OJSH AWARDS NIGHT 2019/20

**Submitted by Mr Lobo,
Principal | Onoway Jr/Sr
High School**

On Friday October 23, 2020, OJSH held their awards ceremony for the 2019/20 school year. Like most group activities in the COVID -19 environment, we did not have an evening ceremony in our gymnasium, with the usual 250-300 parents, students and staff.

Instead we had an afternoon ceremony in our Drama Room/ main foyer area. Students received their awards by grade and alphabetically.

It was great to have numerous grads of 2020 come back and receive awards.

Awards for academics and citizenships were given out. Students also received some special awards. We did not give out any sports

awards as the seasons were cut short with school closing in March 2020. We have acknowledged all players of school sports teams in the program. The whole list of award winners, Parent Volunteers and School Team members will be posted on our website.

Check out Page 4 for some of the major award winners.

ONOWAY LEGION NEWS

**Submitted by Richard

Restricted Dinner Numbers: Because the county is on a Covid watch, the Legion has limited dinner reservations to 35 until further notice. Make your reservation as early as possible or you may not get in. Those 35 people will be spaced out in the hall, with table service only for both the meal and the bar. Masks are recommended except for when you're actually eating.

Take-out is unlimited, but you'll need to make a reservation for that too, so we can

ensure there's enough food prepared. For reservations, please text or phone 780-340-0760, or leave a message on the Legion answering machine at 780-967-5361.

How Do I Know What's for Dinner? With everyone restricting activities because of Covid, it's sometimes difficult to get volunteers to cook Friday nights in time to publicize the meals in the paper. However, you can always find the information on Facebook (the Onoway Wall for All, the Lac Ste. Anne News and Views, and the Alberta Beach Community Post).

Take-out, anyone? All On-

oway Legion's Friday night dinners are available on a take-out basis! You will have to place your order by Wednesday night for the following Friday, so the cooks make sure they prepare enough food for everyone, a bit more. A portion of the proceeds from take-out meals for the month of November will be donated back to the community.

Early Christmas Dinner: Mark your calendar for an early Christmas dinner with all the fixings on Friday, December 18. Watch for more details.

COVID-19 UPDATE FOR WHITECOURT

Submitted by Town of Whitecourt

NOVEMBER 5, 2020

Confirmed COVID-19 cases are increasing in our community and across the province. Recognizing how COVID-19 is impacting Whitecourt and our region, community members are asked to remain vigilant in mitigating the risk of getting sick or spreading COVID-19.

How you can help

People must continue to practice physical distancing to limit the spread of COVID-19 and reduce the risk of getting sick. To protect yourself and others:

- Keep at least 2-metres distance from people outside your household or cohort group. Maintaining a cohort is extremely important as it keeps the same people together, rather than mixing and mingling, which helps reduce a person's chance of getting sick. Alberta's Chief Medical Officer recently recommended that a person should limit themselves to no more than 3 cohorts (i.e. personal, work, sports, school, etc.).

- Wear a mask in public when distancing is not possible.

- Follow Alberta's guidelines for gatherings and keep family visits, friend gatherings and group outings small within your designated cohorts.

- Practice good hygiene by washing or sanitizing your hand often, and avoid touching your face.

- Stay home if you are feeling sick.

For more information on how you can help prevent the spread visit the Government of Alberta's website at www.alberta.ca/prevent-the-spread.aspx#toc-3.

Whitecourt's continued monitoring and response to the COVID-19 pandemic

The Town of Whitecourt Emergency Coordination Centre, which has been active since March 2020,

continues to monitor the COVID-19 pandemic across Alberta. Whitecourt has a continuity plan in place to ensure essential services, such as water service and road maintenance, continue in our community uninterrupted.

In consideration of rising case numbers, a Temporary Mandatory Face Coverings Bylaw will be forwarded to

Council for review and consideration. Similar to other municipalities, it is proposed that should the Province move Whitecourt to a "watch" status, it would be mandatory for members of the public to wear face coverings in indoor public places. A "watch" status requires two indicators: at least 10 active cases and more than 50 active cases per 100,000.

