# FULL REFUNDS FOR SUNWING FLIGHTS CANCELLED

**Submitted by Gerald Soroka, MP for Yellowhead**

Gerald Soroka, Member of Parliament for Yellowhead, wishes to advise that Sunwing will be offering full customer refunds after reaching a deal with the Canada Enterprise Emer-

gency Funding Corp. allowing more customers to receive refunds.

Those with non-refundable bookings whose vacations were cancelled due to the pandemic, and who have received a future travel credit or travel vouchers, can now request a full refund or keep

their travel credit.

Future travel credits are available for travel up to Sept. 30, 2026.

To request a refund, eligible customers and travel agents must submit a request through an online COVID-19 refund request form by Aug. 27.

The new policy applies to hotels, flights and vacation packages booked on or before Friday, June 25, 2021 for travel scheduled on or after Feb. 1, 2020.

More information can be found at: <https://www.sunwing.ca/en/request-a-refund>

# LEDUC COUNTY FULLY REOPENS TO THE PUBLIC

*Leduc County will fully reopen to the public on July 2, to coincide with stage three of Alberta's Open for Summer plan.*

**Submitted by Leduc County**

As of July 2, most of our administrative buildings will be open to the public during regular business hours, council and committee meetings will resume in-person starting July 6, in-person programs and services will resume and group campgrounds will be open.

Leduc County does not have a mask bylaw in effect. "The safety of our citizens and staff is our primary concern and has guided our actions throughout the pandemic. We are pleased to once again open all our buildings to the public and resume our in-person pro-

grams and services." -

Duane Coleman, County Manager

Buildings reopening

As of July 2, County Centre, the Services Building, the Community and Operations Centre and the Nisku District Fire Station will be open on weekdays from 8:30 a.m. to noon and 1 to 4:30 p.m.; County Centre will remain open during the lunch hour.

The Nisku and Thorsby public works shops are open by appointment only by calling 780-789-3777. Fire stations in each the Calmar, New Sarepta and Thorsby fire district are not open to the public.

What to expect when you enter a Leduc County facility

As of July 2, we will no longer require visitors to our facilities to complete a screening questionnaire upon entry. Visitors should stay home when sick; we can assist citizens by phone at 780-955-3555.

Hand sanitizer will be available to visitors and we have enhanced cleaning protocols in place in our facilities. Protective barriers are in place in many areas that serve the public, and these will remain in place to protect the safety of our staff and visitors.

Leduc County will continue to follow the Government of Alberta's direction and public health measures. The above actions will be adjusted, where needed, to remain in alignment.

# Drayton Valley RCMP Request Public Assistance In Locating Missing Male

Continued from Page 1

Drayton Valley RCMP's investigation indicates Derek was last seen at the Drayton Valley dog park at approximately 2:30 p.m., on June 21, 2021; however, efforts to locate him have been unsuccessful. Derek has medical concerns that make him vulnerable and Drayton Valley RCMP would like to speak to him to confirm his wellbeing.

Derek John Henningsmoen (65) is described as:

- 5'6" tall
- 150 lbs
- Shoulder length white hair
- Blue eyes with eye glasses

Last seen wearing a black sweater, black pants and a light grey t-shirt.

Drayton Valley, Alta. – Drayton Valley RCMP are still asking the public's assistance in locating Derek John Henningsmoen. At this time, Henningsmoen was last seen June 22, 2021 at 2:50 a.m. at Petro Canada

South.

Drayton Valley are requesting those members of the public with out buildings in the Drayton Valley and Brazeau areas to check their out buildings for Derek John Henningsmoen.

If you have any information as to his whereabouts, please contact Drayton Valley RCMP at 780-542-4457. If you want to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at [www.P3Tips.com](http://www.P3Tips.com) or by us-

# NEW CANADA DISABILITY BENEFIT LEGISLATION

**Submitted by Gerald Soroka, MP for Yellowhead**

Gerald Soroka, Member of Parliament for Yellowhead, wishes to advise that Employment, Workforce Development and Disability Inclusion, has introduced new legislation that would establish the framework for a new Canada Disability Benefit to support working-age Canadians with disabilities. The Canada Disability Benefit would supplement, not replace, existing federal and provincial-territorial supports with a goal of lifting hundreds of thousands of persons with disabilities out of poverty.

