JOKE of the week

After a Beer Festival in London, all the brewery presidents decided to go out for a beer. Corona's president sits down and says, "Señor, I would like the world's best beer, a Corona." The bartender takes a bottle from the shelf and gives it to him. Then Budweiser's president says, "I'd like the best beer in the world, give me 'The King Of Beers', a Budweiser." The bartender gives him one. Coors' president says, "I'd like the best beer in the world, the only one made with Rocky Mountain spring water, give me a Coors." He gets it. The guy from Guinness sits down and says, "Give me a Coke." The other brewery presidents look over at him and ask, "Why aren't you drinking a Guinness?" and the Guinness president replies, "Well, if you guys aren't drinking beer, neither will I."

GYPSD BOARD BRIEF

Submitted by GYPSD

Board Chair Karpluk shared highlights from the Division's 2023/24 data results which included a five percent increase in the number of students graduating high school in three years, an overall increase in

the achievement rates on both the Grade 6 and Grade 9 PATs, and a significant improvement in Diploma exam achievement results, both in acceptable and excellence standards!

The Board for GYPSD approved a motion advocating that the Ministry of Educa-

tion fund full-time kindergarten programming for Alberta's children. Significant research identifies the first five years of a child's development as critical to their development.

The Board has allocated funds to expand kindergarten programming in GYPSD

since 2007.

Assistant Principal Kristin Basaraba and a group of students from Parkland Composite High School presented the Board with their course project and engaged the Trustees in a round of a game they designed in the Fantast/Sci-Fi Appreciation Class, illustrating their collaboration, critical thinking, decision-making, and leadership skills.

Students in Grade 12 will be writing their first set of Diploma exams from January 13th - 27th.

Some Grade 9 students will also be writing their PATs if they are on a semester schedule for their core classes.

Students in the early years and kindergarten will be writing Alberta Education mandatory screens in literacy and numeracy.
