PARKLAND RCMP SEEK ASSISTANCE IDENTIFYING SUSPECT IN SEXUAL ASSAULT

Submitted by Parkland RCMP

On June 29, 2021, at approximately 10:00 p.m., Parkland RCMP received a report of a sexual assault in a parking lot off Highway 16A. An unknown male approached a young girl and

started trying to flirt with her. She tried to end the conversation but the male continued to get closer to her and then grabbed her groin area. The girl screamed, and the male fled. He may be associated to a small dark coloured car.

Efforts to locate this male

are ongoing. Parkland RCMP are seeking the public's assistance to identify him. A composite sketch of the suspect has been compiled, and he is described as follows:

YELLOWHEAD REGIONAL LIBRARY NEW BRAND REFLECTS RICH HISTORY, BOLD FUTURE

Submitted by Yellowhead Regional Library

Today, the Board and staff of Yellowhead Regional Library celebrate the organi-

zation's 50th anniversary by launching a new brand.

"Yellowhead Regional Library has come so far in its 50-year existence," said Director Karla Palichuk. "We have many to thank for the opportunity to build on the rich legacy they created at the forefront of regional libraries in Alberta."

Yellowhead Regional Library (YRL) serves as a hub for public and school libraries in the central west part of the province. It helps its member libraries to deliver a world of information and enjoyment through shared resources.

land RCMP at 825-220-2000 if you are able to identify this male

Yellowhead Regional Library New Brand Reflects Rich History, Bold Future

Continued from Page 1

Further, YRL connects its member libraries through technology, helping them to maintain their collections, access online resources and manage material loans. YRL also provides consultation services and onboarding, professional development, and training to its members. "YRL is well-known in the provincial library community as an innovator and

risk taker," says Palichuk. "We wanted our brand to reflect that and inspire the future for our staff and member libraries."

The logo design reflects the interaction between YRL and its member libraries: the interdependencies, outreach, and feedback that each provides to the other. It's a bold look that is indicative of YRL's bold future. Other activities to celebrate YRL's 50th anniversary in-

clude the production of two new videos: celebrating our history, and about our services. In anticipation of seeing its member library staff again, YRL has renovated its meeting space to welcome them for in-person workshops and training. Last, as a gift back to those who mean the most, YRL will be adding \$50,000 of digital content for the enjoyment of YRL member library patrons.

SERENITY FAMILY SERVICE SOCIETY - YOUR NOT-FOR-PROFIT SOCIETY

JOKE of the week

Once an old man and woman went to a restaurant and ordered two sandwiches. The waiter brought the sandwiches and the old man started to eat but the woman was only staring at the food. The waiter noticed this and went to see what the problem was. The old woman said nothing and just stared at him but the old man interrupted and said, "The sandwich is delicious, but she can't eat because I am using her teeth."

IN MEMORIAM

ORCHISON, John
"Jack" Miller (1923-2021)

It is with deep sorrow and much love that the family of John "Jack" Orchison of Gainford, Alberta announce his peaceful passing on Saturday, September 25, 2021 at the age of 98. He will be lovingly remembered by his daughters Bobbi (George), Katy (Kenny) and Mary (Randy). "Gramps" will also be dearly missed by 8 grandchildren, 11 great grandchildren and numerous relatives and friends. Jack was predeceased by his wife Marlene, father John "Jock", mother Rebecca, sisters Betty and Kitty and brother Jim. He will be fondly remembered as a wonderful father, grandfather and friend. He was a rare combination of someone who had a love of life and a firm understanding of what was important — the simplicity of living a life with those you love. The family would like to send a special thank you to the kind and welcoming staff at the Good Samaritan Pembina Village for giving Gramps a home away from home. A private burial service for family and close friends was held at the Evansburg cemetery Saturday, October 09, 2021. Jack was a proud veteran and a longstanding member of the Royal Canadian Legion. In lieu of flowers, memorial donations may be made in his name to The Royal Canadian Legion (4823 50 St, Evansburg, AB T0E 0T0) or The Alzheimer Society of Alberta (10430 61 Ave NW #306, Edmonton, AB T6H 2J3).

CURRICULUM REVIEW SHOWS K-6 DRAFT FAILS TO MEET GOVERNMENT'S OWN STANDARDS

Submitted by The Alberta Teachers' Association

If the Alberta government were grading the new draft K-6 curriculum, it would have to fail itself.

A professional review conducted by the Alberta Teachers' Association, including feedback gained through an online survey, written submissions and focus groups with more than 6,500 teacher participants, assessed the curriculum by comparing the draft to the Government of Alberta's own vision and guidelines. The conclusion of teachers: the draft curriculum does not even meet the government's own standards.

