CANADA RECOVERY BENEFIT (CRB) NOW OPEN

Submitted by **Gerald Soroka, MP for Yellowhead**

OTTAWA: Member of Parliament for Yellowhead, Gerald Soroka wishes to inform constituents that the Canada Revenue Agency (CRA) has opened the application process for the Canada Recovery Benefit (CRB).

The CRB provides \$500 per week up to 26 weeks, for workers who have stopped working or had their employment/self-employment income reduced by at least 50% due to COVID-19 and are not eligible for EI.

The CRA is providing an

application process for the CRB similar to the one that Canadians used to access Canada Emergency Response Benefit (CERB). Those eligible can apply for these benefits online through the CRA's 'My Account' portal or toll-free at: 1-800-959-2019 or 1-800-959-2041.

To ensure the recovery benefits provide more targeted support for those who continue to need it, the application process for CRB includes new elements, such as:

- shorter eligibility periods of two weeks;
- retroactive periods,

(those applying will be required to apply after the two-week period has ended);

• a 10% tax withholding at source; (will receive payments of \$900 for each two-week eligibility period);

• a three-to-five-day window to receive payments for applications made by direct deposit, and,

• a 10-12-day window for cheque by mail.

To learn more or to apply for the Canada Recovery Benefit please visit: <https://www.canada.ca/en/revenue-agency/services/benefits/recovery-benefit.html>

Onoway Legion News

Continued from Page 1

Take-out, anyone?
All Onoway Legion's Friday night dinners are also available on a take-out basis! You will have to place your order by Wednesday night for the following Friday, so the cooks make sure they prepare enough food for everyone. a bit more. A portion of the proceeds from take-out meals for the month of November will be donated back to the community. Text or phone 780-340-0760, or leave a message on the Le-

gion answering machine at 780-967.

Early Christmas Dinner
Mark your calendar for an early Christmas dinner with all the fixings on Friday, December 18. Watch for more details.

How Do I Know What's for Dinner?

With everyone restricting activities because of Covid, it's sometimes difficult to get volunteers to cook Friday nights in time to publicize the meals in the paper. However, you can always find the information on FaceBook (the Onoway Wall for All, the Lac Ste. Anne News and Views, and the Alberta Beach Community Post).

Remembrance Day 2020

Like many other things, Remembrance Day will be vastly different this year because of Covid restrictions. There will be NO community service, but there will be small outdoor service at the Legion cenotaph. With masks and

social distancing, the public is welcome to attend. Only veterans and members will be allowed inside because of space limitations.

If you're a veteran living in the area, but not a Legion member, you're definitely invited to attend this ceremony of remembrance. Please call in advance to 780-967-5361.

Weekly Darts Club
The legion drop-in darts club is running again each Tuesday night, but thanks to Covid 19, space will be limited. The bar will be open.

Unfortunately, pool tables are shut down indefinitely because of the heavy disinfection requirements.

BBQ raffle
To help us raise funds for a new kitchen dishwasher, Ste. Anne Gas has generously donated the Napoleon Prestige BBQ for us to raffle off. We'll be making the draw on Friday, October 23, so don't miss out. They're \$5/ticket or 3 for \$10.

JOKE of the week

A zombie was roaming through the woods looking for something to eat. He came across two men. One was sitting under a tree and reading a book the other was typing away on his typewriter. The zombie quickly pounced on the man reading the book and started to devour him. Because even the a brain dead zombie knows that readers digest and writers cramp.

SMALL BUSINESS WEEK: PARLIAMENTARY SECRETARY LONG

Submitted by Government of Alberta

Parliamentary secretary for small business and tourism Martin Long issued the following statement on small business week:

“Alberta’s small businesses are the backbone of our economy, employing more than 530,000 Albertans. Small businesses in Alberta also contribute more to our economy than small businesses anywhere else in Canada, injecting about \$100 billion into our economy each year.

“This has been a difficult year – for many small businesses, perhaps their most difficult year yet. We know the pandemic has had a tremendous impact on our economy, and that small business owners across all sectors have, and continue to, struggle.

“Many small business owners have spent 2020 working around the clock to support their employees and their community through these uncertain times. For some, this has included finding innovative ways to quickly adapt their operations in response to public health measures, evolving consumer preferences and finding creative ways to meet the need for new products and services.

“If this year has shown us anything, it is that the ingenuity and resolve of small businesses in our province is stronger than ever. Our restaurants, retailers, live event professionals and tourism operators – to just

highlight a few sectors – are hard-working Albertans who exemplify Alberta’s entrepreneurial spirit and have demonstrated optimism and resilience through one of the biggest challenges of our generation.

“Alberta’s economy depends on small businesses.

