WHITECOURT RCMP DETACHMENT RESPOND TO, ARREST AND CHARGE MALE WITH WEAPON

Submitted by Whitecourt RCMP

On Aug. 24, shortly after 9 a.m., Whitecourt RCMP were quick to respond to reports of a male walking with a suspected fire-

arm in the downtown area of Whitecourt. One male, known to police, was arrested and taken into police custody without incident. No one was injured during this incident. The suspected firearm was later deter-

mined to be a BB Gun.

Dale Lee Krause (44), of Whitecourt, is facing charges for possession of weapon for dangerous purpose and carrying a concealed weapon.

3RD ANNUAL RURAL ROOTS FARMER SHOWCASE A SENSATIONAL SUCCESS

Submitted by the Rural Roots Farmer Showcase committee

On August 14, 2021, George Pegg Botanic Garden came alive with activity as people from all walks of life joined together to celebrate local food.

"Alberta is filled with openness - in the land, in the air, and in the people," said Denise O'Reilly, Rural Roots Farmer Showcase committee member and vendor,

"The Rural Roots Farmer Showcase was a true display of all that Alberta has to offer to people who attend Alberta Open Farm Days events."

Over the course of the beautiful day over 250 visitors attended the vendor market where they were met with the smiling faces and eager conversations of the 17 producers in attendance.

From fresh vegetables and herbs to vegan nut-based cheese

products to beautiful farm grown flower bouquets, there was something for everyone.

In addition to visiting the vendors, people were able to spend the day wandering around the historic garden, taking in the botanic collections and revisiting a simpler time inside the old buildings.

JOKE of the week

One day three women walked into a bar. The bartender said that if they looked into the mirror and told the truth they would get \$10,000.00. But if they told a lie, they would disappear forever.

The first girl went up and said, "I think I'm the prettiest one in the bar." She got \$10,000.00.

The next girl went up and said, "I think I'm the smartest one in the bar." She got \$10,000.00 too.

The last girl went up and said, "I think..." and POOF, she was gone.

3rd Annual Rural Roots Farmer Showcase a Sensational Success

Continued from Page 1

Music by Halle May Hobbs floated on the air adding to the charm of the event.

Patrons from all over Alberta were also treated to a vendor tour with award-winning chef Doreen Prei. During this tour, Doreen discussed unique dishes that could be prepared with the variety of local ingredients that each vendor had to offer.

George Pegg Garden staff created a welcoming environment

for children by supplying colouring pages, garden collage activities, an antiques identification quiz (earning participants vouchers to spend at the market), and an agricultural scavenger hunt.

The 4-H booth was a popular destination for adults and kids alike, as they offered handmade soap and handicrafts. The unique 'chicken poop bingo' event was a huge hit with the younger generation, many

of whom could be found sitting around the chicken's cage waiting to see which square would win.

As afternoon faded into early evening and the vendor market drew to a close, a new crowd began to gather at the entrance to the gardens. Almost 100 patrons came to take in the second half of the Rural Roots Farmer Showcase event: a five-course 'Posh Picnic' prepared by chef Doreen Prei, accompanied by an

hour-long live concert featuring talented musician Martin Kerr.

Advertised as a picnic style meal, patrons were tasked with supplying their own tables and chairs or blankets. The incredible variety of setups that people brought were simply astounding. Folding tables and chairs, tablecloths, shatterproof wine glasses, brightly printed blankets, elaborate centrepieces, and a scattering of rose petals all made an appearance- enhancing the eclectic environment already created by the open air event. Laughs were plentiful as MC Bob Chelmick wove together history and stories of agriculture in Alberta. Throughout the evening he spoke about the producers who contributed to the meal, thanked Baraka Gardens for the beautiful flower planters adding colour to the Garden, and acknowledged Lac Ste. Anne County as a sponsor of the event.

The five-course meal prepared by chef Doreen Prei was nothing short of delectable. Using local ingredients sourced from 15 different producers, chef Prei created a masterpiece picnic that was enjoyed by all.

Martin Kerr's simple style and incredible storytelling were the perfect accompaniment to the evening's festivities; many of his songs resonating deeply with the audience. Applause was plentiful as he wove simple emotional stories into beautiful acoustic melodies that prompted both smiles and tears from those in attendance.

