NEW GTF FUNDING FOR LAC STE. ANNE-PARKLAND

Submitted by United Conservative Caucus

The federal Gas Tax Fund (GTF) is a federal funding stream that provides capital funding to municipalities to help them build and revitalize their local public infrastructure, while creating jobs and supporting long-term prosperity. This year Alberta received \$244 million from the federal Gas Tax Fund to fund municipal projects.

The constituency of Lac Ste. Anne-Parkland received over \$10 million dollars in funding for projects throughout the riding. This funding will be used for bridge rehabilitation, culvert replacements, and more. This much needed funding will aid our communities within Lac Ste. Anne-Parkland to renovate existing infrastructure, while creating jobs.

"This is great news for Lac Ste. Anne-Parkland, with

this new GTF funding 14 individual projects in our constituency have received funding. Not only do these projects create jobs, but they revitalize our municipality, or should I say God's country. These projects are great, all-around, for our communities and I look forward to seeing the construction once they're underway." - Shane Getson, MLA Lac Ste. Anne-Parkland

MP SOROKA QUESTIONS THE GOVERNMENT ON BILL C-21

JOKE of the week

A woman gets on a bus with her baby. The bus driver says, "That's the ugliest baby that I've ever seen. Ugh!"

The woman goes to the rear of the bus and sits down, fuming. She says to a man next to her, "The driver just insulted me!" The man says, "You go right up there and tell him off – go ahead, I'll hold your monkey for you."

Gerald Soroka, Member of Parliament for Yellowhead, today questioned the government on Bill C-21 "An Act to amend certain Acts and to make certain consequential amendments (firearms)."

He asked: Mr. Speaker, the government's new gun confiscation bill is over-reaching. Not only will the legislation confiscate real firearms from law-abiding citizens, but it will also prohibit the sale of airsoft guns. One of my constituents owns a small sport-shooting store that sells airsoft rifles. His livelihood depends on business from the local airsoft club. Why is the government going after airsoft guns instead of criminals with illegal guns?

In Response: Hon. Bill Blair (Minister of Public Safety and Emergency Preparedness, Lib.): Mr. Speaker, as I have said, we have promised Canadians that we will strengthen gun control and we know that the Conservatives have promised the gun lobby they will weaken it. We are also listening, not just to those who profit from the sale of these firearms, but also to law enforcement who are tasked with the responsibility of keeping Canadians safe.

New GTF Funding for Lac Ste. Anne-Parkland

Continued from Page 1

Notable projects within Lac Ste. Anne County include rehabilitating bridges on Range Road's 24, 25, 40, and 62 and on Township Road's 583 and 590. Collectively these bridge upgrades received over \$500,000 in funding. Lac Ste. Anne County will also be replacing the bridge culverts on Range Road 55 and Township Road's 583 and 590, with the over \$400,000 they received from the GTF fund.

Parkland County has received over \$9 million in funding for two major projects including the replacement of the bridge on range Road 64, and to upgrade and rehabilitate Parkland County Transfer Station and Recycling Center.

The Town of Mayerthorpe received almost \$400,000 to replace their watermain along 45 street, and Summer Village of Silver Sands receive over \$50,000 to upgrade their stormwater drain on Willow Avenue.

MP Soroka Questions the Government on Bill C-21

Continued from Page 2

For over 20 years, the Canadian Association of Chiefs of Police have urged the government to take effective action on replica firearms, including the airsoft devices that the member referenced. When we publish these new regulations,

the CACP came out strongly endorsing those measures as necessary and important to keeping Canadians safe. We will keep our promise of taking action to keep Canadians safe.

Well there's one bit of good news..... Spring has sprung. Well Now for the bad news.... Due to the ongoing uncertainty of COVID-19 pandemic and the banning of any gatherings at this time, the Wildwood & District Agricultural Society has been forced to cancel our 2021 Annual Fair scheduled for August 20th, 2021. DECOR IDEAS TO GIVE HOMES A FRESH LOOK THIS SPRING

Spring is a season of rejuvenation, and that spirit of renewal can take hold inside a home.

Warm weather and longer hours of daylight make spring a perfect time to imagine a home's interior

design in a new light. The following are a handful of decor ideas that may inspire homeowners to give their homes an entirely new look this spring.

- Wallpaper: Wallpaper fell out of favor years ago, but

new styles that aren't so heavily patterned can make for wonderful additions to any room. Large-scale prints can give a room a whole new feel without giving homeowners or their guests the impression that they have

stepped back in time. A simple, mural-style floral wallpaper on the walls surrounding a table in a breakfast nook can bring nature inside.

- Pastel colors: Nothing embodies the spring quite like pastel colors. If colorful, bright flowers dot the garden in the backyard, homeowners can bring those uplifting pastels inside by painting an accent wall or even adding some brightly colored accent furniture to rooms that could use a lift.

