## WETASKIWIN RCMP INVESTIGATE FATAL COLLISION – ARREST

Submitted by Wetaskiwin RCMP

On September 15th, 2021, at approximately 4 p.m., Wetaskiwin RCMP responded to a serious motor

vehicle collision on Highway 814 at Township Road 470 just north of Wetaskiwin.

Wetaskiwin RCMP attended and further investigation indicated an SUV travelling

southbound on Highway 814 was struck by a west-bound pickup truck, causing the SUV to roll into the ditch.

## LEDUC RCMP EXECUTE SEARCH WARRANT FOLLOWING REPORT OF SUSPICIOUS ACTIVITY

Submitted by Leduc RCMP

On Sept. 7, 2021, Leduc RCMP with the assistance of Leduc General Investigation Unit and Leduc Drug Unit, executed a search warrant on a residence

in the area of 55 Avenue and 54 Street in Leduc, Alta. relating to a report of suspicious activity.

As a result of the search, two individuals were arrested and charged with various offences. The search resulted in the sei-

zure of firearms, ammunition, replica firearms and 2 prohibited conducted energy weapons, as well as the recovery of 3 firearms determined to be stolen out of Forestberg, Alta.

## DRAYTON VALLEY RCMP EXECUTE SEARCH WARRANT AND RECOVER OVER \$250,000 OF STOLEN PROPERTY

Submitted by Drayton Valley RCMP

Drayton Valley, Alta. - On Aug. 26, 2021, Drayton Valley RCMP executed a search

warrant on a rural property northeast of Drayton Valley. One adult male was arrested on the property.

As a result of this search, police recovered a variety

of stolen property, including: passenger vehicles, semi-trucks, various trailers, generators, a boat and a mini excavator.

## Wetaskiwin RCMP Investigate Fatal Collision – Arrest

*Continued from Page 1*

Emergency medical services and fire services also attended the scene. The 62-year-old female driver and lone occupant of the SUV, from New Norway, was pronounced deceased at the scene. The name of the deceased will not be released.

Witnesses observed the male driver and lone occu-

pant of the pickup truck flee from the scene. Edmonton RCMP's Police Dog Service attended to assist in tracking male and he was located and arrested a short distance away. RCMP collision analyst attended the scene to assist. As a result of the investigation, the following charges have been laid against one male:

Nicholas James Dekelver (36) of Devon, AB:

- Operate motor vehicle while impaired causing death
- Dangerous Operation of motor vehicle causing death
- Criminal negligence causing death
- Failure to stop after accident resulting in death
- Operate motor vehicle while prohibited
- Flight from Police
- Possession of stolen

property over \$5000

- Resist arrest
- Possession of methamphetamine
- Drive without insurance
- Drive without registration

Dekelver was brought before a Justice of the Peace and was remanded and is scheduled to appear in court in Wetaskiwin on September 23rd, 2021.

## Leduc RCMP Execute Search Warrant Following Report Of Suspicious Activity

*Continued from Page 1*

Scott Alexander Clendon (35) of Leduc, Alta. is charged with:

- Possession of firearm with altered serial number x 2
- Possession of weapon obtained by crime x 3
- Unsafe storage of firearms

x 3

- Possession of firearm contrary to order x 7

Following a Judicial Interim Release Hearing, Clendon was released to appear in Leduc Provincial Court on Sept. 23, 2021.

Stefan Weimer (33) of Leduc, Alta. is charged with:

- Possession of firearm with altered serial number x 2
- Possession of weapon obtained by crime x 3
- Unsafe storage of firearms x 3

- Possession of a prohibited weapon x 8

Following a Judicial Interim Release Hearing, Weimer was released to appear in Leduc Provincial Court on Sept. 23, 2021.

# Drayton Valley RCMP Execute Search Warrant And Recover Over \$250,000 Of Stolen Property

*Continued from Page 1*

The estimated value of this recovered property is over \$250,000. All owners of the property that was recovered have been contacted by police and are urged

to contact their insurance companies for information on what steps to take next.