During the Open Farm Days weekend 5 lucky winners took home Alberta Food Incubator Boxes featuring a selection of new, locally produced food items.

As dusk settled on the Pegg Garden, diners followed a lighted path to their cars and the Rural Roots team of volunteers began making plans for the 2022 Showcase. For event photos check out the Rural Roots Farmer Showcase Facebook page. Many thanks to all who participated!

LET THE MUSIC BEGIN -- AGAIN!

Submitted by Lac Ste. Anne County

After more than a year of silence, the Lac Ste. Anne Community Choir is beginning again, rebuilding after the forced shut-down because of Covid 19.

We welcome any interested singer to join the musical fun, as long as you're double vaccinated. We also ask that you bring a mask for use when you aren't singing.

"Our members come from all over, and they all agree that making music is fun," says President Diane Gibbs. "Although there's a wide age range, everyone enjoys the challenges and satisfaction of mastering individual parts to create music for audiences to enjoy. We've also made a lot of friends through the choir."

The choir is challenged to constantly improve by director Debbie Rosen, who chooses music tailored to the choir's ability. "To me, there's no such thing as a bad singer. With training and work, anyone who enjoys music can become a valuable part of this choir. During this first season of re-building, we'll sing a combination of familiar pieces and Christmas favourites."

There are no auditions, and you do NOT have to be able to read music. Each member is provided with a CD of his or her own part to reinforce the weekly re-

hearsals. Prospective members who aren't sure it's a fit are invited to try the choir for two consecutive weeks with no obligation.

The Lac Ste. Anne Community Choir strikes up on Wednesday, September 8. Registration begins at 6:00 p.m. at the Heritage Centre in Alberta Beach (5012 - 49 Avenue), with warm-up at 7 p.m. for the first practice.

in the same place, from 7 - 9 p.m., the choir rehearses and polishes the songs for public performances.

Membership is just \$70 per session (September to December; January to May), with a discount for multiple family members. Each member is also expected to help with our various fundraising efforts. No one is refused membership, and

adjusted to meet individual needs. A black binder plus concert clothing is the only other cost.

Questions? Call Diane at 780-924-2348 or Gracie Anne at 780-967-5002.

MAKE LIGHTS SPARKLE

As days get shorter and natural light is less abundant, interior lighting becomes ever more important. Chandeliers, pendant lamps, recessed lighting, and tableside lamps are most effective when they are clean. HGTV experts say dirty lights can give off up to 20 percent less light than clean ones. Dirty fixtures also waste energy.

Lighting fixtures that are within reach are easy to tackle, but what about those fixtures that hang or have multiple crystals, globes or bulbs? These tips can cut down on the time needed to give lights a thorough cleaning.

- Stock up on the

right cleaning supplies. Microfiber dusting cloths are smart choices because they can help trap grime and tend to be machine-washable and reusable. Extendable static-charged dusters are another handy item to have around, particularly for fixtures that are hard to reach.

- Dust regularly. Dusting regularly can prevent the buildup of grime that's difficult to wash off. Try to dust light fixtures weekly or biweekly. The more frequent the fixtures are dusted, the less time each cleaning session will take. Soft cloths can remove the dust from most bulbs and exterior surfaces. Lamp

shades may need more attention. Use a lamb's-wool duster to attract dirt so it doesn't leave a residue on the lampshade.

- Deep-clean at table level. Deep-cleaning at table level is more manageable. Remove any glass accents and set them out on a cushioned surface so they do not break. Soft cloths dampened with a vinegar solution should remove most of the dirt on chandelier crystals and the globes or outer glass coverings of other types of fixtures. Take a photo of the lighting fixture prior to cleaning so you'll know how to replace removed parts correctly once everything is clean

and dry.

If you cannot remove a fixture for cleaning, use a sturdy stool, a spray bottle with your cleaning mixture and a soft cloth to wipe away the dirt. Remember to place something absorbent beneath the light to catch any drips. Do not spray liquids directly onto light bulbs; otherwise, you can damage the bulb and the electrical components.

It's best to exercise caution when cleaning lighting fixtures. Turn off the light itself and shut off the circuit breaker to avoid the risk of shock or burns from hot bulbs.

