2ND ANNUAL NATIONAL RANGE DAY

Submitted by Oneway Fish and Game Association

On Saturday June 3rd, from 10AM until 3PM, the Oneway Fish and Game Association (OFGA) will host the 2nd annual National Range Day. In-

cluded in this free family event is a hot dog lunch! The event will be held 40 minutes West of Edmonton. On Highway 37, turn South at Range Road 15 at the Imrie Park signs and head to 54431 Range Road 15.

National Range Day is a

day created to recognize the 2.3 million licensed gun owners who responsibly, legally and safely own and use firearms in Canada. At this family oriented event you can try your hand at archery, axe throwing, pistol, rifle and shotgun shooting. No firearms license is needed!

The day has more than just a gun range focus as you can learn about the Club's outdoors programs including the Ladies League and Youth group. You can find out about the local nature areas they look after and their involvement in the Alberta Fish and Game Association.

40 minutes West of Edmonton, South of Highway 37 on Range Road 15 at the Imrie Park turn off.

2ND ANNUAL NATIONAL RANGE DAY

Continued from Page 2

OFGA has been operating since 1984. They are affiliated with the Alberta Fish and Game Association who are a major voice in conservation for fish and wildlife and the habitat they depend on in Alberta. OFGA is a not for profit organization with a focus on education and recreation programs and activities that support an outdoors lifestyle and promote conservation of natural resources.

OFGA is active throughout the Onoway area. From involvement in Onoway's Heritage Days to organizing an annual "Kids Can Catch" fishing day and building and distributing birdhouses in the area the

Association actively promotes community volunteerism. Its conservation and environmental efforts include maintenance of the Bilby Natural Recreational Area, the Salters Lake "fishing hole" and the seasonal hiking and ski trails at Imrie Park.

OFGA's family focus is evident through the activities of its Ladies League and its Youth Club. Both of these groups engage in a variety of outdoors and outdoor education activities. Community building, friendship and fun are always present. If your family is looking for an outlet to support a fun outdoors lifestyle this event is worth checking out.

JOKE of the week
INSA young man excitedly tells his mother he's fallen in love and is going to get married. He says, "Just for fun, Ma, I'm going to bring over three women and you try and guess which one I'm going to marry." The mother agrees. The next day, he brings three beautiful women into the house and sits them down on the couch and they chat for a while. He then says, "Okay, Ma. Guess which one I'm going to marry." She immediately replies, "The red-head in the middle." Stunned, the young man says, "That's amazing, Ma. You're right. How did you know?" "I don't like her," she says. HERE

NATIONAL PUBLIC WORKS WEEK MAY 21 - 27

Connecting the World Through Public Works

Reeve Joe Blakeman has declared the week of May 21-27 as National Public Works Week.

Public works professionals focus on infrastructure, facilities and services that are of vital importance to sustainable and resilient communities and to the public health, high quality of life and well-being of the people of Lac Ste. Anne County.

We pay tribute to our public works professionals, engineers, managers and employees and recognize the substantial contributions they make.

This year marks the 63rd annual National Public Works Week sponsored by the American Public Works Association - Alberta Chapter.

STATE OF LOCAL EMERGENCY

REMAINS IN EFFECT until further notice

Area wildfires are deemed contained but still active.

As fire risks still remain high, and precipitation remains minimal, there is the potential for conditions to worsen anywhere in the County.

If you see smoke or fire, please call 9-1-1 to report the location.

COUNTY-WIDE FIRE BAN REMAINS IN EFFECT until further notice

The Fire Hazard Rating for the area is EXTREME.

No new Fire Permits will be issued, and all existing Fire Permits are hereby cancelled.

For further information please call LSAC Fire Services or visit CountyFire.ca.

COMPLETE RECREATIONAL ATV/UTV BAN REMAINS IN EFFECT until further notice

A complete Ban on recreational ATV/UTV use is now in effect within the County due to EXTREME fire risk.

This ban includes all off road vehicles such as quads and dirt bikes.

For further information, please visit LSAC.ca or countyfire.ca.

2023 PROVINCIAL GENERAL ELECTION May 29

For information on your voting options, to learn about candidates and more visit elections.ab.ca or call 1.877.511.8683.

