MAYERTHORPE LEGION NEWS

Submitted by Mayerthorpe Royal Canadian Legion #126

A full house “walked the line” with Johnny Cash tribute artist David James at the Mayerthorpe Legion on Friday, Oct. 14. Cash’s favorite meal – cowboy (mama’s) chili and biscuits – was served prior to the show and dance. Thanks to Dallas Crossland who lent

the Legion all the décor, and to volunteers Mo Brazel and Kim Nelson who decorated the hall with great black, white and red surroundings.

It was another packed house Oct. 2 as the well-organized Marathon Bingo brought 150 players from near and far to take a chance on winning \$4,000, \$1,500 or many smaller cash prizes. Kim O’Dempsey showed all how

it was done, as many of the volunteers were not familiar with such a large Bingo, with such a variety of cards. Players there asked to have a Marathon Bingo every three months, but Kim and her now-trained volunteers will look at possibly April, 2023 for the next one.

The Mayerthorpe Legion Veterans’ banners are hung and the

Mayerthorpe Legion News

Continued from Page 1

response has been terrific again this year. There are only 30 town poles to hang banners from, and this year there are 58 banners so 28 banners have been placed in the windows of many proud businesses on main street and on Veterans' Way (45 Ave.). The banners will be up until our helpful friends Jim and crew from the Town Shop need to take them down to replace with Christmas decorations. New orders will not be taken until after January 1, 2023.

You will also see "We Will Remember Them" lawn signs around town as half of the 40 ordered have already been snapped up. They're \$24 from the Legion, or from Margaret 780-

305-8800 or 780-786-2751. Mayerthorpe is becoming a true "Honor the Veterans" town. Any more practical ideas for pursuing that goal will certainly be welcomed by the Legion.

Days leading up to the Remembrance Day service on November 11 will be busy with Legion members placing a Canadian flag on each Veteran's grave at the Cemetery, and escorting the Mayerthorpe Cadet Corp #27116 to lay poppies on the Veteran's graves with the "No Stone Left Alone" project. Also, watch for Cadets selling poppies downtown.

The call is always out with every Legion to be able to welcome more volunteers and Board members. Don't be shy. Training and more info provided if needed.

Check out 126mayerthorpe@gmail.com for more info on volunteering, Board position descriptions, and to get an election form. Wishing you well as you take time to "Remember Them."

JOKE of the week

Mike: "I ain't feeling like working today." Sam: "Yeah, me neither." Mike: "Think I'm gonna head on home." Sam: "Yeah and get fired."

Mike: "Naw man. Watch this."

Mike: "Proceeds to climb up the tire rack, up to rafters where he hangs upside down by his legs, with his arms spread out." Just then Bud, the shop foreman walks in. Bud: "Umm... Mike? What the hell are you doing up there?" Mike: "I'm a light bulb." Bud: "What???" Sam: "I believe he said he's a light bulb." Bud: "Mike, maybe I've been working you too hard. Why don't you take the day off?" Mike: "Climbs down from the rafters. Winking at Sam, he walks out of the shop."

Sam: "Starts walking out behind Mike." Bud: "Now just hold on a minute Sam. Where are you running off to now?" Sam: "Home. Ain't enough light to work in here. How do you expect me to work in the dark?"

UPCOMING ONOWAY QUILT SHOW

Submitted by Onoway & District Quilt Guild

On June 24, 2023, Onoway is celebrating 100 years of history. Our local Onoway & District Quilt Guild is pleased to be part of this special day by hosting a Quilt Show at the Onoway Heritage Centre which is

going to showcase past and present quilters. But we do not know all the quilters from 50 to 100 years ago! So, we are asking for help to identify and locate quilts from that time frame that have a connection to Onoway ...maybe a grandmother, an auntie who lovingly pieced a quilt and the

family kept it as a treasure or a quilt that was used to cuddle many family members, maybe when they were ill. It is the history we are seeking; the quilts will not be expected to be pristine, nor will they be judged. My own grandmother, Tilda Bowman made quilts, but we wore them out and only

have memories of snuggling under their heavy weight. We feel displaying the quilts and their stories might encourage the current generations to feel part of their history here in Onoway. Please call me 780.967.4485 Joan Grierson

