MAYERTHORPE RCMP CHARGE MALE WITH BREAK AND ENTER AND MISCHIEF TO A RESIDENCE

Submitted by Mayerthorpe RCMP

Sangudo, Alta – On Aug. 11, 2021, Mayerthorpe RCMP responded to a report of an intoxicated male near the

Town of Sangudo, Alta. The male was said to be acting aggressively and was trespassing on private property. Upon arriving in the area, witnesses reported that the male had entered a resi-

dence and then left on foot. He was quickly located in the back yard of a neighbouring property and was arrested with little incident.

2021 TRACTOR PULL

Submitted by Carol Saunders

Last August 7th and 8th, we had our first tractor pull in over a year. It was very nice to see all the drivers that have coming all the time, some new drivers and guys that don't drive anymore. We had a very good weekend as the weather cooperated with us for a change. The feature tractor for this pull was a John Deere 830 owned by Ron Prokipchuk from Whitecourt. I grew up in Hyas, Saskatchewan on the family

farm. We had a John Deere and Massey Harris 55, neither one having power steering. A John Deere 830 was a tractor that I had my eye on back then, and it certainly would have made our farming operations easier. Just over 12 years ago I had noticed a John Deere 830 sitting in a field a few miles south of my residence. So one day I stopped in to inquire if the tractor may be for sale. On April 3, 2009, I purchased the 1959 John Deere 830 tractor from the Estate of Glenn Johnson. I went with the

Truck Bed and winched it out of the bush line in the field and hauled it home.

ContAfter cleaning the fuel line out, new batteries, new starter, rebuilding the power steering, and replacing some seals and gaskets, the John Deere 830 was running. Since the I have put on a new seat and tires. My first attempt at a tractor pull was in September 2016 in Sangudo. In 2017, I joined Ol' Pembina Tractor Pull Society.

Mayerthorpe RCMP Charge Male With Break And Enter And Mischief To A Residence

Continued from Page 1

The owner of the property where the male was arrested then realized that his residence had been forcibly entered and there was damage to the front door. Evidence at the scene linked the intoxicated male to the break and enter and he has

subsequently been charged. Matthew Donahue (37 yrs) of Sangudo, Alta has been charged with the following offences:

- Break and Enter to a Residence
- Mischief to Property Under \$5000 (x2)

While in custody, Matthew Donahue also damaged an RCMP vehicle and the holding facility. A bail hearing was conducted and Donahue was released from custody. He is scheduled to appear in Mayerthorpe Provincial Court on Sept. 9, 2021.

The RCMP in Mayerthorpe would like to thank the members of the community who assisted in this matter.

COAL POLICY ENGAGEMENT

Coal Policy Committee Guest Column For Your Consideration

Submitted by Coal Policy Committee

Over the last few months, it's been made clear to the Coal Policy Committee that the topic of coal development is important for Albertans, who hold many views and opinions on the subject. That's why the committee has been tasked by Alberta's Energy Minister Sonya Savage with leading a widespread public engagement to inform a modern coal policy.

The independent committee

is comprised of five members who represent a wide-range of backgrounds and perspectives on policy development. We are working to gather Albertans' thoughts about coal development. These views will help shape and inform the province's long-term approach to the subject.

Since our appointment in March, mindful of past COVID restrictions, we have been meeting virtually with interested parties and technical experts from across the province. The

committee is continuing to meet with individuals and groups that we hope will include expanded engagements with Indigenous interests. We recently undertook informative tours of communities in southwest and central Alberta.

The conversations we've had are wide-ranging. The topics span the ecological impacts of coal mining, responsible resource development, effective regulatory regimes, water quality, fish and wildlife conservation, jobs, economic activity and spe-

cific concerns from municipalities, towns and cities.

To date, we have completed 48 engagement sessions and have received approximately 575 individual submissions. As part of our commitment to the process, we hope to hear from as many Albertans as are interested and we reiterate our wish to hear from you. Your views will form valuable input to the committee's recommendations in our final report to the Minister of Energy.

