We are currently seeking donation items from any local business in which we sell raffle tickets for a \$1ea and that gives anyone a chance to win any one of the prizes that were donated. The proceeds from the tickets goes towards the FCSS. Last year we had 70 cars and about 300-400 people. We hope to break that this year. Last year we also raised \$3000 and hope

to also break that. I will also forward some more info (articles from last year and flyers for this year) if you want anymore info please don't hesitate to ask!! Thank

JOKE of the week

One day a man with an elephant walks into a movie theater. "I'm afraid I can't let your elephant in here, sir," the manager says.

"Oh, I assure you, he's very well behaved," the man says.

"All right then," the manager says. "If you're sure. ..."

After the movie, the manager says to the man, "I'm very surprised! Your elephant was well behaved, and he even seemed to enjoy the movie!"

"Yes, I was surprised, too," says the man. "He hated the book."

LEDUC RCMP ARREST MALE IN RURAL CAR JACKING

Submitted by Leduc RCMP

Leduc RCMP have arrested a male following a car-jacking near Township Road 494 and Range Road 265 in Leduc County, Alta. On Aug. 12, 2021 at approximately 11:40 a.m., Leduc RCMP were alerted to a car-jacking involving a knife in the rural area east of Calmar, Alta. An unknown male drove onto a rural property where he abandoned a vehicle suspected to be stolen. The suspect approached a resident of the property, brandished a knife and demanded a ride. The resident refused, quickly got into his vehicle and called 911. The resident was not injured.

The suspect then fled on foot to a nearby business where he brandished a

knife, assaulted two employees and demanded keys to a vehicle. The suspect grabbed keys and fled in a stolen truck. Employees from the business called 911 and provided officers information on the suspects direction of travel and description of the stolen vehicle. The victims were not seriously injured.

Leduc RCMP with the assistance of Thorsby RCMP, Wetaskiwin RCMP, RCMP Police Dog Services, RCMP Air Services, Central Alberta District RCMP Crime Reduction Unit and Alberta Sheriff Highway Patrol immediately began making patrols. A short time later, police located the suspect vehicle and attempted to pull it over at which point it fled. RCMP initiated a pur-

suit that ended a short time later for public safety.

While Officers were making patrols in an effort to locate the suspect vehicle, they received a complaint that a vehicle matching the description of the suspect vehicle side swiped another vehicle on Highway 2 south of Township 490 in Leduc County, Alta. The suspect vehicle was located near Township Road 470 and Range Road 281 where the vehicle came to a stop in the ditch. Police arrested a 36-year-old male of Millet, Alta. without incident.

It was determined through investigation that the vehicle abandoned by the suspect was stolen out of Edmonton, Alta. Leduc RCMP will continue to work closely and diligently with our partners to reduce rural

crime in our communities. In this instance specifically, the residents of our rural community were quick to request the assistance of police and were able to provide specific details, which resulted in several crimes coming to a positive resolution.

An update will be provided once charges are laid and a judicial hearing is complete.

If you have information about this investigation, please call Leduc RCMP at 780-980-7267. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

ARTICLE FROM MLA SMITH

Submitted by Mark Smith, MLA for Drayton Valley

With the COVID-19 pandemic slowing down, Alberta's Recovery Plan is underway. Not only is the plan already working to attract investment back to Alberta – it's creating thousands of good jobs for Albertans right now.

According to Statistics Canada's monthly labour force survey, Alberta created 20,000 full-time jobs last month alone. The survey also showed that unemployment has now dropped to 8.5 per cent in our province, which is the lowest level it has been since before the COVID-19 pandemic began. While we have much further to go, this is great news for the outlook of our province, as we begin to look beyond the pandemic and towards the future.

The government launched Alberta's Recovery Plan in

June of 2020. Since then, the plan has created over 180,000 jobs for Albertans. This latest report from Statistics Canada shows that our job-creation efforts are really starting to pick-up steam. Alberta's Jobs, Economy and Innovation Minister Doug Schweitzer pointed out recently that the new jobs are not tied to any specific industry but are coming from many sectors of the economy. Building on our strengths while diversifying the economy has been a long-standing goal of our government, and we are not going to slow down.

There is a lot to be excited about right now with respect to our economy. Our province's largest industry, the energy sector, is roaring back to life. Not only is production ahead of pre-pandemic levels – more oil is being produced today than at any time in our history. We are also seeing the rise of new industries like tech

and film, which are both on pace for record-setting years. And we are seeing major investments in renewables like hydrogen.

Major economic organizations like the Conference Board of Canada, National Bank of Canada and the Bank of Montreal have forecasted that Alberta will lead Canada in economic growth this year. Now, a new forecast by Alberta Central – the central banking facility, service bureau and trade association for Alberta's credit unions – is projecting that the provincial economy will grow by a whopping 7.5 per cent this year. According to the Alberta Central report, Alberta's economy will grow beyond its 2014 peak and erase all the losses it has experienced since 2015. This is welcome news for all Albertans who have endured nearly seven years of economic downturns and declines.

Alberta's Recovery Plan is

working and Albertans are going back to work. This is great news for our province. The COVID-19 pandemic has posed the greatest challenge of our time, but in true Alberta fashion, we are set to come out of it stronger than ever.

We have further to go but our economy is moving in the right direction, and it is becoming clearer and clearer every day that our best days are still ahead.

I can be reached at the main constituency office in Drayton Valley at 1-800-542-7307 toll-free. The office is open Monday to Friday. LEDUC RCMP ASSIST IN RECOVERY OF ADULT MALE DROWN AT WIZARD LAKE, ALBERTA

Submitted by Leduc RCMP

On Wednesday, July 14th, 2021 shortly after 7:20 p.m., RCMP in Leduc responded to a report of a drowning at Wizard Lake. A 49

year-old male was lost and feared drown after rescuing a 3 year-old family member from the lake. Fish & Wildlife Conservation officers, Leduc County Fire & Rescue, and RCMP from

Leduc Detachment are assisting in the search for the adult male, who was not recovered during the night. Efforts to recover him will continue Thursday with the RCMP Dive Team.

With the assistance of the RCMP underwater recovery team, the body of the 49 year old male was located.

We now carry Manuli! They are a European manufacturer and they engineer it all in Europe. All of their product is produced in their own factory, no outsource. Adding this in we have been able to gain access to many of the European fittings that have become much more common in North America.

BSPB, Metric Din, Metic cone, JIS.

These fittings are clear across all brands John Deere, Case, New Holland, JCB, Fendt, Massey Ferguson. Many of the implements that have been sold in the last few years have also used these predominantly European fittings.

We offer these services

- CVIP Inspections
- **Hydraulic hose crimping and thousands of adapters in stock.**
- A/C Repair
- Espar and Webasto Repair, Installation.
- Engine Repair and Rebuilding.
- Power train/Driveline repair and service.