The male arrested, Colin Reid Rumsey (40), of the Drayton Valley area, is facing 12 charges for possession or property obtained

by crime over \$5000.

After an in-custody judicial hearing, Rumsey was remanded in custody. Rumsey's next scheduled court appearance is on Oct. 5, 2021, in Drayton Valley Provincial Court.

Drayton Valley RCMP encourage the public to report any criminal or suspicious activity to Drayton Valley RCMP at 780-542-4456. Reports tell us where to look, who to look for, and where to patrol in the future.

## VACCINATION INCENTIVE LAUNCHES

Submitted by Government of Alberta

Eligible Albertans can now register to get a \$100 debit card for receiving a first or second dose of COVID-19 vaccine.

This one-time incentive is for all Albertans age 18 or older who receive either a first or second dose of vaccine between Sept. 3 and Oct. 14.

"Vaccines offer the best

protection from COVID-19 – we've seen the results of vaccination, right here in Alberta. The more Albertans we can encourage to get vaccinated, the safer all of us will be. This incentive is just the latest in a number of approaches we've used to make the vaccines accessible and available to all eligible Albertans. Now is the time to get your shot."

Tyler Shandro, Minister of Health

After vaccination, individu-

als can go to [alberta.ca/VaccineDebitCard](https://alberta.ca/VaccineDebitCard) and register online to receive a prefilled debit card. Alberta Health will validate all registrations against provincial immunization data. CIBC will distribute the debit cards on behalf of the Government of Alberta.

The first 15,000 Albertans will receive their debit cards in October. Debit cards for additional eligible registrants will be delivered in November and December.

Albertans who do not have access to a computer or a mobile device can phone 310-0000 for assistance.

Vaccine lottery

All Albertans who have received two doses of vaccine and are aged 18 and over are eligible for the remaining \$1-million draw for Alberta's vaccine lottery. To register and for complete details, visit [alberta.ca/lottery](https://alberta.ca/lottery). The final draw closes Sept. 23.

# CITY OF LEDUC WILL OPT-IN TO PROVINCIAL RESTRICTION EXEMPTION PROGRAM

Submitted by City of Leduc

Visitors to select City facilities will be screened; essential service locations will operate within Government of Alberta mandated capacity limits

Effective Sept. 20, 2021, the City of Leduc will be introducing COVID-19 screening protocols to City-run facilities where discretionary

services are offered, in accordance with the provincial Restriction Exemption Program.

This means visitors 12 years of age and older to the following facilities will be required to provide proof of vaccination, medical exemption or a negative PCR or rapid test (privately-paid, completed within the last 72 hours):

- Alexandra Arena
- Leduc Recreation Centre
- Maclab Centre for the Performing Arts
- Operations Building

All other City-run indoor facilities – including the Leduc Civic Centre – will not require proof of vaccination or a negative PCR or rapid test to enter but will

operate with reduced capacity limits as directed by the Government of Alberta. This will allow the City of Leduc to maintain access to essential services for all residents and community members.

Riders on Leduc Transit will not be required to provide proof of vaccination, medical exemption or a negative PCR or rapid test to board.

“Since the pandemic began 18 months ago, the City of Leduc has taken a measured approach – following provincial protocols, while balancing the obligation to provide reliable and efficient services to the community,” says Leduc’s City Manager Derek Prohar. “Using the Government of Alberta’s recent direction as a framework, we believe this approach will best meet the needs of the various stakeholder groups to whom we are accountable.”

Please remember that we are all working toward the same end goal, and ask that you continue to practice kindness, compassion and respect for each other and our staff.

# UNDERSTANDING THE RESTRICTION EXEMPTION PROGRAM

Submitted by Leduc Recreation Centre

What you need to know to access the Leduc Recreation Centre

As was previously shared with the community, select City-run facilities will be participating in the provincial Restriction Exemption Program as of Monday, Sept. 20. These facilities are the Alexandra Arena, the Leduc Recreation Centre, the MacLab Theatre and our Operations Building.

We understand you have questions about what this will look like when you arrive at the Leduc Recreation Centre. Please review the information below:

- You will be greeted at the entrance to the facility where a Rec Check Table will be set up.

