CONSERVATIVES FIGHTING FOR CANADIANS WHO ARE LOSING HOPE

Submitted by Gerald Soroka, MP for Yellowhead

I keep hearing from countless residents here in Yellowhead who have real worries and concerns for

the future. Too many Canadians are losing hope. Justin Trudeau says, "we're all in this together," but the truth is Canada has never been more divided.

Conservatives led by Erin

O'Toole are proud to fight for every single Canadian on issues important to them.

CHERRILL 4-H MULTI CLUB REPORT FOR SEPTEMBER

Submitted by **Madison Bouius, Club Reporter for Cherhill 4-H Multi Club**

4-H is back on, covid or not!

Our club had our first re-organizational meeting, full of smiling faces happy to be back. In our organizational meeting we had a vote on who our executive leaders are for this year.

We elected Leah Churchill for president, Grace Churchill for vice president, 2nd vice president Anthony Bouius, Beau Churchill for secretary, and Julianna Russell is staying on as our Treasurer for her second year term.

The projects we have this year are beef, sheep, quilting, feathered friends, foods, trapping, photography, and

possibly small engines. The leader for each project is Rick Haltiner as beef leader, with Frans Bouius, Yvonne Churchill, and Jason Hickey as the assistant beef leaders. The leader for sheep is Steve and Jackie Stadnyk. The leader for quilting is Dorothy Carlson. The leaders for feathered friends are Tanya and Jared Vanderwell, and the assistant leader is Hayley Blanchet. The leader for foods is Hailey Blanchette with assistant Alexi Berry. Our photography leader is Brandi Vanderwolf. The trapping leader is Les Russell and assistant Erin Russell. The general leader is Dorothy Carlson.

In our meeting we talked about the upcoming activities and how covid will cause us to make changes to how we run this year. Our

first change will be in our annual Mundare sausage orders. We are going to try and do a curb side pick up to lesson contact for all involved. Watch for more info to come or check us out on our facebook page.

To finish off last year at the end of June we were able to pick garbage at 3 of the landfill entrances and had a social distance pizza meal at the Regional Landfill, only 4-H members picnic at a dump and find this fun. Before our meeting we did tire-recycling. We went to two different places to load the tires into a trailer, and brought them to the unloading site so they could be recycled. We didn't do much this month, but all of the 4-H kids can't wait for when things start up after the October meeting.

ALBERTA RCMP URGES CITIZENS TO SAFE'GOURD' THEIR CABINS

Submitted by Alberta RCMP

October is a popular time for people to close-up their cabins for the season and Alberta RCMP is urging citizens to consider crime prevention while doing this.

In 2019 there were over 650 reported break and enters to seasonal properties in Alberta RCMP jurisdiction. The highest months

for reported break and enters were November, October, and December. Break and enters can also occur during the off-season but end up being reported in the spring. In an effort to curb break-ins during the winter months, Alberta RCMP is providing these tips:

- It's not just pumpkins that should be hollow this time of year, remember to take home all valuables.

- Don't 'fall' into old habits. If you can't take all valuables home, be sure to lock them in a shed or garage.

- Help 'squash' crime by locking all doors and windows.

- Safe'gourd' your cabin by periodically checking on your property.

- 'Leaf' robbers 'stumped' by installing alarms and surveillance cameras.

- Make a criminal 'beleaf'

you're there by installing timers on lights.

- Keep autumn-mobiles and toys safe by locking them in a secure building or take them home.

Alberta RCMP will be using #SeasonalSafety for the duration of October. For more crime prevention and safety tips, follow @RCM-PALberta (Twitter) and @RCMPinAlberta (Facebook).

ical services attended and confirmed the 35-year-old male of no fixed address, was deceased on scene.

The 29-year-old male driver of the pick-up truck and 47-year-old passenger, both of Spruce Grove, AB, were not injured as a result of this collision.

Conservatives Fighting for Canadians Who are Losing Hope

Continued from Page 1

Canada is also facing a unity crisis. Conservatives value and respect all Canadians. Workers in our natural resource industries contribute to building

roads and hospitals across the country, not just in the provinces where the resources are found. They need our support. There is also a desperate need to provide practical help for small businesses, particu-

larly family-owned businesses. Many are teetering on the edge of bankruptcy, and there must be more direct support for them. Finally, Conservatives will continue to support free and

fair trade with countries who follow the rules. For far too long, Canada has paid a high price for trade with Communist China. We are a proud trading nation, but the one thing not for sale is our values.

wanted on outstanding warrants related to 44 various charges including breach of multiple release orders including 24-hr house arrest. As a result of this traffic stop, Matthew Phillip Levesque is charged with:
• Obstructing a peace officer

Text or phone 780-340-0760, or leave a message on the Legion answering machine at 780-967.

