### PUMPKIN EXTRAVAGANZA

Submitted by Tipple Park Museum

Pumpkin Time  
It's getting to be pumpkin time

The time of magic and fun  
A time when there's a chill in the air

Apples abound along with scents of cinnamon

Carved jack o lanterns  
Faces etched creatively

Candles lit  
It's getting to be pumpkin

time  
The beginning of the holiday season

When cookies are baked  
Pies made

Children dress up in costumes

Seeking a reward of candy and other goodies.

It's getting to be pumpkin time

A time of celebration  
A time of remembering

Good friends  
Families

And traditions  
Where turkeys are roasted  
Sweet potatoes baked  
Cranberries served  
It's getting to be pumpkin time

A time of holiday cheer  
Hot chocolate

Apple cider  
Herbal tea

And peppermint  
It's getting to be pumpkin time

### STUDENT NEWS REPORT ON THE WILDWOOD SCHOOL TERRY FOX WALK

By: Jannik Steinbusch  
Grade 6

On Friday, September 17, 2021 Wildwood School held a special event. The school did a Terry Fox Walk around the town of Wildwood. The whole school did the walk together but we also stayed in our cohort groups along the walk. The route that we

took was down 54th Avenue, then we turned on to 50th Street and safely crossed the railroad tracks. Then we went up 53rd Avenue all the way to Range Road 92 and then we walked all the way back to the school. During the opening ceremony of the event that began around 1:45 pm, Wildwood School Principal, Mr. Stuart Gra-

ham asked two responsible Grade 6 students, Jannik and Aidan, to hold the Terry Fox banner to lead the group of walkers. Two Yellowhead County Peace Officers helped and escorted us around the town. They were friendly and the kids liked seeing and hearing their patrol cars.

# THERE IS NO HEALTH WITHOUT MENTAL HEALTH

Submitted by Alberta Health Services

As the pandemic continues to impact the health of many around

the world, Alberta Health Services wants to remind Albertans to take care of their physical health and their mental health as we celebrate Mental Illness Awareness

Week Oct. 3 to 9 and World Mental Health Day, Oct. 10.

## BO'S PLEDGE OF COMMITMENT

Bo Knysh  
Council Candidate  
Lac Ste. Anne County

1. APPROACHABLE TRANSPARENT GOVERNANCE
2. RE-OPEN ALL LINES OF COMMUNICATIONS
3. REDUCTION OF SPENDING AND TAXATION
4. RE-ESTABLISH THE TRUST OF THE RATEPAYERS
5. FAIRNESS AND NO DIVISION WITHIN LAC STE. ANNE COUNTY

**I Pledge to Respect my Duties  
and Responsibilities as a  
Councillor while**

**"Committing to the Betterment of Lac Ste. Anne County"**

### About Me

I am Bo Knysh and I am vying for the position of Councillor, Lac Ste. Anne County Division 5 and would appreciate your support. Our family has worked and lived in the area for 30 years. If elected, I will strive to ensure Lac Ste. Anne County Council and Administration becomes Open and Transparent with Accountability to the Ratepayers of our County. This needs to be done to ensure our County becomes a place that we can be proud to raise our children and grandchildren for generations to come. My frustration during the last 2 terms over how the county functions has prompted me to step up and become a part of the solution. Please help me to achieve my goal and Please, VOTE on OCTOBER 18, 2021. Thank You For Your Support. Bo.

## JOKE of the week

I went for a job interview today.

The interviewer asked me, "What's your biggest weakness?"

I said, "Answering the semantics of a question but ignoring the pragmatics."

The interviewer said, "Could you give me an example?"

I said, "Yes, I could."

# Pumpkin Extravaganza

*Continued from Page 1*

It's getting to be pumpkin time here, at Tipple Park Museum. We have safe and fun activities for the whole family to enjoy this October season.