MAYERTHORPE HOSPITAL AUXILIARY NEWS

Submitted by Mayerthorpe Hospital Auxiliary Association

Many things are happening with the volunteers at the Mayerthorpe Hospital Auxiliary Association. We help provide things that Alberta Health Care doesn't

supply but the facility needs to improve the stays for the patients and the Auxiliary Residents. We have received generous Corporate Donations, Memorial Funds in memory of loved ones that have passed away, Local Legion Donations, and talented people have donated

lap robes to sell and make money. We have two dedicated women that go with the Tuck Cart to each resident room selling goodies to help raise money.

We have provided all the furniture for the Palliative Care Room where families can stay with their loved ones. The room is equipped with an I-Pad so they can contact or Skype with children or family that are too far or unable to come and visit because of the Pandemic Rules. We will be helping to provide a Palliative Care Room for the Auxiliary wing also.

We fund the transportation for the Residents for field trips. Each room in the Acute care wing has a Date/Time Clock with money donated to our Association.

The Tree of Hope Fundraiser for this year will be set up in the lobby prior to the Christmas Holiday. Please consider purchasing a Star, Bell or ornament in memory of a friend or a loved one. The funds raised will be used to purchase an exercise bike for Physio, (used after hip or knee replacements), and an ice machine.

Our list goes on... repairs to items in Physio, new weights in Physio, etc

We meet the 4th Monday with the local Site manager, and other departments attending as well as our members. Everyone is welcome. Please consider joining our group and bringing more ideas.

ARTICLE FOR FOOD BANK ABOUT CHRISTMAS

Submitted by Lac Ste Anne East Food Bank

Christmas is a hopeful time of year that we anticipate joyfully! However not everyone is hopeful, some feel anxiety and dread during this most special season of celebration and giving, as they have nothing to give, and little to celebrate. Many of us have a great desire to help during this season, as our hearts turn to Christ in celebration of His birth, His light is reignited within our hearts. Our mission at

the Lac Ste Anne East Food Bank in Onoway, is to ease the burdens of those who have come upon difficult circumstances, without rancor or judgment, to "lift up the hands which hang down" (Heb 12:12) as Christ would have us do.

Donations are welcome all year long and especially at Christmas! We ask that when donating from personal pantries that you check expiry dates, with an understanding that we are legally unable to hand out food past best before

dates and home processed foods. If you would like to make a monetary donation, this can be done 3 different ways; cash donations can be dropped off at the food bank Wednesdays between 8 and 10am, Cheques can be mailed to Box 300 Onoway, and email transfers can be sent to the email address below, please include your name and address in the description for tax receipts.

Once again, the LSAE Food Bank is partnering with Santa's Helpers to provide food and gift hampers

to families in Onoway and the surrounding area who are in need. Referrals are needed: If you or someone you know is in need of help this year, please call! Requests for Christmas Hampers are being accepted with a signed referral from Nov 14th until Dec 15th. The Hamper pick up date this year is Dec 21st. Those who wish to sponsor a hamper for either the Food Bank, Santa's Helpers or both can contact the Food Bank for more information.

MP SOROKA'S QUESTION ON THE ECONOMY

Submitted by MP Gerald Soroka

Gerald Soroka, Member of Parliament for Yellowhead stood in the House today and asked the following question on the economy:

"Mr. Speaker, Gianne, a mother who lives in my riding, is worried about the carbon tax that now comprises over 64% of our energy consumption. With an ongoing cost of living crisis, she is already struggling to make ends meet and soon will have to choose between food and warmth this winter.

