SANG AND THE LEGION POPPY FUND IN ACTION

Submitted by Onoway Legion

On Tuesday, February 21, in the middle of the latest cold snap, the Onoway Legion and Ste. Anne Natural

Gas Co-op Ltd (SANG) together made a small miracle happen.

A local veteran, knowing that darts was in full swing at the Legion Hall, rang for help after his fur-

nace stopped working. Two Legion members – Scott Sadler (a Vice President at the Provincial Command level) and Richard Moses (a Branch Vice-President),

JOKE of the week

After sending our son away to college, he would often [to often] call up asking for money. One time when he called my husband answered, "sure we will send you money" he said, "and I also noticed that you left your Physics book here, should we send that also?" "Uh, oh yeah, OK," he responded. I asked him afterward how much he sent up "\$1,100" he said. When I gave him a surprised look, he explained, "Don't worry, I taped a \$100 check on the cover, and the other \$1000 check inside the cover!"

PUBLIC NOTICE

To the Electors of
LAC STE. ANNE COUNTY
Province of Alberta

SECTION 251 – The *Municipal Government Act*

TAKE NOTICE that the Council of Lac Ste. Anne County, in the Province of Alberta, has given first reading to borrowing Bylaw No. 08-2023 which will, upon final passage and approval, authorize the proper officers of the said Lac Ste. Anne County to borrow monies from the Province of Alberta or an authorized financial institution by way of debenture issue, to pay for the cost of the following municipal purposes(s), namely the construction of a Wastewater Transmission Line from Darwell to Tri-Village.

The total cost of the aforesaid project amounts to \$11,820,000. After deducting from this cost the amount of \$10,620,000 to be received by way of the Investing in Canada Infrastructure Program (ICIP) Green Infrastructure Stream Grant, the net amount to be borrowed on the credit and security of Lac Ste. Anne County at large by the issue of debentures is \$1,200,000. The debentures are to be repayable to the Province of Alberta or an authorized financial institution in fifty (50) equal consecutive semi-annual installments of combined principal and interest, the annual interest not to exceed the interest rate as fixed from time to time by the Alberta Finance, and not to exceed seven (7.00%) percent.

NOW THEREFORE NOTICE is hereby given by the Council of Lac Ste. Anne County that, unless a petition of the electors for a vote on Bylaw 08-2023 is demanded, as provided for by the terms of Section 231 of the *Municipal Government Act*, the said Council may pass the said borrowing Bylaw.

All persons interested are hereby notified and they are required to govern themselves accordingly.

DATED at Lac Ste. Anne County, in the Province of Alberta, this 23rd day of February 2023.

Mike Primeau, MBA, CLGM
Chief Administrative Officer
Lac Ste. Anne County

Information for Electors

Pursuant to Section 1(i) of the *Municipal Government Act* an "elector" means:

A person who is eligible to vote in the election for a councillor under the *Local Authorities Election Act*.

Pursuant to Section 47(1) of the *Local Authorities Election Act*, a person is eligible to vote in an election if the person:

- a. is at least 18 years old,
- b. is a Canadian citizen, and
- c. has resided in Alberta for the 6 consecutive months immediately preceding election day and is a resident in the area on election day.

A poll may be demanded in Lac Ste. Anne County by electors equal in number to at least 10% of the population of 11,300 (1,130 electors), in accordance with the provisions of Section 223 of the *Municipal Government Act* and in accordance with the provisions of Section 251 of the *Municipal Government Act*.

The petition for a vote must be received by the Chief Administrative Officer within 15 days of the last publication of this notice and shall contain on each page "an accurate and identical statement of the purpose of the petition". (Further requirements of the petition are provided in Section 224 of the *Municipal Government Act*).

DATE of the last publication of this notice is the 13th day of March 2023.

FARM SAFETY & HEALTH WEEK

Farm Safety Tips

When farming please follow these precautions in order to keep yourself, your family and your workers safe:

- Decrease your risk of being crushed by using lockout procedures before beginning any maintenance or repair work. Lockout means to physically neutralize all energies in a piece of equipment. Machines, devices or power transmission lines can be de-energized by applying blocks to all parts under tension or pressure, bleeding the hydraulic pressure from the lines or by releasing pressure from a coil or spring.
- Provide a safe, fenced play area for all children and supervise closely. The working area of the farm is not a playground any more than a construction site or other industrial area would be a play area. Review the safety rules on your farm with your family often. Fence off all manure, retaining ponds and dugouts, and lock buildings containing hazardous goods.

SANG And The Legion Poppy Fund In Action

Continued from Page 1

immediately went to the veteran's house to see what they could do.

Richard quickly identified the problem with the furnace. As the problem was more than they could help with, the SANG emergency line was called and the on-duty technician arrived shortly thereafter. He determined a new part was required. Since the veteran had very limited financial resources, the two Legion members realized it was

a perfect fit for the Poppy Fund.

