JOKE of the week

The oldest computer can be traced to Adam and Eve.

Yes, it was an Apple.

But with an extremely limited memory.

Just one byte.

Then everything crashed.

In Loving Memory of
Douglas Arnold Burke
January 4th, 1947 – October 6th, 2021

It is with great sadness that we announce the passing of Douglas Burke from The Good Samaritan Society in Evansburg AB., at the age of 74. Douglas is survived by his son Clayton Burke of Barrhead AB., brothers Brian Burke of Entwistle AB., Leslie Burke of Evansburg AB., James Burke (Lynn) of Spruce Grove AB., sister Lynette Nienaber (Lorne) of Evansburg AB. Niece's Carla Burke, Tricia Burke and April Burke and nephew Benjamin Semenyna. Douglas was predeceased by son Cory Burke, father and mother Angus and Adelaide Burke, nephew Scott Burke and sister Lloy Semenyna (Richard). Douglas was born in Camrose AB., and lived in beautiful Kananaskis Country, Drayton Valley, Rocky Rapids, Entwistle and attended high school in Evansburg AB.

Doug served in the Navy at the age of 18 and had many stories of his world travels. He attended commercial flight school but found his calling as an LPN. The staff at the Good Samaritan Society shared stories of Doug's caring nature, always willing to lend a hand or offer help. Doug enjoyed the freedom of his Yamaha Virago motorcycle and enjoyed working out and staying fit.

The family would like to thank Dr. Murphy and the staff at The Good Samaritan Society for the loving care and attention they gave to Douglas. Their dedication, kindness and professionalism are an asset to our community. No funeral will be held, Douglas will be laid to rest at the Wildwood Cemetery at a later date.

Alberta RCMP Livestock Investigation Unit Charges Two Males Related To Fraudulent Cattle Purchases In Tofield

Continued from Page 1

...with assistance of Livestock Services of Saskatchewan, executed a search warrant in Spiritwood, SK, seizing two pure bred Black Angus bulls and locating evidence of additional victims.

On Sept. 16, 2021, a subsequent search warrant was executed where Alberta RCMP Livestock Investigation Unit recovered cattle subject of alleged fraud committed by the same suspects in Thorsby, Alta., and Lloydminster, SK. A total of 19 animals were seized and identified through registered livestock brands and/or registered pure bred tattoos.

Shane and Shanon Hoff, both of Two Hills, Alta., have both been charged with Fraud Over \$5,000 and are scheduled to appear in Vegreville Provincial Court on Oct. 18, 2021.

Alberta RCMP Livestock Investigation Unit investigators encourage all livestock owners to brand their cattle and horses as this is the primary means of ownership identification and in most cases, relied upon for successful prosecution.

It is notable that Shane and Shanon Hoff are believed to have been involved in similar business transactions.

ALBERTA RCMP PROMOTES SAFE DRIVING PRACTICES FOR NEW MOTORISTS

Submitted by Alberta RCMP

With Alberta reopening and summer travel resuming, there is more traffic out on our provincial roadways – including new motorists. The Alberta RCMP encourages motorists who have recently received a learner’s licence or a probationary graduated driver’s licence (GDL) to adopt safe practices as they become more comfortable and confident in the driver’s seat.

New drivers are reminded of the following safety tips:

- Do not travel with more passengers than seat belts.
- You must have a blood-alcohol level of zero when driving. Never drive under the influence of drugs or alcohol.
- Driver’s with a learner’s licence must be accompanied by a fully licenced (non-GDL probationary) individual. The individual must be 18 years of age or older and seated beside the driver (Government of Alberta, 2021).
- Obey all traffic and speed signs. Entering a construction or playground zone? Slow Down.
- Be aware of your surroundings and practice defensive driving.
- Before heading out on long trips, be sure to communicate your destination and anticipated arrival time with an adult.
 - Ensure your vehicle is in safe operating condition before hitting the road. Your ride is your responsibility.
 - Do not drive distracted. Keep your focus where it needs to be – on the road.

We are EQUS

POWERED BY INNOVATION

For rural Albertans, innovation is driven by necessity.

EQUS has been powering that innovation since Alberta farmers planted the first power poles over 70 years ago. Today, we're powering our members to share their rural innovations across the province, and around the world.

For Ponoka County EQUS members Jim and Jackie Anderson, finding a way to keep their cattle watered year-round was a necessity that drove an innovative solution. Together, they developed Frostfree Nosepumps, to provide a reliable water supply that can endure even the most extreme temperatures of rural Alberta without needing electricity.

Thanks to Jim and Jackie's innovation, farmers around the world are now using their safe, reliable technology to keep their herds happy and healthy, without adding any stress to electricity grids.

At EQUS, we're proud to showcase innovations like this, because powering rural innovation includes helping our members reduce their dependence on the electricity grid, and supporting them in building sustainable and resilient rural businesses and communities.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