First things first, we will be having an adult pumpkin centerpiece workshop on October 9th from 11:00-12:30 pm, for ages 18+. The cost is \$15/per person. Adults will have the opportunity to hollow and paint two pumpkins and fill them

## There Is No Health Without Mental Health

*Continued from Page 2*

By the age of 40, about 50 per cent of Canadians will have or has had a mental illness.

Remember, if you are struggling you are not alone. There are supports in place to help you.

Many things can help improve a person's mental health. Building a healthy routine, limiting social media use, and learning to manage worries as well as mindfulness and other coping skills all can have a positive impact.

Create a healthy routine that can include physical activities such as a walk around the neighbourhood and a regular sleep schedule, as well as self-care strategies such as mindfulness or meditation. Connecting with others can have a positive impact on a person's mental health.

Resources and supports, such as Text4Hope and Together all, are available to help you or someone you know. Go to [www.alberta-healthservices.ca/helpintough-times](http://www.alberta-healthservices.ca/helpintough-times).

You may also wish to talk about your concerns with your partner, your family healthcare provider or someone else you trust.

with artificial flowers to make festive centerpieces for their Thanksgiving table. This program is limited to eight adults and will be held outside. Please phone 780.727.2240 or email [tippleparkmuseum@gmail.com](mailto:tippleparkmuseum@gmail.com) to book a spot.

Secondly, the museum will be hosting Family Pumpkin Carving timeslots from October 6 to the 21st. Each family will have the chance to carve pumpkins at no

cost. We are allowing two families at a time for each time slot. Carving tools will be on site. To book your time slot please phone 780.727.2240.

Ready for a family search and find? From October 7 to the 21st there will be twelve mini toy pumpkins hiding in the trails beside Entwistle School. Once all twelve pumpkins are found, stop by the museum to receive a carving pumpkin to take

home. We ask that once you find a toy pumpkin, please leave it in its original hiding spot.

Thank you to Evansburg and Entwistle libraries who took the time to make free pumpkin craft bags! If you would like to pick up a bag, please drop by Entwistle Library or Tipple Park Museum from October 13 to the 27th while supplies last.

Happy Pumpkin Time from Tipple Park Museum.

# Student News Report On The Wildwood School Terry Fox Walk

*Continued from Page 1*

We are proud of all of the students who participated. We are thankful to Ms. Douglas and Mrs. Lang for organizing the special event. We would also like to recognize the parents who

supported us on that day. Many Wildwood residents came out of their houses onto the streets to cheer us on!

The whole reason we do the School Terry Fox Walk each year is because of Terry Fox trying to run across Canada. Terry Fox made

an attempt to run across Canada in 1980. He started in Newfoundland when he dipped his artificial leg in the Atlantic ocean. He ran 3339 miles until he had to end the run that has come to be known as The Marathon of Hope.

## COVID-19 VACCINE AND PREGNANCY

Submitted by Alberta Health Services

Is the COVID-19 vaccine safe during pregnancy?

- The COVID-19 vaccine is safe for pregnant individuals and their babies.

- It is much safer to get the vaccine than to get COVID-19 disease.

- You can get the vaccine at any time (any trimester) during pregnancy.

- The mRNA vaccines are the safest type of COVID-19 vaccine to get during your pregnancy.

- The COVID-19 vaccine is also safe, and recommended, for those who are trying to get pregnant.

- The National Advisory Committee on Immunization and the Society of Obstetricians and Gynecologists of Canada recommend that those who are pregnant get a complete series of vaccine.

What are the benefits of getting the COVID-19 vaccine?

- The vaccine prevents illness and lowers your chance of becoming seriously ill from COVID-19.

- Vaccines also lower your chance of you having complications of severe illness, which could result in delivering your baby prematurely if you become very sick.

- Immunization can reduce the spread of the virus to others, including your baby.

Does the vaccine protect my baby from COVID-19?

- Vaccines make your immune system stronger by building antibodies to help prevent disease.