The Government of Canada will build on the legislation introduced today to engage with stakeholders and persons with disabilities to have their voices heard on the design of the benefit leading up to the development of regulations. Public engagement on the Disability Inclusion Action Plan is open until August 31, 2021.

The Disability Inclusion Action Plan (DIAP) will include:

- a new Canada Disability Benefit;
- a robust employment strategy for Canadians with disabilities and,
- a better process to determine eligibility for federal disability programs and benefits.

Canadians are encouraged to complete the online survey and share their views, to help guide the development of the Plan by going to:

# AMAZON EXPANDS IN ALBERTA WITH THE PROVINCE'S FIRST AMAZON ROBOTICS FULFILLMENT CENTER, CREATES MORE THAN 1,000 NEW FULL- AND PART-TIME JOBS

*Amazon partners with The LEGO Group to donate 200 robotics kits to local Parkland County area community groups to encourage STEM learning*

**Submitted by Amazon Canada**

SEATTLE, June 28, 2021 – Amazon today announced plans to open its first Amazon robotics fulfillment center in Parkland County, Alberta creating more than 1,000 full- and part-time jobs starting at \$16 an hour with comprehensive benefits and opportunities to work alongside Amazon Robotics in an industry-leading workplace. The new robotics fulfillment center, set to launch in 2022, is more than 600,000 square feet and will be used to pick, pack and ship small items to customers such as books, electronics, and toys.

To celebrate, Amazon will be donating more than 200 build-your-own robot kits to community groups in the Parkland County area with the goal of providing the resources necessary to introduce local youth to the world of robotics, unlock their imagination and explore a new challenge.

“We’re excited to expand our operations and create great, safe careers of the future for talented Albertans starting on Day One,” said Vibhore Arora, Regional Director, Amazon Canada. “Robotics and advanced technologies make our fulfillment centres safer and more collaborative, which is a big part of our mission to become Earth’s Safest Place to Work.”

“This is exciting news for Alberta. It is a vote of confidence in our economy, and will create over a thousand jobs for Albertans, right when we need them most. As we continue to recover from the COVID-19 pandemic, high-tech investments like this will continue

to get people back to work as we diversify and look towards the future,” said Alberta Premier Jason Kenney. “Thank you to Amazon as well for the generosity you’ve shown to community groups in Parkland County with the donation of 200 robotics kits to support STEM learning.”

“Amazon’s vote of confidence in Alberta with their new robotics fulfillment centre shows the momentum our province has in the technology space while enhancing their customer experience and creating a thousand jobs,” said Doug Schweitzer, Minister of Jobs, Economy and Innovation.

“Council is tremendously excited to welcome Amazon to Parkland County,” said Mayor Rod Shaigec. “The facility is a major investment and will create a significant number of jobs in the region.”

“I’m excited for our young people, a top five global business leader focused on technology and commerce innovation is setting up operations across the street in Parkland County,” said William Morin, Chief of the Enoch Cree Nation 135. “This means our young people have a real example of the future global economy they can be a part of.”

Working with robots at Amazon

Over the past two decades, Amazon has introduced many innovations and different elements of technology to help deliver products quickly and reliably to meet ever-growing customer needs and expectations - Amazon Robotics is one of these innovations.

Since the launch of Amazon Robotics at fulfillment centers

in 2012, Amazon has created around 300,000 jobs worldwide. The smart systems support employees in their tasks, and the company continues to invest in new logistics centers, jobs and workplace safety measures.

As Alberta’s first Amazon robotics facility, it is also an important investment in the province’s growing technology sector and results in increased job growth and upskilling opportunities for Amazon employees.

“Collaborative jobs between robots and humans as full-fledged teammates have the potential to not just increase quality, make jobs safer and faster but to enable humans to be more creative, and innovative, and to cooperatively solve many of humanity’s greatest challenges,” said Dr. Alex Ramirez-Serrano, Professor of the Department of Mechanical and Manufacturing Engineering at the University of Calgary.

Interested parties can learn more about Amazon Robotics and the growth opportunities it brings to Alberta at an upcoming webinar hosted by Inventures, one of Western Canada’s most prominent tech startup conferences. Registration link coming soon.

Job creation, career growth and economic benefit

All operational employees receive hours of safety training and ongoing career coaching. Employees at the Parkland County facility will have access to continuing education opportunities through Amazon’s upskilling programs like Career Choice, where the company pre-pays up to 95 per cent of tuition for courses

related to in-demand fields. Full-time employees will also receive competitive benefits including hourly wages starting at \$16 in the province, medical, vision and dental coverage, a group RRSP plan, stock awards, and performance-based bonuses starting on day one.

