CHARGES LAID IN FIREARMS INCIDENT

Submitted by Drayton Valley RCMP

Moon Lake, Alta – Following an incident on July 28 that saw a pursuit, a vehicle fire, and the deployment of the RCMP Emergency Response Team, charges have been laid against four accused subjects.

At 8:32 a.m., Drayton Valley RCMP were dispatched to a home invasion which had just occurred. The suspects fled the house prior to

police arrival. The suspect vehicle was initially spotted on Highway 759 by an Alberta Sheriff, but an attempt to stop it was not successful. The vehicle continued to flee. The vehicle was spotted by a homeowner on Range Road 72 near Highway 624. The vehicle fled that property and was located by members in a field off of Range Road 73 near Moon Lake Hall. The RCMP set up containment when the ve-

hicle was spotted on a field. The vehicle caught fire in the field, and the attending RCMP members contained the area.

Neighbouring detachments of Evansburg, May-erthorpe and Parkland all provided assistance with the containment. Supporting units, including Police Dog Services, Emergency Response Team and Air Services were all engaged.

RCMP ARREST TWO SUSPECTS FOR POSSESSION OF STOLEN VEHICLE

Submitted by Parkland RCMP

On July 31, 2020 at 1:40 a.m. Parkland RCMP received a report of two suspicious individuals in the neighborhood of Westerra in Stony Plain. The two sus-

pects had arrived in a truck and were observed carrying a bag. The complainant provided a license plate for the truck. Police checks revealed that the truck had been stolen on July 26, 2020 from the area of Stony Plain. Parkland RCMP attended,

located the two suspects and recovered the stolen vehicle. Both were arrested without incident. They were found with items in their possession that did not belong to them.

Charges Laid in Firearms Incident

Continued from Page 1

Two males were located initially at a residence near Highway 22. The other two subjects were located as a result of a tip from the member of the public.

Three of the accused were treated and released at a local hospital as a result of injuries believed to have been sustained by jumping from the moving vehicle. No one else was injured during

these incidents.

Shawn Victor Fleming (30), Stuart Kevin McMillan (19) and Dylan Alexander Andres (21) all of Edmonton are jointly facing numerous criminal code charges including; break and enter to a dwelling house, using a firearm while committing an indictable offence, possession of a prohibited weapon, et al.

Judicial Interim Hearings were held and all three ac-

cused remain in custody to attend court on August 4 in Drayton Valley.

A 38-year-old female from Edmonton is also facing charges which have not been sworn in court yet.

Information received led investigators to a location where two firearms were recovered.

The public assistance received by the RCMP was very appreciated throughout this incident.

RCMP Arrest Two Suspects for Possession of Stolen Vehicle

Continued from Page 1

The 20-year-old female suspect from Spruce Grove, Alta. had a warrant for unauthorized use of credit card data and is being held for a judicial interim release hearing.

The 32-year-old male sus-

pect from Spruce Grove, Alta. was released and will be appearing in Stony Plain Provincial Court.

An update identifying the suspects and court dates will be provided.

If you have any information that could assist with this investigation, please

contact the Parkland RCMP at 825-220-7267 or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 or by internet at www.tipssubmit.com or by SMS.

GRAND OPENING

JUST Transition Center

The JUST Transition Center acts as a single point of contact for all workers affected by the phase out of coal fired power generation. Workers include unionized hourly, nonunionized hourly, staff, supervisors, and management. The Center is primarily, but not exclusively, supporting workers from Highvale Mine, Genesee Mine, Genesee Generating Station, Keephills Power Plant, and Sundance Power Plant.

The JUST Transition Center offers the following:

- Assistance for workers looking to access Federal and Provincial Government support programs
- Assistance in searching and securing other sources of funding and training
- Collecting and organizing data from the workers impacted from December 2017 ongoing

In 2015 the Alberta Government introduced the Climate Leadership Plan to reduce carbon emissions. Included in the plan was a carbon tax and the phase out of coal fired power generation by the year 2030. As a result, Companies have decided to convert from coal to natural gas much earlier than 2030. Lay offs have already impacted workers at the Highvale Mine and Sundance Power Plant with Genesee beginning lay offs some time in 2020.

For more information or assistance please contact:

Leonard Austin
Coordinator

JUST Transition Center

GETTING ALBERTA BACK ON TRACK, FULFILLING PROMISES

Submitted by Government of Alberta

Alberta's government has wrapped up a marathon session that saw 34 bills passed to make life better, diversify our economy and get Albertans back to work.