- Please be prepared to provide proof of vaccination, medical exemption or a negative PCR/rapid COVID-19 test that has been privately paid for within the last 72 hours.

- Once past the Rec Check Table, guests will

be free to move about the facility as per usual. Face masks are still required for all visitors whether they are vaccinated or not.

- During the initial stages of the program, please plan to arrive a little earlier than normal. We ask for patience as City employees review patrons' individual paperwork at the door.

Refunds

We will process refunds upon request and appreciate

your patience as our teams are fielding a number of inquiries. Please email LRC@leduc.ca or phone 780-980-7120 for assistance.

Sports organizations and user groups

We have been in contact with sport organizations and user groups who frequently access the facility. More information will be shared through those groups and/or the City as it

is available.

Thank you for your cooperation and understanding as we roll out this new process. The decision to implement the Restriction Exemption Program was made so that we can continue to provide services while protecting the health and safety of our community.

We appreciate your kindness and patience with one another and our staff.

An advertisement for Valentus SlimRoast Optimum coffee. The top half features a woman drinking from a mug, with the Valentus logo and the text "YOUR LOGICAL SOLUTION TO WEIGHT MANAGEMENT" overlaid. A jar of the product is shown on the right. The middle section has the product name "SLIMROAST Optimum" in large, bold letters, followed by "Exclusive functional coffee formulated to:" and a list of benefits: "Crush Cravings", "Increase Energy", "Metabolize fat to Energy", "Help Regulate Blood Sugar", "Improve Mood &amp; Focus", and "Boosts Circulation &amp; Oxygen delivery". The bottom section has a yellow banner that says "TO UNLOCK THE SECRET OF WEIGHT MANAGEMENT! PUT THE POWER OF SLIMROAST OPTIMUM IN YOUR CUP!". Below this is a cup of coffee on a saucer surrounded by coffee beans. Four testimonials are presented in speech bubble-like boxes: "Thrilled with my results! I lost 9 lbs and an amazing 11 inches off my abdomen! Works wonderfully!", "Managed to lose 7 lbs very fast &amp; much more in inches the way my clothes are fitting now! 1 cup a day is all for me!", "Down 17 lbs and fitting into clothes that were way to tight before!", and "No dieting, first month finished. Down 7 1/2 lbs 8.5 inches. Awesome product!". At the very bottom, a red banner says "CALL (780) 907-8642 FOR YOUR FREE SAMPLE!".

*It's time to fall in love with  
your home all over again!*

# **fall HOME RENO GUIDE**

SEPTEMBER 2021

## 5 WAYS TO MAKE HOMES SAFER

Injuries that occur around the home contribute to millions of medical visits and tens of thousands of fatalities each year. Falls account for the largest percentage of home accidents, with the U.S. Centers for Disease Control and Prevention reporting that around 30,000 fall-related fatalities occur each year in the United States. Many home accidents are entirely preventable when proper caution is exercised.

As homeowners pre-

pare for home-improvement projects, improving safety inside and outside the home should be a priority.

### 1. Improve lighting

One of the easiest ways to reduce the risk of falls is to improve lighting around the home. The National Institutes of Health state that adequate lighting is important at entrances to the home, stairways, hallways, and other frequently traversed areas. Make sure lighting fixtures are using the high-

est wattage light bulb allowed. Artificial lighting sources become even more vital in fall and autumn, when natural light is less abundant in a home. In addition, install lighting outdoors by the front door, over the garage and where garbage pails are stored to facilitate safe passage.

### 2. Eliminate slick surfaces

Improving traction around the house also can minimize falls. Throw rugs and runners can be made more se-

cure with nonslip rubber backings. Bath rugs can reduce slipping on wet surfaces in the bathroom. Also, nonslip mats can be used inside of showers and bathtubs.

Use shoe trays to reduce puddling from melting snow or rain runoff in entryways. Mop up spills quickly, and consider the use of matte- or textured-finished flooring to improve stability underfoot.