Amazon employs more than 3,600 employees full- and part-time operations employees in the Prairie provinces and has invested more than \$600M in Alberta, Saskatchewan and Manitoba. To learn more about the economic benefits Amazon Canada is creating, read the company’s Economic Report.

Engaging the Alberta community in the world of robotics

To celebrate, Amazon and the LEGO Group will donate 200 robotics kits to local community groups in the Parkland County area where the new robotics fulfillment centre will be located. Over the next month, groups such as Boys and Girls Club, Alberta Parenting for the Future Association, Parkland Village School and Stoney Plain Public Library will receive a shipment of build-your-own kits and their program participants can begin building, coding, and learning about robotics. Amazon wants to inspire the local Parkland County community to engage in the world of robotics and gain access to a new and exciting pastime to mark the occasion.

# SHERIFFS ENHANCE RAPID ENFORCEMENT ON HIGHWAYS

The second phase of RAPID Response enhances traffic safety and impaired driving enforcement on Alberta highways, freeing up RCMP officers to focus on other criminal matters.

### Submitted by Government of Alberta

Minister Madu with RCMP Const. Scott Hearn, sheriff highway patrol officer Mike Overly and fish and wildlife officer Andy Nestorovich.

To help reduce police response times in rural Alberta, about 260 Sheriff Highway Patrol officers will have the authority to investigate a wider range of traffic-related occurrences starting July 1 as part of the Rural Alberta Provincial Integrated Defence (RAPID) Response initiative. This includes impaired driving and criminal offences they encounter in the course of their duties.

Giving highway patrol sheriffs the authority to handle more incidents on provincial highways means the RCMP has more officers on patrol and available to respond to higher-priority criminal matters.

"We are taking action to address the very real issue of crime in rural Alberta. We know Albertans have been frustrated with response times in rural areas, and we are committed to making sure they feel safe and protected in their communities. More boots on the ground means authorities can respond more quickly when Albertans need them. It will also deter crime and make our highways and communities safer." - Kaycee Madu, Minister of Justice and Solicitor General

In rural areas police can be stretched across large distances, which can lead to longer response times. RAPID Response helps reduce response times by expanding the roles and authorities of 400 peace officers in Sheriff Highway Patrol and Fish and Wildlife Enforcement Services.

Earlier this year, fish and wildlife officers' roles were also expanded so they can respond to requests from the RCMP to be first at the scene of an emergency in cases where they are closer than police. Fish and wildlife officers will also

respond to RCMP requests for backup, which could involve helping the police locate suspects or preserve a crime scene.

RAPID Response currently covers most areas of rural Alberta policed by the RCMP. The government is

holding a series of meetings with First Nations and Métis leaders to determine their interest and earn their support before expanding RAPID Response to their communities.

VILLAGE  
OF BRETON  
*Fireworks &*  
FESTIVITIES

## Canada Day Reverse Parade 2021

**Thanks to the Village of Breton and Brazeau County there will be another reverse parade on July 1 this year.**

This year there will be a few changes with some different categories added, the most notable being awards for the best historical display. So get your creative juices flowing and think about doing something like a Voyager canoe, a Red River cart or something that reflects or celebrates the contributions of First Nations to our national identity.

There will be no people's choice category this year. Similar to last year there will be prizes for 1st and 2nd in each category. All prizes will be given in gift certificates this year, so that is also a bit different than last year. No prizes will be given out at the village office.

Other categories will be similar to last year which will include: Most Canadian, Best Kept Yard, Best Decorated Pet, Best Decorated Block (or best block theme) and of course the Best Night Display.

**All categories will be judged from 10 am - 1 pm on July 1st, except for the night display that will be judged the evening of June 30th.**

Anyone interested in getting involved this year, whether that is helping judge, donating to help with advertising or prizes or just sharing ideas or suggestions please feel free to contact me Darren Aldous at 780-514-9228.

# BRETON RCMP INVESTIGATE FATAL HOUSE FIRE

**Submitted by Breton RCMP**

On June 2, 2021, at approximately 11 a.m., the RCMP Central Alberta District (CAD) Crime Reduction Unit (CRU) were conducting an unrelated investigation in the area of Buck Lake when the investigation led to a residence where there was a house fire in the area

of Township 465 and Range Road 630.

