Call For Proposals For Community Projects To Support Seniors

Submitted by MP Gerald Soroka

Gerald Soroka, Member of Parliament for Yellowhead, wishes to advise that the Government of Canada has launched the 2022-2023 call for proposals for community-based projects through the New Horizons for Seniors Program (NHSP). Organizations are invited to submit project proposals to support seniors and encourage them to play important roles in their communities.

Thank you

Thank You to Wabamun Fire Department for your prompt response and clearing my house of carbon monoxide. My carbon monoxide detector alerted me to the danger. If you don't have a carbon monoxide detector get one or more! It may save your life!

Thank you .

Government Of Canada To Remove COVID-19 Border And Travel Measures

Continued from Page 1

available data, operational considerations, and the epidemiological situation, both in Canada and internationally. Today the Government of Canada announced the removal of all COVID-19 entry restrictions, as well as testing, quarantine, and isolation requirements for anyone entering Canada, effective October 1, 2022.

The removal of border measures has been facilitated by a number of factors, including modelling that indicates that Canada has largely passed the peak of the Omicron BA.4 and BA.5 fuelled wave, Canada's high vaccination rates, lower hospitalization and death rates, as well as the availability and use of vaccine boosters (including new bivalent formulation), rapid tests, and treatments for COVID-19.

Effective October 1, 2022, all travellers, regardless of citizenship, will no longer have to:

- submit public health information through the ArriveCAN app or website;
- provide proof of vaccination;
- undergo pre- or on-arrival testing;
- carry out COVID-19-related quarantine or isolation;
- monitor and report if they develop signs or symptoms of COVID-19 upon arriving to Canada.

Transport Canada is also removing existing travel requirements. As of October 1, 2022, travellers will no longer be required to:

- undergo health checks for travel on air and rail; or
- wear masks on planes and trains.

Although the masking requirement is being lifted, all travellers are strongly recommended to wear high quality and well-fitted masks during their journeys.

Cruise measures are also being lifted, and travellers will no longer be required to have pre-board tests, be vaccinated, or use ArriveCAN. A set of guidelines will remain to protect passengers and crew, which will align with the approach used in the United States.

Individuals are reminded that they should not travel if they have symptoms of COVID-19. If travellers become sick while travelling, and are still sick when they arrive in Canada, they should inform a flight attendant, cruise staff, or a border services officer upon arrival. They may then be referred to a quarantine officer who will

decide whether the traveller needs further medical assessment as COVID-19 remains one of many communicable diseases listed in the Quarantine Act.

The Government of Canada also reminds travellers to make informed decisions when considering travel outside of Canada to protect their health and safety. They are encouraged to review the travel health notices at <https://travel.gc.ca/traveling/advisories> for more information on safe travel.

Canadians can continue do their part to protect themselves and others, and reduce the spread of COVID-19, by getting vaccinated and boosted, using high quality and well-fitted masks where appropriate, self-isolating if they have symptoms and self-testing if they can.

MP SOROKA CALLING ON THE NDP-LIBERAL GOVERNMENT TO CANCEL THEIR PLANNED TAX INCREASE

Submitted by MP Gerald Soroka

Gerald Soroka, Member of Parliament for Yellowhead, asked the following question in the House:

“Mr. Speaker, Roy, a senior who lives close to Drayton Valley is worried about the high cost of living. He told

me it is difficult for him to have a dollar left at the end of the month. Increases for gas, groceries, and even his prescriptions went up. Roy is now wondering how he will heat his home this winter.

Mr. Speaker, will this Liberal government cancel their planned tax increases

on gas, home heating, and groceries and help not only Roy, but all Canadians?”

In response, Hon. Kamal Khera (Minister of Seniors, Lib.) replied:

“Mr. Speaker, we recognize the challenges seniors are facing, and our government has been there for them.

Now, to help seniors who

are struggling, we are doubling the GST tax credit. That means seniors will receive \$700 back in their pockets. Nearly two million low-income renters who are struggling with their rent will receive \$500. We also increased the old age security for seniors aged 75 by 10%. For seniors, for a full pensioner, that means \$800 in their pocket.

While the Conservatives oppose every affordability measure, we will remain focused on delivering for seniors.”