ROAD BAN LIFTED

Effective May 15

Please be advised that the County has lifted vehicle axle weight restrictions for ALL GRAVEL SURFACED ROADS.

Pursuant to the authority granted under the provisions of Section 18(1) of the *Municipal Government Act*, vehicle axle weight restrictions have been lifted for all gravel roads.

Vehicle axle weight restrictions for hard-surfaced roads will remain in place as determined by the County.

The Road Ban Lift Notice is posted on our website. Please visit countyroads.ca for more details.

SAVE THE DATE!

Onoway Playschool Registration

2023-24 Registrations open Monday, June 5.

Details on class options and how to register coming soon.

EMERGENCY

PREPAREDNESS TIPS

Be Prepared to Respond

The first important step in being ready for an emergency is to talk about it. Start the conversation with those around you.

Get ready for emergencies and disasters by taking simple steps now.

Being prepared starts with small steps, as well as looking at the big picture.

For tips and short videos including information on how to build an emergency kit and preparing to evacuate, please visit alberta.ca/BePrepared.

THANK YOU

**WE APPRECIATE YOUR
LOYAL SUPPORT!**

Fire Rescue International (non-profit) o/a Onoway Regional Fire Services would like to thank the following people for the wonderful homemade supper they provided to the fire department. The crews have been working long hours and having such a thoughtful surprise after these long days was really appreciated. It was absolutely delicious! A heart felt thank you goes out to:

Bridgitte Coninx ,Onoway Councilor, Dwight Moskalyk, CAO of Nakamun Park and Lizzie Harder from The Table in Onoway. You made our day!

Our communities have been very supportive! -Every wave as we drive down the road and thanking us for our service really goes a long way. We see you and appreciate you!

Sincerely,
Onoway Regional
Fire Services

accepted. All supplies will be provided but please bring sandpaper (all grades) and rasps (files) if you have any. We ask that anyone younger than 12 have a parent stay to supervise and/or

assist.

To pre-register, call 780-924-3491 or email to ablibrary@yrl.ab.ca.

NOTE: your choice for this project is one of wolf, inukshuk, fish, polar bear, dinosaur. First come, first

choice.

We will be set up outside so dress for the weather. In case of rain, we'll postpone to a different day (TBA).

MP SOROKA'S STATEMENT IN THE HOUSE ON THE WILDFIRES

Submitted by MP Gerald Soroka

Gerald Soroka, Member of Parliament for Yellowhead spoke in the House today about the wildfires in the riding:

"Mr. Speaker, for the last while, communities in Brazeau, Clearwater, Lac St. Anne, Parkland, and Yellowhead Counties have ex-

perienced severe wildfires. I have answered emails and phone calls from people who fear what they will see when they return home. The emotional toll this is having on Albertans breaks my heart. It is truly a strenuous time for thousands of families. Today, I commend all the businesses, communities and farmers who have come together during this

difficult time.

Firefighters, rescue squads and community members continue to work tirelessly. They bravely put their lives on the line to ensure everyone's safety. The support shown to one another during such a difficult time is a reminder about what it means to be an Albertan.

I cannot begin to imagine what it would be like to lose

my home and belongings. It is truly heart wrenching to know the suffering my friends and neighbors are living through by what the fires have mercilessly destroyed."

MP Soroka's Statement can also be found at: <https://fb.watch/kzyBC-qtZZH/?mibextid=qC1gEa>

PERMIT #	LEGAL LAND DESCRIPTION	DESCRIPTION	APPEAL BODY	APPEAL DEADLINE

23-D0079	Lot 15, Block 4, Plan 7820942 Valhalla Acres within NW 29-54-02 W5M 26, 2419 TWP RD 545	Shipping Container, Main 2.44m x 12.20m (29.77 sq. m.) 8.0' or 9.6' Walls	Lac Ste. Anne County - Subdivision & Development Appeal Board	June 12, 2023
23-D0085	SE 02-55-03 W5M Lakeview Campground 55007 Ste. Anne Trail	Maintenance Shop 34.0' x 70.0' (1700.0 sq. ft.) 15-16' walls on Engineered Thickened Slab	Lac Ste. Anne County - Subdivision & Development Appeal Board	June 12, 2023