- Vaccination allows immunity to be passed from mother to infant, helping to protect your baby for the first few months of life.

What are the risks of being infected with COVID-19 if I'm pregnant?

- If you're pregnant and have COVID-19:

You're at higher risk of being admitted to hospital and developing complications that need intensive care.

You're more likely to have a premature birth and this may

put your baby's health at risk.

- Serious complications related to COVID-19 are more common if you're pregnant than if you're not pregnant (for individuals of child bearing age).

Does the vaccine cause fertility problems?

- There is no evidence that COVID-19 vaccines cause fertility problems.

- Studies evaluating male and female fertility metrics after COVID-19 vaccines have not identified any harms to reproductive health.

- COVID-19 vaccine is also a good proactive step to take even before pregnancy.

What's right for you?

- Different people have different feelings and concerns about COVID-19 immunization, and that's OK. But we should all have the same information and support each other to learn more.

- Review current evidence in order to make the best and most informed decision about your health and the health of your baby.

- Speak with your healthcare provider if you have questions or concerns. In consultation with them, you can determine if the benefits of immunization outweigh potential risks based on your health and circumstances.

### Facing Danger. Protecting Lives. *Thanks, Firefighters.*

*During Fire Prevention Week, we salute the brave men and women who put their lives on the line to protect ours as firefighters. We are grateful for their selfless service, their constant courage, and their dedication to making our community and our country a safer place. May they always return home safely.*

# SHOP HARD IN STONY PLAIN A NEW INCENTIVE TO SUPPORT LOCAL BUSINESSES

Submitted by Town of Stony Plain

A new initiative known as the 'Shop Hard in Stony Plain Campaign' is being launched by the Town of Stony Plain. The campaign intends to incentivize area residents to support Stony Plain businesses and keep supporting local top of mind by offering prizes, increasing online exposure, highlight shopping opportunities, and offering a way for businesses to reconnect with customers.

Over the next three months, residents and visitors can enter to win prize packages from the Town when shopping at participating businesses and online through the Town's social media channels. No purchase is necessary to enter.

Economic Development Officer Shawn McCauley says, "It is one thing to tell people to shop local, but if we want to encourage that behaviour, we have to give shoppers an incentive to buy. That's exactly what the campaign intends to accomplish – to give residents that reason to think and support local."

*Continued on Page 7*

## Shop Hard in Stony Plain A New Incentive to Support Local Businesses

*Continued from Page 6*

“Stony Plain’s businesses play an essential role in making Stony Plain the town we all know and love, and right now, they’re working hard to recover from the pandemic,” says Mayor William Choy. “To help, we need to set the intention as a community to support local whenever possible. I encourage everyone to get out, have some fun, and to Shop Hard in Stony Plain!”

Participation in the campaign is easy. Just head out and shop at local Stony Plain businesses and follow the Town of Stony Plain on social media! To learn more, please click [here](#).

## Fire Prevention Week

October 3-9, 2021

### Learn the sounds of fire safety!

Is there a beep or chirp coming out of your smoke or carbon monoxide alarm? What does it all mean? Knowing the difference can save you, your home, and your family!

*To do our part and help limit the spread of COVID-19, we regret to say we will not be hosting any events or open houses this year.*

*Learn more on our website!*

**Parkland County Fire Services** would like to remind everyone to practice fire safety at home.

*Here are some tips to help keep you and your family safe:*

**Hear a chirp?** Make a change! a chirping alarm means the battery or entire alarm must be replaced.

**Stay informed!** Make sure everyone in the home understands the sounds of the smoke and carbon monoxide (CO) alarms and knows how to respond.

**Hard of hearing?** Install a bedside alert device that responds to the sound of the smoke and CO alarms. A low-frequency alarm can also wake a sleeping person with mild to severe hearing loss.

