NORTHERN GATEWAY TEACHERS AUTHORIZE STRIKE VOTE

Submitted by The Alberta Teachers' Association

Teachers employed by Northern Gateway School Division have voted 99 per cent in favour of authorizing the Alberta Teachers' Association to request a government-supervised strike vote.

The teachers have been

working for over two years without a finalized collective agreement. Northern Gateway is one of only seven school boards in the province that have not reached a local settlement for the 2018/19 and 2019/20 school years.

"Northern Gateway teachers are frustrated, and disappointed that they are

being treated without consideration, in light of everything they are being challenged with while teaching in the middle of a pandemic. While the teachers were trying to negotiate, the employer decided to stall the finalizing of a contract that expired two years ago.

Northern Gateway Teachers Authorize Strike Vote

Continued from Page 1

“There is enough stress right now, and teachers do not need to deal with contract negotiations that could lead to job actions because the employer won’t settle on standard working conditions.” –Katrina Zack, President, ATA Northern Gateway Local No 43

At a general meeting held November 16, the teachers reviewed the last offer proposed by the division, which attempts to strip their collective agreement of a number of long-standing provisions that are standard parts of collective agreements elsewhere.

Zack says a work stoppage can be avoided if the board returns to bargaining and bargains constructively in an effort to reach a reasonable agreement in line with those already signed across

the province.

“Our teachers just want to be treated similarly to the over 98 per cent of teachers who have settled their agreements. We are not making unreasonable demands; we just want to be treated fairly. We are prepared to negotiate if the board is willing to engage in meaningful discussions—a work stoppage is a last resort.” –Katrina Zack, President, ATA Northern Gateway Local No 43

A government-appointed mediator concluded that the two sides were too far apart to reach a mediated settlement and chose to “write out” of the process on November 2. This left the parties free to reach an agreement on their own or, following a two-week cooling off period, to begin the process of moving toward a strike or lockout. Following

the November 16 authorization vote, Northern Gateway teachers can now apply to hold a government-supervised strike vote at any time. If a strike mandate is approved, teachers could legally strike after providing 48 hours’ notice to the employer.

The Alberta Teachers’ Association is the professional association of teachers in Alberta and acts as the bargaining agent for all teachers employed in public, separate and francophone school divisions. Based in Whitecourt, Northern Gateway School Division employs approximately 300 full- and part-time teachers in public schools serving the communities and surrounding areas of Alberta Beach, Onoway, Rich Valley, Darwell, Sangudo, Mayerthorpe, Whitecourt, Fox Creek and Valleyview.

JOKE of the week

“Oh, no!” the kangaroo groaned to her friend, the rabbit.
“The forecast calls for rain.”
“What’s the problem with that?” asked the rabbit. “We could use some rain.”
“Sure,” the kangaroo said.
“But that means my kids will have to play inside all day!”

ALBERTA BEACH MUNICIPAL LIBRARY NEWS! 50/50 RAFFLE DRAW AND BOOK/DVD SALES!

Submitted by Alberta Beach Municipal Library

Hello everyone! It's been a busy time for us at the library, even during this pandemic. Some people have the impression that libraries are just books but that is so far from the truth. People do come in for reading material, books and magazines, as well as for DVDs and audiobooks. But we also have people coming in for

faxing, scanning, photocopying, computers, wifi. We are seeing more and more people coming in for help navigating on the computer, as more and more businesses and government agencies accept paperwork and inquiries only by computer.

For the first few weeks of the pandemic we were able to offer curbside service to our patrons. After that our Board made the decision to close for

a couple of months. Our staff were still in, doing paperwork and tasks around the building that you only do during a pandemic. We did experience a drop in revenue over the several months that we were closed to the public so our Friends of the Library Society has launched a 50/50 raffle to help us out. Tickets are \$5 each and the draw date is Dec. 12. 1000 tickets were printed so with a sellout the lucky winner

will take home \$2500. Tickets are available at Mama's in the Kitchen, Beachcomber Salon (Chere), Beach Liquor (beside hotel), ATB Bank (Heidi), Onoway Public Library, and, of course, the Alberta Beach Library. We have received tremendous support from people in our communities but we just need a bit more help to make it a sell-out.

FACE COVERINGS ARE NOW REQUIRED

in all Indoor, Enclosed Public Spaces and Public Vehicles in the Town of Whitecourt

Submitted by Town of Whitecourt

NOVEMBER 17, 2020

The Town of Whitecourt has adopted Temporary Mandatory Face Coverings Bylaw 1560. Whitecourt is designated a “watch” zone by Alberta Health Services, and as such the bylaw is now in effect, and will remain active for a period of 30 days following the removal of the Provincial “watch” status. As per the bylaw, face coverings are now mandatory in all indoor, enclosed public spaces, as well as within public vehicles.