Anyone who claims to be affected and who wishes to lodge an appeal against any of the above developments must do so in writing on the applicable form on or before 4:30 pm on the above noted date(s) to Lac Ste. Anne County, Subdivision & Development Appeal Board, Secretary of the Subdivision and Development Appeal Board, c/o Lac Ste. Anne County, Planning & Development, Box 219, Sangudo, Alberta T0E 2A0

PLEASE NOTE: Lac Ste. Anne County requires that a non-refundable fee of \$250 be paid for every appeal served on the Subdivision and Development Appeal Board. The fee may be paid by Cheque, Visa, MasterCard, Interac or Cash. OR send to: Land and Property Rights Tribunal, 2nd Floor, 1229 91 Street SW, Edmonton, AB T6X 1E9 email: lpri.appeals@gov.ab.ca, Website: alberta.ca/subdivision-appeals.aspx#jumplinks-1

The required appeal form may be obtained by contacting the Land and Property Rights Tribunal or on the LPRT website. The Land and Property Rights Tribunal (formerly Municipal Government Board) hears subdivision and development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board. The Tribunal hears appeals of development authority decisions where the land that is the subject of the application is: the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission; the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Parks.

TRAPPING SEASON IS NOW UNDERWAY

Exercise caution and keep dogs leashed in common trap areas

The County has begun setting beaver traps in problematic locations (ditches and ravines). Residents are strongly encouraged to keep their pets on leashes if they plan to venture into ditches. If you encounter a beaver trap, do not go near or touch it; a beaver trap is a dangerous device.

If you are trapping beavers, please make sure to follow the Code of Responsible Trapping, available at albertaregulations.ca. Finally, as stated in the 2022-23 Alberta Guide to Trapping Regulations, fur-bearing animals must be trapped using methods that are proven to avoid unnecessary pain and suffering. The manner in which animals are trapped is a concern of many Albertans, including trappers.

Visit LSAC.ca/beavers for more information on the County's beaver abatement program.

LAC STE. ANNE COUNTY ISSUES UPDATE REGARDING ADMINISTRATION BUILDING STRUCTURE ISSUES

Sangudo, Alberta, Wednesday, May 17, 2023 – Update on Administration Building

The County has made the difficult but necessary decision to replace the Administration Building. This follows extensive expert investigations and assessments, which unfortunately have concluded that repairing the present damage and maintaining the integrity of the building is not feasible. This is very disappointing news we had hoped to avoid. We are now forced to start the process for a new building to ensure we have a quality building to support the important services the County provides.

Details of how we arrived where we are and our plans to minimize the impacts to County residents and ratepayers are discussed below.

Chronology and general description of the problem

Around the time the Administration Building was being completed in 2017, slab heaving and drywall cracking were observed. The issues were investigated by geotechnical experts and determined to be caused by moisture changes to the high plastic clay that the building is situated on. Recommendations made to regrade and redirect surface water were implemented, and the slab heaving appeared to have stabilized. Following this, it appeared that any deficiencies with the building would be addressed as normal warranty items and no long-term issues were anticipated.

However, as 2018 unfolded, and ever since, the building continued to experience movement and damage despite the remediation measures that were implemented in 2017. The County then arranged for a structural engineering investigation, including surveying and ongoing monitoring of the building's movement to ensure it is safe.

The movement appears to be primarily with respect to the building's floor, which is known as a slab on grade floor. This type of floor sits on the subgrade underneath and is not supported by piles or any other structural component. As such, the slab is susceptible to movement when the high plastic clay beneath it expands with changing moisture levels.

The expansion of the ground beneath the building has occurred to the extent that the floor and other structural components are moving, causing issues with the structural integrity of the building as a whole and critical components. Other resulting issues include significant bowing and sloping of the floor slabs, separation of walls from each other and the foundation, extensive wall and ceiling cracking, vapour barrier damage, notable gaps causing air infiltration and heat loss, damage to fire proofing and fire separations, and damage to the exterior cladding.

In addition, the building is expected to continue to experience differential movement of the interior floor slab. There is a significant risk the known problems will get worse over time, and we may encounter new problems with other components of the building.

In addition to the initial geotechnical and structural investigations described above, the County engaged further experts to monitor the situation, investigate all potential causes, and develop options to remedy the problems.

