CANADA POST MEDIA ADVISORY: IMPORTANT INFORMATION FOR CUSTOMERS AFFECTED BY WILDFIRES IN ALBERTA

Submitted by Canada Post

Wildfires are affecting mail and parcel delivery in certain communities. Canada Post has implemented contingency measures to serve residents of these communities and to keep them connected.

Mail for Swan Hills residents (T0G 2C0, T0G 0B6) is available

for pick up at:

Whitecourt Station Main
4747 51st Avenue, Whitecourt
AB T7S 1A0

Open Monday to Friday, 9 am
to 5 pm

Residents must bring valid
government-issued photo identification to pick up their mail.

Free Mail Forwarding
Effective June 5, eligible residents

can receive free Mail Forwarding service for up to 12 months. Impacted residents have until July 5 to register for the free service.

Mail Forwarding is an important service for ongoing mail and it also provides a vital link with government and relief agencies going forward. If a customer

INVESTING IN DIPLOMACY TO STRENGTHEN ECONOMIC TIES

Submitted by Government
of Alberta

MLAs van Dijken and Pitt will travel to the U.S. in June to build on progress made with lawmakers to protect and deepen the ties that bond our economies.

Efforts will kick off when
MLA for Athabasca-Barr-

head-Westlock Glenn van Dijken lands in Cedar Rapids, Iowa, to attend the National Conference of State Legislatures (NCSL) Spring Agriculture Task Force meeting, June 5 to 7.

MLA van Dijken will champion Alberta's role as a reliable partner in establishing U.S. food security, share

best practices in agriculture and agri-food development. He will advocate for Alberta's unimpeded access to U.S. markets in discussions with key decision makers on state-level and federal agriculture policy issues.

"The agriculture sector and rural Alberta are

Canada Post Media Advisory: Important Information For Customers Affected By Wildfires In Alberta

Continued from Page 1

receives regular cheques through the mail, it's important for them to register.

By registering, Canada Post will be able to ship mail to a different address selected by the customer. This can be done on a short-term basis or for longer

periods, even if the address is temporary.

Residents affected by wildfires with one of the following postal codes are eligible for this offer:

- Peerless Lake: T0G
- Red Earth Creek: T0G
- Swan Hills: T0G
- Trout Lake: T0G

To request the free service,

affected customers will need to either:

- register at canadapost.ca/mailforward using a credit card to authenticate their identity. No fee will be charged to the credit card.

- go to a post office with a government-issued photo ID (mandatory). Proof of authorization is required to request the free service on behalf of another person.

Note: If residents affected by wildfires purchased the Mail Forwarding service prior to June 5, they can call Customer Service to request a refund.

Customers can check the Closures and service interruptions and Delivery service alerts pages for updates, including when postal services resume in their community.

We thank those affected for their patience in this difficult time.

JOKE of the week

Four men are in the hospital waiting room because their wives are having babies. A nurse goes up to the first guy and says, "Congratulations! You're the father of twins."

"That's odd," answers the man. "I work for the Minnesota Twins!" A nurse says to the second guy, "Congratulations! You're the father of triplets!" "That's weird," answers the second man. "I work for the 3M company!" A nurse tells the third man, "Congratulations! You're the father of quadruplets!" "That's strange," he answers. "I work for the Four Seasons hotel!" The last man is groaning and banging his head against the wall. "What's wrong?" the others ask.

"I work for 7 Up!"

Wishing all Dads a

Investing In Diplomacy To Strengthen Economic Ties

Continued from Page 1

driving forces in our province's economy, attracting investment, creating jobs and providing nourishing, value-added food that enriches the tables of everyday Albertans, Canadians and Americans. I look forward to engaging with state-level officials and policymakers to share exactly why protecting and growing Alberta's agricultural ties with the U.S. is so mutually important."

Glenn van Dijken, MLA for Athabasca-Barrhead-Westlock

MLA for Airdrie-East Angela Pitt will be in Lake Tahoe, Nevada, from June 15 to 17 for the NCSL Legislative Leaders' Symposium. She will meet with U.S. lawmakers, state officials and business leaders to rein-

force the value of our trade relationship and promote the benefits of working together on critical trade corridors, including pipelines, to unleash Alberta's ability to support the U.S. in its ambitions to become energy dominant.

"When it comes to ongoing diplomacy with our partners and allies, Alberta's government has been tirelessly defending Alberta's interests, engaging face-to-face with influential U.S. decision makers at every opportunity. I have had many positive conversations with members of the NCSL over the past few months, and I look forward to advancing these discussions further in Nevada."