Will the NDP-Liberal gov-

ernment cancel its planned carbon tax increase so that hard-working Canadians like Gianne do not have to choose between eating or heating this winter?"

Response from The Hon. Steven Guilbeault (Minister of Environment and Climate Change, Lib.):

"Mr. Speaker, the cost of climate change for Canadians is in the tens of billions of dollars, and it seems like the Conservative Party of Canada does not understand that we are all paying for this. There is no escaping it.

We have to address the issue of climate change as

we address issues of affordability, which is why two weeks ago, thanks to the climate action incentive payments, a family of four

received \$186 in Ontario, \$208 in Manitoba, \$275 in Saskatchewan and \$269 in Alberta. They will be receiving this four times a year."

PLANNING & DEVELOPMENT

NOTICE OF PUBLIC HEARING

of Bylaw 22-2017-06-22 and Bylaw 08-2022

LOCATION OF HEARINGLac Ste. Anne County Office
56521 Range Road 65**DATE OF HEARING**

November 24, 2022

TIME

1:00 pm

Pursuant to the provisions of Section 692 of the Municipal Government Act, the Council of Lac Ste. Anne County is considering an application for amendment to Land Use Bylaw 22-2017, by amending SE 34-55-01 W5M through proposed Bylaw 22-2017-06-22 and Bylaw 08-2022 for adoption of Hummocky RV Resort Area Structure Plan

- Bylaw 22-2017-06-22 for Redistricting Application 003REDST2022, for Redistricting SE 34-55-01 W5M from Agricultural '2' (AG2) District under Bylaw 22-2017 to Direct Control (DC) District
- Bylaw 08-2022 for Redistricting Application 004REDST2022, SE 34-55-01 W5M for adoption of Hummocky RV Resort Area Structure Plan

Written comments on the above proposed Bylaw may be provided prior to 4:30 pm, on November 17, 2022 to:

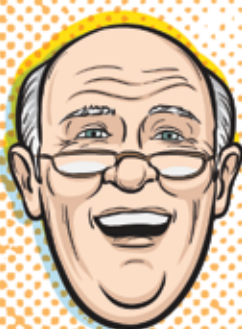

Lac Ste. Anne County
56521 RGE RD 65, Box 219
Sangudo, AB T0E 2A0
Attn: Craig Goldsmith, Development Officer

Or email at devassistant@LSAC.ca

Interested individuals may attend the Public Hearing to voice their comments. To schedule an appointment please contact Legislative Support Services Coordinator, Cindy Suter, at 780.785.3411. While appointments are not necessary, they are encouraged as they will be given priority.

The proposed amendment and/or application may be reviewed during regular business hours at the County Administration Office located at 56521 Range Road 65 or on the County website at [LSAC.ca/Hearings](https://lsac.ca/Hearings).

LOCATION SKETCH

OK, so what all this fancy language means is that a landowner/developer has applied to the municipality to develop a campground and rezone SE 34-55-01 W5M from Agricultural '2' (AG2) District under Bylaw 22-2017 to Direct Control (DC) Land Use District and to adopt a formal plan known as the Hummocky RV Resort Area Structure Plan.

Before this can happen, a bylaw must be drafted, and a public hearing held first. The ad above is to let folks know about when and where the Public Hearing will take place.

THE WALKING WOUNDED, AND THE PATH FORWARD

Submitted by MLA Shane Getson

I went public awhile back regarding my personal health issues that were a result of a single shot of the Pfizer COVID-19 vaccine. Since then, I have been contacted by numerous individuals who have experienced a multitude of negative side effects as well. I have also been contacted by several other people who had contracted covid, never took a shot, and still had lingering health issues. There is an ongoing concern that needs to be addressed regarding the reporting of the vaccines, and how folks were treated publicly for their health choices by organizations and their governments. These items must be addressed, along with how we treated our fellow human beings, but that is not the message of this week's article in its entirety. Instead, I want to talk about the "Walking Wounded" that are among us.