They work hard, and through Alberta’s Recovery Plan and initiatives like our efforts to reduce red tape for business, the Investment and Growth Strategy, and our SME Relaunch grant, Alberta’s government is committed to working just as hard to support them.

“This year, more than ever, our small businesses also need your support. I encourage all Albertans to support the local businesses in your communities that will continue to play a key role in Alberta’s economy as we recover, and eventually grow.”

NOW MORE THAN EVER, WE ALL NEED TO GET IMMUNIZED AGAINST INFLUENZA

WE ARE ALL IN THIS TOGETHER.

Influenza immunization will protect you and your loved ones, as well as vulnerable seniors, children and those with chronic health conditions. By keeping the number of influenza cases and outbreaks low, we can also do our part to help health care workers focus on the COVID-19 response.

IMMUNIZATION OPTIONS HAVE CHANGED.

The easiest way for most Albertans to get a flu shot is to call a local pharmacy or doctor’s office. If this option is unavailable in your community, please contact 811 to make appointment at local health centre.

AHS clinics are offering influenza immunization to those under five years of age and their immediate families or household members, only. Appointments are required.

To learn more, including if you are eligible for an AHS appointment, visit ahs.ca/influenza

**SNOWPLOW
FLAG PRO-
GRAM TO BE-
GIN**

The County's Public Works department helps property owners clear snow from their private driveways through its annual Snowplow Flag Program.

To take advantage of this service, snowplow flags must be purchased in advance. The cost of \$25 per flag/per clearing covers plowing from the road to the residence only.

One flag will be used each time snow removal is requested. For snowplowing services with no flag (call-in), the cost will be \$40.

For more information, visit LSAC.ca/Snowplow or contact the Public Works department at 1.866.880.5722.

Snowplow flags are available at:

- The County Administration Office (56521 Range Road 65)
 - The Town of Mayerthorpe Administration Office
 - Gunn General Store
 - Darwell Trading Post
 - Onoway Bigway Foods
 - Rich Valley School
- WINTER TRANSFER STATION HOURS**

The County provides eight waste transfer sites and one regional landfill for use by County residents.

These facilities will switch over to winter hours beginning November 1.

TRUNK OR TREAT

Saturday, October 31th, 2020
1:30-4:00PM at the Darwell Fair Grounds

We will park vehicles inside Cow palace in the case of inclement weather. Come and decorate your vehicle and hand out goodies to all the little ghosts and goblins! Social distancing in effect so you might have to wait a few minutes for barn to clear out. Lac Ste Anne Gas will be on site handing out hot food, etc.

All surrounding communities are invited to come and participate!
This is a free Event and Everyone is welcome!!

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

OCTOBER 14, 2020

Whitecourt has launched a new online Geographic Information System (GIS). The online platform allows residents to view municipal facilities and infrastructure, as well as various types of property information such as addresses, zoning, lot lines, and assessment. This tool is interactive, and also allows users to view aerial imagery, measure distances, and

create printable maps. To access the online tool, visit www.whitecourt.ca/MuniSight.

As announced by MLA Martin Long at the September 28 Regular Meeting, the Town of Whitecourt has been awarded \$1,038,247 under the Municipal Operating Support Transfer grant. The grant is funded by the provincial and federal governments to support municipalities which have experienced significant operating impacts due to the COVID-19 pandemic.

Whitecourt will be signing a

memorandum of agreement with the province to use funds for eligible expenditures and operating losses incurred between April 1, 2020 and March 31, 2021.

Whitecourt received a letter from the Whitecourt & District Chamber of Commerce stating that it is conducting a regionalization study. The study will offer insight into regionalization opportunities that would benefit the local business community. Council agreed to provide information and participate in the study, which is

being conducted by Nichols Applied Management Inc., and is expected to be complete by the end of 2020.

In light of COVID-19, Whitecourt has cancelled its annual Council Committee Recognition Event. The event is typically hosted in the fall to recognize those who serve on municipal boards and committees.

A Special Meeting of Council has been scheduled for 5:00 p.m. on December 16, 2020 to discuss the 2021 Budget.

GAS IN A CAR WON'T STAY FRESH FOREVER

The outbreak of the novel coronavirus COVID-19 in 2019-20 had a significant impact on drivers. In an effort to stop the spread of the virus, many countries issued stay-at-home orders that mandated businesses close their doors and allow employees to work from home. In addition, restaurants and popular tourist destinations were closed for a period of time, giving people few reasons to drive. As a result, drivers ended up spending less time on the road and less money at the gas station. But what about the gas they did purchase? Can gas go bad? Yes it can, according to Consumer Reports, which notes that the lighter, more volatile components of gasoline evaporate over time. Old gas can

compromise engine performance, potentially causing a car to hesitate or stall. Gas that has gone bad can begin to smell like varnish and will darken over time, though discoloration often occurs only in the most extreme situations. To determine if gas smells differently, drivers should avoid putting their nose into their vehicle's gas tanks. Instead, remove the gas cap and stand next to the car where you would normally put the gas pump. If you detect an aroma of varnish coming from the car, then the gas has likely gone bad. An easier way to determine if gas has gone bad is to consider how long it's been since you refilled the tank. Gas can begin to go bad in as little as three months, so drivers who

haven't driven much over that period may have bad gas in their tanks. One way drivers can combat bad gas, even if they aren't driving much, is to add fuel stabilizer when filling up the tank. Fuel stabilizer

keeps gas from degrading, but it's only effective if it is mixed with good gasoline, hence the reason to add it when filling up and not when you detect the gas already in the car has gone bad.