LEARNING IN ACTION AT GTHS

Submitted by GYPSD

With summer in their rear-view mirrors, the students at Grand Trunk High School in Evansburg have leapt into the new school year.

Grade 7 students in science analyzed rocks and minerals with their properties in an outdoor lab for the Planet Earth unit; students in Wins Seven honed their numeracy skills with various math stations.

Students in Science 24 began their first lab testing the effect of soap on the miscibility of oil and water while students in the Career and Technology Foundations course on comic creation where they explored the use of literary devices and art to form panels of comics!

PROPOSAL CALL FOR SNOW REMOVAL

Grande Yellowhead Public School Division invites all interested contractors to submit a proposal for the removal of snow, grading and the sanding of all Division owned parking lots at the following locations:

Grand Trunk High School, & Evansview School in Evansburg, Wildwood School, and Niton Central School.

The successful contractor must demonstrate that all of the areas bid on will be cleaned and sanded within a 12 hour period after any significant snowfall.

The proposal call should therefore include the type and number of pieces of equipment available to clean, grade, sand and remove the snow from all parking lots and the hourly rates charged including travel time. Include WCB clearance letter and proof of \$2 million liability insurance in proposal.

When submitting a proposal bear in mind the distance between the sites and restrictions on a single operator for a number of sites.

Preference will be given to those contractors that submit their company safety program including safe work practices and up to date equipment maintenance records.

Sealed quotes will be received by Grande Yellowhead Public School Division attention:

WILDWOOD AG SOCIETY NEWS

Submitted by Carol Riehl

Oh my goodness... that was an amazing fair day! Thank you all for your part in making this day so outstanding.

The society has had their regular monthly meeting since the fair. Much excitement about all the good things that happened but there is always something negative that seems to happen that makes us remem-

ber that there are no perfect people. You know... complaints about how some things should have been done ectara. We can handle that easily LOL. The hardest thing to deal with when we are all hot, tired and hungry is... where are helpers to put things away... Things can't just be left out on the grounds. PLEASE society members and community members, we need your helping hands... there is

lots to be said about many hands make light work.

So with the hope that more help is on it's way for next year, the theme chosen is "Make It, Sew It, Grow It, Show It". What a great choice that is.

AND, our awards night is set for October 15th, at the Wildwood Community Hall at 6 pm.

Come out and congratulate the winners of the many categories of our fair.

Get some hints and suggestions as to why their entry was the winner. Or maybe that is a secret they don't want to share but ask them anyway.

So happy harvest! Remember to bring that large or unusual vegetable to awards night.

See you there.

THEFT AT ST. PETER'S AND ST. PAUL'S UKRAINIAN ORTHODOX CHURCH

Submitted by St. Peter's and St. Paul's Ukrainian Orthodox Church

The church, located 7 km north of Onoway, is making a plea for information about the theft.

Valuable, sentimental items dating back over the past 72 years have been stolen, including the church bell.

The bell was stolen between July 10-12, when the thieves came armed with tools. They then broke into the church at some point between August 14 and August 30, taking sacred items used in Divine Liturgy.

Anyone with information about the theft should contact Stony Plain/Parkland RCMP at 825-220-7267. Or call Crime Stoppers at 1-800-222-8477.

IN LOVING MEMORY

Eugenia Jean Ditner

It is with saddened hearts that the family of Eugenia Jean (Bura) Ditner announce her passing on Thursday, September 15th, 2022, at the age of 90 years old. Jean, as she was affectionately known, was born to Pioter and Akilina (Semeniuk) Bura May 9th, 1932, in Zosin, Poland, the fourth of six children: Olga, Nikolaj (Nick), Nadzisia (Nancy), Maria (Mary), and Vera. The Bura family left Poland in 1938 for Canada, finally settling on a farm north of Styal, AB, where they worked hard to make a home.

Jean married on June 15th, 1950, settling north of Wildwood, AB and raised seven children: Darleen (Ewald) Kwirant, Nancy (Jim) Leflar, Christine (Dale) Willoughby, Kelven Ditner, Elaine (Leroy) Mastaler, Jamie (Russell) Miller and Marie (David) Szautner.

