Due to elevated levels of fecal bacteria currently present in the water of Alberta Beach, located within the AHS North Zone of Alberta Health Services (AHS), AHS is advising the

public not to swim or wade at these beach areas, effective immediately.

Elevated levels of fecal bacteria were detected via testing of the lake water at these beach locations. At current levels, gastrointestinal illness may result from ingestion of the water at

Alberta Beach. As well, there is the possibility of skin, ear and eye infections with water contact.

JOKE of the week

A salesman was demonstrating unbreakable combs in a department store. He was impressing the people who stopped by to look by putting the comb through all sorts of torture and stress.

Finally to impress even the skeptics in the crowd, he bent the comb completely in half, and it snapped with a loud crack. Without missing a beat, he bravely held up both halves of the 'unbreakable' comb for everyone to see and said, "And this, ladies and gentlemen, is what an unbreakable comb looks like on the inside."

ONOWAY LEGION NEWS

Submitted by Onoway Legion

It's a Wunderbar German dinner!

On Friday, August 11 enjoy a traditional German supper of BBQ bratwurst, German potato salad, cucumber salad, German rye bread and mini black forest cakes. Prepared by Liane, Anneliese and crew, this delicious meal is only \$20 dollars.

Everyone is welcome. Reserve your spot at the table by text or phone to 780-909-4558 no later than Wed., August 9. Pre-ordered take-out meals are welcomed.

President's Message
Our Friday night supper on July 21, 2023, was again very well attended. Joanne Gorman led the kitchen crew as they prepared and served beef on a bun with all the fixings. Our Legion members and guests enjoyed themselves thoroughly.

I want to highlight for a moment just how many volunteers it takes to provide these Friday night meals.

Being a volunteer requires only one essential attribute: a generous spirit. We are lucky to have many dedicated volunteers at our Legion, but we can never have too many. If you are looking for a place that you can donate your time and talents for a meaningful cause, I think that you will enjoy investing in our – and your – Legion. You don't need to be a veteran or a relative of a veteran to volunteer with us. All you need is that generous spirit of yours, willing to help our military veterans and the community in which they – and you – live.

You can contact me, Ed Gallagher, your Legion Branch President, directly at 780-297-2203.

Winners, Winners!
Each week, the Onoway Legion has three draws up for grabs by dinner guests. On July 21, the free dinner ticket went to Dave Roberts, with Lillian Henry winning the meat draw and Neil Gorman taking home the prize for the 50/50 draw.

The Legion's a Happening Place on Wednesdays
Every Wednesday evening, starting at 7 pm, there's a musical jam at the legion. Bring an instrument to play, sing along or as a soloist, dance, tap your feet, or even just sit and listen.

JULY & AUGUST AT GEORGE PEGG BOTANIC GARDEN!

Submitted by George Pegg
Botanic Garden

George Pegg Botanic Garden has been busy with activity this July! On July 20th, the 4th Annual Tea in the Garden took place, where visitors enjoyed select teas, desserts, and garden tours. Cellist Birch Nero's musical accompaniment was perfect for the setting. Beautiful planters provided by BG Greenhouse and bouquets collected from the garden added lots of colour to the day. We appreciate the hard work of our volunteers who helped to make this event a reality.

We would also like to thank members of the Sanguo and District Horticultural Club. The New Perennial Demonstration bed and

vegetable garden are looking fantastic thanks to their volunteer work.

On Saturday August 19th, the 5th Annual Rural Roots Farmer Showcase takes place. The outdoor local food market runs throughout the day, featuring a wide variety of farm vendors, alongside demonstrations, children's activities, and delectable food for sale. We also invite visitors to the outdoor farm-to-table dinner and concert held during the evening. Tickets are on sale now! Visit our website for further details. Coinciding with Alberta Open Farm Days, the Pegg event is one of many farms welcoming visitors across the region. This is a perfect weekend for a rural road trip.

Come visit Pegg Garden

any day in August from 10:00 a.m. - 4:00 p.m. We welcome visitors to come and admire our freshly painted garage and pump-house. Please visit our Facebook, and Instagram for updates. The site contains the original homestead of the Pegg family and displays the important botanical work completed by George Pegg.