# THANK YOU!

### **Fire Prevention Tips To Follow Every Day.**

- Keep volatile chemicals, such as fertilizers and turpentine, in labeled containers within a locked storage area separate from your home.
- Store gasoline in an approved container outside of your home.
- Store matches and lighters in a locked cabinet.
- Keep things that can burn away from your fireplace and always keep a glass or metal screen in front of your fireplace.
- Never leave the kitchen unattended while cooking.

# fall HOME RENO GUIDE

## MAKE LIGHTS SPARKLE

As days get shorter and natural light is less abundant, interior lighting becomes ever more important. Chandeliers, pendant lamps, recessed lighting, and tableside lamps are most effective when they

are clean. HGTV experts say dirty lights can give off up to 20 percent less light than clean ones. Dirty fixtures also waste energy.

Lighting fixtures that are within reach are easy to tack-

le, but what about those fixtures that hang or have multiple crystals, globes or bulbs? These tips can cut down on the time needed to give lights a thorough cleaning.

- Stock up on the right cleaning supplies. Microfiber dusting cloths are smart choices because they can help trap grime and tend to be machine-washable and reusable. Extendable static-charged dusters are another handy item to have around, particularly for fixtures that are hard to reach.

- Dust regularly. Dusting regularly can prevent the buildup of grime that's difficult to wash off. Try to dust light fixtures weekly or bi-weekly. The more frequent the fixtures are dusted, the less

time each cleaning session will take. Soft cloths can remove the dust from most bulbs and exterior surfaces. Lamp shades may need more attention. Use a lamb's-wool duster to attract dirt so it doesn't leave a residue on the lampshade.

- Deep-clean at table level. Deep-cleaning at table level is more manageable. Remove any glass accents and set them out on a cushioned surface so they do not break. Soft cloths dampened with a vinegar solution should remove most of the dirt on chandelier crystals and the globes or outer glass coverings of other types of fixtures.

## Make Lights Sparkle

*Continued from Page 12*

Take a photo of the lighting fixture prior to cleaning so you'll know how to replace removed parts correctly once everything is clean and dry.

If you cannot remove a fix-

ture for cleaning, use a sturdy stool, a spray bottle with your cleaning mixture and a soft cloth to wipe away the dirt. Remember to place something absorbent beneath the light to catch any drips. Do

not spray liquids directly onto light bulbs; otherwise, you can damage the bulb and the electrical components.

It's best to exercise caution when cleaning lighting fixtures. Turn off the light itself

and shut off the circuit breaker to avoid the risk of shock or burns from hot bulbs.

**YOUR HARD WORK AND DEDICATION TO KEEPING  
OUR COMMUNITY SAFE IS VERY MUCH APPRECIATED!**

## FIRE SAFE

Take time during  
**Fire Prevention Week,**  
October 4-10, to check  
smoke alarms, review  
safety tips and create a  
fire escape plan for  
your home.

### Be Aware & Prepared.

#### 2 Minutes

The time it takes  
for a fire to become  
life-threatening

#### 5 Minutes

The time it takes for a  
residence to become  
engulfed in flames

Ready.gov U.S. Department of Homeland Security

**109** Fire-related  
deaths annually  
**1,105** Residential fire  
injuries annually

Source: Statistics Canada 2014 data

**Cooking** Leading cause of home fire injuries  
**Smoking** Leading cause of home fire deaths

Source: Canadian Firefighter, based on information by the public safety division of Alberta Municipal Affairs analysis of data from seven Canadian provinces and one territory

### Prepare & Protect

1. Install smoke alarms on every level of your home, as well as inside and outside of every sleeping area.
2. Create and practice a fire escape plan.
3. Sleep with your door closed.
4. Go to [canada.ca](http://canada.ca) and use search keywords "fire prevention" or visit [nfpa.org](http://nfpa.org) for detailed fire prevention tips and fire escape plan guidelines.

