### RURAL ROOTS FARMER SHOWCASE RETURNS TO GEORGE PEGG GARDEN

Submitted by George Pegg Gardens

The Rural Roots Farmer Showcase Committee has been hard at work organizing a one-of-a-kind event to highlight local food, the farmers who produce it, and to showcase local music as well. On August 13, 2022, George Pegg Garden will be alive with activity

offering visitors a unique experience in a charming location.

Planned to coincide with Alberta Open Farm Days, this year's outdoor event pairs a daytime vendor market with an evening picnic-style meal and concert. Pegg Garden is just north of Glenevis, in Lac Ste. Anne County.

"The Rural Roots Farmer

Showcase is the perfect opportunity to learn about the bounty of food in our community- meet the producers, enjoy a fabulous dinner, and immerse yourself in music, all in an outstanding outdoor setting."

Lorraine Taylor, Horticulturist, Lac Ste. Anne County Visit the Pegg Garden website for market...

## CANADA AND METIS SETTLEMENTS GENERAL COUNCIL ANNOUNCE HOUSING

Submitted by Government of Canada

During negotiations towards a reconciliation agreement to advance their visions of greater self-determination, support for housing was identified as a priority for the eight Métis settlements of Alberta that comprise the Metis Settlements

General Council.

Today, the Honourable Marc Miller, Minister of Crown-Indigenous Relations, joined President Herb Lehr of the Metis Settlements General Council to announce an investment of \$29 million over seven years towards housing priorities for Métis settlements of Alberta.

Access to safe and affordable

housing is critical to improving health and social outcomes for Indigenous Peoples and ensuring a strong future for their communities and children. This investment is part of \$190 million from Budget 2022 for Métis to address urgent housing needs, including specific funds for Métis institutions and governments in Canada.

# BEAUTIFUL SUNNY ALBERTA.

Submitted by David P  
Carroll

On a warm sunny day  
In beautiful and  
Peaceful Alberta  
Today and the sky is  
So blue and sun  
It's so bright

And the little birds are  
Singing so passionately  
In the warm sunlight  
And the children are  
Playing in warm hot sun  
And it's so hot today and  
I've been drinking  
My wine all day

And a warm gentle  
breeze

Blowing all day and I'm

In sunny Alberta today  
And the cherry blossom  
trees

Smell so beautiful and  
there  
Gently blowing softly  
In the morning wind  
And I'm watching  
The flowers are dancing  
in

The warm sunlight  
There smiling so bright  
In the sunlight and there  
Swaying side to side and  
it's

Just a magical sight  
And the hills are  
So green and bright and  
I'm watching the stars

Shining in Edmonton to-

night and

It's just so beautiful and  
peaceful

All night and the stars  
twinkling

Every night and

The moon shines so  
bright

It's so beautiful and blue  
tonight

And the midnight breeze  
feels

So magical tonight and  
it's

Time to whisper to beau-  
tiful

Alberta good night.

#### COUNTY CROP

##### **SURVEILLANCE PROGRAM** **On the lookout for diseases and pests common to regional crops**

Agricultural Services staff will be conducting seasonal crop surveillance activities across the County. Landowners are advised that inspectors are likely to enter fields unannounced due to time constraints and the sheer area of agricultural land that needs to be covered.

Rest assured that County crop survey crews will exercise extreme care when entering fields to minimize any potential spread of crop issues from field to field. Precautions include the use of disposable boots and/or disinfection with a bleach solution prior to entering any field.

For more information on crop surveillance program or a copy of our survey protocol please visit online at [LSAC.ca/agriculture](https://lsac.ca/agriculture) or call and ask to speak to an Agriculture Services specialist.

#### **BLUE-GREEN ALGAE ADVISORY IN PLACE FOR COUNTY LAKES**

##### **Lac La Nonne, Lac Ste. Anne, Isle Lake and Paddle River Dam Reservoir**

AHS advises to avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible. Do not swim or wade, or allow your pets to swim or wade in any areas where blue-green algae is visible. Do not feed whole fish or fish trimmings to your pets. Consider limiting human consumption of whole fish and fish trimmings.

# WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

Whitecourt Town Council has adopted the Intermunicipal Collaboration Framework (ICF) with Woodlands County.

The Government of Alberta requires all municipalities that share borders to adopt an ICF to formalize the coordination of service delivery and optimize resources for citizens. In

2021, the municipalities agreed to proceed with voluntary arbitration to reach an agreement on the ICF, and earlier this year the arbitrator's decision was released. Both municipalities are to adopt the agreement by August 4, 2022 to meet provincial legislative requirements.

A Jumbo Jumper will be installed at Rotary Park thanks to sponsorship from Energy Transfer Canada. The Jumbo

Jumper, which is filled with air and acts like a trampoline, is a seasonal feature that will provide fun and entertainment for people of all ages.

Preferred Property Management (4603 52 Avenue) and Divine Spa & Wellness Centre (5012 52 Avenue) have been awarded funding through the Vitalization Grant Program. The Vitalization Grant Program offers businesses locat-

ed in the downtown area and along the Highway 43 corridor up to \$10,000 to enhance their business or property to meet the Town's architectural theme of stone and wood.

Whitecourt Town Council received a quarterly financial report and overview of the impact of COVID-19 at the July 18 Regular Meeting.

## WHITECOURT NAMED DESIGNATED COMMUNITY FOR IMMIGRATION PROGRAM

Submitted by Town of Whitecourt

Whitecourt is proud to announce that it is a Designated Community under the Rural Renewal Stream of the Alberta Advantage Immigration Program (AAIP).

The AAIP is an econom-

ic immigration program that nominates individuals for permanent residence in Alberta. Through this partnership, the Whitecourt Economic Development team will work with local businesses and industry to attract and recruit newcomers, and collaborate with organizations to support their

move to Whitecourt.

"This is a great economic opportunity for our community," stated Whitecourt Mayor Tom Pickard. "Being part of this program will not only bring highly trained individuals to our community, but it will also bring new business and services that will add to our grow-

ing economy."

A Rural Renewal Stream candidate is a foreign national who does not have permanent residence or Canadian citizenship. As such, qualifying candidates may be recruited from within Alberta, Canada or outside of Canada.

# HELPING EARLY CHILDHOOD EDUCATORS SUPPORT KIDS

Submitted by Government of Alberta

The governments of Alberta and Canada are helping more than 3,300 educators sharpen their skills through free early childhood brain science and development training.

Funding of \$5.2 million is being provided to the Association of Early Childhood Educators of Alberta (AECEA) and the Alberta Resource Centre for Quality Enhancement (ARCQE) that will give early childhood educators opportunities to enhance their understanding of early childhood brain science and childhood development. These organizations will use the funding to train educators and reimburse them for their training time.

"Skilled professionals are essential to supporting kids' learning and development in their early years. Time is often a barrier for educators to access further training, which is why Alberta's government is allocating this funding to help pay these educators while they enhance their skills and knowledge. This will ensure the next generation of kids is equipped with the tools they need to become tomorrow's leaders."

Matt Jones, Minister of Children's Services

"Early childhood educators do incredible work in nurturing our children. By providing early childhood educators with the training and development opportunities they need, we are supporting their growth and the growth of a high-quality child-care system in Alberta."

Karina Gould, federal Minister of Families, Children

and Social Development

Of the \$5.2 million, \$3.6 million is being used to give about 3,000 educators access to the Brain Story Certification course offered through the Alberta Family Wellness Initiative. Educators will also have an opportunity to partici-

pate in theory-to-practice sessions, helping transfer knowledge from the course to daily practice.

"Alberta is a global leader in translating the science of brain development into positive life outcomes for citizens, families and communities. This grant makes

this crucial body of knowledge available to early educators, ensuring they have the tools they need to help children grow into resilient adults with good mental and physical health."

# Helping Early Childhood Educators Support Kids

*Continued from Page 11*

Nancy Mannix, founder, Palix Foundation & Alberta Family Wellness Initiative

"Early childhood educators are essential to the delivery of high-quality learning and child care and they need to be well-educated, supported and remunerated to undertake that work. We are excited to provide educators with an opportunity for continued professional learning on the scientific underpinnings of early brain development and the important role educators play in a child's early years."