After a quick vote among the available members of the Branch Executive Committee who were also at darts, and having confirmed that funds were available, Scott called Kevin Ouderkirk, CEO of SANG, to arrange for the bill to be sent to the Legion for payment rather than to the veteran. The furnace was quickly repaired by the SANG technician and life returned to normal.

The Poppy Fund provides

financial assistance and support to veterans (including Canadian Armed Forces and RCMP) and their families who are in need. Aside from emergency financial assistance, in recent years the Onoway Legion has also awarded educational bursaries to the children and grandchildren of veterans, and contributed to the recent restoration of a gazebo at the Chateau Lac Ste. Anne, where some veterans or their surviving spouses reside. The Poppy Fund is mainly funded by donations

for poppies in the weeks leading up to Remembrance Day each year, although the Legion receives donations throughout the year.

SANG is Alberta's largest natural gas co-op, and is well known as a strong supporter of the local community in Onoway and Lac Ste. Anne, including the Onoway Legion. The two organizations worked seamlessly to quickly resolve a potentially life-threatening problem.

FARM SAFETY WEEK

Preventing Crushes

- From rolling machinery to falling front-end loaders there are countless crush hazards on a farm. While farm operators and workers can't prevent every hazard on a farm, they should prevent every hazard they can by taking simple preventative measures while working.
- Failure to block-up equipment safely can result in a fatal crushing injury. A jack may slip, a hose or overhead support may break, or the equipment may roll. Always take the precaution of placing support blocks under the equipment prior to working with raised machinery for any reason.

'Tis no Blarney; 'Tis a St. Paddy's Party

Come "wearin' the green" for a traditional Irish dinner of shepherd's pie with coleslaw and buttermilk biscuits. Dessert is Bailey's chocolate poke cake. It's all prepared and served Anne-liese & crew.

After dinner, stay for the Irish ceilidh (party)! There'll be Irish music with a visiting leprechaun. The bar will serve Irish coffee & Guinness and there's a draw for the Irish liquor basket. Join the fun of the legion's own version of Irish Sweepstakes horse racing too.

Every few weeks, local veterans, each with a guest, enjoy a complimentary dinner at a reserved table. For the St. Paddy's party, Grande Tire is the sponsor of the table.

Doors open at 3 pm, with dinner served at 6 pm. Reserve your spot by text or phone to 780-909-4558 by Wed., March 8. Pre-ordered take-out meals are welcomed.

Dinner Schedule

The Onoway Legion is pleased to announce that firm dates have been set until the end of June for our

Friday night chef-led dinners. Full-course dinners will be offered only every second Friday, with the remaining Fridays designated as casual Pub Nights. As always, the legion will be closed on holiday long weekend Fridays.

Mark your calendar for dinners on March 31; April 14 & 28; May 12 & 26; and June 9 & 23. Details about each meal will be publicized in the paper and on social media.

Friday Night Winners

There were three more winners on Friday, February 24. Bernadette Grosse won the Friday night supper gift certificate (\$20), and Joanne Gorman won ribs in the meat draw. The lucky 50/50 draw (\$37) was Russ Hilger.

President's Message

At our Friday night supper on February 24, 2023, we hosted our first Veterans Table. Four local veterans and their spouses attended as our honoured guests to enjoy dinner and the camaraderie of the Legion, with the entire cost of their meals donated by a local business, Big Trux Company Ltd. All of our guests had a great time, and we at the Legion were grateful to have them with us for the evening. Many thanks to

Lynne Tonita for organizing this new initiative (and heading up the kitchen crew for the dinner as well).

We have had a lot of interest in this new program, which provides an affordable and meaningful way for local businesses to acknowledge the Veterans among us, and what they have done for us. If you are a business or individual interested in sponsoring a table at a future Friday night supper, please feel free to reach out to us! You can contact me directly at: president@onowaylegion132.com or by texting or calling 780-297-2203.

Darts and Pool

Drop into the legion and throw some darts (no membership needed) every Tuesday evening. Doors open at 6:30 and play begins at 7:30. There are seven games of 501 in teams of three or four (depending on numbers – teams are made up each week).

If shooting pool is more your style, the legion pool club runs every Thursday evening, also drop-in with no membership requirement. Play begins at 7:30 pm, so please arrive no later than 7:15 to be included in the evening schedule.

Wednesdays Are Pub Nights!

Every Wednesday evening at the legion you can enjoy a "kitchen party"-type jam, starting at 7 pm. Everyone is welcome. Bring an instrument to play, sing along, dance, tap your feet, or even just sit and listen. If you prefer, you can also play darts, cards, crib or try your skills at pool.

Did You Know?

