EVANSBURG FARMERS' MARKET HITS IT OUT OF THE PARK: THANK-YOU FOR A GREAT YEAR!

Submitted by Heather McGowan

As I sit and ponder the crazy times we are living in, I have to admit I really didn't know what to expect or how the Farmers' Market was going to turn out this year. The Market has exceeded my expectations and beyond. People who

know me, know that I am a person that loves to talk and visit with people and this Market was definitely the perfect fit for me. To my vendors or should I say family because that's what we have become, thank you for your assistance, encouragement, guidance, and support. I greatly appreciate all that you have done.

To the people who came from far and near to the Market to support us thank you and last but not least to our volunteers who came to help set up and take down when probably they wanted to sleep in, thank you. To everyone who made the Christmas Market a huge success once again thanks.

MP GERALD SOROKA WILL NOT BE VOTING IN FAVOUR OF THE THRONE SPEECH

Submitted by Gerald Soroka, MP for Yellowhead

OTTAWA: Gerald Soroka Member of Parliament for Yellowhead after listening to the Liberal Throne Speech this afternoon was very disappointed. As men-

tioned on his Facebook "I will be listening closely to the throne speech and demanding support for western Canada. Our Natural Resource and Agriculture sectors must not be forgotten." To no surprise western alienation and national

unity concerns were not addressed. The 32-page Throne Speech having 6,783 words not one word was about pipelines, oil or gas. There was no mention of:

In the event of a fire, every second counts...

FIRE PREVENTION WEEK October 4-10

We're kicking off Fire Prevention Week with a variety of important features and safety information to help you prevent and prepare for a fire emergency.

AS FIRE PREVENTION WEEK™ APPROACHES, THE FIRE DEPARTMENT REMINDS RESIDENTS TO “SERVE UP FIRE SAFETY IN THE KITCHEN!™”

Submitted by Drayton Valley/Brazeau County Fire Services

Drayton Valley/Brazeau County Fire Services is teaming up with the National Fire Protection Association® (NFPA®) – the official sponsor of Fire Prevention Week for more than 90 years – to promote this year's Fire Prevention Week campaign, “Serve Up Fire Safety in the Kitchen!” The campaign works to educate everyone

about simple but important actions they can take to keep themselves and those around them safe.

Cooking is the leading cause of home fires and home fire injuries in Canada. The majority of reported home fires started in the kitchen. Most home fires start with the ignition of food or other cooking materials.

“We know cooking fires can be prevented,” said Lorraine Carli, vice-president of outreach and advocacy at NFPA. “Staying in the kitchen while cooking, using a timer, and avoiding distractions such as electronics or TV are steps everyone can take to keep families safe in their homes.”

Th Drayton Valley/Brazeau County Fire Services encourages all residents to embrace the 2020 Fire Prevention Week theme.

FOCUS ON THE FOOD!

Stay Alert!

Unattended cooking is the leading cause of home fires in the kitchen.

Fire Prevention Week

October 4-10, 2020

Serve up Fire Safety in the Kitchen!

Did you know cooking is the No. 1 cause of home fires and home fire injuries?

Learn how to prevent cooking fires and keep your family safe!

To do our part and help limit the spread of COVID-19, we regret to say we will not be hosting any events or open houses this year.

Learn more on our website!

Parkland County Fire Services would like to remind everyone to practice fire safety at home, remember to

Put a lid on it! To extinguish a small grease fire, keep a pot lid nearby when cooking.

Keep kids safe from burns and scalds: create a "kid-free zone" of at least 3 feet (1 meter) around hot things in the kitchen.

Stay focused, set a timer: unattended cooking is the leading cause of kitchen fires, so set a timer to promptly remove it from the oven or stove.

Evansburg Farmers' Market Hits it Out of the Park: Thank-you for a Great Year!

