JOKE of the week

A little boy returned from Sunday school with a new perspective on the Christmas story. He had learned all about the Wise Men from the East who brought gifts to the Baby Jesus. He was so excited he could hardly wait to tell his parents.

As soon as he arrived home, he immediately began, "I learned all about the very first Christmas in Sunday school today! There wasn't a Santa Claus way back then, so these three skinny guys on camels had to deliver all the toys! And Rudolph the Red-Nosed Reindeer with his nose so bright wasn't there yet, so they had to have this big spotlight in the sky to find their way around!"

For the second year in row Our Christmas Friday night supper on December 15 at the Onoway Legion is **SOLD OUT!** Thank you everyone for your support, and especially to Grande Tire for sponsoring the meal and the Veterans' Table.

It's a Party to Celebrate 2024!

Ring in 2024 with friends at the Onoway Legion's New Year's Eve party on December 31! Doors open at 7 pm, with Passin' Through striking up the music at 8 pm. Admission includes a midnight lunch plus a champagne toast.

Tickets are \$50 each, available at the legion bar. You can also text 780-909-4558 and an e-transfer so you can pick up tickets later.

Closed for the Holidays!

The Onoway Legion will be closed from December 22 to January 2 (except for special events). Activities will begin again in the new

year, so stay tuned. Events will be announced both in the papers and on social media.

President's Message

Our Legion was proud to lend our facility and our volunteers to support the Onoway & District Chamber of Commerce Staff Christmas Party on December 2. The event was very well attended, and our volunteers worked hard in the background to make the Chamber's event quite a memorable night.

On Monday, December 4, we held our Annual General Meeting at the Legion Hall. There was an excellent turnout by our members. We officially welcomed new members Steve Gervais, Michelle Nantel, and Brent and Randi Sanderson.

I presented my annual report to the membership, and our Treasurer Joanne Gorman presented our Audited Financial Report for the review and approval of the membership.

Finally, we held our elections for the Officers and Directors on the Executive Committee. We were fortunate that most of the current leadership of the Branch continued their commitment to serve for another year on our Executive. There was some

new blood as well: we were very pleased to welcome Cliff Cottingham and Jodie Shabada to our Board. Our Secretary, Kim Menzel, stepped down after many years of dedicated service to our Executive. One of our Directors from last year, Anneliese Becht, stepped up to take on this important position. Thanks to both of you for your dedication.

We have an ambitious New Year ahead, but first the Christmas season beckons!

Remember, if you have any questions or concerns about our programs at the Onoway Legion, you can contact me, Ed Gallagher, your Legion Branch President, directly at 780-297-2203.

Wednesday Pub Night and Musical Jam

There are just three more Wednesday evening musical jams before the holiday break. They'll begin again at the legion in January, starting at 7 pm each Wednesday. Everyone is welcome. You're invited to bring an instrument to play, or to sing along with the band or as a soloist. If you'd rather, just tap your feet, sit and listen, or dance. Not musical? You can play darts, pool or cards while you enjoy the

music. The bar is open for refreshments with your fun.

Pool and Darts Clubs

Both drop-in pool and darts clubs continue until the holiday break, and you don't need to be a legion member to play in either of them. Just arrive at the Onoway Legion Hall early to make sure your name is included for that night's play.

On Thursday, the pool balls are racked up. Play begins at 7:30 pm, so please arrive no later than 7:15 to be included in the evening schedule. Darts go on Tuesday, with registration at 7 pm so everyone can be assigned to a team for play to begin at 7:30 pm.

ALBERTA IS OPEN FOR BUSINESS!

Submitted by MLA Shane Getson

This past week, our province witnessed a week of economic success unlike anything we have seen in recent years, starting with a very positive second quarter fiscal update.

According to the update, Alberta continues to be on a path of strong economic growth, with a projected surplus of \$5.5 billion in 2023-24, an increase of \$3.2 billion from the original forecast in Budget 2023. Despite fiscal improvements, our government remains laser-focused on reducing the province's debt burden and will pay down a forecasted \$3.2 billion in debt this fiscal year.