REDUCE COLD-WEATHER FIRE RISK

Plenty of things heat up when the temperature drops, including the risk for fire hazards. Fireplaces, stoves, heating systems, candles, and even electric lights are used more often during the winter than any other time of year, so it makes sense that the risk of home fires increases when the mercury drops.

The U.S. Fire Administration says 905 people die in winter home fires each year. Cooking is the leading cause of all home fires and contributes to around \$2 billion in

property loss each year. Understanding potential risks and exercising caution can help homeowners protect themselves, their families and their homes from fire.

Cooking Home heating fires peak between the hours of 6 p.m. and 8 p.m., when many people are home preparing dinner. The following steps, courtesy of the American Red Cross, can improve safety in the kitchen and reduce the likelihood of a home fire.

- Never leave

cooking food unattended, as it can take just seconds for fires to ignite.

- Keep anything that can catch fire away from the stove or other

appliances that generate heat.

- Clean regularly to prevent grease build-up.

Reduce Cold-Weather Fire Risk

Continued From Page 21

- Make sure appliances are turned off before leaving the room or going to bed.

Heating

The National Fire Protection Association warns that heating is the second leading cause of home fires, deaths and injuries in the United States. The NFPA offers these safety guidelines.

- Install heating appliances according to manufacturers' instructions or have a professional do the installation.

- Fuel-burning equipment needs to vent to the outside.

- Never use an oven to heat a home.

- Keep anything that can burn away from heating equipment, including portable space heaters.

- Clean and inspect heating appliances regularly.

- Turn off portable heaters when leaving the room or going to bed.

Electric

The National Safety Council estimates that between 600 and 1,000

people die each year from electrocution. Electricity also can contribute to home fires. The Energy Education Council offers these safety suggestions.

- Never force plugs into outlets.

- Check that cords are not frayed or cracked. Do not run cords under carpets or place them in high-traffic areas.

- Use extension cords only on a temporary basis.

- Make sure light bulbs are the proper wattage for fixtures.

- Install ground fault circuit interrupters in kitchens, baths, laundry rooms, and elsewhere, making sure to test them regularly.

- Check periodically for loose wall receptacles and loose wires. Listen for popping or sizzling sounds behind walls.

Home fires are no joke and can be prevented with simple safety checks.

NORTHERN GATEWAY PUBLIC SCHOOL BOARD HIGHLIGHTS

Submitted by Northern Gateway Public Schools

2021 Board Election

Trustees reviewed Board election processes relating to special ballots and Election Officers.

Alberta School Board elections take place on Monday, October 18, 2021. Community members with a passion for public education and community service are encouraged to run for a position as trustee.

The nomination deadline is by noon on September 20, 2021. Northern Gateway Public Schools has a nine-member Board of Trustees representing local communities from Alberta Beach and Onoway in the east end of our Division, up Highway 43 to Valleyview in the north west end of our Division. To learn more about the role of a school board trustee, or running for a position, please visit us at ngps.ca or the Alberta School Boards Association at asba.ab.ca.

Career Exposure Summer Boot Camp Highlights

The 2021 Career Exposure Summer Boot Camps offered virtually and in-person at Hilltop Jr/Sr High School and Onoway Jr/Sr High School over the summer proved to be very popular with students once again.

- Week 1 saw 74 students registered in 8 different programs, earning a total of 208 credits!
- Week 2 saw 95 students registered in 10 programs, earning a total of 132 credits!

- Students in Industrial Safety earned 6 safety tickets including WHMIS, Confined Spaces, Ladder Safety, Fire Suppression, TDG and H2 Alive!
- Students in Start Your Own Business competed for \$500 seed money from Community Futures to begin their own business!
- Construction students built two playhouses that were donated to the Whitecourt Agricultural Society and the Valleyview Agricultural Society.

NGPS 2021-22 Back to School Plan

As a Division, NGPS will continue to follow and implement provincial health requirements and measures as required. Many measures will look the same as last year, such as daily health screening, staying home when sick, and enhanced cleaning and disinfecting in schools and on buses. Additionally, as mandated by the Chief Medical Officer of Health, masks are required to be worn on school buses.

At this time, NGPS will not be immediately applying restrictions beyond those put in place by Alberta Health Services and Alberta Education, which means students and staff will not be required to mask while in school. This could change as health and safety measures continue to be evaluated continuously in response to changing public health information.

SUDOKU

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