Jean was known for her love of art and rocks and would often give away her creations to family and friends. This love of collecting rocks of all sizes and shapes was passed on to her 21 grandchildren; Micheal (Karrol), James (Peggy), Linda (Jason), Tammy (Kelly), Wendy (Bryce), Mark (Megan), Amanda (Scott) Angela (Joe), Terry (Dallas), Kevin (Rhoda), Shawn (Kaili), Alison (Doug), Bradley (Krista), Barton, Kayla (Matthew), Kelsey (Bobby), Clayton, Kerrie (Jimmy), Robert, Rina (Lindsay), and Rae. Who then passed this obsession onto 33 great grandchildren: Andreas, Madeline, Shawn, Isabel, Julia, Olivia, Raya, Matthew, Jacob, Jaeli, Kyan, Miradi, Sifa, Myla, Lynkyn, Quinn, Tanner, Jacy, Isabelle, Shae, Trey, Tylee, Teryk, Alexa, Harper, Joely, Sara, Mila Jean, River, Amelie, Elliot, Wallace, and Piper.

Jean was predeceased by her parents, Pioter and Akilina Bura, her sister, Olga, her brother, Nick, and her daughter, Darleen. The family would like to thank the Drayton Valley Long Term Care and Dr. Van Staden for the love and care that they showed Grandma Jean.

In lieu of flowers, please consider a donation in her name to the Drayton Valley Health Foundation (Long Term Care), 4550 Madsen Ave. Drayton Valley, AB. T7A 1N8

A celebration of life will be held at the Wildwood Community Hall on Friday, October 7th, 2022, at 1 pm.

TOWN OF EDSON & YELLOWHEAD COUNTY (YCE) RECREATION MULTI-USE FACILITY

Submitted by Yellowhead County

More progress has been made towards the construction of a Multi-Use Facility for the region.

A facility condition assessment has been completed by Dialog Architecture and Engineering to determine the potential to adapt and reuse the Edson and District Leisure

Centre for the YCE Multi-Use Facility. The report indicates that the current Leisure Centre has much potential for renovation and re-use, with the exception of the swimming pool. The report indicates that, while the swimming pool facility is still safe for current use, it has many deficiencies which must be rectified to extend its useful life and a complete new build of a swimming pool facility is

likely a more logical option to consider. The report has been accepted by the Steering Committee.

The next phase for this project includes the development of concepts for consideration by the Steering Committee, with a final concept being utilized to amend the grant application for funding.

Yellowhead County and Town of Edson Administration will

continue working with the architectural team to refine concepts to include all the desired components of the original plan: two ice arenas, a leisure and competition pool, a curling rink, a walking track and an exercise area. The goal is to have a final concept forwarded to both Councils for consideration before the end of 2022.

COUNTY FIRE DEPARTMENT HOSTS TOUR FOR LOCAL DAYCARE

Submitted by Yellowhead County

The Yellowhead County Fire Department (YCFD) is always happy to engage with the community.

On August 16, 2022, the

YCFD Station 12 day crew hosted CORE Daycare for a station tour and assorted activities.

Approximately 40 kids aged 5-11 stopped by Station 12 in Edson where they were able to check out the facil-

ity, participate in fun activities, and learn about what it's like to be a firefighter.

Upon arrival, the kids were led on a tour by Lieutenant Lucus Pedley. They were then treated to a demonstration on the gear that

a firefighter has to wear, where they learned what each piece of equipment does and how to put it on.

Up next were some hands-on activities, where the kids got to use a fire

October 1st: Day of Older Adults in Alberta

Let's celebrate the contributions of older adults, recognize those who support them, and raise awareness of the concerns of older adults!

Older adults are a vital part of our communities. As parents and grandparents, mentors and friends, employees and employers, they make a difference in our lives. It is important that we continue to recognize, celebrate and support older adults.

There are so many great opportunities to stay connected with the older adults in your life, say thank you, make sure they are safe, and see if they need anything. To stay connected safely:

- Make a phone or video call, email or send letters to check in
- Take an older adult(s) out for coffee, dinner or just have a face to face visit with them
- Host a games night with family and friends
- Write letters and send cards, drawings or photos to older adults in local continuing care facilities

To support the emotional, mental and physical well-being of older adults and to spread good cheer throughout your community:

- Offer to assist with grocery and prescription purchases – online or delivery
- Offer yard cleaning for older adults
- Drop off gift baskets at older adult's homes
- Volunteer with organizations that support older adults, like a telephone check in program (such as the Friendly Caller Program with Yellowhead County)
- Share stories with older adults and learn about their life experiences and history

Let's celebrate and support older adults!