Carol Sullivan, board chair, AECEA

"Early child educators/caregivers who understand the science of brain development and the importance of nurturing relationships are better poised to have a positive impact on children in their care. By developing knowledge, skills and abilities regarding this science, we can optimize outcomes for our children."

Robin Gibb, professor and associate chair of curriculum, Department of Neuroscience, University of Lethbridge

The remaining \$1.6 million will help up to 350 early childhood educators access

professional development and training on childhood development. This will enhance quality programming in early learning child-care settings, particularly when it comes to assessing a child's development and providing the appropriate supports.

"Recognizing that the first five years of a child's life is the most formative period of development, ARCQE looks forward to implementing provincewide practice strategies focused on enriching educator capacity and program quality. Through access to specialized training and resources, early childhood educators

will be further supported in helping children reach their full potential."

Corine Ferguson, executive director, ARCQE

The \$5.2-million funding is provided through the one-time investment of \$56 million in 2021-2022 to support the early childhood workforce under the made-in-Alberta child-care agreement with the federal government. The early childhood workforce funding complements and supports the Canada-wide early learning and child-care vision.

## PARKLAND INVESTIGATE SEXUAL ASSAULT INVOLVING MASSAGE THERAPIST

Submitted by Parkland RCMP

On July 22, 2022, Parkland RCMP received a report of a sexual assault that occurred while the victim was receiving a massage at a massage therapy business in Spruce Grove. As a result of the investigation, Parkland RCMP have charged Jordan Kevin Alex Mcnaughton (26), of Edmonton, with Sexual Assault.

Mcnaughton has been released from police custody

with conditions and is set to appear on August 31, 2022, at Stoney Plain Provincial Court. As this matter is now before the courts, no further details surrounding these charges can be provided.

Parkland RCMP believe that there may be additional victims and encourage those individuals to come forward.

# GOLFER'S GUIDE

## DON'T LET GOLFING PAIN BE PAR FOR THE COURSE

A little know-how can help golfers avoid unnecessary injury. Considering the number of times a swing is repeated during a game, it's not surprising that the season often ends early for those who are not physically prepared.

Below are a few simple stretching techniques that can help prevent or reduce the impact of injuries:

### Side bending stretch

1. Stand with feet shoulder-width apart.
2. Hold the golf club above your head with your arms straight.
3. Slowly bend to one

side, without rotating, until you feel a stretch in the side of your back.

4. Hold for 15 seconds and repeat twice for each side.

### Shoulder stretch

1. Hold the shaft of a golf club vertically be-

hind your back.

2. Gently pull the club up with your top hand until you feel a slight stretch in the shoulder of your lower arm. Hold for 15 seconds.

3. Gently pull the club down with your bottom

hand until you feel a stretch in the top shoulder and arm.

4. Hold for 15 seconds.
5. Reverse hand positions and repeat.

# APPROXIMATELY \$1.4 BILLION IN UNCASHED CHEQUES IS SITTING IN THE CANADA REVENUE AGENCY'S COFFERS

Submitted by Government of Canada

The Canada Revenue Agency (CRA) has approximately \$1.4 billion in cheques that have gone uncashed over the years. As of May 2022, there were an estimated 8.9 million uncashed cheques with the CRA and we want to make sure this money ends up where it belongs. In taxpayers' pockets!

Each year, the (CRA) issues millions of payments in the form of refunds and benefits. These payments are issued by either direct deposit or by cheque. Over time, payments can remain uncashed for various reasons, such as the taxpayer misplacing the cheque or

even a change of address which did not allow for delivery.

The CRA will be notifying some recipients of the Canada child benefit and related Provincial/Territorial programs, GST/HST Credit and Alberta Energy Tax Refund (AETR) recipients of any uncashed cheques they may have by email notification. Approximately 25,000 e-notifications will be issued in August and another 25,000 in November 2022, followed by the next 25,000 in May 2023.