# Fall HOME RENO GUIDE

## 5 Ways To Make Your Home Safer

*Continued from Page 7*

Promptly remove snow and ice from driveways and walkways. For those who live in cold climates, heated concrete can help melt precipitation before it accumulates.

3. Make needed repairs  
Repair loose floorboards and pull carpet taut if it has started to stretch out. Address cracks outdoors and ensure that patio stones, bricks and pavers are secure and level to reduce tripping hazards. Fix

areas of the landscape where water may pool and freeze, creating potential hazards.

4. Declutter all spaces  
Remove unnecessary items and furniture from rooms to free up more space to get around. Be sure there are no obstructions in walkways, entryways and near doors. Keep staircases clear at all times.

5. Invest in assistive devices

Handrails, grab bars, nonslip stair treads, and many other devices can

make homes safer for people of all ages and abilities. Outfit cabinets and closets with organizers that put frequently used items within easy reach. A sturdy step stool can reduce the risk of injury while reaching for items stored on high shelves.

Taking measures to reduce the risk of falling around the home is a worthwhile home improvement project.

## ROOMS CAN SERVE DOUBLE DUTY

Many homes do not have space for guest rooms, kids' play areas and home theater lounges that are possible in homes with substantial square footage. But they may not be missing out at all.

While large homes remain popular, many people are embracing the benefits of smaller residences. Small homes help homeowners save money, require less maintenance, have smaller environmental impact, and reduce the temptation to accumulate "stuff."

Owners of small homes or apartments can still enjoy the benefits of larger spaces, they just need to equip rooms to perform double duty.

Living room/guest room

Entertaining guests is easier when there's a dedicated space where visitors can feel at home. When furnishing a living room, keep the guest room in mind. A sofa that opens up to a bed or a convertible sectional can be a comfortable place for guests to lay their heads. Side tables provide guests with places to store their belongings, and an empty storage chest can house bed linens or guests' clothing.

Den/playroom

Children tend to accumulate toys and games. And as kids grow from children to young adults, their list of must-have items - from video gaming systems to other electron-

ics - grows along with them. Storage can make a room functional for both adults and children. Devote an entire wall to a closet or drawer system where toys can be stored out of sight when necessary. Storage ottomans can be used for extra seating while also providing somewhere for homeowners to stash stuffed animals or games for easy access. When choosing furniture, look for fabrics that are resistant to stains and modular pieces that can be moved around as necessary to create room for playing or entertaining.

Bedroom/home office

In 2015, 24 percent of employed people in the United

States did some or all of their work at home, says the Bureau of Labor Statistics. Bringing work home means men and women will need a space to work. In tight quarters, bedrooms may be the only available area. An armoire-style desk will blend in with the decor and can hide paperwork and electronics behind doors. Otherwise, a makeup vanity can serve the dual purpose of providing a place to get ready for a night out and a ready space to house a laptop during the day.

In smaller homes, homeowners may be forced to turn rooms into dual purpose areas.

## DRAYTON VALLEY RCMP SEEK PUBLIC ASSISTANCE ON SUSPICIOUS DEATH HOMICIDE

Submitted by Drayton Valley RCMP

Drayton Valley RCMP General Investigation Section was able to locate the scene of a collision involving the victim being struck by motor vehicle, at a farm located in Breton, Alta.

The female suspect was identified as 33-year-old, Bronwyn Hannah-Jane Luckham, of Carstairs, Alta. Luckham was arrested on Sept. 2, in Calgary. After consultation with the Crown Attorney's office, Bronwyn Luckham has been charged with second degree murder. After an in-custody judicial hearing, Luckham was remanded in police custody and is scheduled to appear on Sept. 9, 2021, in Wetaski-

win Provincial Court.

If you have yet to provide police any video surveillance or dash camera footage, that involves the victim's vehicle travelling from Breton to Drayton Valley on Aug. 30, from 7 p.m. to 8:30 p.m., you are asked to contact the Drayton Valley RCMP Detachment at 780-542-4456.

RCMP Major Crimes Unit has taken carriage of this ongoing investigation.