#### TOP 5 Residential Fire CAUSES

- Cooking 20% of fires
- Heating equipment 12% of fires
- Arson 11% of fires
- Electrical 8% of fires
- Smoking 7% of fires

### Questions You Should Have an Answer For:

1. What is your Fire Department's emergency number?
2. What is your fire escape plan?
3. Where is your designated meeting place in the event of the fire?
4. Where is your fire extinguisher located?
5. Are your smoke detectors working?
6. Do you know the closest two emergency exits from your bedroom?

## Fire Prevention Week is October 8-14, 2017

# Proudly Recognizing the Parkland County DISTRICT 4 WABAMUN

THESE PAGES SPONSORED BY THE FOLLOWING  
BUSINESSES:

# Stony Plain Fire Department

## PREPARE

Install smoke alarms on every level of your home, as well as inside and outside every sleeping area.

Test smoke alarms monthly, and replace the batteries if needed.

Purchase and learn how to safely use a fire extinguisher.

Create a fire escape plan with your family, reviewing and practicing it twice a year.

Your fire escape plan should include two exit points from every room, as well as a designated outdoor meeting spot.

Make sure everyone in your family knows when and how to call 911 or the fire department.

## PREVENT

Turn off portable heaters whenever you leave a room or go to sleep.

Keep matches and lighters out of reach from children, and make sure they know never to play with these items.

Replace or repair loose plugs, exposed wiring or frayed extension cords, and avoid overloading outlets and extension cords.

Keep any items that can catch fire at least three feet away from cooking and heating devices.

Remain in the kitchen when frying, grilling or broiling food. Always turn off the stove if you leave the kitchen even for a brief period of time.

## STAY ALIVE

In the event of a fire, yell "Fire" repeatedly and evacuate immediately. Once outside, call 911 and never reenter a burning building for any reason.

If a door or door handle feels warm to the touch, do not open it. Use an alternate escape route.

If you must walk through smoke, get as close to the ground as possible to escape under the smoke, closing doors behind you.

If your clothing catches fire, always remember to stop, drop and roll, covering your face with your hands.

If you can't escape a room, close the door and cover vents and door cracks with a towel or cloth to keep out smoke. Signal for help at the window with a piece of cloth or a flashlight.

## "Stay Fire Smart! Don't Get Burned"®

Make sure you are aware of potential fire hazards in your home and take measures to reduce risks in these areas. Installing adequate smoke alarms is a necessary precaution. Check smoke alarms often. Practice a fire escape plan with your family and practice it regularly.

## AS FIRE PREVENTION WEEK APPROACHES, THE SPRUCE GROVE FIRE DEPARTMENT REMINDS RESIDENTS TO “LEARN THE SOUNDS OF FIRE SAFETY”

Submitted by Spruce Grove Fire Department

September 23, 2021 – The Spruce Grove Fire Department is teaming up with the National Fire Protection Association® (NFPA®) – the official sponsor of Fire Prevention Week for more than 90 years – to promote this year's Fire Prevention Week™ campaign, “Learn the Sounds of Fire Safety™.” This year's campaign, October 3rd - 9th, works to educate everyone about simple but important actions they can take to keep themselves and those around them safe.

The Spruce Grove Fire Department encourages all residents to embrace the 2021 Fire Prevention Week theme.

“It's important to learn the different sounds of smoke and carbon monoxide alarms. When an alarm makes noise – a beeping sound or a chirping sound – you must take action!” said Jeffrey Francis, Fire Prevention Officer. “Make sure everyone in the home understands the sounds of the alarms and

knows how to respond. To learn the sounds of your specific smoke and carbon monoxide alarms, check the manufacturer's instructions that came in the box, or search the brand and model online.”

The Spruce Grove Fire Department wants to share safety tips to help you “Learn the Sounds of Fire Safety”

- A continuous set of three loud beeps – beep, beep, beep – means smoke or fire. Get out, call 9-1-1, and stay out.

- A single chirp every 30 or 60 seconds means the battery is low and must be changed.

- All smoke alarms must be replaced after 10 years.