In addition to failing to meet provincial guidelines, other key findings of the report show that the new curriculum has a variety of shortcomings:

1. Not logically sequenced and not appropriately designed for teacher use
2. Narrowly defined content that does not reflect the development of knowledge, understanding and skills for the 21st century
3. Developmentally inappropriate learning outcomes that lack high academic standards and do not adequately describe what students must know and be able to do
4. Inclusion of Indigenous content that is not authentic and appears as tokenism
5. Inadequate inclusion of francophone histories, contributions and perspectives
6. Lack of respect for Alberta's diversity and support for a peaceful, pluralistic society
7. Failure to address racism, sexism and other forms of bigotry, and the use of language that, in fact, promotes such bigotry
8. Inclusion of world reli-

gions as a mandatory topic in K-12, which infringes on the religious freedoms of Alberta parents

The research follows the release of preliminary survey results showing that 91 per cent of teachers and school administrators are unhappy with the draft curriculum, with three in four teachers stating that they are "very unhappy." The survey also showed that 90 per cent of elementary school teachers feel uncomfortable about teaching the new K-6 curriculum, and 95 per cent of principals feel uncomfortable about supporting the curriculum in their school and community.

The ATA is directing parents and the public who are concerned about the draft curriculum to pledge support for the moratorium and review by visiting curriculum.thelearningteam.ca. Parents are also encouraged to reach out to their local school trustee candidate to find out where they stand on the draft at vote4kids.ca.

The Alberta Teachers' Association, as the professional

organization of teachers, promotes and advances public education, safeguards stan-

dards of professional practice and serves as the advocate for its 46,000 members.

TRUNK OR TREAT
Saturday, October 30th, 2021
 1:30-4:30PM at the Darwell Cow Palace

Come on down to the Cow Palace, decorate your vehicle, hand out candy or just dress up and bring your kids down for some family fun! Those handing out candy please make individual bags, to be spaced out on table or hand them out with tongs.

If you are coming as a visitor, dressed up and in it for the candy, please park in the hall parking lot and walk in. We will have volunteers on site directing where the cars wanting to decorate and hand out candy are to park and Stage.

There will be FREE hot chocolate and hot dogs courtesy of SANG.

Masks are required. COVID-19 protocol will be followed. The event will be held all outside.

For those handing out candy 150 kids came through the grounds last year

GYPSD GOOD NEWS STORY EVANSVIEW CELEBRATES THEIR HEROES

Submitted by Grande Yellowhead School Division

Students at Evansview Elementary School have been participating in a Terry Fox Theme Week to learn about the impact Terry Fox had and continues to have on Canada.

Staff decided Hero Day would fit nicely with the theme week and with their

monthly school spirit activity, and had the Grade 5/6 students volunteer to promote the Hero Day event.

Students were excited to show their Superhero costumes and it was very touching to see the students who decided to dress like one of their parents who is their hero!

School Bus Safety Week

gypsd.ca

communications@gypsd.ca

Submitted by GYSD

October 18-22 is School Bus Safety Week. This is an opportunity for everyone who rides a school bus, or knows someone who rides a school bus, to join forces in highlighting the im-

portance of school bus safety. Did you know? Alternating flashing amber lights mean a bus is slowing down to stop. Do the same. When approaching a school bus with red lights flashing on an undivided highway -you must stop! The fine for passing a school bus with its red lights flashing is \$567 and six demerit points. Alberta Transportation states that every driver, approach-

ing from both directions toward a school bus with overhead red signal-lights flashing, must stop and shall not proceed until the bus moves or the overhead red signal-lights have stopped flashing. Also, school buses are required by law to stop at all railway crossings. For more information on rail safety for drivers, visit Operation Lifesaver.

Travel by school bus is 16 times safer than travelling in a family car per passenger per kilometre of travel, according to a study by Transport Canada.

Each school bus made and imported into Canada has approximately 40 standard safety features built into the design and

construction. These include specialized brake systems, lighting, emergency exits, escape hatches in the roof, and high padded seatbacks that cushion the impact of a crash.

Prevention is the key to safety. With education and awareness, all children should be able to get safely to school and home again. Here are some other tips and resources to review with your children:

- Alberta Health Services on Bus Safety
- Educational Safety Video for Drivers
- Bus Safety Pop Quiz

YELLOWHEAD COUNTY HALLOWEEN HOUSE DECORATING CONTEST

Prizes for most unique, scariest, and best overall!

