ASSISTANCE NEEDED TO LOCATE MISSING MALE

Submitted by Morinville RCMP

The Morinville RCMP are trying to locate missing 56-year-old Tom Thompson.

Tom was last seen on Friday evening in the tavern/bar at the Gibbons Hotel.

Continued on Page 3

GRIEFSHARE weekly grief support group held Tuesdays 6:30-8:30pm, starting Sept 15 at Crossroads Community Church in Mayerthorpe. 13-weekly sessions for \$25. Pre-registration is required. Call 780-786-2695 to join us at GriefShare.

UFA GRANT WILL HELP PRESERVE ONOWAY'S AGRICULTURAL HISTORY

Submitted by Onoway and District Historical Guild

Back in July 2019, the UFA announced that it was

committing \$500,000 to be spent on rural communities over the next 5 years. Brian Turnbull received notification of this in his UFA bill and suggested to Hazel

Bourke, Onoway and District Historical Guild President, that the Guild apply for it. And she did.

UFA Grant Will Help Preserve Onoway's Agricultural History

Continued from Page 1

Just over a year later, UFA Director Harvey Hagman was all smiles as he stood in front of a huge newly-constructed pole shed situated just behind the Onoway Museum. He said that over 200 applications were received for the Rural Communities Foundation grant and the Guild was the very first winner – a \$50,000 no-strings-attached grant!

This shed means that all the

equipment used for the annual Threshing Bee can now be housed on one site, on Guild property rather than on different farms in the area. The building was designed to be more than just storage space; the long-term plan is that this will be an exhibit area where museum visitors will be able to see agricultural equipment and learn about agricultural practices from many decades ago. Thanks to UFA, said Hazel Bourke, the goal of a heritage village is now looking realistic.

Brian Turnbull, head of the Guild committee overseeing the project, recognized that much volunteer help was necessary for the completion of the project as well as assistance from the Town of Onoway Public Works (who hauled away the debris after a working bee took down the trees) and Lac Ste. Anne County (will supply asphalt for the flooring).

One last-minute surprise was information that the Guild is a beneficiary in a will and will be the recipient of a Farmall Model A tractor purchased in 1946 from local agricultural implement dealer John Lafleur.

UFA staff have created a video (thank you Mary McArthur and crew) about Onoway's grant project. You can learn more about this project and how it will impact Onoway by visiting <https://rcfufa.com/projects/#onoway>.

Brian Turnbull, Harvey Hagman and Hazel Bourke are about to cut the ribbon at the grand opening of the UFA Equipment Shed at the Onoway Museum site.

PARKLAND RCMP SEEK PUBLIC ASSISTANCE TO IDENTIFY MALE SUSPECT

Submitted by Parkland RCMP

Spruce Grove, Alta. – On Aug. 27, 2020 Parkland RCMP initiated an investigation involving a male suspect who has been sexually harassing female employees at one of the local

businesses in Spruce Grove.

The sexual harassment has been going on for a significant amount of time, initially presented as verbal innuendo but has become physical in nature.

If you can identify this suspect or have information that will assist with this investigation, please con-

tact the Parkland RCMP at 825-220-7267 or your local police detachment. If you wish to remain anonymous, please contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS.

Assistance Needed To Locate Missing Male

Continued from Page 1

He is believed to have left with an unknown male and female, sometime prior to midnight.

Tom is described as:

- Caucasian male
- 5'11" tall / 190 lbs.

• Brown hair / brown eyes

The RCMP want to verify Tom's wellbeing. It is not certain how Tom may be getting around, his vehicle remains at his residence.

If you know the whereabouts of Tom Thompson, please contact the Mor-

ville RCMP at 780-939-4520. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

SECOND WORLD WAR TRIBUTE PROGRAM

Submitted by Gerald Soroka, MP for Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise that Veterans Affairs Canada's Second World War Tribute program, a symbol of our country's enduring pride and gratitude to all those who served, will receive a commemorative lapel pin and certificate of recognition to any living Canadian or Newfoundland Second World War Veteran.

The Second World War Tribute program concludes at the end of 2020, roughly coinciding with the 75th anniversary of the end of the war. The goal is to have as many Second World War Veterans as possible receive the tribute.

I encourage all Veterans organizations in the Yellowhead riding to identify living Canadian Second World War Veterans who have not already received the tribute.