The Royal Canadian Legion is Canada's largest veteran support and community service organization, helping Veterans, members of the Canadian Armed Forces, RCMP and their families get the care and support they deserve.

EVENING HAMPERS

Submitted by Lac Ste Anne East Food Bank

The Lac Ste Anne East Food Bank is considering adding an evening hamper pickup once per week to assist those who have been unable to access our assistance on Wednesday mornings due to work, school, or other constraints. At this

point we will only be able to offer this option to NEW clients. If you currently are not a food bank client and find yourself in this situation, please call us at (780) 271 3131 to discuss the details. If you are interested in this option, you must call before noon on Tuesdays. Absolutely NO walk ins will be accepted.

Farm Safety & Health Week

Teach small children the rudiments of safety, such as which areas are off-limits. As they grow older, explain why certain things are dangerous. When they start helping with the work, make sure they are properly trained, keeping their limited strength and experience in mind. The safe way to do things is not always obvious to a child, so always explain and enforce the safety aspects of the job.

FARM SAFETY & HEALTH WEEK

Keep an eye for safety

The type of safety eye protection you should wear depends on the hazards in your workplace. If you are working in an area that has particles, flying objects, or dust, you must at least wear safety glasses with side protection (side shields). If you are working with chemicals, you should wear goggles. If you are working near hazardous radiation (welding, lasers, or fibre optics) you must use special-purpose safety glasses, goggles, face shields, or helmets designed for that task.

Farm Safety Tips

When farming please follow these precautions in order to keep yourself, your family and your workers safe:

- When moving large machinery, be sure to check the location of power lines. Make arrangements with your service provider to ensure a safe route along a route you will travel between fields with large implements in travel mode.
- When working with livestock always ensure you have an escape route planned and that you are wearing the appropriate gear for the job. For example – wear a helmet and appropriate footwear when riding a horse.

HOW TO MAINTAIN CAR VALUE OVER THE LONG-TERM

When shopping for a new car, savvy buyers know finding the right car involves more than just finding the most comfortable or flashy vehicle. Numerous factors, including resale value, determine what makes a car the right car for a particular buyer.

Various websites and automotive resources rank vehicles based on their potential resale value, and drivers can do much to ensure their cars and trucks maintain that resale value over

the long-term.

Pay attention to the exterior. Much like homes with strong curb appeal can help homeowners get the best price for their homes when those homes are on the market, vehicles that look good can make strong first impressions on prospective buyers. Address any dings or dents on the car before putting it on the market, and make sure the car gets a thorough washing and waxing prior to showcasing it for poten-

tial buyers.

Upon purchasing new vehicles, drivers with their minds on maintaining resale values can park their cars or trucks in garages as often as possible to protect them from the elements. In addition, when parking in public, avoid tight parking spaces that can increase the likelihood that other drivers will ding or dent the vehicle when entering or exiting their own cars.

Protect the interior. A well-maintained

interior will impress buyers on multiple levels. Pre-owned buyers may feel more comfortable buying cars with well-maintained interiors that still make them feel as if they're buying a new vehicle. Vehicles with well-maintained interiors also give buyers the impression that sellers care about the vehicle and prioritized maintenance.

Avoid eating in the car, and immediately address any spills or stains.

How To Maintain Car Value Over The Long-Term

Continued from Page 14

When taking the vehicle to a car wash, spend the extra money to have the interior cleaned as well. Seat covers can help protect cloth and leather interiors from spills, stains and cracking.

Keep maintenance receipts. Another way to maintain resale value is to keep all maintenance receipts from the moment the vehicle is purchased. Pre-owned vehicle buyers are making substantial

investments when buying preowned cars, and many will want to be certain they're investing in the right cars and trucks. Documentation with regards to the vehicle's maintenance can assuage any fears buyers may have and help sellers get the most money possible when putting their cars on the market.

Maintaining resale value is a concern for new car buyers who want to get the best returns on their automotive investments.

NITRO NUT Mechanical

We now carry Manuli! They are a European manufacturer and they engineer it all in Europe. All of their product is produced in their own factory, no outsource. Adding this in we have been able to gain access to many of the European fittings that have become much more common in North America.

BSPP, Metric Din, Metric cone, JIS.

These fittings are clear across all brands John Deere, Case, New Holland, JCB, Fendt, Massey Ferguson. Many of the implements that have been sold in the last few years have also used these predominantly European fittings.

We offer these services

- CVIP Inspections
- Hydraulic hose crimping and thousands of adapters in stock.
- A/C Repair
- Epsar and Webasto Repair, Installation.
- Engine Repair and Rebuilding.
- Power train/Driveline repair and service.
- Suspension and frame repair.
- Two Fully equipped service trucks for mobile needs.

WE STOCK PARTS FOR ALL MAKES AND MODELS OF TRUCKS, DRIVELINE & ENGINES.