The practice of wearing a face covering or mask will complement other prevention and public health mea-

sures that the Town of Whitecourt has been promoting to the community, including: physical distancing, cohorting, good hand hygiene, staying home when sick, and increased cleaning of surfaces.

Per the Whitecourt Temporary Mandatory Face Coverings Bylaw, a “face covering” means a mask or other face covering that covers the mouth, nose and chin ensuring a barrier that limits the transmission of infectious respiratory droplets.

The following exceptions are identified in bylaw:

- Children that are 5 years old and younger;
- People unable to wear a face covering due to a mental or physical concern or limita-

tion, or protected ground under the Alberta Human Rights Act;

- People consuming food or drink in designated seating areas or as part of religious or spiritual ceremony;
- People engaged in water activities or physical exercise;
- People providing care or assistance to a person with a disability where a face covering would hinder that caregiving or assistance;
- People engaging in services that require the temporary removal of a face covering;
- Areas exclusively accessed or used by the Public Place’s employees or a Public Vehicle operator, provided that physical barriers or physical

distancing practices are implemented between any person not required to wear a face covering by operation of this exception and any other person.

This bylaw does not apply to the following places: schools, post-secondary institutions, daycares and childcare centres governed by the Child Care Licensing Act, hospitals and health care facilities. For more information, please refer to Bylaw 1560.

Information for businesses, including posters that can be printed and displayed at store entrances, and frequently asked questions for all community members are available on www.whitecourt.ca/COVID-19.

Annual Christmas Carol Sing Goes Online

Continued from Page 1

Not braving winter weather and some winters it has been very cold. I remember a blizzard, -25C, a howling wind and, yes, even rain.

So we are going to send our efforts and Blessings to you, our dear friends, online. Everything this year is so new to all of us and we don't want you to feel you have missed out on something that means so much to our community.

We often get close to 200

people coming to the Onoway Community Hall for this special event, maybe this year more will be able to be part of the Christmas Carol Sing. Maybe, with the children all scrubbed up ready for bed, all in your pajamas, or with your family that would normally go to the service, you can follow along. You could even save it for Christmas Eve as this year will be a different Christmas. Gather all the family, however scattered, and get them together on

their devices and have a special sharing time.

All the Ministers want to share with you the birth of Jesus and their love of the Lord with this service via the written word of the bible. The service contains no sermons just the Word in the readings and songs. We do hope that you enjoy our attempt to fill the void so many are feeling.

The Local Churches send you the Blessings of the Lord and if you feel lonely or sad please contact a lo-

cal church for some kind words.

And, Please if you can, donate to your local food banks as the need is great this year

Alberta Beach Municipal Library News! 50/50 Raffle Draw and Book/DVD Sales!

Continued from Page 4

Please drop in to our library or any of these great community-minded establishments to get your tickets. We have about 100 left and we would love a sell-out! If you would like to purchase tickets by e-transfer, you can send it to ablibrary@yrl.ab.ca. Send us your name and phone number and we'll send you a picture of your tickets.

As many of you know, we were unable to hold our annual book/DVD sale during Polynesian Days. Since we

are crammed to the rafters with books and DVDs, we decided to hold a mini-sale. Our DVDs are out for sale until the end of November and then we will put our books out. There's a lot of selection so come on in and browse. DVDs are \$3 each, \$10 for 4, and \$20 for 10. Books will be by donation.

During the pandemic we partnered with Onoway Public Library to make and distribute kid and adult craft bags. They have been a big hit in both of our communities and around the county

and so we have decided to continue assembling and distributing these bags. Thank you our FCSS funders for financial assistance towards this project.

Our book club is still going strong, with almost 30 people participating. Due to the pandemic and social distancing, we had to split the book club into two, with one group meeting one night and the other meeting a second night. This has worked out very well.

In November and December we are hosting craft/paint

night for people 10 and older. Sessions are limited to 10 or fewer participants and everyone is masked and socially distanced (unless they are in the same cohort). There has been fantastic response to these nights and we hope to offer them again in the new year. We have some very talented people around our communities.

For more information about programs, events, or 50/50 tickets please contact us at 780-924-3491, ablibrary@yrl.ab.ca or on facebook at "Alberta Beach Municipal"

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