Automotive Needs!**

Auto TUNE-UP

PROTECT YOUR VEHICLE FROM SNOW, ICE AND DAMAGE FROM THE COLD

Winter can be an unforgiving season. Freezing temperatures coupled with snow and ice can take its toll on people who live in climates where cold weather is a fact of winter life.

While winter can test people's patience, it also can be harsh on cars and trucks. Understanding what components of a vehicle can be compromised by dropping temperatures and snowy roads can help drivers take action to safeguard their automotive invest-

ments.

While the Canadian Automobile Association notes that winter can wreak havoc on just about every part of a vehicle, there are some parts that seem to bear the brunt of Old Man Winter's abuse. Properly servicing and caring for a car or truck can help.

Drivers should take their vehicles for a tune-up and inspection before wintry weather arrives. A mechanic will examine the car battery and check antifreeze levels

and make sure that the thermostat, defroster, brakes, and even wiper blades are working effectively. Have the tires inspected for adequate tread, which can make navigating roads safer. If the treads are worn, replace the tires.

In addition to visiting their mechanics, drivers can perform some inspections and fixes themselves.

Check that all of the vehicle's lights are operational so your car can be easily seen during

inclement weather. Exchange your existing windshield washer fluid with one that will not freeze in cold conditions. Check the nozzles on the windshield-washer system routinely and clear out any blockages of ice or debris. While addressing windshield washer fluid, also replace worn out windshield wiper blades with ones that can withstand snow and icy weather.

Protect Your Vehicle From Snow, Ice And Damage From The Cold

Continued from Page 7

A new coating of wax can serve as a shield against road salt, snow, sleet, and rain. Try a polymer wax to protect the paint. Whenever possible, rinse off salt and grime so it does not dry on the car and gradually wear away at the paint. Some drivers mistakenly believe that salt stops being a problem once it dries simply because moisture is the active ingredient for a corrosive reaction.

But humidity in the air is enough to keep the salt eating away at the car's paint, and that can contribute to rust. Be sure to rinse off the undercarriage of the vehicle as well.

Have your tires' alignment checked toward the end of winter or early spring. A season of traveling over pothole-ridden roads or hitting curbs buried under snow drifts can affect the alignment. Get everything back on track. Similarly, inspect tires

routinely, as weather changes can affect tire pressure and strength.

Use a soft snow brush or a foam brush to clear snow off of the car. Avoid hard plastic scrapers you might use on your windshield, as they can scratch painted surfaces.

Try to park the vehicle in a garage or under a car port, each of which can protect cars and trucks from the often harsh elements of winter.

Vehicles can be affect-

ed by the cold weather. Keep them running efficiently to prevent damage this winter.

Obituaries

James Senetza September 30, 1930 - October 9,2021 It is with heavy hearts we announce the passing of James Senetza, of Evansburg, at the age of 91 on October 9, 2021. Jim will be

dearly missed by his spouse of 61 years, Ann. His memory will be cherished by his surviving children Joanne (Eric), Jerry and Janice. He will also be missed by extended family and friends. Jim enjoyed many hours of fishing into retirement and in his later years he enjoyed spending time in his yard and garden. The family would like to thank the staff at Drayton Valley Hospital for their kindness, care and attention he received. Jim's wishes were to be cremated. No memorial service will be held.(1)

PURE HEMP PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

A Health and Beauty Breakthrough!

Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

PROMOTES HEALTH: Helps to promote relaxation and overall health.

WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS

SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.

NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.

DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS

MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.

TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

CONVENIENT: Can be sprayed into pet's mouth or on food.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

No Job too small... We do them all!

Harvey cell. 780-445-9010 ph. 780-892-3532
 Box 145, Darwell, AB. T0E 0L0

We now carry Manuli! They are a European manufacturer and they engineer it all in Europe. All of their product is produced in their own factory, no outsource. Adding this in we have been able to gain access to many of the European fittings that have become much more common in North America.

BSPB, Metric Din, Metic cone, JIS.

These fittings are clear across all brands John Deere, Case, New Holland, JCB, Fendt, Massey Ferguson. Many of the implements that have been sold in the last few years have also used these predominantly European fittings.

We offer these services

- CVIP Inspections
- Hydraulic hose crimping and thousands of adapters in stock.
- A/C Repair
- Espar and Webasto Repair, Installation.
- Engine Repair and Rebuilding.
- Power train/Driveline repair and service.
- Suspension and frame repair.
- Two Fully equipped service trucks for mobile needs.

WE STOCK PARTS FOR ALL MAKES AND MODELS OF TRUCKS, DRIVELINE & ENGINES.

We repair

- Truck Transport
- Heavy Equipment
- Automotive
- Industrial
- School Bus
- Agriculture