Veterans that qualify for the Second World War Tribute can submit their application (individuals can also submit applications on behalf of a Veteran). Misplaced Second World War Tributes can be replaced by submitting another application.

The design of the commemorative lapel pin is based on the original "Victory Nickel", a coin that was circulated from 1943 until 1945 and re-issued in 2005 to commemorate the 60th anniversary of V-E Day. The coin featured a flaming torch and large "V", which stood for both victory and the coin's value in Roman numerals.

Once the Veteran's Second World War tributes from Veterans Affairs is received, I will be honoured to personally present the commemorative lapel pin and certificate of recognition to each of our Veterans. Please contact my office at: 780-723-6068 or email: Gerald.soroka.c1@parl.gc.ca

For more information regarding the Second World War Tribute, please visit: <https://www.veterans.gc.ca/eng/remembrance/wars-and-conflicts/second-world-war/tribute>

RCMP REQUEST PUBLIC'S ASSISTANCE TO IDENTIFY TWO SUSPECTS

Submitted by Parkland RCMP

On August 23, 2020 at 10:40 a.m., Parkland RCMP responded to a report of break and enter to a parkade in the area of 43 Avenue and 33 Street.

Two male suspects broke into an apartment building and

stole multiple items from unlocked vehicles in the underground parkade.

Parkland RCMP request the public's assistance to identify the two suspects. If you have information regarding this incident, please contact the Parkland RCMP at 825-220-7267.

PARKLAND RCMP REQUEST PUBLIC'S ASSISTANCE TO IDENTIFY SUSPECT

Submitted by Parkland RCMP

On August 30, 2020 at 8:10 p.m. Parkland RCMP were responding to an unrelated call when they observed a collision that had occurred at McLeod Avenue and Calahoo Road. The complainants advised that the two vehicles were stopped at the lights on Calahoo Road. A white SUV struck one vehicle

and pushed it into the vehicle stopped beside it. The suspect vehicle then fled the scene. RCMP located the suspect vehicle in a parking lot in the area of Church Road where it had collided with a building.

Witnesses advised they observed a male suspect exit the vehicle before it impacted with the building and run from the area.

RCMP were advised that the

SUV was stolen.

The suspect male was described as:

- Caucasian
- Approximately 20 - 30 years old
- Black hoodie
- Black pants

Parkland RCMP are requesting the public's assistance to identify the suspect. If you have are able to identify the suspect or have any informa-

tion regarding this incident, please contact the Parkland RCMP at 825-220-7267.

Randy Schroeder: 2020 Canadian Fire Chief Of The Year Award

Continued from Page 1

Janet Jabush, Mayor for the Town of Mayerthorpe: "Fire Chief Randy Schroeder has served our town and the entire region with distinction and dedication. His devotion to ensuring his

firefighters have the training and equipment they need has enabled him to attract and retain an amazing team of volunteers. Randy's leadership is key to instilling in his firefighters the same commitment to duty and community he feels. Fire Chief Schroeder is a valued member of this community and our town is fortunate to have him at the helm of our fire service. Congratulations on this prestigious honor, Randy! It's well-deserved, my friend!"

Karen St. Martin, Chief Administrative Officer:

"Fire Chief Schroeder has served our community with complete dedication towards providing excellence in fire services enhancing the lives of people in Mayerthorpe and area. Fire Chief Schroeder leads by example and has successfully recruited numerous volunteers to the volunteer fire service. Fire Chief Schroeder has enhanced fire services through his development of a fire training centre, fire training smoke facility, and establishment of the Mayerthorpe Emergency Services Society. Fire Chief Schroeder is actively engaged in the Alberta Fire Chief Association, in various working groups and committees, in ongoing professional development, and in volunteering to enhance the fire service and the community. Fire Chief Schroeder is passionate and excels in enhancing fire services through policy, procedure, and best practices development."

Council unanimously approved Fire Chief Randy Schroeder's nomination for this prestigious national award at the July 27, 2020 regular Council meeting.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

PME Inc. has been awarded a contract to complete the Water Systems Upgrades Contract "A" project. The project, funded in part by the Building Canada Small Communities Fund, includes installation of underground components and modifications to the Hilltop Reservoir and West End Booster Station. This project is part of a larger initiative to enhance capacity and flow within the municipal water system. This portion of the project will create 26 jobs, and involve business with five local subcontractors/suppliers. The estimated money to be spent in our community during construction is \$275,000, including expenditures at local service businesses (hotels, restaurants, etc.).