Because of all that happened, a stigma persists out there that is applied to anything that does not align with the narrative that the mainstream media did so well to endorse, and because viable alternative options were politicized, far too many people are still suffering with no treatment for their ailments. Doctors who offered or endorsed alternate treatments to the conventional tools in their proverbial tool kits were driven underground. Now, most of the doc-

tors that didn't speak out or stand up are trying to work out why their metaphorical screwdrivers are not having the desired effect needed to drive in that 6" spike. It's simply the wrong tool for the job.

I am being a little cheeky, it's an oversimplification, but if you had as many heart-wrenching stories hit your inbox, or have had the countless heart crushing conversations, on the phone or in person as I have, you may be a little cheeky too. The emperor has no clothes. This is exactly why I took my shot, to be able to act as a lab rat of sorts, so I could use myself as an example of "what if" and be able to find out how to fix it if needed, and to be a voice out there that didn't fit within the box that many have been placed into.

Today I received an email, and had a phone call from Gene, a previously healthy 74-year-old still farming, who now has barely 2 hours of energy left in him per day. Aches, pains, heart pains, all the symptoms I had as a healthy 48-year-old man. My wife, God bless her, did a ton of research to find out what may be going on with me, and with the help of those underground Doctors, and a few that were still trying to work within the system, pieced together some simple fixes that worked for me. Nothing magical, but Big Pharma will hate it, Baba and Gedo will be proud, and there is a health food store that surely will be able to take your money.

Vitamins, Probiotics, and healthy food.

I was short on Vitamin B3, B6, Probiotics, and Zinc. The challenge was how to get my body to absorb them, and that's where the research came in. I'm not promoting a single brand, or product, but only sharing what I used. These remedies made the energy come back within 3 days, restored the mobility in my arm, and eliminated the numbness in my hand.

Please contact my office if you want more specific details or check out my Facebook page as I've listed it there.

Please also investigate the Canadian Covid Care Alliance, as many doctors have been working on piecing together the puzzle to help people. You are not alone, and there are ways of getting your health, and energy back in order. Keep an open mind and do not lose hope. The troubles you are having may not just be stopped but reversed so you can get back to your normal self.

I was also asked recently if I was going to put my name in the hat and seek the local nomination to represent the UCP for a second time. I was on the fence honestly. I wanted to make sure that we settled down, had a new leader, and got the team pulling the same direction. I also wanted to make sure that I had solid footing to be able to keep moving forward on the corridors initiative, as well as to be able to help the folks in

our area in a very efficient manner. With the caucus retreat, the naming of the new ministries, changing the way we propose laws and craft them before taking them into the house, and being named as the Parliamentary Secretary for Economic Corridors I believe I can meet the objectives I've laid out. However, receiving that phone call this morning from Gene put me over the top.

Hearing the pain in someone's voice, having them admit how hopeless things appeared for them, and having them thank me for being one of the only voices taking on the issues of vaccine injury and "Long Covid" issues; a voice that they could trust to do the right thing. That was the tipping point for me. I'll be running again, and I'll do all I can to make sure I'm in the ring for the upcoming election, but I will need your help to do that. I'll make the commitment to give another 4 years of my life to be your MLA, but ultimately, it's up to you as the voter to make that happen. I know the folks that oppose me will have their supporters out in droves, so please do not be complacent, and let's work together to keep our constituency, and ultimately our province on track.

AutoTUNE-UP

SAFELY AVOID POTENTIAL WINTER HAZARDS

Winter can be a beautiful time of year, particularly when freshly fallen snow blankets the landscape. However, winter is also a time fraught with potential peril. The same winter weather that makes landscapes so pristine can make roads, walkways and even being outside dan-

gerous.

