ARTIST IN CANADA CREATES FIGURINES AND ORNAMENT FOR 20TH ANNIVERSARY OF WORLD-RENOWNED COLLECTIBLE COMPANY – THE TRAIL OF PAINTED PONIES

Submitted by The Trail of Painted Ponies, Inc

July 19, 2023 – Artist Lorna Matsuda won First Place in The Trail of Painted Ponies 20th Anniversary Art Competition in 2021. Her design “Frosted Black Magic” was chosen to be crafted into a

figurine and ornament for The Trail of Painted Ponies Winter 2023 release, which marks 20 years since the release of the very first Trail of Painted Ponies figurines, in Winter 2003. The “Frosted Black Magic” figurine and ornament, plus Lorna’s figurines “Appy Trails” and

“Pride of the Red Nations,” are now in stock at retailers across the United States, Canada and Australia, and online.

Here is the story behind “Frosted Black Magic:” Winter 2023 marks the 20th anniversary of The Trail

Artist In Canada Creates Figurines And Ornament For 20th Anniversary Of World-Renowned Collectible Company – The Trail Of Painted Ponies

of Painted Ponies. With that in mind, this artist created a sparkling tribute to a two-decade exploration of the creative possibilities of the horse as a canvas for creative expression with a gleaming, jet-black horse in a triumphant pose with a frosted coating of snow that shines like rare jewels, as precious as the joy the Painted Ponies have brought to collectors over the years. "Frosted Black Magic" was the winner of The Trail's art competition honoring this milestone.

The Trail of Painted Ponies received hundreds of design submissions from artists in the United States,

and all around the world, to celebrate their 20 years of collectible Painted Ponies figurines and ornaments. One of the premier horse collectible and giftware companies in the world, The Trail of Painted Ponies chooses to craft select designs submitted by artists and releases them at least twice per year as figurines and ornaments. To learn more about The Trail of Painted Ponies, visit www.paintedponies.com.

Lorna Matsuda has spent her life devoted to her love of art and all animals, though horses are her passion. Combining her love of art and horses, Lorna creates memories and mean-

ing in her paintings and other artistic creations. She enjoys painting realistic art to share with others and feels very blessed to have been given this special gift.

She is making excellent progress, and we will reveal photos of the finished product soon!

Then, on Saturday, July 14, ten Legion volunteers gathered at the Legion Hall bright and early at 8:30 am for a good old-fashioned "work party". The mission was to clean up our storage areas. There is a strange gravitational pull in these areas which results in the accumulation over time of everything for which we can't quite find a home. It was time to clear out the excess and put what remained in its proper place. It was a lengthier than anticipated project, but we were done and dusted by 1:30 pm and off to enjoy the remain-

der of the weekend. Many thanks to all the volunteers, the lifeblood of our Legion!

Looking down the road, we are scoping out some options for giving a facelift to our exterior, and some more power (literally) to our Kitchen so that we can improve our food service capabilities. More on that in the weeks and months ahead.

As usual, if you have a question or concern about the Onoway Legion please call me directly at 780-297-2203.

Long Weekend Coming!

As usual on long weekends, there is no dinner (or pub night) on Friday, August 4. Our volunteers all need some time off to spend with their friends and fam-

ilies.

Wednesday Night Party Continues!

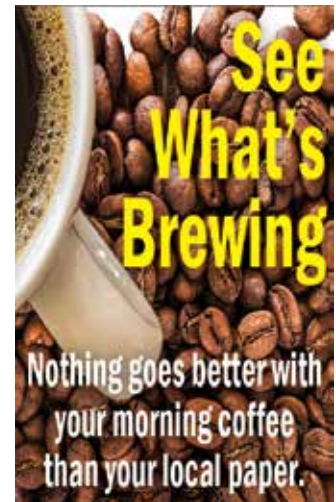

Don't miss the musical jam at the legion every Wednesday evening, starting at 7 pm. Everyone, member or not, is welcome. Bring an instrument to play, sing along or as a soloist, dance, tap your feet, or even just sit and listen. Another popular Wednesday night activity (other than music) is playing darts, pool, or cards.

The bar is open so you and your friends can also enjoy a favourite beverage. Enjoy wings along with your beverage. Munch on hot, salt & pepper (lemon & vinegar), dry rub, honey garlic, or BBQ wings for \$12/pound. Order at the bar and wings will be brought to your ta-

ble.

You can join the Legion online at legion.ca/join or at the Onoway Legion branch. Membership forms are available there.

you are able to help. Thank you so much to all of our supporters, funders, and volunteers. #notjustbooks

KEEPING KIDS SPORTS AFFORDABLE

Submitted by Government of Alberta

Alberta families and non-profit organizations can now apply for funding from the Every Kid Can Play program.

Sports play an important role in the early stages of a child's life. They teach teamwork, build confidence and promote healthy lifestyles that can last well into adulthood. Unfortunately, registration fees can make participation in sports unaffordable for too many families.

Albertans can now apply for funding from the Every Kid Can Play program to access affordable sport, physical activity and recreation programs for children and teens. To support the program's success, Alberta's government is providing \$3 million to KidSport Alberta to subsidize registration costs for families that are struggling financially.