The COVID-19 pandemic and the unprecedented economic collapse faced this year disrupted the normal legislative session, but Alberta's government was still able to deliver on 93 more platform commitments while taking concrete measures to save lives and livelihoods. This means Alberta's government has already kept or is well underway on 255 of 375 promises to Albertans. That's 68 per cent of platform commitments made despite being only 31 per cent of the way through the four-year mandate.

"This year has been unlike anything our province has seen in more than a century. That's why I'm so proud that when politicians across the country were at home, Alberta's government was at work, delivering for Albertans. As Albertans work together to stop the spread of COVID-19, our government is working to get our economy back on track with Alberta's Recovery Plan." - Jason Kenney, Premier

"The legislation passed this spring will help create jobs and

get Albertans back to work. I'm also especially proud of the work we've done to protect our most vulnerable, including victims of human trafficking, sexual assault and other victims of crime." - Jason Nixon, Government House Leader

During the spring sitting, Alberta's government passed 34 bills, keeping platform promises while taking action to protect the health and well-being of Albertans in light of the COVID-19 pandemic. To confront the unprecedented economic challenges and stimulate economic growth in the province, the government also took action by introducing the largest-ever infrastructure program in Alberta's history as part of Alberta's Recovery Plan.

Alberta's MLAs returned to the chamber earlier than any other sitting jurisdiction in Canada to do their jobs and make life better for Albertans.

Spring legislation highlights Bill 8, the Protecting Survivors of Human Trafficking Act, protects vulnerable Albertans at risk of being trafficked, strengthens survivors' ability to escape physically, emotionally and financially damaging abuse, and is a key part of government's comprehensive action plan to fight the scourge of human trafficking.

Bill 13, the Emergency Management Amendment Act (2), further refined the authority granted to local governments to manage emergency public health measures during the pandemic.

Bill 15, the Choice in Education Act, expands the range of options available for parents and students to choose the schooling that works best for them - from charters to independents to home schooling to traditional Catholic and public schools.

Bill 16, the Victims of Crime (Strengthening Public Safety) Amendment Act, preserves support for victims of crime while expanding the capacity of Alberta's legal system to deter crime and prevent victimization.

Bill 22, the Red Tape Reduction Implementation Act, will reduce and speed-up the regulatory process throughout government, encouraging investment, increasing Alberta's competitiveness, and helping our economy recover from the COVID-19 pandemic and recession.

Bill 26, the Constitutional Referendum Amendment Act, sets out the rules governing province-wide votes on a number of issues.

Bill 28, the Vital Statistics (Protecting Albertans from Convicted Sex Offenders) Amendment Act, prevents convicted sex offenders from changing their names, limiting their ability to reoffend.

Bill 31, the Environmental Protection Statutes Amendment Act, provides clarity and consistency for job creators in the sand and gravel industry while still maintaining stringent environmental protection regulations.

Bill 32, the Restoring Balance in Alberta's Workplaces Act, supports our economic recovery by providing employees and employers with clearer and more transparent rules promoting fairness and productivity.

Bill 33, the Alberta Investment

Attraction Act, also supports our economic recovery by enabling the creation of an arms-length corporation to attract job-creating private sector investment and promote Alberta as a prime investment location for businesses from across Canada and around the world.

Motions passed in the chamber include:

Government Motion 7, which called on the members of the legislative assembly to reject attempts by radical groups to block critical infrastructure in the province.

Government Motion 20, which called on MLAs to stand against the federal government's gun grab.

Government Motion 24, which asked MLAs to condemn racism and bigotry in Alberta.

Alberta's Recovery Plan Albertans are facing one of the most challenging times in our history, hit by the triple threat of the largest public health crisis in a century, the biggest global economic contraction in almost a century and an unprecedented collapse in energy prices.

The province came together to save lives and avoid large-scale shutdowns at the height of the pandemic - but the fight is not over. Just as Albertans must continue to remain vigilant and cautious, government will continue to work towards strengthening our recovery with Alberta's Recovery Plan.

Alberta's Recovery Plan is a bold, ambitious long-term strategy to build, diversify, and create tens of thousands of jobs now. By building schools, roads and other core infrastructure we are benefitting our communities. By diversifying our economy and attracting investment with Canada's most competitive tax environment, we are putting Alberta on a path for a generation of growth.