We welcome your thoughts by email at energy.coalpolicy@gov.ab.ca or by mail:

2021 Tractor Pull

Continued from Page 1

I have competed at Sangudo, Leduc, Darwell, Neerlandia, Westlock and Strathcona tractor pulls since then, the is until COVID-19 hit in 2020, and then we all missed out.

We had about 60 tractors at the pull, and as usual the guys worked very hard to win 1st place.

Congratulations to the guys that got in the top 3, for 1st, 2nd, and 3rd.

The two drivers draws went to Ayden Gillam and Russel Manary. Ayden Gillam received a jug of oil and a cap, while Russel Manary received a jug of oil and a pair of gloves.

We have six classes, Bantam and the Demo for the drivers, with 1st, 2nd, and 3rd in each class.

The winners in each class are:

 chuk-1st-409.03ft

Ken Elbrey-2nd-394.08ft
 Ron Prokipchuk-3rd-371.07ft
 The drivers all did very well even if they didn't place in the top 3 places. Congratulations to all the drivers.

The Silent Auctions went very well this year. From all the donations the generous people gave and the club members we had about 50 entries, plus a Allis Chalmers Tractor donated from George Hnatiuk. A big thank you to you all and the bidders.

There was lots of activity going on the campground on the weekend. They had a show and shine, venders and other things.

The Shura Family sold hamburgers, hotdogs, fries and ither goodies. They were very busy with a line of customers waiting for their lunch.

Mary Jane Suintjens cooked supper on Saturday and Sunday as usual for the drivers and other workers. The supper was an excellent meal. Mary Jane

had roast beef, new potatoes, beef leaf cabbages rolls, mixed lettuce salad with homemade bread and buns, with ice cream for dessert. The supper was very good and tasty. An excellent job Mary Jane with a thank you from all who had supper.

We had a lot of spectators watching the pull this year. Many people who were camped for the weekend came to watch. Many said they would be back next year as they really enjoyed the show.

That concludes the tractor pull for 2021. We hope to have our regular schedule for the season of 2022. Hope to see you all again next year

BACK TO SCHOOL

Below are tips to help your child start the school year well rested and back on their regular schedule.

1. Start early. Begin the transition to a regular sleep schedule a couple of weeks before school starts.
2. Shift times in small increments.
3. Be prepared for some resistance.
4. Limit the use of electronics before bedtime.
5. Use a different approach for adolescents.
6. Once the routine is established, don't backslide. Once your child or teen is in a good sleep routine, maintain this routine throughout the week.

These Safety Reminders courtesy of the following sponsors

Safety First!

Children who walk or ride bicycles to school should also obey the rules of the road. Be sure you see the kids off every morning, and consider checking in with the school or calling kids' cell phones to confirm they arrived safely.

ONOWAY LEGION NEWS

Submitted by Onoway Legion

Welcome to Dinner BUT ... You're welcome at the Friday dinners, but PLEASE RESERVE ahead of time! If you don't, you may be asked to wait until everyone who did reserve is served before you can eat.

Unfortunately, one of the legion's fridge/freezers is broken, and there's a waiting list of months before it can be replaced. That means Thursday's shopping must be limited to only what is required for the next day. On occasion, the volunteers (who eat last) have been limited in portion size.

Call or text Linda at 780-907-6300 up to the evening of the Wednesday before each dinner to ensure

enough food is prepared. Thanks.

Friday Night Dinner

Chris and his crew will be in the kitchen on Friday, August 27. They'll be serving traditional beef lasagna with tomato sauce, chicken soup, and coleslaw. Dessert is assorted squares. Please reserve your spot by Wednesday, Aug. 25 by calling or texting Linda at 780-907-6300.

Drop-in Darts

It's darts night every Wednesday, with doors open at 6:30 and play beginning at 7:30. The bar and pool tables are also open. It costs just \$3 to play, with no experience necessary. The regular league will begin in the fall.
