PARKLAND RCMP INVESTIGATE A SERIES OF SUSPICIOUS FIRES

Submitted by Parkland RCMP

In April 2021, Parkland RCMP started an investigation into a series of suspicious fires in the Parkland County and Sturgeon County Regions.

Over the course of the investigation, it was determined that the wildland fires were intentionally set.

On Sept. 15, 2021, a 31-year-old male from Spruce Grove, Alta. was charged with six counts of Arson. He is scheduled to appear in Stony Plain Provincial Court on Nov. 3, 2021.

Wildland fires are a major concern and affect many people long after the fire is extinguished. The costs associated with fighting such

fires and the resources used further affect residents of the County overall, which can delay other projects. Parkland RCMP worked in partnership with Parkland County Fire Department, Sturgeon County Fire Department, Alberta Forestry crimes and Morinville RCMP in this multi-jurisdiction investigation.

ALBERTA RCMP MAJOR CRIMES UNIT INVESTIGATE THE DISCOVERY OF HUMAN REMAINS

Submitted by Alberta RCMP

On Nov. 3, 2021 at 11:10 a.m., Parkland RCMP with the assistance of Parkland RCMP General Investigation Section and Devon RCMP, responded to found human remains in the area of Highway 60 below the Devon bridge.

Parkland RCMP's investigation into the circumstances surrounding the found human remains are believed to be suspicious. As such, the Alberta RCMP Major Crime Unit attended and took over carriage of the investigation. The Alberta RCMP Major Crime Unit, along with the assistance of Parkland RCMP

General Investigation Section and the RCMP Forensic Identification Services, continue to investigate the suspicious death.

An autopsy is scheduled to be completed on Nov. 4, 2021 by the Edmonton Office of the Chief Medical Examiner.

GOOD NEWS STORY NEW BOARD JUMPS IN

Submitted by GYPSD

The Official Results of the 2021 General Election were announced Friday, October 22, and the new Board of Trustees was immediately at work, visiting schools and meeting with Division principals.

In their first week, the new Board of Trustees met with

Jasper, Edson and Lobstick principals, and enjoyed meeting students during school visits. After hearing about each school's successes and challenges, the Trustees asked principals what advocacy matters or issues they could bring forward to the Government of Alberta to support the school's goals.

New Board of Trustees Jumps into Work!

Priority 3 Community Engagement

In Loving Memory
of
Leslie Malcolm Burke
January 21st, 1955 – November 1st, 2021

It is with great sadness that we announce the passing of Les Burke from The Grey Nuns Hospital in Edmonton AB., at the age of 66.

Leslie is survived by his brothers Brian Burke (Lila) of Entwistle AB., James Burke (Lynn) of Spruce Grove AB., sister Lynette Nienaber (Lorne) of Evansburg AB. Niece's Carla Burke, Tricia Burke, April Burke and nephews Clayton Burke and Benjamin Semenyina. He has left behind many friends he calls family.

Leslie was predeceased by his father and mother Angus and Adelaide Burke, twin sister Lloy Semenyina (Richard), brother Doug Burke, nephews Scott Burke and Cory Burke.

Les was born in Stettler AB., and lived in, Drayton Valley, Rocky Rapids and Entwistle before setting down roots in Evansburg, after high school.

Les had the freedom to do as he pleased and enjoyed cruising on his Harley, downhill skiing, dirt biking, water skiing, playing hockey and of course golf.

Les loved spending time with children as they were curious and willing to learn. He taught all that was willing to ski, play hockey, golf, and swim. His love of books and learning gave him an opinion on everything!

To quote John Lennon's song, Imagine, "no hell below us, above us only sky." Les made his heaven on earth through his friendships, generosity, and willingness to forgive. He rests with his creator until we meet again.

The family would like to thank Dr. Norris, Resident Dr. Odenback and the RT nurses including Jessica, Sean, and Crystal for their dedication, knowledge, skill and support. Thank you also to the Evansburg Legion Lodge and residents for making their place a home.

A short grave side service will be held at the Wildwood Cemetery at 2:00pm Saturday December 11th, 2021.

A celebration of life TBA.