HOW OLDER DRIVERS CAN APPROACH VEHICLE MAINTENANCE AND SOCIAL DISTANCING

The outbreak of the novel coronavirus COVID-19 in the winter of 2019-20 required people of all ages and backgrounds to make changes in their daily lives. Elderly men and women were among the groups the Centers for Disease Control and Prevention identified as high-risk for severe illness from COVID-19. That forced people 65 years and older to be especially cautious when engaging in otherwise normal activities, including having their vehicles serviced.

In recognition of the threat posed by COVID-19, many auto dealerships and service shops implemented changes to their operations to ensure the safety of their employees and their customers, including those in high-risk groups. Seniors can take additional measures to ensure they stay safe while having their vehicles serviced.

Inquire about safety measures. Before booking vehicle maintenance appointments, seniors should call the dealership or body shop to determine what's being done to keep everyone safe. Many such businesses quickly implemented new safety protocols so they should be ready and willing to share this information over the phone. Look for specific information about sanitization practices. Are vehicle interiors being

sprayed with disinfectant before and after maintenance appointments? Are employees wearing masks each day? Are employees being checked for COVID-19 symptoms before each shift? These are some of the simple yet effective measures many dealerships and body shops are taking to ensure the safety of their customers.

Ask about pickup service. Some communities that have reopened are encouraging high-risk segments of the population to adhere to stay-at-home measures. Elderly men and women are still vulnerable to COVID-19 even if the number of reported cases in their towns has decreased. Pickup service, in which a service shop employee will come pick up and then drop off a customer's car once the work is done, can be a great way

for elderly drivers to have their vehicles serviced without going out in public. Even if pickup is not policy, ask if it's possible and request that your vehicle be disinfected upon being returned. If pickup is not an option, ask a younger friend or family member to drive your car in for maintenance in your place.

Only visit safe facilities. Elderly drivers who must visit a dealership or body shop in person should confirm that waiting rooms feature socially distant seating. If possible, drop the car off and then go for a walk or find somewhere safe off the premises to read a book or listen to music while the work is being done.

Elderly drivers who need to have their vehicles serviced can take certain steps to stay safe in the era of social distancing.

Obituaries

In loving memory of Joseph Hickie, who passed away on Oct. 2, 2020, at the age of 93. His interment was at St. John's Lutheran Church at Alberta Beach. He is survived by his loving wife Linda of 67 years, and 4 children; Barbara (Brent) Piepgrass, Glenn (Annette) Hickie, Raymond (Heather) Hickie and Carol (Curtis) Murowchuk. He also leaves 10 grandchildren and 21 great grandchildren. He is survived by 1 sister, Emma Reynolds and 2 brothers, Walter and Harvey Hickie. Our thanks go to the Mayerthorpe Extended Care for looking after dad in his last few months. And to all our family, friends and neighbors who showed us their love and support in our time of grief. He is going to be dearly missed by all. (1) 20-10

Doreen Enid (Waldron) Sieben
Our loving Mother, Grandmother and Great Grandmother passed away on October 6, 2020 at the age of 91. She leaves to mourn her children, Linda Hannaford, Gloria Hill, Marge Bignell (Ron) Tim Sieben (Athena) and Darryl Sieben, 6 grandchildren, 4 great grandchildren and 2 great, great grandchildren, one sister Winnie Cools. Doreen was born in Loverna, Saskatchewan to Alice and Robert Waldron. She was a wonderful, daughter, sister, wife and mother. Her fun-loving spirit attracted all that knew her. She had many hobbies and talents, gardening, sewing, knitting, baking, cooking, just to mention a few. Mom had many accomplishments in her life, but one of them was learning to swim at 85 years of age. Her biggest passion however was her family and friends. She was always delighted to have a visitor. This hard working, talented, compassionate woman left us very peacefully, with her

family by her side. She loved us all unconditionally and we loved her back. She kept her independence right to the end. "She did it her way". We will all miss you terribly Mom.

PURE HEMP PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

A Health and Beauty Breakthrough!

Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

PROMOTES HEALTH: Helps to promote relaxation and overall health.

WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.
