### PARKLAND RCMP INVESTIGATE POSSIBLE HATE CRIME

Submitted by Parkland RCMP

On Oct. 16, 2022, at approximately 10 a.m., Parkland RCMP received a report of a severed pig's head that had been left on the rainbow Pride crosswalk painted at Graminia School in Parkland County.

The pig is believed to be a domesticated pig. Its head

was severed with a bladed instrument. Its placement in the center of the crosswalk appears to have been intentional and designed to disturb students, staff and parents. Due to these circumstances, investigators are treating this incident as a possible hate crime targeted at the school, which has a Gay-Straight Alliance. "An unsophisticated per-

son might think this was a prank. An objective viewer would see it as highly intolerant and provocative," says Staff Sergeant Ian Gillan of Parkland RCMP.

Parkland RCMP are seeking any information that may assist the investigation. In particular, police are seeking the following information:

### YCFD HOSTS FIRE PREVENTION WEEK OPEN HOUSE

Submitted by Yellowhead County

Community members were invited to visit Yellowhead County's Station 12 and participate in a variety of activities and learning experiences.

On Saturday, October 15th, the Yellowhead County Fire Department (YCFD) held an open house at the County's Station 12 in Edson as part of

Fire Prevention Week.

Approximately 85 people attended, with both children and adults enjoying the event.

There were several activities to take part in, including shooting a fire hose and dragging Rescue Ruth, the training mannequin, to safety. Attendees also had the opportunity to use a hammer to knock down a piece of wood, simulating when firefighters

break down doors or walls to get inside a burning building.

The kids could also try on a youth-sized firefighting outfit and check out the inside of the fire trucks on site, which was a big hit. YCFD also gave out firefighting-related goodies and prizes for participating in the different activities.

Other fun activities included a tug-of-war

## Parkland RCMP Investigate Possible Hate Crime

*Continued from Page 1*

- Any suspicious activity in the area between the evening of Oct. 15, 2022, to the late morning of Oct. 16, 2022
- Information pertaining to recently missing or mutilated pigs

Butchers and meat packers who recently sold, or had a pig's head stolen, are also asked to contact Parkland RCMP

The RCMP encourages all victims and witnesses to report any hate-motivated crime or incident to their local police of jurisdiction.

Reporting hate-motivated incidents, no matter how minor they may seem, can help Police better target crime prevention efforts in the communities. It can also help identify trends and prevent a possible escalation towards violence.

against the firefighters and a gear demonstration by Deputy Fire Chief Cory Chegwyn and Firefighters Jennifer Petkau and Joshua Sweet. Some of the firefighters even showed off their skills and bravery by climbing the 65-foot aerial ladder

on top of a fire truck. The open house was clearly enjoyed by those who attended, with one eight-year-old participant saying, "I think this is one of the best things we've ever gone to."

Deputy Fire Chief Chegwyn confirmed that it was a great time.

A big shout-out goes to the YCFD members who participated in the open house: Deputy Fire Chief Chegwyn, Lieutenant Megan Scaife, and Firefighters Ricson Basa, Warren Dauble, Abby Proskow, Andrea Donkin, Joselyn Munkler, Jennifer Petkau, and Joshua Sweet. Great job!

# FOURTH ANNUAL PUMPKIN FESTIVAL

Submitted by Tipple Park Museum

It's the time of year when leaves are changing, gardens are finished, and the weather isn't absolutely broiling; with fall in the air, Tipple Park Museum

is ecstatic to announce the return of the Pumpkin Festival! Starting at 5pm on Friday, October 7th, Tipple Park and the Museum will be filled to the brim with fall activities from hay rides around town and pumpkin carving, to popcorn and a

showing of the movie 'It's The Great Pumpkin, Charlie Brown!' The best part is admission is free and geared towards children of all ages as well as adults with games, crafts, a scavenger hunt, and family portraits! All are welcome to join us

in our celebration of community and all things Fall! Make sure to keep October 7th, from 5pm until 8pm free so you can enjoy all we'll have to offer at Tipple Park Museum.

