## SUPPORT FOR FARMERS FACING EXTREME WEATHER

Submitted by Gerald Soroka MP for Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise that the Minister of Agriculture

and Agri-Food Canada has announced support and resources for producers in areas affected by extreme weather. The early designation of the Livestock Tax Deferral provision for pre-

scribed drought regions will allow beef producers who are forced to sell a significant amount of their breeding herd due to drought conditions to offset the resulting revenues with the

costs to replace the herd.

Also announced was federal support to all Prairie provinces for immediate bilateral adjustments to the cost-shared AgriInsurance program to make drought-damaged crops

available for feed.

AgriRecovery assessments are underway which could include direct assistance to producers for the added cost of livestock feed, transportation and water infrastructure.

Provinces affected by drought can invoke the late participation provision of AgriStability as well as apply for interim payments.

# STYROFOAM NOW ACCEPTED AT ECO STATION IN LEDUC

*Service enhancement tested in one-year pilot project*

Submitted by City of Leduc

TUESDAY, JULY 6 - As part of a one-year pilot project, the Eco Station in Leduc will now accept white block Styrofoam for recycling.

This service enhancement will allow residents to drop

off limited quantities of Styrofoam at the Eco Station for free during regular hours of operation. A mobile processing unit that uses new technology will collect the Styrofoam from the Eco Station one or two times per month.

The Eco Station in Leduc is a shared facility between the City of Leduc, Leduc County and the City of Beaumont. In total, the pilot project is estimated to cost roughly \$12,000 per year.

What is accepted and how it works:

White block Styrofoam, often used to package electronics, appliances and furniture.

Styrofoam must be clean and all contaminants (i.e., tape and staples) must be removed.

The accepted Styrofoam will be compressed into large bricks and shipped to recyclers to form plastic pellets used to make new items (i.e., moldings for cabinetry, tiles and frames).

What is not accepted:

Coloured or dirty Styrofoam.

Plates, cups, take out containers and packaging materials (i.e., peanuts/popcorn).

These items should still be disposed of in the black waste cart.

Additionally, Styrofoam will not be collected in the blue recycling bag through curbside pickup. These blue recycling bags go a facility that cannot recycle Styrofoam.

# RESIDENTS PLEASED WITH QUALITY OF LIFE IN LEDUC

**Now available: 2021 Citizen  
Satisfaction Survey and 2022  
Budget Planning Survey results**

Summited by City of Leduc

MONDAY, JUNE 28 - Results from the 2021 Citizen Satisfaction Survey were presented to City Council on Monday, June 28, showing that 95 per cent of residents are pleased with the quality of life in Leduc and consider maintaining infrastructure and managing growth to be the top civic priorities in 2021.

Results of the 2022 Budget Planning Survey were also presented and indicate that 71 per cent of respondents rated perceived value received for taxes paid as good, very good or excellent.

"The City of Leduc is pleased to offer a variety of services and amenities to residents and business owners, and we are proud that citizens continue to enjoy a high quality of life in our community despite COVID-19 and the challenges it has presented," says Leduc Mayor Bob Young. "The people who live and work in Leduc have demonstrated incredible resilience and community spirit."

In total, 401 participants completed the Citizen Satisfaction Survey from March 2 - 30, and 485 participants took part in the annual Budget Planning Survey from May 1 - 31.

Survey Result Highlights

- That the most significant factors contributing to a high quality of life in the community are its size, parks and trail network, services and community spirit. These top-rated services were also identified as providing the highest value for tax dollar.

- The majority of respondents say Leduc is on the right track, and recommend keeping budgets the same next year.

- 37 per cent of citizens reported that need access to community resources, help coping with challenges and/or financial supports. This focus area received the most support for a budget increase next year.

Thank you to all who participated in these surveys. Your feedback is valuable and will help the City of Leduc continue to grow our community, and provide the programs and services that are important to you.

# ALBERTANS SPIN BIG TO WIN BIG! SEVEN WINNERS FROM AROUND THE PROVINCE FINALLY HAVE THEIR DATE WITH THE PRIZE WHEEL AS PANDEMIC EASES

Submitted by AGLC

The wait is over! After months of being put on hold to ensure no one was put at unnecessary risk from COVID-19, seven Alberta residents have finally stepped up to spin THE BIG SPIN and THE BIGGER SPIN prize wheels in a two-day event that saw over \$3.5 million in prizes awarded!

Winners of THE BIG SPIN included Michael Casselman of Alberta Beach, Bernard Rosier of Calgary, Eileen Balaban of Yellowhead County and Dyllan Dokken of St. Albert. Winners of THE BIGGER SPIN, meanwhile, included June Johnson of

Calgary, Paul Kenway of Lethbridge and Shelly Briggeman of Edmonton. All seven winners came to AGLC's St. Albert offices for individual spin appointments over July 15 and 16. The winners each came with one guest to take their crack at spinning a -freshly sanitized- wheel.

"It was tremendous to see a number of Albertans have a chance to claim their THE BIG SPIN and THE BIGGER SPIN prizes this past week as AGLC gets back to regular gaming activities," said Steve Lautischer, Vice-President of Gaming and Cannabis. "We thank all those who were patient in waiting for a chance to spin over the

last number of months and are happy to see them claim \$3,525,000 in prizes."

