### TIPPLE PARK MUSEUM PROGRAMS

Submitted by Tipple Park Museum

For the month of August, Tipple Park Museum is hosting a couple events for children and adults. On

August 17th, aside from our new exhibit opening, we will be hosting a 'Friendship Bracelet' workshop for children ages 8+. The workshop will teach the attendees how to braid embroidery

thread into colorful creations and hopefully inspire them to experiment and see what else they can create!

We are also continuing to run our monthly D&D...

### PARKLAND RESPOND TO COLLISION RESULTING IN FATALITY

Submitted by Parkland RCMP

On August 3, 2022 at about 1:35 p.m., Parkland RCMP, Parkland Fire, EMS and STARS Air Ambulance attended the scene of a collision involving a truck and

a sedan. The collision occurred at Highway 16A and Range Road 20 in Parkland County, Alberta.

The driver of the sedan, a 22-year-old female, succumbed to her injuries. The driver of the truck, a 61-year-old-male, sus-

tained minor injuries.

Highway 16A was reduced to a single lane in the west-bound direction, and Range Road 20 between Highway 16 and Highway 16A was closed for several hours while the RCMP...

### LIVE WELL IN YOUR COMMUNITY

Submitted by Seba Beach Seniors

It is hard to keep up to some retirees as they continue a pace of social and

sports activities that would leave a 30-year-old winded. More people aged 50 plus are starting to find that retirement while changing some aspects of living, is

actually a golden opportunity to the things that you never seemed to have the time for.

...game for kids and teens (10+) on every second Friday of the month starting at 6pm. There are a couple spots still available for this game, but they are limited so don't hesitate to call and sign up your child if

they are interested.

While we're on the subject of D&D, the Museum would also like to test the waters to see if there are adults interested in participating in a separate session that will happen on the last Saturday of each month (also starting at 6pm). If we have enough

interest, we will be organizing a group of all levels of experience! New players and old are welcome!

Museum Staff hopes you are all having a wonderful summer, and look forward to seeing you at our museum this August!

# Live Well In Your Community

### Continued from Page 1

Learn more about the keys to having that approach to living in your community and enjoying the benefits of time as you like it.

On August 17, from 10 am to 2 pm, drop by the Seba Beach Seniors Centre in Seba Beach to experience samples of programs and exercise classes, skills ac-

tivities, speakers, and ideas from exhibitors.

“Living in your Community” is a showcase of the opportunities being made available to people living in the western area of Parkland County as well as the nearby Yellowhead and Brazeau county areas.

“It’s a result of a partnership between the Seba Beach Seniors and West

Edmonton Seniors Activity Centre to provide more choices, and information about living in your community, with your friends and family and contacts, without having to move,” said Gene McMullen, president of the Seba Beach Seniors. “By having a greater choice of exercises, activities, and speakers that talk to the needs of a modern se-

nior, we hope to equip people with the ideas they need to live where they want to, and often that’s in the home they’re used to, with the friends and family they’d lived with for years.”

The event will kick off at 10 am with a talk about Go Get Fit, followed by sample fitness classes and more.

**STOP THE SPARK!**

Last year, 70% of wildfires in the Edson Forest Area were human caused.

Debris falling from Off-Highway Vehicles (OHVs) has been known to cause wildfires. Debris (such as grass, moss, etc) can heat up, ignite, and drop to the ground while you're riding, starting a wildfire.

**Prevention is Key.**

How can you prevent a wildfire? Clean out hot spots and remove debris from your vehicle. Continue to check for debris both during and after your ride. Make sure your vehicle is clean and working properly. If possible, bring firefighting equipment with you (such as a small shovel, pail, or fire extinguisher).

# SUDOKU

*of the week*

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
