LITTLE MOTOCROSS GIRL

Submitted by Ryan Knysh, REALTOR@Century 21 Masters

Emelia's dedication and talent have caught the attention of the local racing community. Despite her young age, she has made a significant impact on the provincial racing scene. Her consistent podium fin-

ishes and impressive performance in her debut season have turned heads and demonstrated her potential.

Starting riding at just two years old, Emelia has always been determined to excel on two wheels. Her passion for the sport and her drive to push herself both on and off the track have set her apart from her

peers. In 2023, she made the bold decision to enter the racing world, and her natural talent quickly became apparent.

Competing in the AMSA off-road motocross series, Emelia has proven herself as a fierce competitor. With seven rounds held across Alberta, she has consistently performed well and finished on the podium in every event she entered. She even secured a victory in the final event, solidifying her position in the series.

As she looks ahead to the 2024 season, Emelia will face a new challenge. She will be moving up a class to the Pee-Wee expert group, stepping up her competition and further testing her skills. However, her sponsors, including FXR Canada, Atlas Brace, and Recycle Motorcycles, will continue

to support her on this journey.

Emelia's next test will come in February at the Ironhorse arena cross events in Rimbey. Competing in consecutive weekends, she aims to hone her skills and gain momentum for the upcoming season. With her determination, talent, and growing experience, Emelia Knysh is set to make an even bigger impact in the racing world in the upcoming years.

LAC STE. ANNE FOOD BANK AND SANTA'S HELPERS

Submitted by Pastor Brian Siewert

The food bank in Oneway is setting records this Christmas. Officially called the Lac Ste. Anne East Food Bank, they are preparing 35 percent more Christmas hampers this year than last. 2022 was a busy year when they prepared 59 hampers, but this year they are providing Christmas hope and hampers to 80 individuals and families. The hampers go to people from the Darwell highway to Rich Valley to Sandy Lake, and including the Alexis Reserve.

Christmas Hampers are a major focus for the Lac Ste. Anne East Food Bank. Board Chairman Janet Fluet says it takes a lot of preparation, donations and a small army of volunteers to provide the Christmas hampers. "We have about 20 volunteers who come out for three days to assemble and present the hampers. We start on Monday and finish up on Wednesday just before Christmas every year."

Fluet says they are committed to supporting local suppliers. "We buy all our groceries through Bigway," says Fluet, "and they are so accommodating of our needs." According to Fluet, "working with Bigway allows us to be sure the expiry dates are acceptable and provide consistent food hampers." Fluet says Bigway delivered three truckloads of food to the Baptist Church where the hampers were being assembled. "They go above and beyond to help us. They even ensure there will be stock of some items that might be less available at this time of year." The Food Bank also enjoys great support from other community minded businesses like SANG and Calahoo meats.

The Lac Ste. Anne East Food bank recently hired Melanie Hartwig to take care of the increasing administrative needs. Other than Melanie, an energetic board ensures the Christmas and weekly food hampers provide essentials for families throughout the region. Fluet says the number of hampers they prepare weekly (other than August) have gone way up the last couple of

years. She points out that while the need for hampers went down about 6 months into COVID, they are back to pre-COVID levels and beyond. The Food Bank provides about 20 hampers each and every week.

The Christmas season is a critical time for the Food Bank. Donations of food and money come in during the Christmas period in a big way, but they dry up almost completely from January through March, leaving them to survive off the Christmas rush.

Those who donate can be sure their generosity is put to good use. What is in a Christmas hamper? The average Christmas hamper includes an abundant box of food, including a turkey or ham, fresh produce, eggs, and baking. SANG and a few individuals sponsor special hampers for selected families with significant needs, ensuring an extra dose of Christmas blessing. Each family with children will also receive toys and other gifts, thanks to Santa's helpers.

Santa's Helpers has been serving the Oneway area for over 40 years. Head elf Holly Durand and her helper Kerri Grierson coordinated toys for almost 100 children this year through Santa's Helpers. Speaking nearly perfect English, with the slightest trace of Elvish, Durand says, "donations came in from all over the area for the toy donations. We live in an amazing community that is incredibly generous. It makes the work of us elves so much fun!"

- Redistricting a portion of the lands within the lot legally described as Lot 6, Block 2, Plan 7923054, within SW 07-54-02 W5M and Lot R1, Plan 7521380 within NW 07-54-02 W5M from County Land (CL) District to Existing Country Residential (CRX) District under Bylaw 22-2017;

The proposed amendment and/or application may be reviewed during regular business hours at the County Administration Office located at 56521 Range Road 65 or on the County website at [LSAC.ca/Hearings](https://lsac.ca/Hearings).

OK, so what all this fancy language means is that County owned lands have been identified and removed from municipal reserve designation and as a continuation in process now require redistricting to residential parcels in preparation for sale to the public.

