is an arms-length agency that will help promote Alberta as a prime investment location for businesses across Canada and around the world. The Invest Alberta Corporation would promote confidence in investors and promote opportunities in our province internationally. With initiatives like the Job Creation Tax Cut and the Alberta Investment Attraction Act, our provincial government is sending the message that Alberta is the best place to do business.

As we work on reopening and recovering from this pandemic, it is critical that we continue to take steps that protect ourselves and others from spreading COVID-19. For the latest information and resources on COVID-19, I encourage you to visit alberta.ca/covid19.

NOTICE TO MEMBERS

THE ANNUAL GENERAL MEETING OF WEST PARKLAND GAS CO-OP LTD. HAS BEEN RESCHEDULED TO WEDNESDAY, AUGUST 12, 2020 7:00 P.M. AT THE CO-OP OFFICE/SHOP COMPLEX. DOORS WILL OPEN AT 6:30PM 52521 GLORY HILLS ROAD, STONY PLAIN, AB. (1/2 Mile South of Highway 16A on Range Road 11)

COVID-19 NOTICE:

Protocol will be in place which includes 6ft physical distancing, sanitizing stations and no food service. Masks will be available upon entry if requested.

CANADA CHILD BENEFIT IS INCREASING AGAIN

Submitted by Employment and Social Development Canada

The Government of Canada is committed to improving the lives of hard working middle class families. That is why four years ago we launched the Canada Child Benefit (CCB), which was put more money in the pockets of 9 out of 10 Canadian families and ensured that children have the best start in life.

The Honourable Ahmed Hussen, Minister of Families, Children and Social Development, announced that starting today the CCB will be increased again for the 2020-21 benefit year to keep pace with the cost of living. This is on top of the one-time additional \$300 per child qualified CCB recipients received with their May 20 payment as part of the Government's response to COVID-19.

This means that for the 2020-21 benefit year, the maximum benefit will be \$6,765 per child under age 6 and \$5,708 per child age 6 through 17. This additional tax-free support ensures that the benefit continues to play a vital role in supporting Canadian families by helping to pay for things their children need such as healthy food, clothes and activities they can do together at home.

For example, a family with two children under the age of 6 and an income of \$30,000 will receive \$13,530. That is \$252 more than last year and \$3,080 more than in 2015, before the introduction of the Canada Child Benefit.

"Parents know how expensive raising a child can be. That is why I am pleased

to announce on the 4th anniversary of the Canada Child Benefit, that it is again going to be raised. This means more money tax-free in the pockets of Canadian families each month." - The Honourable Ahmed Hussen, Minister of Families, Children and Social Development

Examples of payments for the 2020-21 benefit year:

- A single-parent family with one child under the age of 6 and earning \$25,000 will receive an additional \$126 for the 2020-21 benefit year, bringing their new yearly total benefit to \$6,765.
- A two-parent family with two children aged 4 and 9 and earning \$55,000 will receive an additional \$174 for the 2020-21 ben-

efit year, bringing their new yearly total benefit to \$9,329.

- A two-parent family with two children under the age of 6 and earning \$90,000 will receive an additional \$136 for the 2020-21 benefit year, bringing their new yearly total benefit to \$7,322.

Save by switching to Co-op Propane with the Tank Replacement Incentive Offer

For a limited time, make the switch to Co-op and receive the following benefits:

- Free tank rental for two years on a five year rental agreement
- The first 300 L of propane free with first complete fill
- Install and permit fees waived
- All existing product transferred from old tank to new rental tank

* Note: Tank swap applies to 500 - 1000 USWG tanks. Offer valid for new customers with a competitor rental tank or customers who own their own tank. Promotion only valid for North Central Co-op Members. May not be combined with other promotions.

EMERGENCY FUNDING FOR COVID-19 SAFETY MEASURES IN FOREST OPERATIONS

Submitted by Gerald Soroka, MP for Yellowhead

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, and Deputy Shadow Minister for Natural Resources (Forestry

and Mining) is pleased to inform constituents that the government will be providing \$30 million to offset the additional costs associated with COVID-19 safety measures for small and medium sized enterprises in the

forest sector, including tree planting operations.

This money will cover extra costs such as sanitizing stations, additional accommodations and/or transportation, facilities and services to maintain social

distancing, and personal protective equipment.

The government intends to work with the provinces and territories to deliver this funding, which will preserve jobs for forest sector workers.