- Chirping that continues after the battery has been replaced means the alarm is at the end of its life and the unit must be replaced.

- Make sure your smoke and CO alarms meet the needs of all your family members, including those with sensory or physical disabilities.

# THE FOLLOWING BUSINESSES SUPPORT YOUR EFFORTS!

# SPRUCE GROVE Fire Department

When the alarm sounds, the men and women of our fire departments answer the call without hesitation, saving thousands of lives and homes from devastating fires.

During Fire Prevention Week, we salute these brave men and women, who risk their own lives protecting the lives of others. We recognize that each of us has a responsibility to exercise awareness and caution in preventing fires by putting safety first.

# GYP SD GOOD NEWS STORY

Submitted by Grande Yellowhead Public School Division

Congratulations to Latisha Tallcree, our very own Grade 12 student from Parkland Composite High School in Edson, who won the title of Miss Teen Canada on September 13, 2021! This was her very first pageant and her interest sparked when a former queen who won the title of Miss Teen Canadian Globe in 2020, offered her the chance to participate in the MCGP (Miss Canada Globe Productions) pageant.

When asked what her favorite subject in high school is, Latisha highlighted the importance of English Language Arts. "I've always enjoyed things that challenged my thinking. That is what this subject does for me - you have to use the knowledge of your vocabulary abilities and how much you can think outside of the box."

Her favorite hobbies including gaming, baking for her family and friends, going for walks and travelling. Her current favorite song is Je Te Laisserai Des Mots by Patrick Wilson.

After graduation, Latisha's plan to work towards becoming a nurse practitioner while balancing her responsibilities as a national pageant winner.

Congratulations Latisha and we all wish you the very best as you move forward in your career goals!

## PURE HEMP PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

### A Health and Beauty Breakthrough!

Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

#### Therapeutic Uses For Pure Hemp

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

#### Anti-Aging Uses For Pure Hemp

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

#### KEY BENEFITS

**PAIN RELIEF:** Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

**PROMOTES HEALTH:** Helps to promote relaxation and overall health.

**WELL-BEING:** Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

### PET PRODUCTS

#### PET CHEW TREATS

##### KEY BENEFITS

**SYNERGISTIC BENEFITS:** Can be used in conjunction with regular medications with no side effects.

**NO SIDE EFFECTS:** Does not damage the liver, kidney or GI Tract like OTC medication.

**DIETARY SUPPLEMENT:** Can be administered daily as part of your pet's diet.

#### ORAL SPRAYS & DROPS

##### KEY BENEFITS

**MANAGES PAIN:** Helps to treat inflammation, arthritis and joint pain.

**TREATS DIGESTIONAL ISSUES:** Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

**GENERAL HEALTH:** Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

**CONVENIENT:** Can be sprayed into pet's mouth or on food.

# PREVAIL

# MAX

CELLULAR HOMEOSTASIS FORMULA

**A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU  
...RIGHT DOWN TO THE LAST CELL!**

**How do you want your  
BLOOD to look?**

Before PrevailMAX:	After PrevailMAX:
	
poor circulation	better circulation
low energy	more vitality
brain fog	mental clarity
dehydration	cellular movement
decreased nutrients	nutrient assimilation
pH imbalance	balanced pH
poor endurance	optimal endurance

**PrevailMAX™** is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!

**PREVAIL MAX**  
CELLULAR HOMEOSTASIS FORMULA  
DIETARY SUPPLEMENT

**Ingredients:**  
Active ingredient:  
Spray it inside:  
Sodium, Potassium,  
Chromium, Calcium,  
Magnesium, etc.

These 10 potent  
molecularly sized  
electrolytes rapidly  
penetrate your cells  
as a result of  
inducing cellular  
pressure and cell  
homeostasis.

These sprays  
evaluated by  
Administration.  
This product  
diagnoses and  
any disease!

Net wt. 60ml

# SUDOKU

*of the week*

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

## ANSWER:

2	8	9	1	7	6	5	3	4