We repair

- Truck Transport
- Heavy Equipment
- Automotive
- Industrial
- School Bus
- Agriculture

Entanglements

- The average farm is full of machinery and devices that can grab, cut, smash, and entangle fingers, hands, toes, and feet causing injury to the extremities and even death. The sad truth is that most of these injuries can be avoided.
- Some of the key entanglement prevention measures to implement when working with or near machinery are:
- Before operating any machine or equipment, ensure that all guards are in place and in good condition.
- Wear tight fitting clothing, such as overalls. Avoid wearing any items that could easily become entangled, such as long coats or scarves.

The following businesses are proud sponsors of Farm Safety & Health Week

FARM SAFETY WEEK

is a great opportunity to stress the importance of keeping our farm families safe and healthy. The agriculture industry is unique in that so many of its members live, work and play at the worksite. This often increases the level to which farmers and their families are exposed to dangerous chemicals, machinery and livestock. Because of this potentially hazardous environment, it's essential that each and every person on the farm is experienced and knowledgeable in the area of farm safety.

- Handle cattle with respect and awareness. They have the strength and speed to cause serious injury.
- Never operate machinery when you are fatigued, stressed or highly medicated.
- Always read and follow owner's manuals and safety decals on all equipment.
- Outfit all farm buildings with smoke detectors and fire extinguishers.

FARM SAFETY WEEK

Be SAFE – Plan Ahead Assess Risk

Risk concerns the expected value of results of a situation or event. The value of those results may be positive or negative. In the farming industry, the measure of risk can be rated as high, medium or low. Once the risk has been assessed, through your regular safety checks, employers can determine whether to take immediate action of a hazard or identify those that can be monitored and fixed at a later time. Regular assessment can help with budgeting time and resources for immediate or future repairs.

Obituaries

Crum, Neil On February 10, 2023 Mr. Neil Crum Of Glenevis, AB passed away at the age of 83. Neil will be remembered and forever loved by his daughter Serena, son Devon (Mary-Anne) and by his grandchildren: Grace, Noah, AnnaSophia, Finnegan and Hermione. He is also survived by his sister Carol (Billy), brother-in-law Art, stepbrother Ron, stepsister Verlie, and numerous nieces and nephews. Neil was predeceased by his wife Rose, father Raymond, mother Irene and stepfather Merle, sister Kathy, brother Brian, sister-in-law Susan as well as nieces and nephews. Neil will always be remembered for his generosity, the ability to fix almost anything and for spending time with his

grandchildren on the farm. A memorial service will be held Saturday March 11th, 2023 at 12:00pm in the Cherhill Community Hall, with lunch to follow.

George Andrew Brown June 8, 1947 - February 28, 2023 It is with heavy hearts that the family of George Brown announce his passing on February 28, 2023. George will be lovingly remembered by his wife Gisela of 56 years, his children Collin (Annette), Randal (Kathy) and Lori (Rob) Brandt, grandchildren Kyle (Paige) Brown, Brennan Brown (Aly), Mackenzie Brown, Wyatt Brown (Tori), Lexie Brandt (Linden), Jay Brandt and sister Rosamy (Wayne) Krupa. George was a happy and fun loving husband and father. He really loved music - playing

guitar, singing in the band and many basement jam sessions. He enjoyed running heavy equipment, farming, always had a joke to tell, and often serenaded his wife with love in his heart and eyes. George loved spending time with family and numerous friends; camping, quading/ snowmobiling and travelling. After selling the farm in 2011 and moving to Barrhead, life had its downside with health issues. Thank you is extended to doctors and staff at both Barrhead Health Care Centre and The Royal Alexandra Hospital for George's care. A celebration of life will be held at the Cherhill Community Hall on Saturday March 18, 2023 at 1:00pm, lunch and camaraderie to follow. In lieu of flowers, donations may be made to the Barrhead Health Care Centre Auxiliary (in memory of George A Brown).

Cunningham, Lois Kay It's with sad hearts that we announce the passing of our amazing Mom and grandmother on February 26, 2023 She will be lovingly remembered and so missed by her spouse of 35 years Thomas Nicholson. Her sons, Tyler Cunningham and Jimmy Nicholson and her four daughters Amber Nicholson, Candace Wilson, Cheryl Nicholson, and Paddy Nicholson. Sister Gloria Swanson, Numerous grandchildren and great grandchildren. Predeceased by her father Kay, mother Louise and brother, Vernon. Words of thanks to the Lac Ste Anne Metis Elders and GARS. We have been so blessed by an amazing woman who loved us all with a marvellous and enduring Heart! You're home and at peace. We have such wonderful memories of our time together to treasure. Services will be held Friday, March 10th 2023 at the Gunn Community Hall at 1pm.

SUDOKU of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