The Whitecourt Fire Department presented its 2019 response statistics to Council as information at the September 14, 2020 meeting. In 2019, the Department responded to 311 calls, up from 299 calls responded to in 2018.

2020 Whitecourt Free Clean Up Week, held the last week of August, was a success. Almost 650 residents took advantage of the initiative and disposed of 137,965 kilograms of waste at the Whitecourt Regional Landfill. The initiative was created in lieu of the annual Spring Clean Up program which was cancelled earlier in the year due to the COVID-19 pandemic.

The Town of Whitecourt has been invoiced \$43,201.21 for repairs to the overhead light and cantilever of the railway crossing warning system at Dahl Drive resulting from a hit and run incident on December 28, 2019. Whitecourt has made a claim for consideration under its insurance and is awaiting a response.

Councillor Derek Schloss-

er has been appointed Acting Deputy Mayor until October 18, 2021.

Whitecourt Town Council has decided not to implement a mandatory face covering bylaw at this time. Over the past month, several municipalities across Alberta have either considered making face coverings mandatory or have made them mandatory. Throughout the COVID-19

pandemic, the Town of Whitecourt has deferred to Alberta Health Services on all health-related decisions, and the Province continues to stress that the best way to stop the virus is for people to maintain 2-metre physical distancing, wash hands frequently, and stay home when sick. Face coverings continue to be required on Whitecourt Public Transit as 2-metre

physical distancing cannot be maintained on the bus. The Town of Whitecourt will continue to monitor the COVID-19 pandemic, and implementing a mandatory face covering bylaw may be revisited at any time depending on case numbers in Whitecourt and the region, and advice from the Province's Chief Medical Officer of Health.

Whitecourt Town Council Update

Continued from Page 7

Preparations and discussions for the 2021 Budget have begun. Town Council encourages you to share your thoughts on projects and plans at the 2021 Budget Public Input Session. The session is scheduled during the September 28 Regular Meeting of Council at 7:00 p.m.

Whitecourt Town Council has endorsed Mayor Maryann Chichak's bid for the Towns West Director and Vice President – Towns positions with the Alberta Urban Municipalities Association. Mayor Chichak previously served in both positions, and should she be elected it would provide an opportunity to advocate on behalf of municipalities and ensure

Whitecourt's needs are represented on a provincial level.

Whitecourt will be applying to the Municipal Stimulus Program (MSP) for financial support of the Dahl Drive Rehabilitation project. The project, valued at \$1.4 million, involves drainage improvements and asphalt overlay resurfacing of the arterial road.

The Town of Whitecourt will be submitting two applications to the Forest Resources Improvement Association of Alberta. Both projects, which involve the development of a FireSmart Working Group and hiring of a Summer Crew for 2021, will help raise awareness of FireSmart principles and practices within the community.

Ernst & Young LLP has been awarded the contract to complete the Targeted Industrial Base Diversification, Resiliency and Attraction Pilot Project. The project, funded in part by the Community and Regional Economic Support (CARES) Program, will provide capacity and resources to explore investment opportunities and to develop a diversified plan for the future. This will include working with existing small businesses on diversification opportunities, and actively pursuing new investment opportunities that create new employment.

Roszko Construction Ltd. was awarded the Blue Ridge Road Gravel Tender project, valued at just over \$107,000. The project will involve replacing the gravel base and subbase and installing geogrid and geotextile materials in locations along the road within Town boundaries. Work is expected to begin in late September.

Council has approved the cancellation of a portion of 2019 municipal taxes for Roll 006018. The property owner requested the cancellation due to a fire that resulted in the loss of the industrial building on the property.

Whitecourt Town Council has recognized October 1, 2020 as International Day of Older Persons.

Councillor Tom Pickard will serve as Deputy Mayor from September 1 to December 31, 2020.

SEPTEMBER 2020

HOW TO PROTECT WOOD FLOORS FROM INCLEMENT WEATHER

Wood floors are a worthwhile investment that can improve the beauty and function of just about any room in a home. Even though wood floors are durable, and new protective treatments help seal out many of the things that may have damaged floors in the past, homeowners still need to prioritize protecting their hardwood floors.