The U.S. Department of Transportation says weather-related vehicle crashes killed 6,253 people last year and injure more than 480,000 per year. These accidents most often occur when roadways are wet, snowy or icy. Yet, winter driving is not the only seasonal hazard. Here are some common winter activities and how to avoid getting hurt when engaging in them.

Driving

Exercise extra caution when driving on road-

ways during the winter, as they may contain ice or snow. All it takes is a small coating of precipitation on roadways to make driving treacherous. Wet-looking roadways may be wet, or they may be covered by ice, and it's difficult to tell the difference with the naked eye. Always slow down and assume you are driving on ice. Make every effort to improve visibility. This includes checking windshield washer fluid levels and ensuring windshield blades are in good work-

ing order.

Snow removal

Shoveling or removing snow by various methods can be strenuous work, taking even those who feel they are in good shape by surprise. A 2011 study conducted by researchers at the Center for Injury Research and Policy of The Research Institute at Nationwide Children's Hospital found that an average of 11,500 snow-shoveling-related injuries and medical emergencies were treated

Safely Avoid Potential Winter Hazards

Continued from Page 8

in U.S. emergency departments each year from 1990 to 2006. Lower back injuries, falls, injuries to the arms and hands and cardiac-related injuries account for many of the incidents sustained while removing snow. There's also the risk of injury from collisions with pedestrians and snow plows. Plows and bobcat-type devices can cause serious injury. Exercise caution when operating such machines.

Roof snow removal

Removing snow from a roof can be a dangerous prospect. Always use the appropriate equipment, which includes telescoping poles, rather than climbing on slippery roofs. This may be a job best left for a professional, who will have fall-arrest systems and nonslip safety boots.

Dressing for conditions Venturing outdoors for winter fun may be enticing, but never put your health at risk for the sake of fun. The Mayo Clinic says hypothermia is a medical emergency that

occurs when the body loses heat faster than it can produce heat, causing a dangerously low body temperature. Wear appropriate clothing to prevent hypothermia, which may not produce any initial symptoms. If shivering stops or confusion and slurred speech set in, severe hypothermia is in effect and a person should be moved indoors and gently warmed. Mild hypothermia is also possible indoors, typically when the elderly spend several hours in poorly heated

homes.

Winter may be beautiful, but it also can be hazardous. Taking precautions and using common sense help avoid dangerous situations.

NITRO NUT Mechanical

We now carry Manuli! They are a European manufacturer and they engineer it all in Europe. All of their product is produced in their own factory, no outsource. Adding this in we have been able to gain access to many of the European fittings that have become much more common in North America.

BSPP, Metric Din, Metric cone, JIS.
These fittings are clear across all brands John Deere, Case, New Holland, JCB, Fendt, Massey Ferguson. Many of the implements that have been sold in the last few years have also used these predominantly European fittings.

We offer these services

- CVP Inspections
- Hydraulic hose crimping and thousands of adapters in stock.
- A/C Repair
- Espar and Webasto Repair, Installation.
- Engine Repair and Rebuilding.
- Power train/Driveline repair and service.
- Suspension and frame repair.
- Two Fully equipped service trucks for mobile needs.

WE STOCK PARTS FOR ALL MAKES AND MODELS OF TRUCKS, DRIVELINE & ENGINES.

We repair

- Truck Transport
- Heavy Equipment
- Automotive
- Industrial
- School Bus
- Agriculture

NOVEMBER NEWS FROM THE RICH VALLEY PUBLIC LIBRARY

Submitted by Rich Valley Public Library

The 12 Books Of Christmas entry is from November 2-26, 2022. On the first day of Christmas what would a library give to you? A Book of course! This year that is what we wish to do. We invite all community members to come into the library to enter a draw for a book of their choice. You will have one chance to submit your name and book wish. Starting on December 1, 2022 we will announce the 12 winners over the next 6

days the Rich Valley Public Library is open. This program is funded by Lac Ste Anne County FCSS.