Angela Pitt, MLA for Airdrie-East

The NCSL, established in 1975 by state legislators

and legislative staff, brings together lawmakers and government leaders from all 50 U.S. states, commonwealths, territories and the District of Columbia. The conference promotes co-operation and information exchanges between state legislatures in the U.S. and in other countries. Alberta formalized its role in

the NCSL by becoming an affiliate member of the organization and a member of its International Advisory Council last year.

Mission expenses will be posted on the travel and expense disclosure page.

CONFIRMED CASE OF MEASLES PROMPTS PUBLIC ALERT TO POTENTIAL EXPOSURES

Submitted by Alberta Health Services

Alberta Health Services (AHS) has been notified of a person with confirmed measles from outside of Edmonton Zone who travelled to Edmonton and has been in a public setting while infectious. Additional locations may be released if necessary.

Individuals who were in the following location during the specified dates and times may have been exposed to measles:

Location:

112th Street Entrance, Foyer, and Information Desk, University of Alberta Hospital

Exposure time periods:

May 28: Exposure time: Approx. 7 p.m. - 9:45 p.m.

Anyone who attended this location at these times, who was born in or after 1970 and has less than two documented doses of measles-containing vaccine, may be at risk for developing measles. They should self-monitor for symptoms of measles and are strongly encouraged to review their immunization records.

Measles is an extremely contagious disease and the virus spreads easily through the air. Symptoms of measles include:

- Fever of 38.3° C or higher; and
- Cough, runny nose and/or red eyes; and
- A rash that appears 3 to 7 days after fever starts, usually beginning behind the ears and on the face and spreading down to the body and then to the arms and legs. The rash appears red and blotchy on lighter skin colours. On darker skin colours, it can appear purple or darker than the skin around it, or it might be hard to see.

Complications of measles can include ear infections, pneumonia, inflammation of the brain, premature delivery, and rarely death. Persons who are pregnant, less than 5 years of age, or have weakened immune systems are at greatest risk of serious complications.

If symptoms of measles do develop, individuals are advised to stay home and call the measles hotline at 1-844-944-3434 before visiting any healthcare facility or provider, including a family physician clinic or pharmacy.

Measles vaccine is highly effective at preventing infection and complications. In Alberta, measles vaccine is offered, free of charge, through Alberta's publicly funded immunization

program. The recommended schedule for measles vaccination is two doses, the first at one year of age and the second at 18 months.

If you think you have been exposed, and you are not protected against measles you may be able to receive immunization to reduce the risk of infection. A dose of vaccine needs to be given within 72 hours of exposure to prevent measles. Babies under 1 year of age, people with severely weakened immune systems, and those who are pregnant may be able to receive immunoglobulin within 6 days of exposure to prevent disease. Call the measles hotline at 1-844-944-3434 for more information if these situations apply to you or your family.

Albertans uncertain of their immunization history, or their child's immunization history, can check eligibility and/or book an appointment by calling the measles hotline at 1-844-944-3434.

Individuals who are 14 years of age and older can check their My Health Record.

The measles hotline connects you to a professional who can assist with accessing your immunization records or offer

general information; provide advice for those experiencing measles symptoms and are feeling unwell; and assist with booking measles immunization appointments or locating a public health clinic offering immunization in your area.

You can also text 'Measles' to 88111 to get measles health information texted to your mobile device.

For further information on routine childhood immunization, visit ahs.ca/immunization. You can also learn more from MyHealthAlberta about the risks of measles here and find frequently asked questions here.

For the latest information on measles in Alberta, visit ahs.ca/measles

Alberta Health Services provides a range of healthcare services for more than four million adults and children living in Alberta. Our mission is to provide excellent, patient-focused healthcare that is accessible and sustainable for all Albertans. Our current focus is on reducing emergency department wait times, improving EMS response times, increasing access to surgeries, and improving patient flow.

ALBERTA RCMP MAJOR CRIMES UNIT INVESTIGATES HOMICIDE IN MASKWACIS

Submitted by Alberta RCMP

On June 1, 2025, at 5:23 a.m. Maskwacis RCMP received a report of a shooting at a residence in Samson Cree Nation. Upon arrival, emergency responders located a 20-year-old male deceased. The deceased was taken to the Office of the Chief Medical Examiner

and the cause of death was determined to be homicide.

The deceased has been identified as Travis Jason Crier who also goes by Raven Crier.

"This is another tragic and senseless loss of a four nations community member. There is a direct relationship between this death and illegal firearms in Maskwacis. The communi-

ty is saying it, we are saying it, and our leaders are saying it: enough is enough" says Inspector Richard McKay Detachment Commander Maskwacis RCMP. "During our meetings with the Chiefs and Counsels of all 4 Nations of Maskwacis, illegal guns and gun violence are a serious concern and one they want combatted. It's im-

portant that residents know they will have our full cooperation and support. If you know of the existence of illegal guns, there are ways to reach out to us safely, Call us."