Certain seasons of the year can be more harsh on wood floors than others. For example, seasons characterized by moisture and precipitation, particularly the early spring, winter and fall, can be hard on wood floors. The experts at ServiceMaster Clean say that cold, snowy days can damage wood floors, and Lumber Liquidators agrees that winter weather

can be harsh on flooring.

Homeowners need not give up on hardwood if they live in an area that sees all four seasons. They just need to take a few steps to keep floors looking beautiful.

- Clean up the salt. Salt that keeps sidewalks and streets clear of snow and ice inadvertently gets tracked inside a home. Hard chunks of salt can scratch wood floors, and, if left to sit, that salt can eventually cause white marks and other stains. Routinely vacuuming and sweeping up salt is necessary to protect wood floors.

- Invest in shoe storage. Wet or snowy boots can create puddles around the house. Have a special mat or tray by the front door where

wet shoes can be kept. A nice bench in the entryway makes it easy for residents and guests to remove their shoes until it's time to go back outside.

- Use water-wicking mats. Homeowners will probably need a few extra mats around to tame errant drips and wipe shoes. Any entrance that might be used by people or pets should be protected. Try to avoid petroleum-based, rubber-backed mats, as they could discolor the wood floor.

- Control humidity indoors. Cold, dry air in a home can be problematic because the moisture in the wood can eventually evaporate into the air. The heat will suck that moisture from the flooring, causing it to shrink, creak and splinter and become more

brittle. Think about investing in an in-line humidifier for the home's HVAC system that can keep a moderate amount of humidity in the home. Hardwood floorboards are installed to accommodate minor temperature and humidity fluctuations. This is typically a range of between 60 and 80 degrees F with a relative humidity range of 35 to 55 percent, advises ServiceMaster.

- Use the right cleaning products. Avoid excessive water to clean wood floors, and select soaps that are specially designed for wood flooring. Consult with the flooring manufacturer for a list of detergents that are safe to use.

With proper care, hardwood flooring can survive rain, snow and cold weather.

fall HOME RENO GUIDE

SECRETS TO MAKING YOUR HOME LOOK LIKE YOU HIRED A DESIGN PRO

Photo spreads in home design magazines can be awe-inspiring. Quite often homeowners wish they could lift the looks right off the pages of magazines and transform their own homes into picture-perfect retreats.

It takes an eye for design to pull a room together - even with inspiration - and make it both functional and attractive. While hiring an interior designer is one way to go, homeowners can use some of the tricks and techniques the designers employ to do a remarkably good job of improving the interiors of their homes without such help.

Embrace texture

The colors used in a home can add impact, but designers often utilize various textures to create aesthetic appeal.

A single color scheme can be enhanced by various fabrics. Consider a leather sofa made more cozy with chenille pillows next to a rustic side table. Figure out ways to incorporate a few different textures to add depth to the room.

Be careful with color

Many high-end homes showcase neutral shades that are enhanced by pops of color. If you like a rich, royal purple, leave room for other colors as well. Add touches of purple in vases, throw pillows and other accessories.

Also, many designers work in shades of three for room colors. There may be one main color for walls, another color for larger accents, such

as couches and chairs, and then a third color that pops in accessories such as flowers, pillows and collectibles. These can be any colors, but the most muted tends to be the more abundant shade.

Add a bit of bling

Glittery items and metallics can add a touch of luxury feel to any space. A shiny table lamp, mirrors, a sparkling chandelier, and the like are easy ways to produce a high-end feel. Reflective surfaces also will cast light around the room, giving the illusion of a larger space.

Choose a big statement piece

Many homeowners make the mistake of filling a room with several small pieces of furniture that only contrib-

ute to clutter. Instead, look for a statement piece, which can be a cabinet, armoire or chaise. Mix and match large and small elements for a sense of balance.

Accessorize

Finish the room with accessories and flowers. When placing and hanging knickknacks and wall art, odd-numbered groupings often look the most cohesive and interesting. Experiment with different scales and heights for even more dimension.

When inspiration hits, take some cues from interior design pros to make spaces look like they belong on the pages of your favorite magazines.

UPSCALE HOME DÉCOR WITH CROWN MOLDING

Create a dramatic new look throughout your home or highlight one area with crown molding - the key to an upscale look for walls, windows,

doors, cabinets and more. Homeowners will find the tools and supplies necessary for crown molding projects at Woodcraft.