"Sport and recreation

opportunities should be affordable and accessible for all, especially young children and youth. We are committed to supporting initiatives that makes access easier for families, helping to build healthy and fit communities through sport and recreation."

Joseph Schow, Minister of Tourism and Sport

"Every child and youth deserves an opportunity to play and enjoy the fun activities they love. Through Every Kid Can Play, Alberta's government is reducing the financial barriers to play and making sure kids can enjoy the full benefits of sports and recreation."

Searle Turton, Minister of Children and Family Services

Introduced in Budget 2023 with a commitment of \$8 million, the Every Kid Can Play program is funded by the Government of Alberta and administered in part by KidSport Alberta. The program increases access

and affordability for families across Alberta with kids and teens participating in sports and recreational activities. Through KidSport Alberta, families can apply for support to offset registration fees.

Provincial and community non-profit organizations can apply for grant funding to increase access to sports and recreation programs. Every Kid Can Play is expected to provide direct financial support to more than 8,500 children and youth and support up to 200 child and youth-focused community-level programs throughout Alberta. Applications are now open.

"The benefits of sport extend beyond the field and too many families miss out on the social, mental, emotional and physical health benefits of physical activity due to financial barriers. With the support of the Government of Alberta, KidSport is determined to

give every child and youth the opportunity to find and reclaim the joy of sport. The Every Kid Can Play program will provide equal access to sports in our province and drive lasting change for kids, their families and communities."

Kelly Oehlerking, Executive Director, KidSport Alberta

"Every day I see the physical, social and emotional benefits of sport participation and I applaud our government for launching this program. This program will not only support individual participation, by making programming more affordable and accessible, it will also strengthen the MNP Community & Sport Centre through increased use, thus extending the reach and benefit of the program."

Jeff Booke, CEO, MNP Community and Sport Centre

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

The Whitecourt Communities in Bloom Committee will be offering graffiti removal kits at a discounted price to community members. The Committee has investigated and tested different removal kits, and will be offering two different kits (one for sensitive surfaces and another for brick/stone/masonry) for \$20 at the Allan & Jean Millar Centre. Those that purchase a kit will be asked to provide before and after photos so that success of the initiative can be tracked. For further information, visit www.whitecourt.ca/play/communities-in-bloom.

Whitecourt Town Council received a quarterly financial report at the July 17

Regular Meeting. Council also had the opportunity to review the 2023 Project List that is available for viewing on www.whitecourt.ca/your-town.

Whitecourt Town Council has awarded the Automated Traffic Enforcement (ATE) Contract to Conduent Business Services Canada Inc. for a three-year term, with a two-year option for extension. The current contract is set to expire in October 2023, and a request for proposals process was completed. The purpose of ATE is to facilitate the safe flow of vehicle and pedestrian traffic resulting in safer roadways throughout Whitecourt. Since having ATE in Whitecourt, collision rates have decreased by 6% and injury collision rates have fallen by 15.4%.

July 25 has been declared by Whitecourt Town Council as World Drowning Prevention Day 2023. Drowning has caused 2.5 million deaths in the last decade, and the day helps to raise awareness on drowning as a public issue.

BRINGING INDIGENOUS COMMUNITIES, SCHOOLS TOGETHER

Submitted by Government of Alberta

Alberta's government will provide more than \$10 million to Indigenous partners through the new Bridging Classrooms to Communities pilot program.

Alberta Education is committed to improving education outcomes and creating opportunities for First Nations, Métis and Inuit students. Creating welcoming environments, demonstrating cultural awareness and providing system supports through the Bridging Classrooms to Communities program will help support Indigenous students' success in and out of the classroom.

This new pilot program will help Indigenous partners such as the Alberta Native Friendship Centres Association (ANFCA) build relationships with local school authorities to advance reconciliation and support the hiring of community connection workers to strengthen student relationships with Indigenous

communities.

"This is an important step forward in advancing reconciliation. Alberta's United Conservative government takes reconciliation seriously and this small but important step will help bring Indigenous communities and school authorities closer together. As Alberta's minister of education, I firmly believe that the path to reconciliation starts with education, and I will work to ensure that happens."

Demetrios Nicolaides, Minister of Education

The new Bridging Classrooms to Communities pilot program will provide \$10.5 million over three years. ANFCA will receive \$7.5 million to distribute to friendship centres within their network. The remaining \$3 million is earmarked for eligible Indigenous organizations to support community connection projects in urban and rural areas across Alberta.

By creating meaningful connections, this pilot program will help Indigenous

students and their families feel heard, respected and involved in Alberta schools.

Recipients will receive up to \$100,000 per year to hire community connection workers who will work with school authorities to:

- Develop Indigenous-centered school events, programs and supports.
- Provide guidance to teachers and school leaders to strengthen communication with Indigenous students, families and communities.
- Make timely referrals to external support systems and services.
- Improve access to transportation, technology, tutoring, social activities, sports and other supports and services.