Continued from Page 1

It went beyond my expectations. We had a little over five hundred people and thirty-one vendors. Unfortunately, I could not be there so I would like to say

a special thank you to Irene, Samantha and Cameron who took right over. I can't say thanks enough. You did an amazing job. To my husband who helped in the early mornings setting up signs and taking down signs, I

know sometimes he really didn't want to do it. I really appreciated the help. Also, to my mother who every Saturday would sit in her chair and pray for us that the weather would be nice and if it wasn't nice would

pray that it would hold off, not only me but the vendors appreciated it. From the bottom of my heart once again thank you so much for a great season! Here's to next season: may it be even bigger!

MP Gerald Soroka Will Not be Voting in Favour of the Throne Speech

Continued from Page 1

- Natural resources
- Agriculture, forestry
- Veterans
- Controlling spending
- Help for Canadians worried about their health, their loved ones, their jobs, and how they are going to pay their bills through the winter
- A commitment to increase health transfers – which was the provinces'

top ask.

Instead of laying out a plan to help Canadians the Liberals have once again left Canadians behind.

Under the leadership of Erin O'Toole, Conservatives will hold the Trudeau government to account, and we will put forward a plan that keeps Canadians safe, protects jobs and gets our country back on track.

I will not be voting in favour of the Throne Speech.

FIRE SAFE

Take time during **Fire Prevention Week, October 4-10**, to check smoke alarms, review safety tips and create a fire escape plan for your home.

Be Aware & Prepared.

2 Minutes

The time it takes for a fire to become life-threatening

5 Minutes

The time it takes for a residence to become engulfed in flames

Ready.gov U.S. Department of Homeland Security

109 Fire-related deaths annually

1,105 Residential fire injuries annually

Source: Statistics Canada 2014 data

Cooking Leading cause of home fire injuries
Smoking Leading cause of home fire deaths

*Source: Canadian Firefighters, based on information by the public safety division of Alberta Municipal Affairs analysis of data from seven Canadian provinces and one territory

Prepare & Protect

1. Install smoke alarms on every level of your home, as well as inside and outside of every sleeping area.
2. Create and practice a fire escape plan.
3. Sleep with your door closed.
4. Go to canada.ca and use search keywords "fire prevention" or visit nfpa.org for detailed fire prevention tips and fire escape plan guidelines.

TOP 5 Residential Fire CAUSES

- Cooking 20% of fires
- Heating equipment 12% of fires
- Arson 11% of fires
- Electrical 8% of fires
- Smoking 7% of fires

THE FOLLOWING BUSINESSES SUPPORT YOUR EFFORTS:

THANK YOU!

As Fire Prevention Week™ approaches, the Fire Department reminds residents to “Serve Up Fire Safety in the Kitchen!™”

Continued from Page 2

“The most important step you should take before making a meal is to Serve Up Fire Safety in the Kitchen!” said Fire Chief Thomson “A cooking fire can grow quickly. I have seen many homes damaged and people injured by fires that could easily have been prevented.”

Drayton Valley/Brazeau County Fire Services wants to share safety tips to keep you from having a cooking fire.

- Never leave cooking food unattended. Stay in the kitchen while you are frying, grilling or broiling food. If you have to leave, even for a short time, turn off the stove.

- If you are simmering, baking, roasting, or boiling food, check it regularly. Remain in the home while food is cooking, and use a timer to remind you that you're cooking.

- You have to be alert when cooking. You won't be alert if you are sleepy, have taken medicine or drugs, or have consumed alcohol that makes you drowsy.

- Always keep an oven mitt and pan lid nearby when you're cooking. If a small grease fire starts, slide the lid over the pan to smother the flame. Turn off the burner, and leave the pan covered until it is completely cool.

- Have a “kid-free zone” of at least 1 metre around the stove and areas where hot food or drink is prepared or carried.

To find out more about Fire Prevention Week programs and activities, please contact the Drayton Valley/Brazeau County Fire Services at (780 514 2216). For more general information about Fire Prevention Week and cooking fire prevention, visit www.fpw.org.

