and especially at Christmas.

I would also like to thank all our very dedicated volunteers and administrator for giving so freely of their time.

It takes an entire community to make a Food Bank successful!

Requests for assistance can be made by calling (780) 271-3131 by noon on Tuesdays, and hampers are picked up

Wednesday mornings.

Thanks once again to everyone who helped us to help others,

The Lac Ste Anne East Food Bank is pleased to announce that we are expanding our reach into Alberta Beach and area. LSAEFB currently operates out of our Onoway facilities on Wednesday mornings and is currently serving many clients on a monthly basis. We have seen the need to expand

our client's pickup option in Alberta Beach and are partnering with the Alberta Beach Alliance Church to provide this option. This will mean that, starting in February, clients can arrange to pick up their hampers at the church on Wednesday afternoons.

If you are in need of our assistance, or know of a family that does, please contact our Administrator at 780-271-3131.

JOKE of the week

Two elderly gentlemen from a retirement centre were sitting on a bench under a tree when one turns to the other and says: 'Slim, I'm 83 years old now and I'm just full of aches and pains. I know you're about my age. How do you feel?' Slim says, 'I feel just like a newborn baby.' 'Really!? Like a newborn baby!?' 'Yep. No hair, no teeth, and I think I just wet my pants.'

The Stony Plain winner said he scratched his tickets while in the car on his way home from purchasing them.

"It's just unbelievable to think you just have this ticket, win, and then you get \$200,000!" he added.

Krawchuk has his sights set on taking care of family with his win.

"I plan on paying off some bills and then taking a family holiday to Disney World!" he smiled. "It hasn't sunk in fully yet—it's hard to comprehend!"

WHITCOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

The Province of Alberta recently made policy changes to the Automated Traffic Enforcement (ATE) Program that has impacted Whitecourt's program. Under the new regulations, there are 16 school zone sites approved for photo radar enforcement within Whitecourt, and all locations along Highway 43 are now prohibited. In the new year, the Province will be accepting business cases from municipalities to permit ATE in high frequency of collision locations, and Whitecourt will be exploring options to submit a case for locations along Highway 43

as the program significantly enhanced safety in the community. Since ATE was introduced in 2008, there has been a 50% reduction in intersection collisions along Highway 43 in Whitecourt.

Whitecourt Town Council has awarded the Community Fireguard Stumping & Debris Disposal Contract to Martushev Group in the amount of \$856,677.29. The Town of Whitecourt, with support from Alberta Forestry and Parks, will be constructing a community fireguard with access points, approximately 4.5 kilometres long and 100 metres wide, on the eastern boundary of town.

The Rotary Club of

Whitecourt will be purchasing and placing a Peace Pole in Festival Park. A Peace Pole bears the message "May Peace Prevail on Earth" in different languages. The Peace Pole will provide a photo opportunity for residents and visitors to the community, and will celebrate and recognize cultural partnerships.

Whitecourt Town Council has adopted Bylaw 1581 that rescinds the Downtown South Area Structure Plan, and has adopted an amendment to the Land Use Bylaw that has rezoned a portion of land in downtown south as future urban development.

Volume and speed counts in the Blueberry

Drive area will be collected in the spring following concerns voiced by area residents.

Lions Campground has asked Whitecourt to advocate for the construction of traffic signals at the intersection of Highway 43 and 33 Street. The Town has previously advocated for signals at this location, and the Government of Alberta has noted that it will be considering funding during 2025 Provincial Budget deliberations.

Fees, Rates and Charges Bylaw 1551-13 has been adopted to reflect rates and fees as outlined in the 2025 Interim Budget that will come into effect January 1, 2025.

To Whom It May Concern,

I am writing to introduce my daughter, Emelia, an 8-year-old from Alberta Beach who races motocross and enduro across the province. In 2024, she competed in two provincial series, finishing 3rd in both. This season was particularly significant as it marked her first year moving up to the 50cc Expert Class, where she achieved impressive results, earning podium finishes in every event. Emelia's performance demonstrated that she truly belongs in this competitive arena. Recently, she received exciting news for a Canadian motocross athlete: she has been selected to compete on the world stage during the Supercross event in Glendale, AZ, on February 1. Emelia is one of 15 competitors aged 7-8 in the KTM Junior Supercross and is the only Canadian selected for this event. Attached is the press release for more details.

