### LAC STE. ANNE COUNTY DECLARES STATE OF AGRICULTURAL DISASTER RECORD-BREAKING HEAT AND DROUGHT CONDITIONS IN THE REGION AFFECT CROPS AND LIVESTOCK FEED

Submitted by Lac Ste. Anne County

In response to prolonged drought conditions that have resulted in excessively low crop yields and reduced sources of feed, County Council declared a State of Agricultural Disaster at

its July 22 County Council meeting. Much of the County has been dry since last summer, and winter snow cover was light. Without soil moisture in the spring, producers look to seasonal rainfall to keep crops and pastures healthy. Lack of seasonal rain, combined

with the prolonged heat wave in June and July, amplified the problems farmers and ranchers are now facing.

# WHITECOURT TOWN COUNCIL UPDATE

Submitted By Town of Whitecourt

Whitecourt will be hosting a live entertainment event at Rotary Park on August 14. The event will include musical performances and fireworks display. Save the date, and watch for artist announcements the week of July 26.

The Communities in Bloom provincial judges will be touring Whitecourt on Friday, August 6 to rate our community in eight categories as part of the provincial competition. Let us all do our part in showing the judges just how beautiful Whitecourt is! The Whitecourt Communities in Bloom Committee requests your support in showcasing Whitecourt to

the provincial judges, and asks that we all keep Whitecourt beautiful by making sure our yards are tidy, and by ensuring our green spaces and business storefronts are litter free. Whitecourt is an incredible place to live, and the Committee wants to make sure that it is showcased at its best for this year's competition.

Whitecourt will be applying to the Canada Community Revitalization Fund for \$750,000 in funding for the extension of 50 Street and adjacent multi-use pathways from Whitecourt's downtown core to Rotary Park. The project is identified in Whitecourt's Sportfield Master Plan, and is included in the Town's 20 Year Capital and Major Maintenance Plan.

Whitecourt Town Council received a quarterly financial report and overview of the impact of COVID-19 at the July 19 Regular Meeting. Council also had the opportunity to review the updated 2021 Project List that is available for viewing on [www.whitecourt.ca](http://www.whitecourt.ca).

# Lac Ste. Anne County Declares State Of Agricultural Disaster Record-Breaking Heat And Drought Conditions In The Region Affect Crops And Livestock Feed

Continued from Page 1

Conditions in the region have deteriorated to the point that producers have been forced to begin reducing generational herds during what is normally the height of grazing season. Where hay can be sourced, most of it is priced well above historic market value – with prices continuing to trend upward.

“Council sees first-hand the extreme hardships our producers are facing,” shared Lac Ste. Anne County Reeve Joe Blakeman. “We are seeing complete dispersals of historic herds because there’s nothing to feed them. This is the fourth year in a row of less-than-ideal

conditions for regional producers – and by the looks of it, the most devastating.” Declaration of a State of Agricultural Disaster is designed to heighten awareness and collaboration among producers, industry, and provincial and federal governments. The County joins a growing number of rural municipalities in Western Canada that have declared states of emergency in an effort to draw political attention to the critical conditions of fields, pastures, and the availability of livestock feed.

“The County will work with the Government of Alberta and related stakeholders in the coming weeks to explore potential support

options for area producers,” continued Reeve Blakeman. “It is Council’s hope that, through this declaration and our ongoing advocacy efforts, we can shine a spotlight on this critical issue and encourage other levels of government to provide support where possible.” In addition to potential supports at the provincial level such as tax incentives or payment deferrals, the Government of Alberta has requested support from the federal government. On July 15, Alberta’s Minister of Agriculture and Forestry Devin Dreeshen released a statement indicating that he is pushing for activation of the federal AgriRecovery program. AgriRecovery funds

can help offset the cost of uninsurable added expenses, like temporary fencing around fields so cattle can graze on crops that are not worth harvesting.

“The details of an Agri-Recovery program are still being developed with industry and we will work with our provincial and federal counterparts to ensure that Alberta’s farmers and ranchers are supported,” stated Minister Dreeshen. Lac Ste. Anne County last declared a State of Agricultural Disaster in August of 2019 due to excessive rainfall and overland flooding. ## ALBERTANS SPIN BIG TO WIN BIG! SEVEN WINNERS FROM AROUND THE PROVINCE FINALLY HAVE THEIR DATE WITH THE PRIZE WHEEL AS PANDEMIC EASES

Submitted by AGLC

The wait is over! After months of being put on hold to ensure no one was put at unnecessary risk from COVID-19, seven Alberta residents have finally stepped up to spin THE BIG SPIN and THE BIGGER SPIN prize wheels in a two-day event that saw over \$3.5 million in prizes awarded!

Winners of THE BIG SPIN included Michael Casselman of Alberta Beach, Bernard Rosier of Calgary, Eileen Balaban of Yellowhead County and Dyllan Dokken of St. Albert. Winners of THE BIGGER SPIN, meanwhile, included June Johnson of Calgary, Paul Kenway of Lethbridge and Shelly Briggeman of Edmonton. All seven

winners came to AGLC's St. Albert offices for individual spin appointments over July 15 and 16. The winners each came with one guest to take their crack at spinning a -freshly sanitized- wheel.