Grant Connect Database

Grant Connect has funding for health, arts, recreation, social services, environmental projects, community and economic development, agriculture, non-profit development and a wide variety of other topics.

Yellowhead County now has access to a national database of grants available to organizations and societies serving a wide variety of purposes. Funding includes Federal grants, provincial grants, philanthropic and corporate funding opportunities.

Running a non-profit organization is rewarding but at times difficult work. Include a pandemic, which may have significantly impacted a group's fundraising ability, and it is especially challenging now. The Grant Connect database can help you find those dollars, or identify funding for your next big project.

How does it work? If you are with a non-profit, you can call the office to set up an appointment to search the database with a staff member. Simple as that. And if you can't make it into the office, we can help you out over Zoom or a phone call.

Call 780-325-3782 and ask to speak with FCSS about the Grant Connect program, or wrobinson@yhcounty.ca to make an appointment.

NOTICE OF PUBLIC HEARING

In accordance with the requirements of Section 606 of the Municipal Government Act, as amended, the Council of Parkland County has scheduled a **Public Hearing** regarding the proposed adoption of the following Bylaw:

Bylaw: 2022-10 Date: **October 11, 2022** Time: 9:30 am Location: Parkland County Council Chambers
53109A Hwy 779,
Parkland County, Alberta

Proposed Bylaw 2022-10: Text Amendment to Land Use Bylaw 2017-18 Section 4.1.2(c) for site specific discretionary use (Storage, Warehousing and Distirbution, Outdoor) within AGG-Agricultural General District

Parkland County Administration has received an application to amend Land Use Bylaw 2017-18 to add Site Specific Use in the AGG-Agricultural General District, being Storage, Warehousing and Distribution, Outdoor as a discretionary use only on a parcel legally described as Plan 167MC Lot 3. The purpose of proposed Bylaw 2022-10 is to allow for the future development of a Storage, Warehousing and Distribution, Outdoor business to occur on Plan 167MC Lot 3. This use is not listed in the AGG-Agricultural General District and as such, the applicant is proposing a site specific Land Use Bylaw amendment to allow for this type of development, specifically on the subject parcel. The Bylaw received First Reading on September 13, 2022.

Hearing Procedure

This is a formal Public Hearing and Council is prepared to hear and receive formal submissions and presentations (verbal or written) from those who wish to speak to the proposed Bylaw. Written submissions or presentations may either be submitted in advance to Planning & Development by 4:00 p.m. on September 27, 2022, or submitted at the commencement of the Public Hearing on October 11, 2022.

Anyone wishing to make a verbal presentation to Council must notify Planning & Development Services in advance of the Public Hearing by 4:00 p.m., on September 27, 2022. Verbal presentations at the Public Hearing will be limited to a maximum of 10 minutes. Anyone wishing to make a verbal presentation who has not made prior arrangements may be allocated a time at the commencement of the Public Hearing. Council advises that this is your last opportunity to comment on the proposed Bylaw as Council is unable to receive further submissions after the Public Hearing is closed.

Copies of Proposed Land Use Bylaw Amendment 2022-10

Copies of the proposed Land Use Bylaw Amendment 2022-10 are available free of charge on our website (www.parklandcounty.com/PublicHearing2022-10), by email or by visiting Parkland County Centre during regular business hours (8:30 a.m. to 4:30 p.m., Monday to Friday). If you have any questions related to this Bylaw, please email jessica.harnden@parklandcounty.com.

The personal information you provide will be used for the purpose of the items described above and is collected under the authority of Section 33 (c) of the Freedom of Information and Protection of Privacy (FOIP) Act. If you have any questions about the collection, use, and disclosure of this information, please contact the FOIP Coordinator at Parkland County, 53109A HWY 779, Parkland County, Alberta T7Z 1R1 (780-968-3229) or email foip@parklandcounty.com

hose to shoot balls off of pylons, use a hammer to move a block of wood, and drag a training mannequin named Rescue Ruth to safety. Each kid then had their picture taken dressed up in firefighter gear to take home as a reminder of the day.