"Alberta's government is pleased to fund this pilot program that will help build relationships between community partners and create new opportunities in education for Indigenous students. These meaningful connections will help pro-

vide excellent opportunities for Indigenous students to feel heard and receive support to excel at school and in life now and in the future."

Rick Wilson, Minister of Indigenous Relations

"With this support from Alberta Education, friendship centres are able to weave Indigenous knowledge and culturally responsive educational supports to increase positive learning environments and urban Indigenous students' academic and future success."

Len Morissette, president, Alberta Native Friendship Centres Association

Grant applications will open later this summer and successful applicants will receive funding in the fall.

Alberta's government is committed to reconciliation and Indigenous-led solutions that result in meaningful change and a better future for all.

SENIOR'S CORNER

Submitted

It's been a while since I posted anything in Seniors Corner. I have not heard from anyone to post anything. However, I do have a story about one" remarkable couple. "And that couple is Art and Anne Noble. In 1959 he was in England & he biked & hitchhiked around Europe for 8 years. In 1968 Art & also Anne continued their journeys together, again by motorbike & then a Mini. I can't say when they

came to Canada but I know that in 1990

he operated Homestead Dry Goods store. At one time it was called Majeau Dry Goods. I spent quite a sum of money there. This building also had a church in it & a new & used business run by Norm & Josie Fibke. Art & Anne owned it for 10 years. I remember getting my picture taken there for my license. One day Anne was held up by a man with a knife!!! Brave little Anne, she just tries to

defend herself. Thankfully, they were disrupted by another person coming in the store. And the guy stole took off. Art & Anne, a very sociable couple, made a lot of friends over the years. To this day, Art is ever busy. He is healthy, loves to tell jokes & if I got anything wrong Art, so sorry! You are one of a storyteller!

Sweet, little Anne is in nursing care these days.

Till next time, keep looking

GOVERNMENT OF CANADA FUNDS THREE PROJECTS IN ALBERTA TO EMPOWER SENIORS TO AGE IN THEIR HOMES

Submitted by Government of Canada

After a lifetime of hard work, seniors want to live healthy, safe and independent lives. Many seniors want to stay in the homes they built and the communities that support them for as long as possible. The Government of Canada is committed to helping seniors to age in the right place.

Today, the Minister of Seniors, Kamal Khera, announced \$1.68 Million in funding for three projects in Alberta under scaling-up for Senior's stream of the Age Well at Home initiative. The Minister made the announcement while visiting the Drive Happiness Seniors Association in Edmonton, which will receive \$563,537 for their Rural

Access to Transportation Expansion. The Drive Happiness project will expand volunteer-assisted transportation for seniors and increase access to in-home supports in urban and rural settings in Alberta and Saskatchewan.

The selected projects will make a real difference in the lives of seniors. For example, the Parkinson Association of Alberta, which has also received funding, will expand support services for people living with and affected by Parkinson disease. Additionally, the Calgary Immigrant Women's Association will provide services aimed at helping low-income racialized immigrants and newcomer seniors age in place.

Through the Age Well at Home initiative, various organizations are be-

ing funded that meet the needs of diverse groups of seniors, including seniors who have a low income, are Black or racialized, Indigenous, members of the 2SLGBTQIA+ community, seniors who live in rural and remote settings, members of official language minority communities (OLMCs), newcomers, or seniors who speak a language other than English or French.

This announcement builds on the Government's commitment to improving the quality of life of seniors. To strengthen the financial security of the most vulnerable seniors, the Government of Canada increased both the Old Age Security by 10% for seniors aged 75 and older, and the Guaranteed Supplement Income up to \$947 annually for low-income single seniors. Importantly,

these benefits are indexed to ensure they can keep up with the cost of living and they can never go down. Budget 2023 introduces the new Canadian Dental Care Plan which will become accessible to eligible seniors by the end of 2023. Upon full implementation, the program will help up to 9 million uninsured Canadians to get the dental care they need and help ensure they don't have to choose between taking care of their health and paying the bills at the end of the month. Through Budget 2023, the Government is also providing one-time Grocery Rebate to help the Canadians hardest hit by the rising of food prices. Seniors were among those who received additional funds in their pockets on July 5th.

ALBERTA RCMP CAUTION FARMERS OF GRANT FRAUD

Submitted by Alberta RCMP

Edmonton – Alberta RCMP are investigating a complaint of a farm grant fraud. The investigation has revealed that the victim signed up for a farm grant on a website that came up during a Google search.

The website asked for a fee to be submitted with the business plan. When no assistance or funds came, the victim asked for a refund, which also never came. Finally, they contacted 310-FARM who advised him that it was a fraud and that loan programs never ask for any fees or referrals up front.

Alberta RCMP want to remind citizens of the following:

- Farm grant programs such as 310-FARM provide free assistance/referrals;
- The 310-Farm (previously known as Ag-Info Centre) should only be accessed through www.alberta.ca/310-farm.aspx; and

ca/310-farm.aspx; and

- It is illegal for any grant or loan program to ask for an upfront fee.

Call the Alberta Farmers' Advocate Office (403-742-7901) or toll free 310-FARM if you are unsure about a grant program.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