JOKE of the week

A cop pulls a woman over and says, "Can I see your driver's licence?" The girl asks, "What's a driver's licence?" The cop says, "A little square thing with your picture on it." So she dug through her purse and found a little hand mirror, and looked in it. She said, "This has my picture on it." She handed it to the cop. He looks in it and says, "Why didn't you say you were a cop, I wouldn't have pulled you over?"

DANGER! GASOLINE

Gasoline can be more dangerous than dynamite since it emits invisible, explosive vapours that ignite easily, even at low temperatures.

- Never store gasoline in basements, pits or other confined areas. Gasoline must be stored in areas that are well ventilated, free from ignition sources & in areas permitted by the National Fire Code of Canada.
- Never smoke while you are handling gasoline or other flammable liquids
- Never use gasoline to start your BBQ or as a cleaner or solvent.

Thank You to the Stony Plain Fire Department for keeping Our Community Safe

PREPARE

Install smoke alarms on every level of your home, as well as inside and outside every sleeping area.

Test smoke alarms monthly, and replace the batteries if needed.

Purchase and learn how to safely use a fire extinguisher.

Create a fire escape plan with your family, reviewing and practicing it twice a year.

Your fire escape plan should include two exit points from every room, as well as a designated outdoor meeting spot.

Make sure everyone in your family knows when and how to call 911 or the fire department.

PREVENT

Turn off portable heaters whenever you leave a room or go to sleep.

Keep matches and lighters out of reach from children, and make sure they know never to play with these items.

Replace or repair loose plugs, exposed wiring or frayed extension cords, and avoid overloading outlets and extension cords.

Keep any items that can catch fire at least three feet away from cooking and heating devices.

Remain in the kitchen when frying, grilling or broiling food. Always turn off the stove if you leave the kitchen even for a brief period of time.

STAY ALIVE

In the event of a fire, yell "Fire" repeatedly and evacuate immediately. Once outside, call 911 and never reenter a burning building for any reason.

If a door or door handle feels warm to the touch, do not open it. Use an alternate escape route.

If you must walk through smoke, get as close to the ground as possible to escape under the smoke, closing doors behind you.

If your clothing catches fire, always remember to stop, drop and roll, covering your face with your hands.

If you can't escape a room, close the door and cover vents and door cracks with a towel or cloth to keep out smoke. Signal for help at the window with a piece of cloth or a flashlight.

**Follow these fire safety tips,
and review them with other
members of your household,
to protect yourself, your
property, your community
and your loved ones.**

Obituaries

It is with great sadness and love that the family announces the passing of Joe Blahun on September 22, 2020 at the age of 85 years after a courageous battle with cancer. Joe will be deeply missed and lovingly remembered by his wife, Hope, of 64 years; five children, Patricia Russell (Alan), Victoria Patten (Darcy), Greg (Jackie), Anna, and David (Jennifer); numerous grandchildren and great-grandchildren; sister Anne Wahlund (Bob)

and brothers Alex (Sylvia) and Bill; sisters-in-law Ann and Elizabeth, brother-in-law Mike Yakiwczuk as well as numerous nieces and nephews. He was predeceased by his parents William and Dora; daughter Susanne Slemko; two infant great-grandchildren; brothers John and Mike; sister Olga and sister-in-law Dianne. He was a loving husband, father, grandfather, great-grandfather, brother, uncle and a wonderful friend to so

many. He will be dearly missed. We would like to take this opportunity to thank the staff at the Mayerthorpe Hospital, the Evansburg Home Care Team, the Kipnes Urology Centre/ University of Alberta Hospital Urology Unit, and the staff at the Cross Cancer Institute for taking such great care of him. Due to COVID, a private family funeral service was held. In lieu of flowers, donations can be made to: Mayerthorpe Hospital Auxiliary Association, Box 582, Mayerthorpe, Alberta, T0E 1N0. (1) 06-10

PURE HEMP PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

A Health and Beauty Breakthrough!

Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

PROMOTES HEALTH: Helps to promote relaxation and overall health.

WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS

SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.

NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.

DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS

MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.

TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

CONVENIENT: Can be sprayed into pet's mouth or on food.