# EARLY BIRDS IN EARLY LEARNING LAUNCHED TO SUCCESS WITH TECH TOOLS!

Submitted by GYPSD

Whether your child is beginning his/her learning journey through a junior kindergarten (jk) or kindergarten program, it is an exciting milestone for your child and you. It is a time of exploration and growth. GYPSD early learning pro-

grams are designed to delight your child in learning, helping them build strong connections to friends, and teachers to give them a strong start in their learning journey. Our schools offer a variety of early learning programs including French Immersion and Montessori. GYPSD also takes pride

in the excellent academic start our students have in our classrooms, including access to current technology tools and resources. To help them at the start of their learning, students who registered for a jk or kinder program in one of our schools last year were entered into a draw to win a

Chromebook. A winner was chosen at each of our elementary schools. We invite you to contact your local school to learn more about early learning programs and options at GYPSD schools.

# ARTICLE FROM MLA MARK SMITH

Submitted by MLA Mark Smith

Alberta's economy continued to charge full steam ahead in the third quarter of 2022.

This week's third quarter economic update showed that our economy is not only strong and resilient, but that it is rapidly diversifying and attracting new investment across a variety of economic sectors, from renewable energy to aviation to manufacturing to technology. Companies are choosing Alberta again, including major international firms such as TC Energy, De Havilland Aircraft, Condor Airlines, CGC Inc., Orbia's Dura-Line, Infosys, and Level 42 AI. This is a very good sign that our government's policies and tax structures are working to attract new investment and

diversify the economy.

This boon in investment has led to our province leading the nation in job growth, year to date. Over the past three months, our province gained 4,600 jobs while the rest of Canada lost 49,200 jobs. Alberta is a province that leads, and we are once again setting a positive example of what can be achieved through common-sense conservative policies.

Alberta's remarkable job growth has been fueled, in part, by an uptick in net migration, as families and businesses flock to Alberta in search of economic freedom and opportunity. In the second quarter of 2022, Alberta saw the highest net inflow of interprovincial migrants in the country, with 9,857 people travelling to our province to participate in the new Alberta Advan-

tage. This is good news for our economy as businesses and industries continue to grapple with a shortage of skilled labour.

Another positive in the third quarter economic update was that our tourism, hospitality, and retail sectors are continuing to rebound and recover. Hotel occupancy rates in Alberta have almost returned to pre-pandemic levels, reaching 68.1 per cent, and July saw record sales for Alberta's restaurant industry, reaching \$913.8 million – an increase of 16.1 per cent compared with July 2021. Retail sales also increased to \$8.1 billion, a 9.9 per cent increase from the same month a year before, second only to May 2022.

Despite this good economic news, we know inflation continues to be a major concern for Alberta

families and businesses. Premier Danielle Smith has been clear that making life more affordable and fighting inflation will be at the top of her government's agenda, so I look forward to updating you soon on what further steps we will be taking to support Albertans through this difficult period.

That said, our government's policies are working to help families get back to work and put food on their tables. In every corner of the province and in all sectors of the economy, optimism is growing.

Our United Conservative government will work tirelessly to make sure all Albertans get to participate in this new Alberta Advantage.

THANK YOU  
FIREFIGHTERS

(You will be responsible to bring your wreath along, and to retrieve it following the service.)

Following the service, we will have a short wreath laying at the Cenotaph at the Onoway Legion, and our Legion will welcome veterans and community members.

# TO THE EDITOR

Submitted K. and L. Leakvold

A word to our new Premier, Danielle Smith: "GOOD ON YA! for speaking the truth about how the unvaccinated have been treated over the last year and more! You hit the nail right on the head!"