The \$5 THE BIG SPIN and \$10 THE BIGGER SPIN are ZING tickets with one big difference; not only can players win cash prizes in the same way as with a usual ZING ticket, they can also uncover a 'Spin Win', and discover their prize through an animated prize wheel on the screen at their local Lot-to-Spot retailer.

If the player's Spin Win prize reveals a 'Big Spin', they win a \$10,000 initial prize PLUS a chance to spin a real wheel at their very own spin event. A THE BIG SPIN winner will leave the

spin event with a prize of \$100,000 up to \$500,000; a THE BIGGER SPIN winner will spin the wheel to win a prize of \$200,000 up to \$1,000,000!

Click here to see video footage and photos from the two-day spin event, including the three spinners who won the top prize on their respective games; Eileen Balaban, and Bernard Rosier who both won \$500,000 with THE BIG SPIN, and Paul Kenway, who took home a staggering \$1M prize with THE BIGGER SPIN. Videos are linked individually as well below.

## LEDUC'S OPEN FOR SUMMER IMPORTANCE OF WATER SAFETY

Submitted by City of Leduc

TUESDAY, JULY 21, 2021  
- As the City of Leduc progresses under the Government of Alberta's Stage 3 Open for Summer, essential water safety programming is ramping up to support Leduc and area residents to ensure everyone has a fun and safe summer.

"We see that with the absence of swim programs for our patrons, it may have a challenging effect on their confidence when getting back into the pool, especially with young children," says Jackie Kamlah, director of Recreation Services with the City of Leduc. "Children may be more nervous than usual and parents might notice their child's skills have regressed. Please know that all of these ac-

tions and feelings are normal and our swim instructors are ready to provide a fun and safe learning environment for everyone."

Leduc's aquatic programming team has prepared our Red Cross Water Safety instructors with training, resources and industry updates to offer a wide range of programming from parented swimming lessons teaching caregivers strategies on how to effectively supervise children in, on, and around the water to lifeguarding skills for youth and adults.

These instructors, trained through the Red Cross Swim program, will focus on three learning pillars to support:

- Skills and water safety – to help reduce the number of prevent-

able incidents by teaching self-rescue skills and safe behaviour for injury prevention

- Fitness – activities designed to build endurance and promote individual success while encouraging lifelong physical activity as part of a healthy lifestyle

- Swimming – participants learn the five main swimming strokes (front crawl, back crawl, elementary back stroke, breast stroke, and sidestroke) and develop effective techniques using logical progressions and proven teaching strategies

"Swim lessons are just one of several important layers of protection needed to help prevent emergency situations that may lead to a tragic result," says Kamlah. "We recommend that

non-swimmers and young children up to the age of 12 have constant supervision when around water, where infants and toddlers never be more than an arm's length away; and youth 12 to 17-years-old should employ the buddy system."

Water safety practices are encouraged for any water activities, whether indoors at the Leduc Recreation Centre, or outdoors whether enjoying an Alberta lake or the Alexandra Outdoor Pool.

To learn more about Leduc's aquatic safety practices and programming, visit <https://www.leduc.ca/aquatic-centre> or call 780-980-7120.

# AB RCMP ADVISE OF CONCERNING TREND OF EXTORTION USING SOCIAL MEDIA

Submitted by Alberta RCMP

Edmonton-Alberta RCMP have received a number of reports throughout central and southern Alberta where social media platforms were used in an effort to extort money from individuals.

In a number of cases, the victims received friend requests from what has been typically a female, or other messages on Facebook, Snapchat, Instagram and/or on a

dating application, that subsequently moved to direct messaging on various platforms. The victims involved have sent a nude image(s) and the suspect(s) subsequently made demands that the victim send them money or their image(s) will be sent out to all of their contacts, friends and/or family.

It is common for offenders to follow a victim's friends and family on social media platforms as a way to demonstrate they can follow through on

threats to share the image(s) if the victim does not comply.

Beware that offenders are utilizing filters available on certain apps that allow them to appear younger than they are on images and also on live streams.

Prevention Tips:

- Do not accept friend from individuals who are unknown to you
- Do not send nude images
- Immediately stop all communication if someone is demanding

money

- Do not comply with the threat and report to your local police

- Keep the correspondence

For further information visit [dontgetsexorted.ca](https://dontgetsexorted.ca) and [needhelpnow.ca](https://needhelpnow.ca) for resources on how to manage instances of sextortion and sexting, as well as where to turn for support. For more information on offender tactics and warning signs, go to [cybertip.ca/sextortion](https://cybertip.ca/sextortion).

## MISSING MALE FOUND DECEASED

## SUDOKU

of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

# OLD FIRE HALL (LEDUC) TO BE DEMOLISHED IN PREPARATION FOR FUTURE AFFORDABLE HOUSING

Submitted by Leduc Regional Housing Foundation

Leduc, AB – Leduc Regional Housing Foundation (LRHF) announced today that the Old Fire Hall located at 4906 – 47 Street in Leduc, Alberta will be demolished, during the month of July, in preparation for future affordable housing units to be built on the site.