The event ended with ev-

everyone being able to climb inside a fire truck and ask the firefighters questions.

Each kid was sent home with a fun gift bag with firefighting-related items.

It was clear that the kids had a great time, and so did the all of the firefighters involved. "It was a great opportunity to teach these kids about firefighting and

show them around Station 12," said Lt. Pedley.

"It's always nice to be able to engage with members of the community and show them what we do. Maybe we'll even have inspired some future firefighters!"

The event "elicited a lot of smiling faces, laughter, and great vibes from all who attended!" said YCFD Deputy

Fire Chief Cory Chegwyn.

"A special thanks and pat on the back for a job well done goes out to the following members: Lucus Pedley, Josh Sweet, Jennifer Petkau, Abby Proskow, Mike Watts, Nathan Wheat, and Megan Scaife," added Deputy Fire Chief Chegwyn. "Excellent work by all involved!"

nett (37), a resident of Fort McMurray has been charged with:

- Aggravated Assault
- Assault on Peace Officer
- Assault
- Resist arrest
- Mischief (x2)
- Possession of a

weapon for a dangerous purpose.

Bennet has been remanded in custody with his next court appearance set for Sept. 28, 2022, at Leduc Provincial Court.

The injured officer was treated at hospital and released.

RCMP would like to correct

on piece of information from the previous release. The suspect ran through security unarmed and went to a nearby restaurant in the airport where he armed himself with a piece of cutlery.

PARKLAND RCMP INVESTIGATE THEFT FROM CHURCH IN LAC STE ANNE COUNTY

Submitted by Parkland RCMP

Parkland RCMP are investigating a break and enter and theft that occurred sometime over the last four weeks. Un-

known suspects broke into the Ukrainian Orthodox Church on Range Road 22 in Lac Ste Anne County. Suspects stole a number of religious items with some believed to be around

100 years old. It is likely that the artifacts were taken due to their perceived gold and copper content.

Members of the church are devastated over the loss and

would like the items returned, or given information leading to their location so they can be recovered.

Grant Connect Database

Grant Connect has funding for health, arts, recreation, social services, environmental projects, community and economic development, agriculture, non-profit development and a wide variety of other topics.

Yellowhead County now has access to a national database of grants available to organizations and societies serving a wide variety of purposes. Funding includes Federal grants, provincial grants, philanthropic and corporate funding opportunities.

Running a non-profit organization is rewarding but at times difficult work. Include a pandemic, which may have significantly impacted a group's fundraising ability, and it is especially challenging now. The Grant Connect database can help you find those dollars, or identify funding for your next big project.

How does it work? If you are with a non-profit, you can call the office to set up an appointment to search the database with a staff member. Simple as that. And if you can't make it into the office, we can help you out over Zoom or a phone call.

Call 780-325-3782 and ask to speak with FCSS about the Grant Connect program, or wrobinson@yhcounty.ca to make an appointment.

It's time to fall in love with your home all over again!

VARIABLES TO CONSIDER WHEN CHOOSING A MEDIA ROOM

The term “home theater” once made homeowners who love movies and sports dream of the day when they could dedicate a large area in their home to watching the big game or their favorite films. Such rooms are now widely referred to as “media rooms.” Though the terminology may have changed, media rooms are not all that different from home theaters.

Before choosing an area of their home as

their designated media room, homeowners must consider a host of variables to ensure they get as much out of the room as possible.

· **Location and shape:** Of course the location of the room is of the utmost importance. Media rooms tend to be more social settings than traditional home theaters, which were often designed to be isolated from the rest of the home so noise and natural light did not adversely

affect the film-watching experience. Homeowners may not want their media rooms to be in high traffic areas of their homes, but they needn't be completely secluded, either. The renovation experts at the DIY Network note that the shape of a room should be considered before designating it as the media room. In general, square rooms are not ideal, as such rooms can produce harmonic distortions. A rectangular room likely

won't produce such distortions, especially when homeowners place their screens and primary speakers on short walls. It's important that homeowners do not downplay the importance of sound, as media rooms, unlike traditional home theaters, may be used for listening to music just as much as they are for watching films or sports. Viewers may not recognize distortions when watching

Variables To Consider When Choosing A Media Room

something, but homeowners may notice these abnormalities when listening to music.