On Aug. 30, shortly after 8:30 p.m., Drayton Valley RCMP responded to a call for assistance at the local hospital. Shortly after 8 p.m., a male was dropped off outside the local hospital with serious life-threatening injuries. The victim was able to share some

information prior to succumbing to his injuries in hospital.

Surveillance obtained by police shows the victim being dropped off in the parking lot of the hospital and that vehicle immediately departing without providing any information. Drayton Valley RCMP are looking for the victim's vehicle: a 2005 Nissan Armada SUV, maroon in colour, with four doors and Alberta licence plate CKC6763. A stock image of a 2005 Nissan Armada vehicle is attached.

Police have contacted the next of kin. The male victim has been identified as Jonathan James Paul, 40-years-old, of Calgary, Alta.

Drayton Valley RCMP are seeking public assistance in

this suspicious death investigation. The public is asked to contact Drayton Valley RCMP at 780-542-4456 if they are able to provide:

- the location of the victim's vehicle,
- any information in relation to this incident,
- identifying those responsible, or who dropped Jon off at the hospital,
- review and provide any dash camera footage or surveillance footage that may have the victim's vehicle in your recordings, or
- witnessed or was involved in this incident.

Drayton Valley RCMP investigation is ongoing. Police do not believe this was a random act.

## CANDIDATES ANNOUNCED FOR LEDUC COUNTY MUNICIPAL ELECTION

Submitted by Leduc County

# ARTICLE FROM MLA SMITH

Submitted by MLA Smith of Drayton Valley

As we approach the end of August, Alberta's Recovery Plan is ramping up job growth and improving infrastructure through numerous capital investment projects. Economic analyses all indicate that there are good things in store for Alberta's future.

This week, Albertans received more good news as Alberta's Recovery Plan con-

tinues to promote economic prosperity. Rural communities especially have a lot to look forward to, as our government and its partners work on increasing investment in the heart of rural Alberta. With the most recent amount of funding that has been made available, Albertans will have more opportunities to participate in the job market.

Alberta's Recovery Plan is an action-based, multi-billion-dollar project designed

to create jobs, boost our economy, and promote innovation across all sectors. It creates incentives for businesses by decreasing taxes so Albertans can keep more of what they earn, and it promotes international investment, which will be a key factor in our economic recovery.

Recently, Transportation Minister Rajan Sawhney announced that the Strategic Transportation Infrastructure Program, or STIP, will

help improve infrastructure in rural areas by supporting 48 municipal road, bridge and community airport projects across the province. This will create 260 new jobs across Alberta.

The importance of these projects cannot be understated. Alberta's economy relies heavily on safe rural transportation, and this capital investment will go a long way towards helping rural municipalities and businesses develop and grow.

Invest Alberta, an agency created as a part of Alberta's Recovery Plan, has been spreading the word internationally about the unique advantages our province has to offer. In Alberta, we enjoy the lowest corporate tax rate in Canada, affordable housing in a market that is growing daily, and an investment rate per capita that is almost twice the size of the rest of the country.

There are many indications of economic growth across sectors. According to the mid-August report from the Alberta Treasury Board and Finance, unemployment is decreasing, oil drilling projects have increased, and as of June, housing starts were the highest in the country.

Our province is a welcome place for businesses in every industry. Employment is rising, industry is growing, and our oil production is higher than ever before. We have much to offer, and Albertans should expect our place in the global market to grow drastically in the coming years.

We still have further to go. The pandemic is not over and we must remain vigilant against it. But it is clear that Albertans are ready and willing to continue to face this challenge as we look forward to the rest of the year and beyond.

# PREVAIL

## CELLULAR HOMEOSTASIS FORMULA

# MAX

**A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU ...RIGHT DOWN TO THE LAST CELL!**

**How do you want your BLOOD to look?**

Before PrevailMAX:	After PrevailMAX:
	
poor circulation	better circulation
low energy	more vitality
brain fog	mental clarity
dehydration	cellular movement
decreased nutrients	nutrient assimilation
pH imbalance	balanced pH
poor endurance	optimal endurance

**PrevailMAX™** is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