This month's programs: Storytime is every Wednesday from 11:00-11:45 am. Come in and join us for stories, crafts and fun at Storytime every Wednesday in the Yellow Room. All children ages 0-5 are welcome to join us at this free program. Every third Wednesday of the month we will alternate between Tents and Tunnels, Play Doh Fun, Literacy Activities and Lego Building. This program is

funded by Lac Ste Anne County FCSS.

Adult Whist is every 2nd and 4th Friday of the month at 7:30 pm. These games will be on November 11 and November 25, 2022 in the Yellow Room of the Rich Valley Public Library. The cost is \$2.00 per person. Drop in and join the card game!

Akhanda Yoga on Tuesday from 11:00 am-12:15 pm. These classes will be November 01, November 08, November 15, November 22, November 29, and December 06, 2022. The fee is \$72.00 for 6 classes

or a \$15.00 drop-in fee per class. All levels of yoga experience are welcome.

The Rich Valley Public Library is open on Wednesday from 9:00 am-4:30 pm and Thursday from 11:30 am -7:00 pm. We look forward to seeing you!

We are located in the basement of the Rich Valley Community Hall.

Please check out our website at www.richvalleylibrary.ab.ca, Facebook and Instagram for all our programs and news.

PARKLAND RCMP SOLVE ARMED ROBBERY IN UNDER FOUR HOURS

Submitted by Parkland RCMP

On Sept. 28, 2022, at approximately 5:20 p.m. Parkland RCMP responded to a report of a robbery at a hardware store in Wabamun. The suspect allegedly attempted to leave the store without paying for a machete and boxes of power tools. When store staff tried to stop him, he allegedly began swinging the machete (which was still in its packaging) and struck one of the staff members with it. Fortunately, there were no resulting injuries.

The suspect then fled in a vehicle. Staff were able to provide the licence plate and description of the vehicle to police. Through investigation, police learned that the licence plate had been stolen off of a similar vehicle in Stony Plain,

Alta., but this was not the suspect vehicle.

A short time later, Parkland RCMP received reports of a vehicle matching the suspect description driving on sidewalks and trails in Spruce Grove, Alta. The Parkland RCMP Drug and Crime Reduction Units were deployed to assist, and they were able to track the vehicle to a rural property north of Spruce Grove.

A male exited the vehicle and fled into the treeline, but was quickly arrested. The male was identified as 36-year-old Edward Allan Maurice Vredegoor, a resident of Stony Plain. His clothing at the time of arrest was a match to the security footage of the robbery suspect. The machete was located in the vehicle, which was determined to have been stolen from Spruce Grove earlier

the same day. The arrest occurred shortly before 9 p.m.

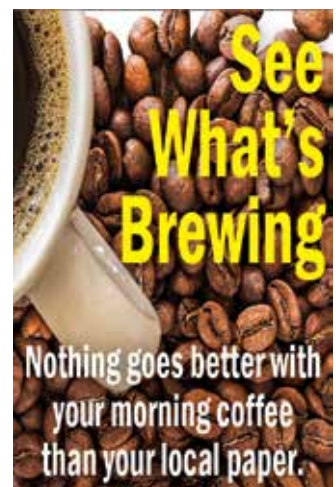

Parkland RCMP held Edward Allen Maurice Vredegoor for a bail hearing. He was subsequently released and is set to appear at the Stony Plain Provincial Courthouse on Oct. 26, 2022. He is charged with the following:

- Robbery
- Assault with a weapon
- Possession of a weapon for a dangerous purpose
- Uttering threats
- Theft under \$5000 x3
- Flight from peace officer
- Dangerous operation of a motor vehicle
- Possession of property obtained by crime for the purpose of trafficking x2
- Disguised with in-

tent to commit an offence

- Theft of a motor vehicle

Parkland RCMP would like to thank and encourage the public to continue to report suspicious behaviour. It is with the public's assistance that police were able to identify and locate the suspect vehicle so quickly.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