Although crown molding is generally identified as trim for the area where a wall meets the ceiling, molding is used for many other home décor applications. Molding creates an appealing visual element when used at chair height along a wall, sometimes with thin vertical pieces attached to accent a wider area. Molding also serves as an attractive window cornice or as a frame for a wall-hung flat screen television or vertical mirror. The possibilities are only limited by homeowners' imaginations and finances.

"Crown molding is an inexpensive approach to adding beautiful detail to your home," Woodcraft national power tool sales manager Andrew Bondi said, "and Woodcraft is the go-

to source for tools and supplies for molding and trim projects."

Bondi speaks from experience, having recently installed crown molding throughout his house.

Before lifting the first piece of molding, homeowners will want to do some research about molding and installation techniques and tips. "Cutting and Installing Crown Molding," a DVD by Jim Heavey, and "Crown Molding & Trim: Install It Like a Pro!," a book by Wayne Drake, are good resources.

A miter saw, like DeWalt's 10" Single-Bevel Miter Saw, is essential for cutting crown molding joints. To make the process easier, Woodcraft recommends using a cutting jig with the miter saw - either the General Tools EZ Pro Crown

Upscale Home Décor With Crown Molding

King Crown Molding Jig or the Kreg Crown-Pro Miter Saw Guide that features a bonus measurement transfer angle finder. If your project involves a coped cut, Woodcraft stocks Eclipse Coping Saws and Gröz Coping Saw Frames.

"Remember to protect your eyes," product manager Jessica Douglas said. "Pick up a pair of SAS Safety Glasses before you begin your project. The lightweight glasses can be worn alone or over eyeglasses."

For all the marking and measuring necessary to prepare the molding, you will find the multipurpose Kreg Multi-Mark Marking Gauge indispensable. To fill any small gaps, Woodcraft recommends Famowood Wood Filler, along with Norton 5X Small Area Sanding Sponges

for smoothing filled holes.

Once the molding is cut and ready for fastening, use the Grex 18-gauge Green Buddy Nailer, which offers precision control and both sequential and contact trigger applications.

"If you are going to back your molding with an adhesive prior to nailing, Titebond's No-Run, No-Drip Wood Glue for molding and trim is a great product to use," said Woodcraft senior product manager Peter Collins, "especially if you are going to use a headless pinner to install trim."

Painting crown molding can be simple - blending in with the wall or ceiling color - or new color can be introduced to match furnishings or accent the overall décor.

"General Finishes Milk Paint and Old Fashioned Milk Paint, both water-based, are available in many colors and can be mixed to create an extensive palette of custom colors," product manager Kent Harpool said. "Both brands also offer related products to produce special decorative effects, such as antiquing and distressing."

Harpool recommends Redtree Bristle Brushes or Foam Brushes for applying paint. Use Microfiber Tack Cloths to remove sanding dust before applying paint or after distressing.

To learn more about these and other products, visit your local Woodcraft store, call (800) 535-4482 or visit www.woodcraft.com.

Fall HOME RENO GUIDE

GET YOUR HOME FALL AND WINTER READY WITH 5 SIMPLE PROJECTS

If boots, a warm hat and a tuned-up snow blower are the only items on your winter preparation list, your home maintenance plan may need a makeover. These simple home maintenance projects can help lower your energy bills, prevent more costly repairs and/or increase the lifespan of your home.

1. Heating & Ventilation - Examine your fireplace and chimney system to ensure that no soot or creosote has collected. Any cracks or voids could potentially cause a fire. Before you turn the furnace or boiler on, replace the air filter and hire a professional to inspect the unit more thoroughly. These steps will improve the efficiency and life of your furnace and will ensure stable

indoor air quality.

2. Seal Windows and Doors - If not properly sealed, windows and doors can be a major culprit for heat loss. To keep the warm air inside, inspect the weather-stripping around your home's windows and doors for leaks, rot or decay. Repair or replace structural framing, and caulk inside and out, if necessary.