The proposed bylaw is scheduled to be reviewed and deliberated at the Regular Meeting of Council on Monday, November 9 at 7:00 p.m.

COVID-19 information and updates are publicly available on the Alberta Health and Alberta Health Services websites:

- www.alberta.ca/covid19
- www.ahs.ca/covid

NOW MORE THAN EVER, WE ALL NEED TO GET IMMUNIZED AGAINST INFLUENZA

WE ARE ALL IN THIS TOGETHER.

Influenza immunization will protect you and your loved ones, as well as vulnerable seniors, children and those with chronic health conditions. By keeping the number of influenza cases and outbreaks low, we can also do our part to help health care workers focus on the COVID-19 response.

IMMUNIZATION OPTIONS HAVE CHANGED.

The easiest way for most Albertans to get a flu shot is to call a local pharmacy or doctor's office. If this option is unavailable in your community, please contact 811 to make appointment at local health centre.

AHS clinics are offering influenza immunization to those under five years of age and their immediate families or household members, only. Appointments are required.

To learn more, including if you are eligible for an AHS appointment, visit ahs.ca/influenza

ADDRESS WINDSHIELD DAMAGE PROMPTLY

Windshields are designed to protect drivers and their vehicles from wind and other natural elements while the cars are in motion.

Windshields are made

from tempered glass, which is processed by controlled thermal or chemical treatments to increase its strength compared to normal glass. While relatively strong for a piece of

glass, windshields are not impervious to damage. All it takes is a single rock or piece of road debris to be kicked up from the roadway and hit the windshield to cause a problem.

Every day, motorists encounter pebbles or other small missiles that bounce up from the road and come in contact with their windshields. Many deflect with no problem, but under high speeds, debris can cause chips, dings, and even cracks in the windshield.

Cracks easily spread from road vibration and heat and can compromise the integrity of the windshield. If your car's windshield

is cracked and it shatters during a collision, you and your passengers are at great risk of injury. In addition, police officers can write tickets if windshields appear to be unsafe. So it's in drivers' best interests to repair damaged windshields promptly.

Drivers may be able to repair small dings themselves with a do-it-yourself windshield kit available at automotive retailers. If a crack is less than six to 12 inches long, it can probably be repaired as well. However, more significant damage will require that the entire windshield be replaced.

SIGNS HEADLIGHTS MAY NEED TO BE REPLACED

Automobiles require a little TLC to stay on the road and operate efficiently. When vehicle maintenance is ignored, vehicles operate less efficiently and, in many instances, less safely as well.

Jerking and stalling is a telltale sign of engine trouble, but some vehicle problems are more subtle. One such problem is fading headlights. Fading headlights can pose a significant threat to drivers and their passengers as well as fellow motorists. According to the National Safety Council, drivers do only one-quarter of their driving at night. However, the NSC notes that 50 percent of traffic deaths occur at night. Such figures highlight the potential dan-

gers of nighttime driving, which only becomes more dangerous if headlights are not operating at optimal capacity.

Since drivers do most of their driving during the daytime, it's easy to overlook headlight performance. However, it's important that drivers learn to recognize the signs that headlights need to be replaced.

Dimming

Dimming headlights do not necessarily require replacement. In some instances dimming headlights are a byproduct of a dirty car. The buildup of dirt and grime can reduce light output even when the headlights are otherwise fine. If your car is dirty, take

it to the car wash and make sure the headlights are scrubbed clean of dirt and grime. Then drive at night to see if the light output of your headlights is still dim. If so, the headlight bulbs may need to be replaced.

Flickering

Flickering headlights can indicate anything from worn out headlight bulbs to a weak car battery to loose connections. Flickering is one of the more dangerous headlight issues, as it can lead to headlights suddenly going dark while drivers are on the road at night. If headlights are flickering, take the car to a mechanic as soon as possible to have the issue resolved.

One light out

When one headlight goes dark, chances are the other is not far behind. Automotive experts recommend replacing headlight bulbs in pairs, even if only one bulb has gone dark, because this ensures equal light output.

Headlight maintenance tends to be overlooked. But recognizing the signs of fading headlights can help drivers avoid accidents and vastly improve the safety of nighttime driving.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
