ic recovery following the COVID-19 crisis by investing in projects that will help to create jobs over the next three years and beyond. This includes up to \$70 million dedicated to businesses created after January 2020 that meet eligibility criteria.

JOKE of the week

Little Johnny is always being teased by the other neighborhood boys for being stupid. Their favorite joke is to offer Johnny his choice between a nickel and a dime. Little Johnny always takes the nickel. One day, after Johnny takes the nickel, a neighbor takes him aside and says, "Johnny, those boys are making fun of you. Don't you know that a dime is worth more than a nickel, even though the nickel's bigger?" Johnny grins and says, "Well, if I took the dime, they'd stop doing it, and so far I've made \$20!"

Hot dogs will also be available. Dessert is ice cream sundaes.

For reservations, call or text 780-907-6300 by the end of the day on Wednesday, July 21.

It's Important to Book your Place at the Table

Please remember to make reservations for Friday diners (by text or phone) no later than the Wednesday before each meal. The cook needs to know how many to expect, and our volunteers shop for supplies on Thursday.

With reservations, we can make sure we have enough

food without wasting any. We do allow for a small number of last-minute diners, but there have been times when the volunteers (who eat last) have had reduced portions or sometimes missed items completely because of too many walk-in diners!

Drop-in Dart League

A drop-in dart league has started, every Wednesday for the summer. Doors open at 6:30 with play beginning

at 7:30. The bar and pool tables are open. It costs just \$3 to play, with no experience necessary. Bring your own darts, or we have a few you can borrow.

Pool League

Regular Wednesday night pool league will resume in September with Bill Buhr and Sandra Possnett as the new pool league organizers. Bill will be setting up tables and sending out the Wednesday night player re-

sults & Sandra will be doing the actual game scheduling, collecting registration fees and Pool League banking. In the meantime, come to shoot some pick-up games.

Did You Know?

All Legion activities are run solely by volunteers! That means that bartenders, cooks, organizers and clean-up crews are needed year-round. If you can give some time, contact Linda at 780-907-6300

Golfer's **GUIDE**

THESE GOLF TERMS ARE PAR FOR THE COURSE

Golf is a game of sport and skill that can be played at any age. Millions of people in North America participate in golf as a recreational endeavor or a professional pursuit. As of the spring 2016, 25.13 million people in the United States played golf over the previous 12 months, according to Statista.

People may immediately think Canada's sports-based loyalty favors hockey. However, on the recreational side, golf is king in the country. Canada has the fourth most golf courses of any country in the world, says the National Golf Foundation. Plus, one out of every 10 Canadians play golf - a participation rate that is more than double that of the United States.

Storyed golf history
Although golf can be traced back to the Netherlands during the Middle Ages, many people concur that the modern game of golf - played over 18 holes - is a Scottish invention.

The popularity of the sport began to spread throughout the world from Great Britain. The first permanent golf club in North America was founded in 1873 and was named Canada's Royal Montreal Club. The first 18-hole course in the United States was The Chicago Golf Club.

Golf lingo
Understanding the terminology is key to becoming a full-fledged golf fanatic. While golf lingo is extensive, here is a sampling of some of the more popular terms to get novices started,

courtesy of the PGA.

Approach: A shot hit towards the green.

Attack: The relative angle at which the clubhead approaches the ball at impact.

Backswing: The motion that involves the club and every element of the body in taking the club away from the ball.

Birdie: A score of one under par on a hole.

Bogey: A score of one over par on a hole.

Bunker: A hollow comprised of sand or grass that serves as an obstacle.

Carry: The distance a ball will fly in the air.

Chip: A short approach with a low trajectory.

Chunk: A poor shot caused by hitting the turf.

Divot: The turf displaced when the club strikes the ball.

Downswing: The swing forward from the top of the backswing.

Eagle: A score of two under par on a hole.

Golf range: A facility where people can practice golf swings.

Grip: The positioning of hands on the club.

Hole: A round receptacle on the green that the ball is aimed into.

Lie: As it relates to the golf ball,

the position when it has come to rest.

Links: Specific term for a course built on linksland, which is land reclaimed from the ocean.

Mulligan: An extra shot taken on a poor first shot.

Par: The score an accomplished player is expected to make on a hole, either a three, four or five.

Putt: A shot on the green.

Stance: The position of the feet.

Golf terms are as varied as the game itself. Knowing commonly used words and phrases makes for a more intimate understanding of the sport.

SUDOKU

 of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets. **ANSWER:** to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