During 2020-2022, experts continued to monitor the condition of the building, assess the structural integrity, and investigate all potential causes of the problems. They also made short-term and longer-term recommendations to address any immediate concerns. The short-term recommendations were implemented, which included the design and installation of shoring of the mezzanine level of the building and close monitoring of the safety systems of the building that were impacted by the building's movement. During this time period, experts also investigated and reported on potential long-term remedial steps.

During late 2022 and early 2023, work continued to fully develop the feasibility, costs, risks, service disruption, and likely outcomes associated with the long-term options. It was in the course of this further work that our experts advised us of further issues with the building, and the steps required to restore the long-term integrity of the building in accordance with industry standards. Unfortunately, the scope of required rehabilitation would be extensive, including the requirement to essentially remove and replace all interior floor slabs, internal walls, internal finishes, and exterior cladding and weatherproofing.

After extensive review and analyses by a team of experts – including some of the leading structural engineers, geotechnical engineers, architects, and construction contractors in the province – it was determined that repairing the existing building would not be a feasible or reasonable option, leaving the County with the only option of replacing the building.

Lawsuit

From the outset, the County has been advised by legal counsel with respect to these issues. The problems with the Administration Building were raised with the parties who designed and built the Administration Building. Unfortunately, they failed to address the problems and legal action was necessary to protect the County's interests.

As we previously advised in our periodic updates, a lawsuit was started against the parties involved in the design, project management, and construction of the Administration Building. This lawsuit is ongoing, with the objective of obtaining financial recovery from the parties responsible for this situation in order to offset the cost implications to the County.

Based on advice from the County's legal counsel, only limited information can be shared until the lawsuit is concluded.

Lac Ste. Anne County Council and Administration sincerely thank ratepayers for their understanding and cooperation as they continue their work protecting the County's interests and ensuring that we have a quality building to support the services the County delivers.

The County will continue to provide periodic updates on this matter on its website and social media platforms.

Alberta RCMP Focuses Policing Techniques On Protecting Albertans' Properties During Wildfires

Continued from Page 1

evacuated community, the Alberta RCMP can easily ascertain who's authorized to work in a specific area and who might be unlawfully in the community.

Roving Patrols: With the perimeter secured, marked police car patrols will regularly move through your community actively looking for signs of criminal activities, as well as individuals who are not authorized to be in the evacuated area. To enhance patrolling ability throughout the night, advanced optical and night vision technology mounted on our Remotely Piloted Aircraft Systems (drones) are being utilized

to identify and accurately pinpoint any suspicious activity in your evacuated community.

Quick Response Teams: Special Tactical Operations and Emergency Response Teams are in place to rapidly react to any incidents in your community. These members are specially trained officers equipped to deal with the most sensitive and dangerous situations.

Investigative Teams: Experienced investigators will analyze and examine reports of suspicious activity and individuals. Our investigators will conduct targeted investigations of prolific offenders, criminal hot spots and utilize both overt and covert

techniques to actively suppress crime and arrest those looking to take advantage of the evacuation.

Crime Reduction Techniques: Various Crime Reduction equipment and strategies are being implemented within and around the evacuated areas. "Bait" vehicles and equipment for the most opportunistic offenders are being utilized to catch criminals in the act. Specialized Crime Reduction teams utilize covert crime detection and overt crime suppression strategies focusing on the most prolific offenders who are causing the most harm to our communities.

Until you are able to return to your community, your local RCMP officers

are committed to keeping communities that have been evacuated safe and secure. Please help us to keep everyone safe by listening to the advice from local authorities and staying away from evacuated areas until you have been cleared to return. Your patience is greatly appreciated.

LAKE ISLE COMMUNITY HALL NEWS

Submitted by Lake Isle Community Hall

Spring has arrived! The Lake Isle Farmers Association is looking forward to hosting events again this year. Our volunteers have worked tirelessly upgrading the hall by painting and installing some new flooring. We still have a lot of work to do and will be once again be actively fundraising by hosting Mother's Day and Father's Day Brunches; Pub Nights with live music; etc. STAY TUNED for more information

We encourage you to come and support our small rural hall located at Hwy 633 at Range Road 55 while at the same time visiting with your friends and neighbors. Everyone is Welcome!!