PHOTOGRAPHY “SHOOT-OUT” DAY WAS A SUCCESS AT TIPPLE PARK MUSEUM

Submitted by Tipple Park Museum

Tipple Park Museum hosted a fun photography “shoot-out” day on October 29th. The staff dressed up in time-period-themed wardrobe pieces (provided by Sandra Scherger) and

modeled for the participants in and around the historical buildings. Even though it was a bit on the chilly side, it was a really enjoyable time for everyone involved! There was a total of 6 photographers taking from various parts of Alberta and their skill levels

were intermediate right up to seasoned pros. Thank you to each of them for attending and making our inaugural event a success! We would also like to thank Lori Cotton of Body & Soul salon in Entwistle for the amazing job she did with hair and makeup for the

models and the Pembina Lobstick Historical Society for their support as well. Next year, we hope to host another photography event here, when it’s a bit warmer and have longer daylight hours to shoot in. Already looking forward to it!

DUNGEONS AND DRAGONS ARE COMING TO TIPPLE PARK MUSEUM!

Submitted by Tipple Park Museum

Come join us on the evening of December 3rd, from 6 pm-9 pm, for a few hours of adventure and problem solving to add a little change of pace to our everyday lives. Geared to ages 14+, we are welcoming teens and adults alike to register for this program – but do so quickly as spots are limited! There is no charge for this event, all we ask is that you wear a mask and bring a sense of humor, creativity, and respect to the table. For any interested persons who might have a few questions about ‘Dungeons and Dragons’ before signing on board, feel free to contact Richelle Larouche via e-mail at tippelparkmuseum@gmail.com or give us a call Wednesday through to Saturday between the hours of 10 am to 4 pm at (780) 727-2240. We look forward to new players and old joining us, and if there is enough interest, we may be able to make this a monthly occurrence in the new year!

GET FULLY PROTECTED.

YOU NEED BOTH INFLUENZA AND COVID-19 VACCINES.

Children under five years of age and their households can get their influenza vaccine at an AHS clinic. Appointments are required.

All other Albertans can get their flu shot from a participating pharmacy or doctor’s office.

Don’t have your COVID-19 vaccine? It’s safe to get influenza and COVID-19 vaccines together. Both vaccines are available at selection locations.

If you need help booking one or multiple appointments for children and family, call Health Link at 811.

HOW DRIVERS CAN MAKE CITY DRIVING SAFER

Many drivers will never find themselves behind the wheel of a car or truck within city limits. But when the occasion calls for driving in crowded cities where conditions are more hectic than in the suburbs or rural areas, drivers can take steps to make themselves more comfortable.

- Drive a vehicle with an automatic transmission. City driving features lots of stop-and-go traffic, which

can make driving cars with manual transmissions more stressful. When possible, drive vehicles with automatic transmissions in crowded cities. Doing so may even help drivers be more aware of their surroundings.

- Drive small cars. Small cars are easier to maneuver within city limits than large vehicles. Mid-size sedans, trucks and SUVs can be more difficult to parallel park, and even when

spaces are available, such vehicles might not fit. City dwellers tend to rely more on public transportation than their own vehicles, so drivers moving to cities might find small cars align better with their new lifestyles than large automobiles.

- Use parking assist technology. Drivers who are somewhat rusty with regard to parallel parking may find parking assist

technology makes it considerably easier to squeeze into tight city spots. Rear-mounted cameras that project onto the vehicle's dashboard navigation screen can help drivers avoid bumping other cars when backing in, while sensors can notify drivers when they're getting too close to other cars.

How Drivers Can Make City Driving Safer

Continued from Page 7

Remember to be watchful for pedes-

trians. Drivers used to driving in suburban or rural areas may not encounter pedestrians

all that often. But pedestrians can be found all over cityscapes and often have the right of way. Even when they don't, pedestrians may not be as attentive as motorists. As a result, drivers should be watchful for pedestrians at all times, even waiting an extra second when lights turn green to avoid pedestrians who might still be in crosswalks.

Resolve to drive slowly. Always obey

speed limits when driving in a city, even when it seems like no motorists or pedestrians are sharing the roads. Sightlines are often blocked when driving in cities, and pedestrians or children playing can suddenly appear in roadways that seemed empty moments before. Driving slowly within city limits reduces the likelihood that drivers will hit pedestrians with their cars or trucks.