DEVELOPMENT PERMITS Why the Switch to a QR Code?

Embracing efficiency and fiscal responsibility, LSAC has adopted a modern approach, moving away from traditional permit advertising to QR codes.

The QR code allows easy access to all permits, surpasses provincial advertising requirements and results in substantial annual savings upwards of \$10,000. A forward-looking decision that optimizes processes and benefits the community.

Scan the QR Code below to visit the County website page [LSAC.ca/hearings](https://lsac.ca/hearings) for current Discretionary Permit information.

For questions please contact the Planning and Development department at 780.785.3411 or 1.866.880.5722 or email devassistant@lsac.ca.

COUNTY CROP INSPECTIONS For Clubroot of Canola Starting Soon

Lac Ste. Anne County performs an annual inspection of all canola fields throughout the region, per **Policy 02-010-003 Control of Clubroot Disease**. This is done to monitor the pathogen's movement and reduce the spread throughout the County. In order to help producers make their own informed cropping decisions and reduce their risks, the County offers a map that shows where the clubroot-susceptible crop restrictions are located. A copy of this map is available for viewing on our website.

Field staff will take all necessary bio security precautions when entering a field for inspection including wearing disposable gloves and boot covers and sanitizing equipment between fields.

For further details on when your field will be inspected, or if you wish to be present at the time of inspections, please contact the Agricultural Services department at 780.785.3411 (toll-free 1.866.880.5722) or Agriculture@LSAC.ca.

COUNTY ASSESSORS Out and About in the Region

LSAC Assessors are currently working on property inspections for assessment purposes.

Their current task is assessing properties with long lapses since being assessed and vacant residential properties.

For more information about the assessment process please visit the website at [LSAC.ca/assessment](https://lsac.ca/assessment) or contact the Assessment and Taxation department at 780.785.3411 or 1.866.880.5722 or email assessor@LSAC.ca.

August 17, 2023

TIME

10:00 am

Pursuant to the provisions of Section 692 of the *Municipal Government Act*, the Council of Lac Ste. Anne County is considering an application for amendment to Land Use Bylaw 22-2017, by amending NW 15-54-01 W5M through proposed Bylaw 22-2017-03-2023.

- Redistricting the lands legally described as Lot 7, Block 4, Plan 7821310, Eagle Ridge Estates within NW 15-54-01 W5M from County Land (CL) District to Existing Country Residential (CRX) District under Bylaw 22-2017;
- Amending Map 6 Region F to reflect the redistricting of the lands legally described in Schedule "A" to Existing Country Residential (CRX) District under Bylaw 22-2017;

LOCATION SKETCHLac Ste. Anne County

Lot 7, Block 4 Plan 7821310Lot 7, Block 4,
Plan 7821310

Written comments on the above proposed Bylaw may be provided prior to 4:30 pm, on August 10, 2023 to:
Lac Ste. Anne County 56521 RGE RD 65, Box 219 Sangudo, AB T0E 2A0
Attn: Amy Roberts, Development Officer Or email at devassistant@LSAC.ca

Interested individuals may attend the Public Hearing to voice their comments. To schedule an appointment please contact Development Officer, Amy Roberts at 780.785.3411. To attend the meeting via zoom please use the link:

<https://us06web.zoom.us/j/87299029471>

The proposed amendment and/or application may be reviewed during regular business hours at the County Administration Office located at 56521 Range Road 65 or on the County website at [LSAC.ca/Hearings](https://lsac.ca/Hearings).

OK, so what all this fancy language means is that County owned lands have been identified and removed from municipal reserve designation and as a continuation in process now require redistricting to residential parcels in preparation for sale to the public.

In order to amend the Land Use Bylaw for redistricting, a bylaw must be drafted and a public hearing held first under the provisions of Part 17 of the *Municipal Government Act* (Sections 216.4, 606, 632, 640 and 692).

The above is to let folks know about when and where the Public Hearing will take place.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