Following is a list of all the ways we can remember the unvaccinated being discriminated against:

- 1. Not allowed to travel by long distance public transport of any kind, either internationally or domestically.
- 2. Not allowed to dine in restaurants.
- 3. Not allowed to attend children's school sports functions.
- 4. Not allowed to visit elderly, sick or dying loved ones in care homes and

- hospitals.
- 5. Not allowed to shop in many stores.
- 6. Not allowed to attend graduations, weddings or funerals.
- 7. Denied the fundamental right to earn a living.
- 8. Unlawfully fired or put on unpaid "leave" from established jobs.
- 9. Denied Unemployment Insurance based on unlawful termination of jobs.
- 10. Verbally assaulted in public places.
- 11. Physically assaulted.
- 12. Barred from spending the holidays with family.
- 13. Arrested, jailed and prosecuted for protesting illegal vaccine mandates.
- 14. Told the unvaccinated don't deserve to live.
- 15. Denied even online

- attendance at post-secondary educational institutions.
  - 16. Killed by isolation, loneliness, medical malpractice, suicide and more, due directly to covid "protocols".
  - 17. Not allowed to enter or leave the country for any reason.
  - 18. Denied essential medical treatment, which killed many.
  - 19. Union members betrayed by the unions supposedly representing them.
  - 20. Publicly shamed via the media, and falsely accused of being hateful, anti-social and desiring to kill others.
  - 21. Publicly vilified by our so-called "representatives" in government, by name-calling and other means.
- ALL of the above (and possibly more) were ex-

perienced WORLD-WIDE by the unvaccinated over the last year and more. Say, when has any other "marginalized group" ever had to experience all these discriminatory behaviours at the same time, for an extended period, around the world, with such intensity? NEVER.

So Premier Smith has spoken the truth: The unvaccinated have been "the most discriminated against group" that she has "ever witnessed in [her] lifetime." We hope and pray she will stand her ground, and not be bullied into recanting.

# Auto TUNE-UP

## PROTECT YOUR VEHICLE FROM SNOW, ICE AND DAMAGE FROM THE COLD

Winter can be an unforgiving season. Freezing temperatures coupled with snow and ice can take its toll on people who live in climates where cold weather is a fact of winter life.

While winter can test people's patience, it also can be harsh on cars and trucks. Understanding what components of a vehicle can be compromised by dropping temperatures and snowy roads can help drivers take action to safeguard

their automotive investments.

While the Canadian Automobile Association notes that winter can wreak havoc on just about every part of a vehicle, there are some parts that seem to bear the brunt of Old Man Winter's abuse. Properly servicing and caring for a car or truck can help.

Drivers should take their vehicles for a tuneup and inspection before wintry weather arrives. A mechanic will examine the

car battery and check antifreeze levels and make sure that the thermostat, defroster, brakes, and even wiper blades are working effectively. Have the tires inspected for adequate tread, which can make navigating roads safer. If the treads are worn, replace the tires.

In addition to visiting their mechanics, drivers can perform some inspections and fixes themselves.

Check that all of the vehicle's lights

are operational so your car can be easily seen during inclement weather. Exchange your existing windshield washer fluid with one that will not freeze in cold conditions. Check the nozzles on the windshield-washer system routinely and clear out any blockages of ice or debris. While addressing windshield washer fluid, also replace worn out windshield wiper blades with ones that can withstand snow

## Protect Your Vehicle From Snow, Ice And Damage From The Cold

Continued from Page 6

and icy weather.

A new coating of wax can serve as a shield against road salt, snow, sleet, and rain. Try a polymer wax to protect the paint. Whenever possible, rinse off salt and grime so it does not dry on the car and gradually wear away at the paint. Some drivers mistakenly believe that salt stops being a problem once it dries simply because moisture is the active ingredient for a cor-

rosive reaction. But humidity in the air is enough to keep the salt eating away at the car's paint, and that can contribute to rust. Be sure to rinse off the undercarriage of the vehicle as well.

Have your tires' alignment checked toward the end of winter or early spring. A season of traveling over pothole-ridden roads or hitting curbs buried under snow drifts can affect the alignment. Get everything back on track. Similarly, inspect

tires routinely, as weather changes can affect tire pressure and strength.

Use a soft snow brush or a foam brush to clear snow off of the car. Avoid hard plastic scrapers you might use on your windshield, as they can scratch painted surfaces.

Try to park the vehicle in a garage or under a car port, each of which can protect cars and trucks from the often harsh elements of winter.

Vehicles can be affected by the cold weather. Keep

them running efficiently to prevent damage this winter.

# SUDOKU

## of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