In order to amend the Land Use Bylaw for redistricting, a bylaw must be drafted and a public hearing held first under the provisions of Part 17 of the *Municipal Government Act* (Sections 216.4, 606, 632, 640 and 692).

The above is to let folks know about when and where the Public Hearing will take place.

President's Message

Welcome to 2024! While there is a lot happening in the world right now, the mission of the Legion remains constant: To serve Veterans, including serving military and RCMP members and their families, to promote remembrance, and to serve our communities and our country. The New Year is a good time to check in and remind us of what we do for the benefit of others.

I'm looking forward to another action-packed year at the Legion. At our Executive Com-

mittee meeting on January 8, we will be solidifying our plans for various events up to the end of June, 2024. Stay tuned for more details.

Looking to the recent past, however, I want to thank the team who organized and staged our first New Years Eve event in several years: Sue Jeffs, Scott Sadler, Jodie Shabada and Gabe Shabada, and Joanne and Neil Gorman. We had 40 people on hand to usher in the New Year, serenaded by the Passin' Through musicians, including Legion members Michelle Dentinger and Stephane Drisdelle (who also helped with the festive decorations). Well done to everyone!

Wednesday Pub Night and Musical Jam

The weekly musical jam is back. Each Wednesday, starting at 7 pm, our house band begins the music, inviting everyone to join in. Doors open at 6:30.

You're invited to bring an instrument to play, or to sing along with the band or as a soloist. If you'd rather, just tap your feet, sit and listen, or dance. Not musical? You can play darts, pool or cards while you enjoy the music. The bar is open with hotdogs and bar snacks. Everyone, member or not, is welcome.

Pool and Darts Clubs

Both drop-in pool and darts clubs are back! You don't need to be a legion member to enjoy either (or both) clubs.

The pool club began racking up the balls last Tuesday, and will run every week. Play begins at 7:30 pm, so please arrive no later than 7:15 to be included in the evening schedule.

The darts club begins throwing on Tuesday, January 9. Registration is at 7 pm so everyone can be assigned to a team for play to begin at 7:30 pm.

Did You Know ...

As of 2020, veterans and their families make up the majority of Legion membership (about 75%). The remaining members are mainly family members of veterans, or strong supporters of the Legion's mission.

ALBERTA RCMP AND LAW ENFORCEMENT PARTNERS LAUNCH OPERATION COLD START

Submitted by Alberta RCMP

As the temperatures drop and the snow starts to fall, the Alberta RCMP will once again be partnering with law enforcement partners across the province for Operation Cold Start from Jan. 8 – 12, 2024. Operation Cold Start is designed to work with the public to reduce the theft of idling vehicles during the winter months.

Law enforcement agencies will be performing a variety of tasks to help keep vehicles safe. They will be checking on unattended, idling vehicles to see if the keys are in them, and whether or not they

are properly secured. Officers will also be participating in educational efforts to teach the public ways to keep their property safe.

“Warming up your vehicle briefly before your commute might seem convenient, but this convenience can turn into a serious problem when your vehicle is stolen. Vehicle-related crimes often occur due to opportunistic situations,” says Cpl. Mike Fulton of the Alberta RCMP’s Community Safety and Well-being Branch. “In 2021, 8.3% of vehicles stolen in Alberta RCMP jurisdiction were left idling. The goal of Operation Cold Start is to reduce crime by educating Albertans on steps they can take

to help keep their property safe.”

Vehicle theft doesn’t only effect vehicle owners; it has an impact on the greater community. Not only do thefts increase the cost of insurance across the province, but stolen vehicles can also be used for further crime, or even be put back on the market and sold to unsuspecting Albertans.

The Alberta RCMP offers the following tips for vehicle safety:

- If you can’t park in a garage or driveway, ensure that you’re parking in a visible well lit area.

- Visible anti-theft devices like steering wheel locks can help mitigate vehicle thefts and break-ins.

- If possible, look into automatic car starters as an option to warm your vehicle.

- Never leave your vehicle unattended if the keys are in it.

- Always lock your vehicles doors even if you’re parked in a drive way or garage.

- Never leave valuable items like wallets, keys, purses, or even change visible in an unoccupied vehicle.

- Most modern engines do not require a ‘warm-up’ period. If your vehicle does need to warm-up, do not leave it unattended.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

We now carry Manuli! They are a European manufacturer and they engineer it all in Europe. All of their product is produced in their own factory, no outsource. Adding this in we have been able to gain access to many of the European fittings that have become much more common in North America.

BSPP, Metric Din, Metic cone, JIS.

These fittings are clear across all brands John Deere, Case, New Holland, JCB, Fendt, Massey Ferguson. Many of the implements that have been sold in the last few years have also used these predominantly European fittings.

We offer these services

- CVIP Inspections
- Hydraulic hose crimping and thousands of adapters in stock.
- A/C Repair
- Espar and Webasto Repair, Installation.
- Engine Repair and Rebuilding.
- Power train/Driveline repair and service.