RCMP officers notified Fire services and upon gaining entry to the yard and residence, were told that there were two children trapped inside. RCMP officers attempted to rescue the children; however, due to the extent of the fire re-entry to the residence was not possible.

Breton and Thorsby RCMP

attended the scene along with multiple volunteer Fire Services who worked to extinguish the fire.

A search of the structure once the fire was extinguished resulted in locating the two missing children, a 1-year-old male and 4-year-old female—both from Drayton Valley, Alta.

Alberta RCMP Major Crimes Unit, Alberta RCMP

General Investigation Section from Alberta RCMP Serious Crimes Branch, RCMP Forensic Identification Section, along with a Fire Investigator attended the scene to assist with this investigation.

Breton RCMP have received a report from the fire investigator indicating the residential fire that occurred on June 2, 2021, is non-suspicious in origin.

# FIRE ADVISORY ISSUED DUE TO EXCESSIVE HEAT

**Submitted by Leduc County**

Leduc County is now under a fire advisory. There is an increased risk of wildfire due to dry conditions and prolonged high temperatures.

There are no restrictions on burning at this time, and fire permits are still being issued. Citizens can continue to burn open fires if they have a fire permit, use cooking and heating appliances – such as barbecues, firepits and patio heaters – fueled by liquid fuel

like propane or natural gas, and use approved burn barrels and firepits.

Fire officials will continue to monitor conditions, and a fire restriction or ban could be issued. We will update the public of any change at [leduc-county.com](http://leduc-county.com) and [albertafirebans.ca](http://albertafirebans.ca).

Due to the forecasted high temperatures, which have resulted in heat warnings in the province, we remind citizens to take precautions to avoid heat-related illness or injury.

If a heat warning is issued for Leduc County, you should

take the following precautions, as detailed by Alberta Health Services:

- If spending time outdoors:
- Apply a sunscreen of at least sun protection factor (SPF) 30 at least 20 minutes before heading outdoors and reapply as specified.
- Wear a wide-brimmed hat and sunglasses.
- Wear light-coloured long-sleeved shirt and pants.
- Consider rescheduling outdoor activities to cooler hours of the day.
- Drink plenty of water and

other non-alcoholic, non-caffeinated beverages.

- Take frequent breaks from the heat by spending time indoors.

- Do not leave any person or pet inside a closed vehicle for any length of time.

If you start to feel overheated, stop what you are doing, seek shade and drink fluids. Monitor yourself and others for symptoms of heat stroke or heat exhaustion, such as high body temperature, lack of sweat, confusion, fainting, and unconsciousness.

# APPLICATIONS OPEN FOR 2021 INDIGENOUS INTELLECTUAL PROPERTY PROGRAM GRANTS

**Submitted by Gerald Soroka, MP for Yellowhead**

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, wishes to advise applications for the 2021 Indigenous Intellectual Property Program grant is now open. This will provide greater opportunities for Indigenous peoples, including community organizations and Indigenous businesses, to build their intellectual property (IP) awareness and capacity, encourage use and participate in the development and implementation

of related policies and programs in Canada and abroad.

The three funding streams for IIPP grants are:

1) Travel Stream

Grants for Indigenous organizations for travel to events, meetings, discussions and negotiations in Canada and abroad related to IP and IK and ICEs, up to \$5000 per person per organization for a single trip or up to \$15,000 per organization for multiple trips and/or multiple travelers in a funded year. Grants under this stream can fund required preparation work, travel costs, and registration

fees.

2) Small-Scale Initiative Stream

Grants for IP-related activities, limited in scale and scope, duration and resources required, up to \$15,000. For example, these grants can fund activities such as a research project, drafting a policy paper, or developing educational materials and any eligible associated costs.

3) Project Stream

Grants for IP-related projects that are more complex or comprehensive than Small-Scale Initiatives, requiring more resources and a longer

duration and can include a combination of activities, up to \$50,000. These grants can fund multiple activities needed to carry out a project, including, but not limited to, related travel, research, development of resource material, event planning, business planning, etc.

Applications must be received by September 8, 2021 by 11:59pm.

More information can be found at: Indigenous Intellectual Property Program Grant - Intellectual Property Strategy ([ic.gc.ca](http://ic.gc.ca))
