because their sheep are starting to lamb, including my sheep, who has already lambed a ram named Elvis. Unfortunately, I need a ewe! The sheep members are attending online tail docking webinar and sheep handling webinars this month, as well as paying a visit to Mrs. Stadnyk's farm to learn about lambing and hopefully see some lambing in action.

Some of the Archery members entered their first scores for the mail match, which is a provincial archery competition members can enter by shooting at targets with their home club and submitting their results online. Meanwhile, the quilting project members met again at Mrs.

Dorothy Carlson's house. Most of the quilting project members are now working on their 3rd projects. The foods project made scalloped potatoes and strawberry shortcake cupcakes in January, and the models project members worked on their model Lamborghini and Star Wars Star Destroyer.

The woodworking project members are working on a log cabin bird house, and so far they have cut the wood out and are going to start assembling later this month. On February 3rd, the Cherhill Multi club had our public speaking day at the Cherhill Hall. The Cherhill 4 - H Multi club is also hosting district public speaking on February 25th. The first place

public speaking placings for our club are below:

Speeches:

JOKE of the week

An elderly couple had been experiencing declining memories, so they decided to take a power memory class where one is taught to remember things by association. A few days after the class, the old man was outside talking with his neighbor about how much the class helped him. "What was the name of the Instructor?" asked the neighbor. "Oh, ummmm, let's see," the old man pondered. "You know that flower, you know, the one that smells really nice but has those prickly thorns, what's that flower's name?" "A rose?" asked the neighbor. "Yes, that's it," replied the old man. He then turned toward his house and shouted, "Hey, Rose, what's the name of the Instructor we took the memory class from?"

Message from the President

The Special General Meeting on March 25 is very important to the Onoway Legion. We're grateful for the members who've already indicated they'll stand for a position. We want a board filled with people holding a variety of viewpoints so we finish the year even stronger than before.

Of course, nominations will be accepted from the floor at the meeting, but if you're interested in letting your name stand, you can indicate that in advance of the meeting by contacting me, Richard Moses, at mosesjr2@outlook.com or

780-967-2433.

Without the support of our board volunteers, the Onoway Legion would not be able to contribute to our community the way it does. We support many non-profit groups and organizations both through grants, and through providing a location where groups can hold their own fundraising ventures.

Wednesday Pub Night and Musical Jam

Our house band strikes up the music for our Wednesday Pub Night & Jam every week. Everyone, member or not, is invited. Doors open at 6:30 pm. Each Wednesday, starting at 7 pm.

You're invited to bring an instrument to play, or to sing along with the band or as a soloist. If you'd rather, just tap your feet, sit, and listen, or dance. Not mu-

sical? You can play darts, pool, or cards while you enjoy the music. The bar is open with hotdogs and bar snacks.

Pool and Darts Clubs

The pool club racks up the balls at the Legion every Thursday. Play begins at 7:30 pm, but please arrive no later than 7:15 pm to be included in the evening schedule. Cost is \$5 each week.

Each Tuesday, the thud of thrown darts fills the hall. Registration is at 7 pm so everyone can be assigned to a team for play to begin at 7:30 pm. Cost for darts is \$3 each week.

You don't need to be a Legion member to take part in either of these regular clubs each week.

Onoway Legion Special General Meeting

Important! On Monday,

March 25, Onoway RCL Branch 132 will hold a special meeting for elections to fill vacant positions.

All Onoway Legion members are urged to attend this special general meeting to have their say about the composition of the board that will guide us until the end of the year. To ensure the Legion continues to thrive, it's important to have as many members as possible present to ensure the elected board is balanced with all viewpoints.

If you are interested in standing for a position, please contact Interim President Richard Moses at mosesjr2@outlook.com or 780-967-2433.

Bridal Guide

YOUR WEDDING TIMELINE GUIDE

Wedding planning involves many movable pieces that ultimately need to come together on the big day. Planning is typically a months-long process, and adhering to certain monthly benchmarks can help couples stay the course.

Brides magazine offers that the perfect engagement period is 12 to 14 months, which affords ample time to get organized and work with vendors. With that in mind, here's a 12-month timeline for couples getting ready to say "I do."

12 months out

At the start of the planning process, establish your budget, hire a wedding planner (optional), choose the wedding party, pick a date, and start to assemble a cursory guest list. This also is a great time to begin touring venues to get a feel for potential ceremony and reception locales.

11 months out

Now is the time to get a firm handle on the theme and scope of the wedding. Start picking wedding colors and overall design. Also, interview and hire vendors, such as photographers, bands

and videographers. These vendors tend to book up quickly as wedding season draws near, so it's never too early to book them.

10 months out

This is a good time to start shopping for a wedding gown because it might take some trial and error to find the perfect dress. You also can start shopping for wedding party attire at this time. Check with formalwear vendors to see how long it will take for the gowns to arrive in the shop for alterations. If you haven't already done so, be sure to book the wed-

ding venue.

8 months out

Reception halls may have their own schedules, but you should think about setting your menu at this time, including deciding if you will host a seated dinner, a buffet or something else.

Eight months out also is a good time to finalize the guest list and send save-the-date cards.

This also is a good time to visit stores to create registry gift lists.

Your Wedding Timeline Guide

Continued from Page 8

6 months out

Meet with potential florists and other vendors, like transportation companies and hotels, to secure these arrangements. Your place of worship also may require certain classes or preparatory meetings, so be sure to inquire about these.

Meet with a makeup and hair stylist and book a trial. Choose attire for groomsmen and give them a deadline for fittings and orders. If you will not be getting married in a place of worship, hire an officiant at this time.

4 months out

Grooms traditionally arrange the honeymoon, so this is a fine time to get those travel plans in order. If you need passports, you should secure them as early as possible, and no later than four months prior to the wedding to ensure processing times. Book cake tastings and order the cake if it is not part of the venue food and beverage package. If you haven't already done so, the bride should have an initial gown fitting, and wedding invitations should be ordered at this time.

2 months out

Secure your wedding license and buy wedding party gifts. Address and mail the wedding invitations. Undergo a second gown fitting and work with the seamstress for the final fitting date just before the wedding. Finalize any song se-

lections with the DJ or band. The final details will occur in the last weeks before the wedding. Buy all the small accessories and items, undergo final fittings and check in with all vendors for

final payments and to ensure they are on schedule. Notify the reception hall of the final guest count.

Once the wedding day arrives, couples who have done their best to stay on

schedule can relax and have a great time with family and friends.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
