We'll learn a bit of history and even a bit of the language, as well as delve into some old legends that used to be passed around in hushed whispers. There

will be a variety of fun activities planned for each day from making a French fudge, to themed crafts, and even learning how to play 'The Spoons' - a unique way of making music. Tipple Park Muse-

um thinks it's important to engage with the community and have opportunities for children to learn in active ways about the different people who make Canada so unique!

BUSINESS SUPPORTS EXTENDED TO SUPPORT STRONGER ECONOMIC RECOVERY

Submitted by Gerald Soroka MP for Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise the following extensions of support measures for Canadians and Canadian businesses:

1) Extending the eligibility period for the Canada Emergency Wage Subsidy, the Canada Emergency Rent Subsidy and Lockdown Support until October 23, 2021 and increasing the rate

of support employers and organizations can receive during the period between August 29 and September 25, 2021.

2) Extending the Canada Recovery Benefit (CRB), the Canada Recovery Caregiving Benefit (CRCB), and the Canada Recovery Sickness Benefit (CRSB) until October 23, 2021.

3) Increasing the maximum number of weeks available for the CRB, by an additional 4 weeks, to a total

of 54 weeks, at a rate of \$300 per week, and ensuring it is available to those who have exhausted their employment insurance (EI) benefits.

4) Proposing to offer businesses greater flexibility when calculating the revenue decline used to determine eligibility for the wage and rent subsidy programs and the new Canada Recovery Hiring Program.

5) Draft legislation to provide further clarity on pre-

viously announced changes to the wage subsidy for furloughed employees.

Further information can be found at: <https://www.canada.ca/en/department-finance/news/2021/07/extending-business-support-measures-through-the-pandemic.html>

CANADA STUDENT FINANCIAL ASSISTANCE PROGRAM (CSFA)

Submitted by Gerald Soroka MP for Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise that students under the new Canada Student Financial Assistance Program (CSFA), will have access to direct financial support through the form of Canada Student Grants (CSG), Canada Student Loans and Canada Apprentice Loans, making

it easier for them – as well as recent graduates – to pay off their student debt.

As of August 1, 2021, the Government is extending the doubling of CSG for an additional two years. This means that the maximum amount available for CSG will be up to \$6,000 for full-time students and \$10,000 for students with disabilities until July 31, 2023. The flexibility for students to use their current year's in-

come when applying for the CSG will be permanent so those in financial need will not have their previous workforce participation count against them.

Also, the waiver of interest accrual on student and apprentice loans has been extended to March 31, 2023.

Disability supports under the CSFA Program will be extended beyond recipients with life-long disabilities to recipients whose

disabilities are persistent and prolonged. This will allow access up to \$22,000 in grants, in-study supports, and specialized repayment assistance on their loans.

As well, the Repayment Assistance Plan will be enhanced so that no one with an income of \$40,000 or less will have to make payments on their student loans.

ACTIVE TRANSPORTATION FUND (ATF)

Submitted by Gerald Soroka, MP

Gerald Soroka Member of Parliament for Yellowhead wishes to advise the Launching of the Active

Transportation Fund, which will invest \$400 million over five years to help build new and expanded networks of pathways, bike lanes, trails and pedestrian bridges and undertake planning stud-

ies. Eligible recipients for the Active Transportation Fund are municipal, local, and regional governments, provincial and territorial governments, public sector bodies, not-for-profit orga-

nizations and various Indigenous Governing Bodies.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