We are always on the lookout for volunteers to help with general lawn maintenance, etc.

Our first event of the year is the annual Mother's Day Brunch. Sunday, May 14.

9:30 am – 1 pm.

No charge, however, monetary donations are grate-

fully accepted. This event is SPONSERED BY SANG.

LAC STE. ANNE COUNTY Visit [LSAC.ca](https://www.lsaac.ca) to explore the latest County news and events in greater detail. f t in

PLANNING & DEVELOPMENT

NOTICE OF PUBLIC HEARING
of Bylaw 22-2017-03-2022

LOCATION OF HEARING Lac Ste. Anne County Office 56521 Range Road 65	DATE OF HEARING June 8, 2023	TIME 10:45 am
--	--	-------------------------

Pursuant to the provisions of Section 640 of the Municipal Government Act, the Council of Lac Ste. Anne County is considering an amendment to Land Use Bylaw 22-2017, by amending the zoning of the following properties:

LOT, BLOCK, PLAN, SUBDIVISION NAME WITH LONG LEGAL	CURRENT ZONING	PROPOSED ZONING
Lot 3, Plan 5149TR within NW 35-53-04 WSM	County Land (CL)	Country Residential Ranch (CRR)
Lot 6, Plan 822 2558, Cheviot Hills within NE 16-55-01 WSM	County Land (CL)	Existing Country Residential (CRX)
Block R, Plan 1392BT, Glenevis within SW 34-55-4 WSM	Institutional (INT)	Urban Residential (UR)

Written comments on the above proposed Bylaw may be provided prior to 4:30 pm, on June 7, 2023 to:
 Lac Ste. Anne County
 56521 RGE RD 65, Box 219
 Sangudo, AB T0E 2A0
 Attn: Amy Roberts, Development Officer Or email at devassistant@LSAC.ca

Interested individuals may attend the Public Hearing to voice their comments. To schedule an appointment please contact Development Officer, Amy Roberts at 780.785.3411.

The proposed amendment and/or application may be reviewed during regular business hours at the County Administration Office located at 56521 Range Road 65 or on the County website at [LSAC.ca/Hearings](https://www.lsaac.ca/Hearings).

OK, so what all this fancy language means is that Lac Ste. Anne County is proposing to amend zoning of properties within Land Use Bylaw.

In order to rezone the properties and amend the land use bylaw, a bylaw must be drafted and a public hearing held first.

The ad above is to let folks know about when and where the Public Hearing will take place.

ANNUAL WEED AND CROP INSPECTION
Scheduled to begin soon

The County's annual crop and weed inspection program to prevent the spread of noxious and prohibited weeds will begin shortly. Weed inspectors will be starting in the NW corner of the County and working eastward throughout the summer. More information about what inspectors are looking for, the Alberta Weed Control Act, and other frequently asked questions can be found online.

During the inspection, the Agricultural Services team inspects all private and County properties for noxious and prohibited noxious weeds as per the Alberta Weed Control Act. As always, inspection crews will exercise extreme care when entering fields to minimize any potential spread of crop issues from field to field. Precautions include the use of disposable boots and/or disinfection with a bleach solution prior to entering any field.

Keep an eye out for additional updates and information regarding this year's inspection. If you have questions or comments about the annual inspection program, please contact Agriculture Services at 780.785.3411 (toll-free 1.866.880.5722) or AgServices@LSAC.ca.

ELECTION UNDERWAY

Submitted by Peter Willott

We are into the need for comparing ideas of parties...

Please consider the following for publication in the next issue.

Meaning of Society

We live in a society. Societies, the Masonic Lodge, the Shriners, even the Boy Scouts, have rules. Building codes have rules. Bridge clubs have rules. A society relies on common norms, on commonly accepted rules; without them, the society loses the very commonness that create and sustain it. If following the rules is optional, then the society can not exist.

The Sovereignty Act is not "within a United Canada": it is against both unity and

Canada. It is against our entire society. The UCP options to follow (or not follow) federal laws is a blatant attempt to corrupt our society, both federally and provincially. It is an attack on reasonably living together. Can we then choose to ignore provincial laws and municipal regulations? Why not? The UCP provincial government chooses to do that!