NEW MOBILE APP TO HELP NOTIFY CANADIANS OF POTENTIAL COVID-19 EXPOSURE NOW AVAILABLE

Submitted by Prime Minister's Office

Over the past several months, Canadians have been following public health advice and doing their part to help prevent the spread of COVID-19. Now, as we take steps to ease restrictions and safely restart our economy, we need to continue to work together to contain the virus and keep Canadians safe and healthy.

The Prime Minister, Justin Trudeau, and the Premier of Ontario, Doug Ford, today announced that COVID Alert, a new national mobile app, is now available to Canadians for free download. The app, first developed in Ontario, helps notify users if they may have been exposed to someone who has tested positive for COVID-19.

Use of COVID Alert is voluntary, and serves as another tool to help limit the spread of COVID-19. Once the app is fully functioning in their province or territory, users who test positive for COVID-19 will receive a one-time key from their health authority that they can enter into the app. When the key is entered, COVID Alert will notify other users who may have come in close contact with that person for at least 15 minutes in the past 14 days, so they can contact their local public health authority for guidance.

To safeguard the confidentiality and privacy of all Canadians, the app uses strong measures to protect any data it collects, and does not track a user's location or collect personally identifiable information. The Privacy Commissioners of Canada and Ontario were consulted on the development of COVID Alert, to ensure the highest level of privacy for Canadians using the app.

The Government of Canada has been working in close partnership with the Province of Ontario to launch the COVID Alert app. Health authorities in Ontario will be the first to begin distributing one-time keys. The Government of Canada is also working with the other prov-

inces and territories to bring their jurisdictions on board in the coming weeks and months.

An expert Advisory Council will ensure the app meets the highest standards in public health outcomes, privacy, and technology. The members of the Council reflect Canada's regional and cultural diversity, and cover a wide range of expertise, including health, privacy, data governance, science,

and innovation. Their advice will inform the implementation and rollout phases of the app.

The new COVID Alert app is just one example of how the Government of Canada is working with the provinces, territories, and other partners to protect the health of all Canadians, and support efforts to restart the economy gradually and safely.

"While we have made good

progress over the past few months, COVID-19 remains a very serious threat to the health of Canadians. As we continue to gradually restart our economy, innovative technologies like this new app will help us keep our families and communities safe and healthy." - The Rt. Hon. Justin Trudeau, Prime Minister of Canada

ONE-TIME PAYMENT FOR PERSONS WITH DISABILITIES

Submitted by of Gerald Soroka, MP for Yellowhead

Gerald Soroka, Member of Parliament for Yellowhead, would like to inform constituents that Bill C-20, An Act respecting further COVID-19 measures, has received Royal Assent, extending CEWS to December 19, 2020.

Bill C-20 will also allow for the sharing of information to facilitate the delivery of a one-time payment for persons with disabilities with a non-taxable and non-reportable payment of up to \$600 who:

- Are holders of a valid Disability Tax Credit certificate (eligible persons not yet in

possession of such a certificate will be able to apply for one up to 60 days after today's Royal Assent to be considered for the one-time payment);

- Currently receive Canada Pension Plan disability benefits or Quebec Pension Plan disability benefits; or
- Are in receipt of disability supports provided by Veter-

ans Affairs Canada.

Complete details on Bill C-20 can be found at: <https://www.canada.ca/en/departement-finance/news/2020/07/government-legislation-to-support-canadian-workers-businesses-persons-with-disabilities-and-legal-rights-receives-royal-assent.html>

ALBERTA OPEN FARM DAYS

Submitted by George Pegg Botanic Garden

Celebrate our Agricultural Producers August 15th & 16th. Alberta Open Farm Days is a weekend that brings Albertans together to learn more about where our food comes from. The weekend features farm visits, demonstrations, displays, and lots of food across the province.

This year's Open Farm Days

has seen some changes in plans due to COVID-19 restrictions. In Lac Ste. Anne County, the 2020 edition of the Rural Roots Farmer Showcase is a partnership with producers, processors, George Pegg Garden, and a chef to create a unique Picnic Box. Some of the local growers featured in this eclectic take-home meal are Aspen Acres Market Garden, Hill and Dale Farm, and Sunrise Gardens. The Picnic

Box contains a fine selection of locally produced food including charcuterie meats, cheeses, and other tasty delights - perfect for two, or a starter for more. For a virtual visit with Rural Roots' partner producers and all the details of the Picnic Box, please visit PeggGarden.org