Built in 1955, the Old Fire Hall replaced Leduc's first municipal building, a combination town hall and fire hall, which was built in 1907. The first municipal building was originally located along Main Street and then relocated in 1910 to the north side of the current Bank of Montreal.

In July of 1954, Town Council moved forward with plans to build two

separate municipal buildings - a new town hall and a separate fire hall. Architecturally designed by Patrick Campbell Hope & Associates, the tender for construction of the Old Fire Hall was awarded to the Brunsch Bros. of Leduc, on March 24, 1955. The construction of the Old Fire Hall was completed in October of 1955 at a cost of \$24,000.

While the Old Fire Hall was used primarily by Leduc Fire Services from 1955 – 2004, the Leduc Public Library had temporarily shared the space from 1963 – 1973. Since 2004, it has been utilized as commercial space by local businesses.

"The demolition of the Old Fire Hall gives us an opportunity to celebrate both the history it holds within

our community and the opportunity it provides to us for the future development of additional affordable housing options within the City of Leduc." said Margot Hagarty, Executive Director for LRHF.

Demolition work is scheduled to commence the week of July 12th and should take approximately one week from start to finish. The work will be carried out during the hours and under conditions required by the City of Leduc Noise Control Bylaws.

"We have reached out to our neighbours located around the Old Fire Hall to be proactive, communicative, and cooperative with them in order to minimize any surprises or inconvenience that the demolition may bring." said Margot

Hagarty, Executive Director for LRHF.

For any questions or concerns regarding the work, please contact the LRHF Administration office at 780.986.2814.

LRHF provides quality housing solutions and services to individuals and families in seven municipalities - Leduc County, City of Leduc, City of Beaumont, Town of Devon, Town of Calmar, Town of Thorsby, and Village of Warburg. A variety of housing solutions and services are available including supportive living (lodge), seniors self-contained, affordable housing (non-market rent apartments), community housing (rent geared to income), and rent supplement programs.

# LEDUC RCMP SEEK WITNESSES FOR STABBING INCIDENT

Submitted by Leduc RCMP

Leduc, Alta. – On July 1, 2021 at approximately 2:30 p.m., the Leduc RCMP were dispatched to a report of a male who had been stabbed at the intersection of Highway 2A and Southfork Road in the City of Leduc.

The victim transported himself to the Leduc Community Hospital where police attended and spoke with him. Police learned that the victim was driving north-bound on Highway 2A when he and another driver both stopped and a physical confrontation occurred resulting in the victim being stabbed.

The victim sustained injuries to his chest, arm, and leg.

The suspect in this incident is described as:

- Caucasian male
- Approximately 30-35 years-old
- Scruffy medium length beard
- Approximately 5'7-5'8"
- Approximately 160-170 pounds

The suspect fled the scene in an older mod-

el tri-toned (medium/light/dark) green Jeep with the top down/off.

The investigation is still in its early stages and more information will be provided once more is known.

If anyone has infor-

mation regarding the whereabouts of the Jeep, please contact Leduc RCMP at 780-980-7267 or your local police. The suspect is considered armed and dangerous, if seen call 911 and do not approach. If you wish to

remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at [www.P3Tips.com](http://www.P3Tips.com) or by using the "P3 Tips" app available through the Apple App or Google Play Store

# CENTRAL ALBERTA DISTRICT CRIME REDUCTION UNIT INVESTIGATION

Submitted by Central Alberta District Crime Reduction Unit

Breton, Alta.—The Central Alberta District (CAD) RCMP Crime Reduction Unit (CRU) opened an investigation in an effort to focus on a number of

subjects with outstanding matters related to property offences and criminal flight from police in the rural area near Breton.

CAD CRU's investigation identified a subject of interest in their investigation. CAD CRU, in partnership with Camrose City

Police, RCMP Air Services and the RCMP Police Dog Service were able to locate the subject of interest in a stolen vehicle within the City of Camrose, Alta., along with two other individuals. The stolen truck that was recovered had been stolen out of Ponoka,

Alta., on June 10, 2021.

Murlin Scott Becker (38), a male from Camrose is charged with:

- Fail to comply with probation order (x2)
- Operate motor vehicle while prohibited (x4)
- Possession of property obtained by crime

Morgan Bud Hansen (26), a male from Winfield, Alta., is charged with:

- Possession of property obtained by crime
- Possession of a controlled substance (Methamphetamine)

Stacey Anne Monteith (49), a female from Drayton Valley, Alta., is charged with:

- Possession of property obtained by crime
- Possession of a controlled substance (Methamphetamine)
- Possession of a controlled substance (GHB)

Following a judicial hearing, Becker was remanded into custody and is scheduled to attend Camrose Provincial Court on June 23, 2021. Hansen and Monteith have been released on conditions and are scheduled to attend Camrose Provincial Court on Aug. 4, 2021.

"The Central Alberta District Crime Reduction Unit will continue to identify and target prolific offenders within rural communities as part of our ongoing crime reduction strategy," says Sergeant Scott Lande, Unit Commander of CAD CRU.