Windows: Media rooms are multi-purpose rooms, so homeowners don't need to remove rooms with windows from consideration. But the experts at the DIY Network note that windows are hard surfaces that can reflect sound and distort audio, and the light that gets in through windows

can produce reflections on the viewing surface. Each of those factors can adversely affect your listening and viewing experience. A room with windows can still make for a good media room, but you may want to invest in some blackout curtains to mitigate some of the disadvantages of having windows in the room.

Wall colors: The colors of the walls in the room is another variable homeowners will have

to consider. Homeowners won't want to host guests for the big game in rooms with darkened walls, as that can create a dreary atmosphere and potentially make people tired. But especially bright colors will reflect light and adversely affect the viewing experience. Neutral colors should not affect the colors on the screen, making them the ideal color choice for media room walls.

Media rooms are high

on many homeowners' renovation lists. Considering a host of variables prior to designating an area for a media room can ensure the finished product is as enjoyable as possible.

SAFETY FIRST WITH DIY ELECTRICAL WORK

Home improvement projects can help homeowners transform their homes. Such projects are costly, but many homeowners save money by doing some, if not all, of the work themselves.

The Electrical Safety Foundation International, a nonprofit organization dedicated to promoting electrical safety, recommends that homeowners leave electrical work to the professionals. Licensed electricians are well-trained,

whereas homeowners may not be skilled enough to avoid accidents or injuries, which can prove fatal when working with electricity.

Homeowners who take the do-it-yourself route with electrical work should consider these safety tips, courtesy of the ESFI, before beginning a home electrical project.

Learn your home electrical system. Home electrical systems may include power lines, electric meters, service

panels, subpanels, wiring, and more. These systems are complex, and homeowners who intend to do some DIY electrical work should familiarize themselves with their home electrical systems prior to beginning any work. The ESFI notes that knowledge of their home electrical systems can help homeowners more safely navigate them and make maintenance easier.

Honestly assess your skills. An honest assess-

ment of skills is absolutely necessary prior to working on an electrical system. According to the National Safety Council, injuries relating to electrical incidents typically fall into one of four categories: electrical shock, electrocution, falls, and burns. Each of these injuries is significant. For example, electric shock, which occurs when electrical current passes over or through a person's body, involves burns, abnormal heart

rhythm and unconsciousness. Given the potential for serious injury, the ESFI urges homeowners to make an hon-

est assessment of their skills before they begin working on their home's electrical systems. Little or no experience working with electrical sys-

tems should be considered a significant hurdle to any DIY project.

Turn the power off. It's essential that the power to the circuit that will

be worked on be turned off prior to starting any work. This can be accomplished by switching off the circuit breaker in the main service panel. Similarly, when working on appliances or lamps, make sure the products are unplugged prior to working on them.

Do not touch plumbing or gas pipes when doing electrical work. The experts at the Indiana Electric Cooperative note that the risk for electrocution is significant when water comes in contact with electricity. It's imperative that homeowners do not touch plumbing and gas pipes when performing a DIY electrical project. Professionals know how to work around such pipes while minimizing their risk for electric shock or worse, and homeowners must familiarize themselves with the techniques professionals rely on to stay safe if they intend to begin DIY electrical projects.

Homeowners are best served by leaving electrical work to the professionals. However, those who insist on doing such work themselves should do their homework and get to know their systems and safety protocols prior to beginning a project.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

We now carry Manuli! They are a European manufacturer and they engineer it all in Europe. All of their product is produced in their own factory, no outsource. Adding this in we have been able to gain access to many of the European fittings that have become much more common in North America.

BSPB, Metric Din, Metic cone, JIS.

These fittings are clear across all brands John Deere, Case, New Holland, JCB, Fendt, Massey Ferguson. Many of the implements that have been sold in the last few years have also used these predominantly European fittings.

We offer these services

- CVIP Inspections
- **Hydraulic hose crimping and thousands of adapters in stock.**
- A/C Repair
- Espar and Webasto Repair, Installation.
- Engine Repair and Rebuilding.
- Power train/Driveline repair and service.