What's for Dinner?

With everyone restrict-

ing activities because of Covid, it's sometimes difficult to get volunteers to cook Friday nights in time to publicize the meals in the paper. However, you can always find the information on FaceBook (the Onoway Wall for All, the Lac Ste. Anne News and Views, and the Alberta Beach Community Post).

Darts Club is starting again

The legion drop-in darts club is running again each Tuesday night, but thanks to Covid 19, space will be limited. The bar will be open.

Unfortunately, pool tables are shut down indefinitely because of the heavy disinfection requirements.

BBQ raffle

Time (and tickets) are running out for the BBQ raffle! The draw will be on Friday, October 23, so get your tickets soon. They're \$5/ticket or 3 for \$10.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

SEPTEMBER 29, 2020

West Yellowhead MLA Martin Long attended the September 28 Regular Meeting of Council to provide information on recent grant allocations to the community. Whitecourt will receive over \$1 million from the Municipal Operating Support Transfer which was created by the Government of Alberta to support municipalities with operating impacts due to the COVID-19 pandemic. Whitecourt has also been awarded \$4,235,549 for improvements to the Wastewater Treatment Plant under the Strategic Transportation Infrastructure Program. Thank you to the Government of Alberta for its support of our community.

Whitecourt Town Council thanks all of those that provided input on the 2021 Budget at last night's Budget Public Input Session and through writ-

ten submissions. Your feedback will be reviewed by Town Council during budget deliberations which begin next week. Early in 2021, Council will be hosting its annual Budget Open House which will provide ratepayers further opportunity to share comments and learn about the budget. Watch for further details on the open house in the new year.

The 2020 20-Year Capital and Major Maintenance Plan has been adopted. The Plan, which includes 135 projects, provides a vision for the long term development of Whitecourt's infrastructure; land development; parks and trails; and, building and recreational/cultural facilities to meet the needs of our growing community. The Plan incorporates projects and timelines identified through engineering studies, planning sessions, workshops, budget deliberations, and public engagement activities. The Plan is available to view at www.whitecourt.ca.

Whitecourt will be applying for funding through the COVID-19 Resilience Stream grant program to fund the Scott Safety Centre Ice Plant Upgrade. If approved, the project would receive up to 80% funding from the federal government.

The Whitecourt Chamber of Commerce submitted a letter requesting Council review parking levies applied to the current Downtown Parking Overlay District. Parking levies are collected to fund future public parking in the downtown area; however, the Chamber feels the practice is detrimental to downtown development. Council has directed Administration to prepare options for how to address this concern, and will be reviewing the item during 2021 budget deliberations.

Council is recruiting for public appointments to Council Committees. Share your voice and help shape our community by applying to serve on a

Council Committee. Information on public appointment vacancies can be found on www.whitecourt.ca.

Council has approved a street closure request made by the Chamber of Commerce for the Trunk or Treat event scheduled for October 31. The event involves local businesses purchasing a spot on the street to bring a decorated vehicle to serve treats to children as they come up to "trunk or treat". 50 Street from 50 Avenue and 53 Avenue will be closed between 9:00 a.m. and 5:00 p.m. to accommodate the event.

The name "Scott" has been added to Whitecourt's Available Street Name List. The name honours local residents Brian, Val and Kyle Scott who have all contributed countless hours to a number of organizations and initiatives throughout our community.

Council scheduled its annual Planning Session for January 21 through 23, 2021.

KEEP AN EYE OUT FOR COUNTY ROADSIDE CREWS

Safety is a priority for all County employees. A few close calls due to speed or carelessness have been reported. The County asks that motorists slow down and drive respectfully when encountering tractor mowers near the shoulder of busy roadways. The following precautions are advised:

- Be alert and watch for mowers along County roads and ditches
- Immediately reduce your speed as soon as you see mowing equipment
- Do not attempt to pass mowers, or any slow-moving equipment until the road is clear and you are sure it is safe
- When passing, ensure you maintain a reduced speed and leave plenty of room (minimum 15 meters) between your vehicle and the mowing equipment
- When passing, make sure you can see the mowing vehicle in your rear-view mirror

Let's all share the County roadways and make it home safely.

SUDOKU

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