Open Farm Days host farms in and around Lac Ste. Anne County include Backwoods Buffalo Ranch south of May-

erthorpe and Sturgeon River Stock Farm near Onoway, plus four locations to visit in neighbouring Barrhead County. You can make a full day trip discovering farms in our area and finish with your Rural Roots Farmer Showcase meal. See the Alberta Farm Open Farm Days website for a map of participating farms across the province, a daytrip planner, stories, and videos. AlbertaFarmDays.ca

CANADA REVENUE AGENCY UPDATE

Submitted by of Gerald Soroka, MP for Yellowhead

Gerald Soroka, Member of Parliament for Yellowhead, would like to inform constituents that the Canada Revenue Agency (CRA) is extending the payment deadline and applying relief to interest on existing debt. The payment due date for current year individual, corporate, and trust income tax returns, including instalment payments, from September 1, 2020, to Septem-

ber 30, 2020. Penalties and interest will not be charged if payments are made by the extended deadline of September 30, 2020. This includes the late-filing penalty if the return is filed by September 30, 2020.

Interest on existing tax debts related to individual, corporate, and trust income tax returns from April 1, 2020, to September 30, 2020 and from April 1, 2020, to June 30, 2020, for goods and services tax/harmonized sales tax (GST/HST) returns will also

be waived. While this measure for existing tax debts does not cancel penalties and interest already assessed on a taxpayer's account prior to this period, it ensures that a taxpayer's existing tax debt does not continue to grow through interest charges during this difficult time. This measure provides immediate relief to impacted taxpayers.

The previously extended filing due dates for individual, corporate, and trust income tax returns remain

unchanged. However, the CRA will not impose late-filing penalties where a current year individual, corporation, or trust return is filed late if it is filed by September 30, 2020.

Remember to file your individual, corporate and trust returns as soon as possible, even though payment deadlines are being extended. This is particularly important for individuals receiving credits and benefits, such as the Canada Child Benefit.

New Mobile App to Help Notify Canadians of Potential COVID-19 Exposure Now Available

Continued from Page 5

"I want to thank Canadians for the sacrifices made to flatten the curve in the first wave. The mobile app we are launching today is an additional tool Canadians can use, as they continue to follow public health advice to con-

tain the spread of COVID-19." –The Hon. Patty Hajdu, Minister of Health

"Our digital response has been critical to overcoming the challenges brought about by the COVID-19 pandemic. By collaborating across sectors and orders of government, we have built an easy

to use and secure digital tool that will help slow the spread of this virus and protect the health and safety of Canadians. The more of us who use the app, the more effective it will be, so I encourage all Canadians to do their part and download COVID Alert." –The Hon. Joyce Murray, Min-

ister of Digital Government
"Innovation is more important now than ever. With this new app, we will be better positioned to help contain the spread of COVID-19 while supporting Canada's economic reopening.

New Mobile App To Help Notify Canadians Of Potential COVID-19 Exposure Now Available

Continued from Page 7

It is intended to support people in safely participating in the economy. We're also taking every step necessary to ensure Canadians have the confidence and trust that their data is being protected. The COVID-19 Exposure Notification App Advisory Council

will help ensure COVID Alert meets the highest standards of privacy, technology, and, most importantly, public health outcomes." –The Hon. Navdeep Bains, Minister of Innovation, Science and Industry

Quick Facts

- COVID Alert is now available for Canadians as a free download from the App Store

or the Google Play Store. The app assigns a random code to a user's device that pings other users of the app via Bluetooth when they are within a range of approximately two metres. If they test positive for the virus, users can choose to upload their random codes to a central server located in Canada. Once uploaded, the random codes are stored on

the server for 15 days, after which they are automatically deleted.

- The COVID-19 Exposure Notification App Advisory Council was named by the Government of Canada and its members are:

- Jean-François Gagné (co-chair)
- Carole Piovesan (co-chair)
- Simone Atungo
- Dr. Jonathan Dewar
- Dr. Bunmi Fatoye
- Éloïse Gratton
- Andrew Harrison
- Brenda McPhail
- Dr. Derek Ruths
- Dr. Margo Seltzer
- Dr. Gaynor Watson-Creed

- The app has undergone a security assessment by BlackBerry and the Canadian Centre for Cyber Security. All data provided to the app will be securely stored and protected.

- The Government of Canada has taken extensive steps to ensure that citizens' privacy and data are protected. Given the importance the government assigns to these issues, the Office of the Privacy Commissioner has been consulted on this initiative.

- COVID Alert is a collaboration between Health Canada, the Canadian Digital Service, the Province of Ontario, and Innovation, Science and Economic Development Canada. It builds upon an exposure notification solution developed by Shopify volunteers in coordination with the non-profit Linux Foundation Public Health. It is also the work of a team of developers from across the country.