"It was tremendous to see a number of Albertans have a chance to claim their THE BIG SPIN and THE BIGGER SPIN prizes this past week as AGLC gets back to regular gaming activities," said Steve Lautischer, Vice-President of Gaming and Cannabis. "We thank all those who were patient in waiting for a chance to spin over the last number of months and are happy to see them claim \$3,525,000 in prizes."

The \$5 THE BIG SPIN and \$10 THE BIGGER SPIN are ZING tickets with one big

difference; not only can players win cash prizes in the same way as with a usual ZING ticket, they can also uncover a 'Spin Win', and discover their prize through an animated prize wheel on the screen at their local Lot-to-Spot retailer.

If the player's Spin Win prize reveals a 'Big Spin', they win a \$10,000 initial prize PLUS a chance to spin a real wheel at their very own spin event. A THE BIG SPIN winner will leave the spin event with a prize of \$100,000 up to \$500,000; a THE BIGGER SPIN winner will spin the wheel to win a prize of \$200,000 up to \$1,000,000!

Click here to see video footage and photos from the two-day spin event, in-

cluding the three spinners who won the top prize on their respective games; Eileen Balaban, and Bernard Rosier who both won \$500,000 with THE BIG SPIN, and Paul Kenway, who took home a staggering \$1M prize with THE BIGGER SPIN. Videos are linked individually as well below.

# TOWN SUCCEEDS IN SECURING SOLAR FUNDING FOR PUBLIC WORKS SHOP

Submitted by Town of Mayerthorpe

Mayerthorpe, Alberta, June 22, 2021 – The Town of Mayerthorpe received approval in the amount of \$19,994.79 from Municipal Climate Change Action Centre through the Alber-

ta Municipal Solar Program to contribute towards the Town's installation of flush-mounted photovoltaic (PV) arrays, inverters, and racking at the Public Works Shop.

By investing in a solar PV system now, the Town can immediately generate sav-

ings on electricity usage reducing operating costs on this key public facility. The \$66,649.31 system is anticipated to have a 25+ year lifespan, will produce a capacity of 36,000 Watts direct current, and has a calculated energy yield of approximately 878 kWh

alternating current per year. The Town has also applied to the federal Green and Inclusive Communities Building Program to fund the remaining costs being \$46,654.52 plus an additional \$40,000.00 to replace the facility's boiler and indirect hot water tank.

The investment in solar PV is consistent with the Mayerthorpe Community Sustainability Plan Goal A39 to develop microgeneration energy projects for the community and 2020 Building Condition Assessment recommendations completed in 2020.

"The Town is always on the lookout for ways to save money and cut costs. Once complete, we'll have two Town-owned facilities generating their own power; the Public Works shop and our arena, which had solar panels installed last year. The lifespan of these installations means the Town will be producing some of its own power long into the future. We're grateful for the funding available through MCCAC and similar federal programs that enables us to complete these worthwhile projects. – Mayor Janet Jabush.

For questions or additional information please contact the Town Office.

# ONOWAY LEGION NEWS

Submitted by Onoway Legion

### Friday Night Dinner

On Friday, August 6, Chris and crew will be serving a roast beef dinner. It'll come with roasted potatoes, mixed veggies, a tossed salad and cheese buns, with brownies for dessert. Please don't forget to reserve your spot by Wednesday, July 3 so the cooks can ensure enough food for everyone. Call or text Linda at 780-907-6300 to book your spot. Serving begins at 6 p.m. with the raffles draws about 7 p.m.

It's Important to Book your Place at the Table

Please remember to make reservations for Friday dinners (by text or phone) no later than the Wednesday before each meal. The cook needs to know how many to expect, and our volunteers shop for supplies on Thursday.

With reservations, we can make sure we have enough food without wasting any. We do allow for a small number of last-minute diners, but there have been times when the volunteers (who eat last) have had reduced portions or sometimes missed items completely because of too many

walk-in diners!

### Drop-in Dart League

A drop-in dart league has started, every Wednesday for the summer. Doors open at 6:30 with play beginning at 7:30. The bar and pool tables are open. It costs just \$3 to play, with no experience necessary. Bring your own darts, or we have a few you can borrow.

### Pool League

Regular Wednesday night pool league will resume in September with Bill Buhr and Sandra Possnett as the new pool league organizers. Bill will be setting up tables and sending out the Wednesday night player results & Sandra will be doing the actual game scheduling, collecting registration fees and Pool League banking. In the meantime, come to shoot some pick-up games.

## CANADA CHILD BENEFIT

Submitted by Gerald Soroka MP for Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise that the maximum annual Canada Child Benefit will once again be increased to keep up with the rising cost of living. For the 2021-2022 benefit year, the maximum annual benefit will be \$6,833 per child under age 6 and \$5,765 per child aged 6 through 17.

Additionally, in 2021, in recognition that many families are struggling with a wide range of expenses during the COVID-19 pandemic, families entitled to the CCB are receiving additional temporary support of up to \$1,200 for each child under the age of 6 through the CCB.

# SUDOKU

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