GOVERNMENT SUPPORTS JOBS & SAFE OPERATIONS OF JUNIOR MINING EXPLORATION

Submitted by Gerald Soroka, MP for Yellowhead

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, and Deputy Shadow Minister for Natural Resources (Forestry and Mining), is pleased to inform constituents that the government is taking measures to support junior mining exploration companies facing significant challenges as a result of COVID-19, including voluntary shutdowns or difficulty accessing the field.

The government is proposing to protect jobs and safe operations of junior mining exploration and other flow-through share issuers, by extending the timelines for spending the capital they raise via flow-through shares by 12 months.

This proposal would mean that companies with operations that are impacted by COVID-19 would be allowed additional time to incur eligible expenses and avoid costs from not meeting original flow-through share timelines.

ANNOUNCEMENT OF NEW CHIEF EXECUTIVE OFFICER FOR 4-H ALBERTA

Submitted by 4-H Alberta

WESTEROSE, AB - The Board of Directors of 4-H Alberta is pleased to an-

nounce the appointment of Kurt Kinnear as the organization's first chief executive officer, effective July 13, 2020.

Kinnear brings a wealth of

expertise to this role, having served in several senior leadership capacities, including 12 years of executive leadership experience in youth development. Kurt

is an experienced strategist with a deep understanding of how to build and develop youth organizations through high-level restructures and rapid membership growth.

4-H Alberta is the new streamlined youth development body that combines three former organizations; the 4-H Council of Alberta, the 4-H Foundation of Alberta, and the 4-H Section of Alberta Agriculture and Forestry. Kim McConnell, a passionate 4-H alumnus, led the engagement process that stimulated the revamped governance and structural reorganization and agreed to serve as Interim CEO and 'quarterback' the transition until the new CEO was in place.

Kurt is an experienced and enthusiastic leader and innovator with a track record of success. The 2016 recip-

Announcement of New Chief Executive Officer for 4-H Alberta

ient of Calgary's Top 40 Under 40, Kurt is recognized for his drive and passion for youth, business and leadership. Kinnear feels this is a tremendous opportunity to contribute to building the sustainability and growth of 4-H Alberta. "4-H Alberta is an incredible organization with an amazing legacy and has an excellent opportunity for future growth," said Kinnear. "4-H's focus on 'Learn to do by doing' is needed more than ever by our youth and future leaders. I am excited and honoured to serve our youth and lead our team to make sure we support as many as possible across our province."

The appointment of Kurt Kinnear follows a thorough recruitment process overseen by a special hiring committee of the Board. "We had some exceptional candidates, but Kurt's energy and passion for youth development, along with his extensive experience relative to the role set him apart," said Lyanne Almborg, 4-H Alberta Board Chair. "He respects Alberta's rich 4-H history, which is essential to our community. Yet he understands 4-H Alberta needs to embrace change to grow and to deliver even better youth programs to our members."

Raised on a ranch in Alberta, Kurt understands the importance of 4-H in our rural communities. Moving to Calgary and working with tens of thousands of urban youth, he also recognizes the impact that 4-H can have on the larger centers. "Out of all the youth programs I have worked with, I believe 4-H has the largest potential to come alongside our youth with practical experiences and skills needed for success in life, filling many of the gaps I see in youth development," said Kinnear. "So no

matter where they are from or what they are interested in doing, 4-H Alberta has a program for them."

Before Kurt and his wife Madeline, along with their CTO founded Hubudub, a company that leverages technology and gamification to help communities reward, learn, and grow participation, Kurt served at the University of Calgary, the Calgary Zoo, Pioneer

Camps, and the private sector. During Kurt's tenure as a director at the University, he managed over 1,200 full-time and part-time staff and grew summer camps from 5,000 to almost 11,000 campers per year. Kinnear will be stepping down from his role as CEO of Hubudub with the new 4-H Alberta appointment, and Madeline will take over as the new CEO of Hubudub.

"I see 4-H Alberta driving boldly into a future of serving more youth, from more walks of life than ever before while still valuing the amazing legacy that has led this great organization for over 100 years," said Kinnear. "4-H Alberta has an amazing opportunity, and as we work together, I know we will be able to achieve it".

Here's to Future Growth.

PURE HEMP PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

A Health and Beauty Breakthrough!

Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

PROMOTES HEALTH: Helps to promote relaxation and overall health.

WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS

SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.

NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.

DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS

MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.

TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

CONVENIENT: Can be sprayed into pet's mouth or on food.

For more information, Call (780) 907-8642

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

ANSWER:

8	2	5	1	7	6	9	3	4