"Alberta continues to stand out as a leader when it comes to fiscal stability and economic resilience amid

so much global uncertainty. Our second-quarter fiscal update is another positive report, showing strength in Alberta's finances and economy and positioning us for future growth and prosperity," Finance Minister Nate Horner said, following the update.

While Alberta's balance sheet is strong and resilient, our government continues to prioritize responsible economic management in the wake of ongoing global uncertainty. As we begin preparations for Budget 2024, our government remains focused on responsible spending and Albertans' core priorities. We will also continue implementing business-friendly policies that help create jobs and attract investment.

Also, this past week, Albertans celebrated Dow's landmark Path2Zero project in

Fort Saskatchewan. At nearly \$9 billion, the Dow Path2Zero project is Alberta's largest private sector investment in the past 15 years. This project will create approximately 6,000 high-paying jobs during peak construction, and approximately 400-500 permanent high-paying jobs, once it is finished. Path2Zero is the world's first net zero Scope 1 and 2 greenhouse gas emissions integrated ethylene cracker and derivatives site, meaning it is aiding both our province's path to more sustainable industrial practices while at the same time enabling further economic growth and development.

Last but certainly not least, Alberta is still calling. This past week, we learned that, in November alone, Alberta gained 8,900 more jobs. This means that over the past 12 months, our employment

has grown by 4.1 per cent, well above the national average of 2.5 per cent. This is due, in part, to our government's investment-friendly policies that have inspired job creators to set-up shop and expand their operations in Alberta. We are committed to continuing to build relationships with Alberta businesses and industry to ensure our province continues to create jobs, attract investment, and be the best place in the world to live, work, and raise a family.

With 2024 on the horizon, our government remains focused and dedicated to creating jobs, attracting investment, and growing and diversifying the economy to better the lives of everyday Albertans.

More good news and our best days are still ahead!

ARMY CADET NEWS

Submitted by Captain R Heinz, CD

With the hectic fall schedule behind the cadets and staff of 3053 (Lac Ste Anne) Royal Canadian Army Cadet Corps, it is time to prepare for the next phase of training and also take stock of our accomplishments to date.

While the unit is still recovering from the dark days of covid, it is encouraging to see things returning to normal as new recruits are still joining our ranks.

3053 RCACC participated in a successful joint field exercise with other army cadet units from Hinton, Evansburg, Mayerthorpe at the end of September. The basics of camp life in the field were taught to our new recruits while the senior cadets practiced leadership skills and map and compass use.

At the beginning of October, several of our senior cadets were invited to Edmonton Garrison to participate in a "Turkey Shoot" along with several other local cadet units. They participated in a biathlon competition and prone shooting range. The top marksmen in each unit was then able to return home with a frozen turkey for their family's Thanksgiving Day dinner! Congrats to Master Corporal Parent for being the best shooter of the day from our unit. He then donated his winning bird to the unit's Christmas potluck supper to be held on December 13th! Bravo Zulu MCpl!

After the busy preparations for Remembrance Day events at the local schools and the Legion's public ceremony on the 11th, as well as Poppy Day in Onoway on November 4th, the cadets were given a break to relax. On November 16th the unit

had a sports evening at the Tri-Leisure Centre in Spruce Grove with the cadets having fun times in the pool and the slide. Pizza for supper followed, provided by the cadet parents committee.

A large component of the training at 3053 RCACC is marksmanship with the Daisy air rifle. The Cadet Zone competition is held in mid-February, so we have to begin practicing as much as we can to select a team.

Several Sunday afternoons to date have allowed our cadets to prepare for this chance to be on our team. We have many good shooters this year so we are quite optimistic that we will be able to send a strong team forward.

The parents in the Cadet Support Unit have been busy as well. Elections were held in early October with the new executive taking their positions following.

They are already gearing up for their largest fundraising event; which is the concessions at Sno-Mo Days in Alberta Beach on the long weekend in February. As much as everyone is enjoying the mild winter with no snow at the time of this writing, we certainly hope there will be lots of snow for all the events that take place that weekend!

So long for now.

SUDOKU

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