- Declutter: Clutter is often conquered during spring cleaning sessions, but homeowners who want to create more free-flowing interior spaces can downsize their furniture and/or look for multipurpose features that make it hard for clutter to take over a room. Create more open space in entertaining areas by mounting the television and getting rid of a bulky entertainment center. Create even more space by replacing rarely used end tables with a storage ottoman where books and magazines can be stored to give a room a fresh, clean look.

- Accent features: Sometimes the smallest changes to an interior space make the biggest impression. Replace dated accents like vases and table lamps with newer items that reflect the latest styles and trends. Such adjustments won't break the bank, and they can give rooms a whole new feel.

Spring is a great time to reconsider home interiors. This spring homeowners can embrace various strategies, both big and small, to give their homes a whole new feel.

Spring HOME RENO GUIDE

GIFTS TO SPARK HOME IMPROVEMENT IDEAS

People have spent more time at home in 2020 than they likely have in years past. This has provided homeowners with plenty of time to ponder potential upgrades to their homes. After taking inventory of their lifestyles, surroundings and furnishings, people have embarked on construction projects or home interior design renovations in record numbers.

Gifts that cater to projects around the house are likely to be highly valued. Here are some ideas for home improvement-related gifts.

Home improvement retailer gift card: Home improvement centers are one-stop shopping for do-it-yourselfers. To help offset the cost of supplies, gift-givers can give a gift card to a neighborhood hardware store.

Magazine subscription: There are plenty of ideas on the internet, but a subscription to a home remodeling or interior design magazine puts inspiration

right in homeowners' hands. Pages can be marked or cut out and used on idea boards.

Tools and supplies: Homeowners just starting out may benefit from the basics. Stores often sell starter tool kits that can be used in home improvement-themed baskets. Experienced DIYers may have a special tool in mind that is outside their budget right now, like a chop saw or cordless power drill. Purchasing one of these items can help projects move along more smoothly.

Expert consultation: Who can't use a little help with their home remodeling efforts? Give the gift of a consultation from an interior designer or professional contractor to help complete plans that may be a little out of reach for the average DIYer.

Big-ticket item: Some friends and family members may want to pool their resources and offer loved ones an over-the-top gift. This can include a backyard playset for children, a storage

shed, a pool installation, or even a new appliance package. Gift ideas are endless and only limited by budget.

Room re-do: All it may take is some new linens or accents to transform a room. From throw pillows to curtains to wall art, give the gift of an easy room

makeover.

Riding the momentum of increased home improvement projects from the past several months, holiday shoppers can choose home-related gift ideas to keep the projects and ideas flowing.

SHOULD I DIY?: 3 QUESTIONS TO DETERMINE IF IT'S BEST TO RENOVATE ON YOUR OWN

A do-it-yourself mentality has taken hold in millions of households across the globe. Popular television channels like HGTV and DIY Network as

well as accessible home improvement content on apps like YouTube has inspired many homeowners to tackle renovation projects around

their homes. Taking such initiative is admirable, though it also can prove costly if homeowners end up biting off more than they can chew.

Home improvement videos and television shows have a tendency to oversimplify renovation projects, potentially giving homeowners a false sense of confidence in their DIY abilities. A concerted effort on the part of homeowners to determine if it's best to renovate on their own or hire a professional should always be the first step of any renovation project. No two homeowners are the same, but the following three questions can help homeowners determine if DIY is their best option.

1. Can I afford to DIY? Professional home improvement projects are costly for a variety of reasons. Materials can be costly, but so are the tools and labor necessary to do the job right. Homeowners may not have the tools necessary to complete complicated projects. Specialty tools can be expensive to purchase or even rent, and the cost of acquiring such tools should be included in any DIY project cost estimates. Labor also factors heavily into professional projects, and for good reason. Talented contractors have unique skills that have been developed and perfected over many years. Those skills can ensure projects are completed quickly and correctly. Labor may seem costly, but such costs may ultimately prove to be a bargain com-

Spring HOME RENO GUIDE

Should I DIY?: 3 Questions to Determine if it's Best to Renovate on Your Own

pared to the cost of fixing DIY mistakes. Projects that are minor in scope and don't require the use of potentially costly specialty tools may be better suited for weekend warriors than more complicated renovations.

2. Do I have the time?

Homeowners must determine how much time they have to complete a project before deciding to do it themselves. No one wants to spend months staring at an unfinished renovation project. Homeowners who are already pressed for time may not be able to complete projects in a timely fashion, which can make homes less comfortable and even less safe.

3. Can I pull this off?

DIY projects can instill

homeowners with a sense of pride in their homes, but it's imperative that homeowners considering the DIY option conduct an honest assessment of their skills. A lack of renovation experience does not necessarily mean a homeowner cannot successfully complete a DIY project. But in such instances, it may be best to start with small, straightforward projects and then gradually move up to bigger, more complicated projects as skills are fine tuned. And homeowners who have never been at their best with a hammer in hand should not be ashamed to leave the work to the professionals.

Television shows and online tutorials can make renova-

tions appear easier than they actually are. Homeowners considering DIY renovations can ask themselves a handful of questions to determine

if they're ready for the challenge of renovating their homes on their own.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