LUMINARIA NIGHT NOVEMBER 26, 2021

Submitted by Tipple Park Museum

Twinkle twinkle
Little light
Christmas is coming
And it is ever so bright
Carol carol
Everyone
Time to bundle up
And sip some hot cholate
From that cup

Jolly jolly
Soon to come
Festive Music
And a romantic stroll
Oh, what fun!
Time to light up those pathways again, serve hot chocolate, and stroll underneath the start light with our third Luminaria Night happening Friday, November 26th.
If you missed out on our

second luminaria, here is a preview of what is about to happen. The pathways behind Tipple Park Museum are going to be brightened up with over 100 candles in festive paper bags creating a romantic atmosphere. Along the pathways, you will find Santa's Anonymous members serving free hot chocolate, along with Christmas carols playing out of

the gazebo.
If you would like to join in on the fun, please bring food for our local Food Bank.
Thank you to Entwistle School Students who once again, are going to volunteer for this lovely event.
Doors will open at 6:00 pm and close at 9:00 pm.
Merry Christmas.

EQUINE TECH GREEN CERTIFICATE PROGRAM

Submitted by GYPSD

GYPSD is appreciative of the many community partners who support high school students in Career Pathway programming. Grade 12 student Trinity Shpakowsky (standing left) benefits from the expertise of Megan Greenwood (standing right), Equine Technician Green Certificate Program partner and owner/trainer at The Riverwood Ranch.

Grand Trunk Principal Heidi Zadderey shared that "Trinity

is a truly dedicated, hardworking student who strives for excellence and is passionate about learning." Each Green Certificate Program provides students with 16 credits in their specialized area of learning.

When Trinity has completed the program, she will have invested, at minimum, 200 hours of on-site learning and be awarded the Green Certificate Technician credential.

The Green Certificate Program was developed by Alberta Agriculture and Forestry

(AAF) to develop human resources for Alberta's agriculture sector. An industry-driven training program, the "apprenticeship-style" approach provides students with opportunities to enter a variety of agriculture-related credential courses leading to a career in agribusiness. Students learn on the job, under the direction of experienced farm personnel and under the supervision and administration of Alberta Agriculture and Forestry (AFF) and Alberta Education.

Grand Trunk currently has 12 students who are working through different stages of their Green Certificates in multiple specializations: Sheep, Cow, Poultry, Equine and Field Crop.

More students are interested in getting started next semester. This program is growing quickly in thanks to the very supportive agricultural community that supports students in their learning!

ALBERTA RCMP MAJOR CRIMES INVESTIGATE HOMICIDE

Submitted by Alberta RCMP

On Nov. 4, 2021 at 5:27 p.m., Edson RCMP responded to a report of a shooting at a business on 50 Street in Edson.

An unknown male suspect entered a business with a firearm and attempted to

rob the business. During the interaction, the suspect discharged the firearm and injured an employee.

The suspect who was unsuccessful in the robbery attempt, fled the business leaving the firearm behind, and departed in a vehicle. The suspect vehicle was located a short distance away

unoccupied.

RCMP Police Dog Services and the Forensic Identification Section were called in to assist.

An adult male sustained critical injuries as a result of the firearm being discharged. The male was taken to hospital by EMS however died as a result of his injuries.

Alberta RCMP Major Crimes Unit has taken over carriage of the investigation with the assistance of Edson RCMP.

An autopsy has been ordered by the Office of the Chief Medical Examiner and will be completed next week.

The investigation is ongoing.

JOKE of the week

There was a kid named Joey and he couldn't add, so when they had a test on addition he copied off John's paper. When he was finished with the test his teacher said: Joey why did you copy off John's paper?

Joey: I didn't.

Teacher: Yes you did.

Joey: How did you know?

Teacher: I knew because when John wrote, "I don't know," on question #6, you wrote, "me neither."

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

We now carry Manuli! They are a European manufacturer and they engineer it all in Europe. All of their product is produced in their own factory, no outsource. Adding this in we have been able to gain access to many of the European fittings that have become much more common in North America.

BSPB, Metric Din, Metic cone, JIS.

These fittings are clear across all brands John Deere, Case, New Holland, JCB, Fendt, Massey Ferguson. Many of the implements that have been sold in the last few years have also used these predominantly European fittings.

We offer these services

- CVIP Inspections
- Hydraulic hose crimping and thousands of adapters in stock.
- A/C Repair
- Espar and Webasto Repair, Installation.
- Engine Repair and Rebuilding.
- Power train/Driveline repair and service.