Now we have the "Take Back Alberta" group objecting to being restricted by rules. They didn't seem to mind when the Truck-er Convoy drove for thousands of safe and swift kilometres to pester Ottawa. They did not object to speed limits or stop lights. They relied on the laws that kept

opposing drivers on the other side of the road. They did not object to U.S. rules about vaccination across borders, only to Canadian ones, despite the fact that either or both were for safety of all.

Before we consider voting, we should consider which party(ies) have our benefit in mind. The NDP believes in legislatures making laws, and in people respecting them (even when they sometimes speed). The NDP believes in public dollars going to public projects such as public schools, hospitals and roadways. The NDP believes in fair taxation levels for the sale of Alberta's resources and for income of Alberta's millionaires. The NDP believes in

"The Widow's Mite" (check your New Testament and the Koran), that we should look after the 'least' among us.

We live in a society. We have laws to protect all of us, not to punish and not to profit. Please put your faith in the party and candidate that supports the best for us all. Vote for public health and public education. Vote for what you know to be right. Vote NDP

Of course, due to the short nature of the campaign, I will be sending similar requests for subsequent issues.

Thank you for your consideration.

CHERRILL 4H MULTICLUB'S BUSY MONTH IN APRIL

Submitted by Cherhill 4H Multiclub

Club report by Jaylene Blanchette

April was a busy month between judging, monthly projects and preparing for Achievement day.

Beefs workshop was a clipping workshop so they could get the cows ready for beef and sheep mini achievement day. Beef and sheep mini achievement day was on May 13th at Darwell Ag grounds.

The sheep leaders travelled to each member's

house to view their sheep. Their sheep are going to be clipped in May to get ready for Achievement Day.

For the quilting project, the kids went to the Barrhead Country Quilters in Barrhead. The members are working hard to finish their projects for the year.

The foods kids are working hard in the kitchen. This month they made Super Moist Chocolate Cupcakes and Confetti Sprinkle cupcakes. Then the kids made two different types of icing, Favorite Chocolate Butter cream (That was for

the Super Moist Chocolate Cupcakes). The second one is the Vanilla buttercream Frosting (that is for the other cupcakes).

The archery workshop was held with Anselmo's 4H club this month.

Models, feathered friends, and vet science did not do a workshop in April.

We also got the opportunity to host a presentation called What Does an MLA Do by Shane Getson. Mr. Getson explained what he does for the community as well as answered any questions. He also went to each

member and parent and asked what matters to you.

This month members participated in either Regional or District Multi Judging. They judged multiple different things.

The beef and sheep Achievement Day will be held on June 5 at the May-erthorpe Ag grounds. The lifeskills Achievement Day will be on June 10 at Cherhill Hall from 1-3. Please come out and support our 4H members!

GOLFER'S GUIDE

GOLF COURSES MANAGE PESTS TO PROTECT THEIR TURF

Golf courses are valuable green spaces in many communities, and the sport is enjoyed by Canadians of all ages.

We want our favourite course to be healthy, but this requires a lot of attention. Despite best efforts, sometimes golf courses are affected by pests. These can include turf diseases like dollar spot and snow mould, which affect normal growth of grass and can cause significant turf loss, according to experts. Turf insects feed on the grass and can inflict severe damage. Weeds are also a threat, because they compete with grass for moisture and affect the playability of a course.

To control pests, golf courses practice integrated pest management, using the right

tool at the right time to treat an infestation. This includes pesticides, which are regulated by Health Canada to ensure they are safe and effective in controlling the pests they are designed to target. They help maintain healthy vegetation and playing surfaces, and also offer many envi-

ronmental benefits.

Golf courses are often located in urbanized areas and can be valuable green spaces that help preserve habitats for wildlife and waterfowl. Data show that healthy turf and trees act as natural air conditioners by producing large amounts of oxygen, while removing

carbon dioxide. Did you know that healthy turf grass can sequester almost 900 kilograms of carbon per hectare each year?

Completely renovated Motel in Onoway, AB. offering daily, weekly or monthly rentals. All utilities included, 55 inch tv with Satellite. Double beds, furnished bachelors with full kitchen and

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