3. Insulate well - One of the easiest and most effective defenses against heat loss is proper insulation. Prevent cold drafts from entering and the loss of heated air through basement headers, which, when left exposed, can make your furnace work harder. Look for a moisture-resistant product offering high thermal performance, such as Roxul

Comfortbatt insulation. This type of mineral wool insulation makes installation simple. All that's needed is a serrated blade or bread knife. Cut the batt to fit the cavity and press into place. The insulation will help improve energy efficiency as soon as it's in place and provide savings over the lifetime of your home. Comfortbatt can also be used to top or replace old attic insulation. Aim for an R-50 or a depth of 16 inches.

4. Backyard Care - Save your property from potential damage by trimming overgrown trees and shrubs to prevent ice-laden branches from thrashing against electrical wires and your home's exterior. Drain/shut off any exterior faucets and sprinkler systems

to prevent freezing. Ensure rain or snow drains away from the house to avoid foundation problems.

5. Roof and Gutters - Inspect your roof for shingles that are warped, damaged or even missing to prevent a future leak. Use roofing cement and a caulking gun to seal joints where water could penetrate, such as around the chimney, skylights or vent pipes. Make sure that your gutters and downspouts are securely fastened. Downspouts should extend at least five feet away from the home to prevent flooding.

When it comes to preventative maintenance, a little time and effort can save thousands in energy costs and repair bills over the lifetime of your home.

THIS DESIGN TREND IS COMING BACK

Design trends come and go, but some have a funny way of resurfacing years after they first became popular. Homeowners who may have been considering renovating their home to remove a design element they believe to be passé might want to see if that feature has experienced a resurgence in popularity. In fact, one of the more derided home decor trends of yesteryear has slowly crept back into style, albeit in moderation.

Wood paneling is back and better than ever, advise many design professionals. It's the formerly ugly duckling that filled homes starting in the 1950s, creating drab dens and faux-wood family rooms.

Paneling had long been an element of choice because it is relatively easy to install and can camouflage problem walls in a home, like those covered in boisterous wallpaper prints.

Wood paneling reach the peak of its popularity in the 1970s, and since then homeowners have been tearing down these faux offenders for years or masking them in paint to brighten up spaces. However, the experts at Apartment Therapy report that wood paneling in shades of brown are making a comeback in cozy spots such as dens or studies. The warm tones of wood paneling elicit a retro vibe. But unlike their fake predecessors, today's paneled walls are being outfitted in real wood, making them more eco-friendly and stylish than ever before.

Designers have flocked to reclaimed wood and veneer panelings to incorporate them into design elements. And while wood paneling

used to be hung vertically, designers now experiment with hanging paneling.

Many people no longer use paneling to cover an entire space. Paneling is used sparingly as an accent wall or another feature for character. Wood walls can be stained in a rich mahog-

any to look upscale or be weathered and rustic.

Homeowners ready to re-embrace wood paneling can choose to enhance one wall in a room. Think about the space above a fireplace or a strip of wall behind a sitting chair and side table. Paneling also can serve as a

headboard behind a bed in a master suite. Painted horizontally, paneling can add dimension and texture to walls, even in a bathroom.

Wood paneling is slowly making a comeback, proving that no design trend every truly goes away.

RCMP DRUG INVESTIGATION RESULTS IN TWO ARRESTS

Submitted by Parkland RCMP

Spruce Grove, Alta. - On July 8, 2020 at approximately 5:20 p.m., the Parkland Drug Unit along with Parkland RCMP members, conducted a traffic stop on a vehicle in Spruce Grove in relation to a drug inves-

tigation. A large amount of illicit cannabis was located and seized.

A search of the vehicle was conducted and the following was seized:

1. \$7440.00 of Canadian Currency
2. 17 grams - High-Terpene Full Spectrum Extract (HTFSE)

3. 120 grams - Cannabis Infused Candy

4. 16 grams - Distillates

5. 110,000 milligrams or 110 grams - THC Vape Oil

6. 12 grams - Shatter

7. 81.3 grams - Dried Cannabis

8. 2 OxyContin Tablets

Chad Harker (21) and William Chandler (19), both from Spruce Grove, were arrested and charged with the following charges:

- Section 9(2) Cannabis Act - Possession for the Purpose of Distributing
- Section 354(1)(A) Criminal Code - Possession

of property obtained by crime over \$5000

Both are scheduled to appear in Stony Plain Provincial Court on October 7, 2020.

If you have information about this incident or any other illegal activity, please call Parkland RCMP at 825-220-7267 or call your local police. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
