### TIPPLE PARK MUSEUM IN SEARCH OF WEDDING DRESSES FOR OUR UPCOMING EXHIBIT

Submitted by Tipple Park Museum

Tipple Park Museum is looking for wedding dresses from 1940 – the 1980s to be displayed on loan, that will be used for our upcoming Wedding

Dress Exhibit in the New Year.

Dresses will be displayed starting the end of January to the middle of April 2022. If you are interested in loaning your dress, we will also need a photocopy picture of the

bride in the dress, along with a brief write-up of how she found the dress.

We are accepting dresses between Jan 5 - Jan 19, 2022. Our office hours are 10 – 4 Wednesday to Saturday.

### WINTER BREAK EXTENDED FOR K-12 STUDENTS

Submitted by Government of Alberta

To support a successful return to school and provide additional planning time, the kindergarten to Grade 12 winter break will be extended provincewide to January 10.

The extended break will give school authorities time to gather additional data to assess staffing implications and the potential operational impacts of the current COVID-19 situation.

To assist with the safe return to classes, Alberta

Health and Municipal Affairs' PPE Task Force will also deliver 8.6 million rapid tests and 16.5 million masks to schools, starting the week of January 10.

To further support high school students whose learning ...

# Winter Break Extended For K-12 Students

*Continued from Page 1*

... is disrupted by this extension, January diploma exams have been cancelled. A decision will be made later in 2022 regarding April and June diploma exams.

“With the COVID situation rapidly evolving, so too must our response.

This pause will give teachers, school administrators and school authorities more time to plan for students to return safely to learning. Under very challenging circumstances, I am very grateful to parents, students, teachers and education partners for their flexibility during the pandemic.”

Adriana LaGrange, Minister of Education

School authorities will use the extended student winter break to prepare for potential in-person and at-home learning scenarios, as they have done previously during the pandemic. Information and guidance to support school authorities and

parents is available on [alberta.ca/returntoschool](http://alberta.ca/returntoschool).

With this change, we are responding to concerns from Education stakeholders and aligning Alberta with other provinces in Canada. A pause will also help school authorities plan for changes in testing and contact notification.

The rapid test distribution will offer enough rapid tests to provide two five-test kits to each student and staff member across the entire education system. Distribution is being finalized and more information will be shared next week.

Medical-grade masks will also be distributed through schools to students and school staff through a phased approach. When fully distributed, staff and students will receive an eight week supply. Both pediatric and adult medical grade mask distribution will be coordinated in a phased approach through Municipal Affairs' PPE Task Force and more information will also be shared next week.

More information on next steps related to whether students will learn in class or at home beginning January 10 will be communicated late next week. The decision will be evidence-based using operational information provided by school authorities, case information and other available health data.

# CHILDREN'S SHOPPING NIGHT TURNOUT TIPPLE PARK MUSEUM

Submitted by Tipple Park Museum

The first kid's shopping event here at Tipple Park Museum was a fabulous success! Around 200 kids came to do some Christmas shopping and did so with great enthusiasm. They were able to browse the products of 15 different vendors then have everything wrapped and labeled by museum staff and volunteers. They were also greeted at the door with candy canes and a shopping basket and were able to have a relaxed shopping experience with a hot chocolate in hand. Thank you

to everyone who took part: shoppers, vendors, and everyone who wrapped set up, cleaned up, greeted and served hot chocolate, and participated in any way! We appreciate the donation of wrapping supplies from Luther House, hot chocolate from Santa's Anonymous, and candy canes from Patrick Soroka, thank you! Looking forward to next year!

## ALBERTA RCMP MAJOR CRIMES INVESTIGATE HOMICIDE

Submitted by Alberta RCMP

The Alberta RCMP Major Crimes Unit's investigation into the Nov. 4, 2021, fatal shooting of 44-year-old Cordell MacLellan of Edson, has resulted in an arrest and charges.

Further investigation into the fatal shooting led Alberta RCMP Major Crimes to attempt the arrest of a 21-year-old male on Dec. 11, 2021, at 4:00 p.m., with the assistance of Edson RCMP; however, the male fled into a treed area north of Highway 16 and east of Highway 32. The suspect was contained awaiting additional resources from the RCMP Police Dog Service and the Alberta RCMP Emergency Response Team. As the Alberta RCMP Air Services was unavailable to assist, Edmonton Police Service Air 1 provided assistance. At approximately 6:40 p.m., the male was taken into

custody by the Alberta RCMP Emergency Response Team.

Brent Michael Dumas (21) of Yellowhead County, Alta., is charged with:

- First degree murder
- Possession of a prohibited firearm
- Possession of a firearm contrary to order
- Assault with a weapon

Following a judicial hearing, Dumas was remanded into custody and is scheduled to appear in Edson Provincial Court via CCTV on January 18, 2022.

In relation to the charge of Assault With a Weapon, a second employee, a 32-year-old male from Edson, was assaulted by the suspect during a physical altercation, that occurred after the shooting, while still inside the store.

As this matter is before the courts, no further details can be provided.

# SUDOKU

## of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

**ANSWER:**