Since the CRA launched this initiative in February 2020, approximately two million uncashed cheques valued at \$802 million were redeemed by Canadians between February 10, 2020,

and May 31, 2022.

In 2020, the CRA introduced a feature where taxpayers can view their uncashed cheques and collect unclaimed benefit and credit payments that belong to them. Through My Account, Canadians can check to see if they have an uncashed cheque with the CRA, some dating as far back as 1998. As government cheques never expire or stale date, the CRA cannot void the original cheque and re-issue a new one unless requested by the taxpayer. These upcoming e-notifications are to encourage taxpayers to cash any cheques they have in their possession. The average amount per uncashed cheque is \$158. It can pay to

sign up for the CRA's online services!

Any taxpayer, regardless of whether they receive a notification, can check if they have a cheque by logging into My Account. Taxpayers will see an option under "related services" entitled "uncashed cheques." From here, they will be able to easily check if they have a CRA cheque, uncashed for six months or more. Then, all they have to do is complete and securely submit the displayed form online in My Account. Through the Represent a Client Service, representatives can also view uncashed cheques on behalf of their clients.

## WHITECOURT AWARDS CONTRACT TO CLARK BUILDERS

Submitted by Town of Whitecourt

Clark Builders has been awarded a Construction Management Services Contract for construction projects in downtown Whitecourt. The initial project includes the extension of 50 Street/Legion Street. This project will increase safety and access into Rotary Park, and assist with traffic control and reduce congestion. Completion of the road extension will also help to revitalize the downtown

by providing direct access to Rotary Park through the downtown core.

A final decision on the Culture & Events Centre has not been made by Whitecourt Town Council; however, the agreement with Clark Builders states that should the Culture & Events Centre proceed, it will also be responsible for Construction Management Services for the facility.

"Clark Builders is excited to be working in Whitecourt commencing this summer as your Con-

struction Manager for the Rotary Park Roadway and Parking Project," stated Steve Lenarduzzi, Senior Vice President for Clark Builders. "Local suppliers and trade partners please stay tuned as we will be advertising shortly how local trades can become involved in the project. Our team is eager to get to work and deliver a great project and a great experience!"

"I'd like to welcome Clark Builders to the community, and look forward to completion of the project

for Rotary Park," added Mayor Tom Pickard.

# IS THIS JUST POLITICS?

Submitted by MP Gerald Sorka

Instead of targeting gangs and illegally smuggled firearms, Justin Trudeau has introduced a firearm buyback program that punishes lawful firearms owners. The fact is, hobbyists, collectors, sport shooters, and hunters are not the ones to blame for the rise in gun crime in Canada – gangs, criminals, and the guns they illegally smuggle from the US are.

The Liberal government claims that the firearm buyback program will cost taxpayers between \$400-\$600 million, (likely a lot more). This so-called program will do nothing to get the countless guns illegally held by gangs and criminals off the streets.

Eighty-five percent of handguns come from the United States. Should not the focus be on enforcement? Where is the program to collect and destroy the guns the Trudeau government is now claiming are too dangerous for licensed, law-abiding Canadians to own?

Will legal firearms owners be compensated?

What this buyback program will do is punish those who follow the law by financially punishing them.

Again, the government should focus on supporting grassroots community organizations that prevent our youth from joining gangs and invest in CBSA and police anti-gang and gun units to provide law enforcement with the resources they need to stop illegal firearm smuggling and gun violence at its root.

The federal government currently has a tender notice on their website for a "request for information (RFI)," not even a "request for proposals," on how to design the program.

The RFI was posted July 14 and amended on July 29 with a closing date of August 17 for those interested in helping with the BBP or buyback program. More than two years after the Trudeau government announced this program, they still don't have the basic structure, despite having already

spent more than \$8.8 million on it.

As no buyback program exists, how does this government even put out this price list? Millions have been spent since May 1, 2020, and still nothing has happened.

The RCMP has said they can't oversee this program in terms

of collecting firearms. Canada Post has also reportedly told the government that it can't be the main collection point for hundreds of thousands of firearms, either.

# SUDOKU

*of the week*

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