- Canadians who want to know more about COVID Alert can call 1-833-784-4397.

- As part of our commitment to open and transparent government, the Canadian Digital Service is making its work on the app's development and testing available on Github.

- COVID Alert complements the existing Canada COVID App, a tool that supports Canadians in tracking their symptoms while allowing them to receive the latest updates and access trusted resources.

Getting Alberta Back On Track, Fulfilling Promises

Continued from Page

Alberta came together to save lives by flattening the curve and now we must do the same to save livelihoods, grow and thrive.

Government has already announced more than \$10 billion in infrastructure spending as part of Alberta's Recovery Plan, creating more than 50,000 jobs. This includes:

- \$6.9 billion Budget 2020 capital spending
- \$980 million accelerated for Capital Maintenance and Renewal
- \$200 million for Strategic Transportation Infrastructure Program and water infrastructure projects
- \$600 million in strategic infrastructure projects
- \$500 million in municipal infrastructure
- \$1.5 billion for Keystone XL

Other actions taken under the Alberta Recovery Plan to strengthen the economy include:

- Accelerating the Job Creation Tax Cut (the lowest corporate tax in Canada) to ensure Alberta remains the best place for employer investment in Canada.

- Introducing the Innovation Employment Grant, a refundable tax credit targeted at smaller companies to encourage technology and investment in Alberta.

- Investing almost \$28 million to create jobs and spur investment in the agriculture and agri-food industries.

- Helping connect unemployed Albertans with job creators and asking the federal government to remove most occupational categories under the Temporary Foreign Worker Program for Alberta.

- Launching the Invest Alberta Corporation to boost investment attraction efforts in key markets such as energy, agriculture, tourism, technology, aviation, aerospace and financial services with major partners around the globe.

Protecting Alberta from COVID-19

Some highlights of the actions government took to protect Alberta families and communities include:

- Injecting more than half a billion dollars in the health-care system to ensure it can handle the demands presented by the

pandemic.

- Passing a slate of legislation related to vital areas such as emergency management and deferrals on utility bills, education property taxes, student loans and government fees to protect the health and livelihoods of those affected by COVID-19.

- Achieving one of the highest per capita testing for COVID-19 in the world.

- Purchasing record amounts of personal protective equipment for health-care providers.

- Distributing 40 million free masks to Albertans throughout the province with the public mask program.

- Providing \$53 million for ad-

ditional mental health supports to help Albertans suffering from the mental and emotional impacts of the virus.

- Protecting laid-off workers with supports such as emergency isolation payments, banning rental evictions, deferring student loan payments and providing funding for caregivers of those who fell ill.

- Offering up to \$200 million in small business relaunch grants for those who had to close.

- Deferring Workers' Compensation Board premiums for private sector businesses to reduce the fiscal burden on job creators and ensure the sustainability of the compensation system for in-

jured workers.

- Supporting families with \$21 million for school nutrition programs, caregivers, food banks, donations and community initiatives.

- Protecting vulnerable seniors with \$170 million for staffing and health-care aide wage increases.

- Enhancing manual contact tracing and early detection with the ABTraceTogether app to help alert Albertans more quickly if they are at risk.

- Launching the Alberta Biz Connect web page to help businesses meet public health and safety guidelines in general workplaces and specific industry sectors.

SERENITY FAMILY SERVICE SOCIETY - YOUR NOT-FOR-PROFIT SOCIETY

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

WE'RE ALL IN THIS TOGETHER.
Thanks to Our Team & Community!

As our community newspaper, we are committed to delivering the latest and most accurate COVID-19 news and local updates. We also remain dedicated to serving our local advertisers, as they struggle to overcome unprecedented economic challenges resulting from the pandemic.

ADVERTISERS, call 780.962.9228 to learn how we can help you.

In uncertain and troubled times like today, the importance of local news and community connection is more evident than ever. You can help support businesses in our community by purchasing gift cards for later use, frequenting restaurants that are open for takeout or checking to see if your favorite businesses have opened online stores. You can also support the future of local news and reporting by reserving your ad space today and letting our readers know how they can help you!

Together, we are all stronger.

PURE HEMP PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

A Health and Beauty Breakthrough!

Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

PROMOTES HEALTH: Helps to promote relaxation and overall health.

WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS

SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.
NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.
DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS

MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.
TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.
GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.
CONVENIENT: Can be sprayed into pet's mouth or on food.