The following is a press release from KTM MURRIETA, Calif. – KTM Junior Supercross, presented by Wells Fargo and Powered by Ford F-150 Lightning, is preparing to drop the gates on its 26th year of competition in the 2025 AMA Supercross Championship, featuring at 10 rounds in addition to an 11th 'Championship Round' at the season finale to complete the action-packed schedule. The longstanding, exciting introductory platform first introduced by KTM North America, Inc. over two decades ago will continue to encourage the future stars of Supercross to hit the very same track as their factory heroes.

ARMY CADET NEWS

Submitted by Captain R Heinz, CD

With the holiday break over it is time again for the cadets, staff and parents of 3053 RCACC to get back to work. We have a busy schedule ahead of us, but I wanted to review the last couple of months in this article.

Our recruiting efforts from last summer and early autumn definitely paid big dividends! From a returning number of 10 cadets we are currently at 27! We have cadets from a very large area; Wabamum, Rich Valley, Spruce Grove, Alberta Beach to name a few places. Kudos to all that helped with this explosive growth!

The first community service activity for the corps was assisting with the Onoway Fall Harvest Festival on September 21st. This was a very successful event and gave our unit much exposure to the people attending.

Our Cadet Parent Committee (CPC) was busy the following weekend catering the banquet for the Alberta Beach Lions club's 50th Anniversary (which had been cancelled the previous May). A delicious meal was served to all attending.

The first weekend in October had our cadets join in a field activity at Entwistle with several other army cadet units from Hinton, Mayerthorpe and Evansburg. Our new recruits in particular had a fantastic time

learning new skills and being outdoors the entire weekend regardless the weather. On the 27th of the month we had a Range/Fitness day at our LHQ (Local Head Quarters) at the Onoway Historical Centre. The new cadets were taught in the parts and handling of the Daisy air rifle along with safety and range commands. These mandatory classes are required before they can participate in any marksmanship activities. The day was also split up into some fitness training and sports in the gym. The activities (and pizza lunch) were very much enjoyed by all!

November is always a very busy month for the corps. Saturday November 2nd was Poppy Day in Onoway as the cadets assisted our sponsor, the Royal Canadian Legion Branch #132 with their annual Poppy campaign. Over \$300 was raised by the cadets that morning as they received donations for poppies by the public. Afterwards they were treated to a hot meal to warm them up at the Legion hall. Thanks.

Our cadets come from roughly eight different schools, and all willing cadets were able to wear their uniforms and participate in their own school ceremonies for Remembrance Day during Veterans Week.

On November 11th our unit participated fully with the local Legion's solemn ceremony at the high school and our flag

party leading the parade to the cenotaph. The highlight of the day for me was meeting Renaud Hammond afterwards in the Legion. I had not seen him for many years due to covid and health issues, but his eyes brightened when he saw the cadets! He was the inspiration and "Father" of our unit when he did all the required paperwork and established 3053 (Lac Ste Anne) RCACC in 1996, and we wouldn't be here today without all his hard work!! Looking good Renaud.

All the community commitments for Remembrance Day was rewarded to the cadets by having a sports night fun swim at the Tri-Leisure Centre in Spruce Grove paid for by the CPC. Lots of fun again followed by pizza!

November 16th our unit travelled to Wildwood School to meet the cadets from 3070 RCACC Evansburg for an exciting day of sports and games. Can you guess what was for lunch?!

On Wednesday November 16th our cadets travelled to Jefferson Armoury in Edmonton to train with the troops from the South Alberta Light Horse (SALH) Regiment. We were also joined by our sister cadet unit from Camrose to receive the lessons from our Affiliated Unit's members. Several hands-on activities were enjoyed by all the cadets.

Our marksmanship

team is currently preparing for the Zone Competition to be held later this month and had several days of practice November 30th and December 14th, but wild winter weather did cancel a couple of other practices but we wish them all the best in the upcoming competition.

December 7th we had a full day from 7am to 7pm of many different activities for the cadets to experience at the LHQ. It was also a day to bond as a unit and become more cohesive in future events. Home made chili and Costco hot dogs kept the cadets going throughout the day. No pizza this time. Lol

December 11th was our annual Christmas potluck organized by the parents before we stood-down for the holidays. Smoked turkey and smoked ham with all the fixings made for a festive time for all!

As we resume regular training every Wednesday evening at the LHQ, we welcome and encourage any interested teens to come and check us out to answer any possible questions.

We are also getting excited for our largest fundraising effort at the Sno-Mo Days in Alberta Beach during the long weekend next month. Come say "Hi" as you warm up with a hot chocolate and tasty burger.

Cheers!

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.

**ANSWER:

You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
