PARKLAND RCMP INVESTIGATING ASSAULT AT LOCAL DAY CARE CHARGES LAID

Submitted by Parkland RCMP

Parkland RCMP have laid charges in connection with allegations of assault from staff on children at the Lit-

tle Stars Daycare in Spruce Grove.

As a result of the investigation, RCMP have charged 32-year-old Dimpy Bawa with;

•Assault with a weap-

on(x2);

•Assault(x2).

RCMP have charged 29-year-old Shivani Shivani with 2 counts of assault.

Both Bawa and Shivani

EVANSBURG RCMP ARRESTS TWO PEOPLE IN POSSESSION OF STOLEN VEHICLE

Submitted by Evansburg RCMP

On July 28, 2025, Evansburg RCMP members located a stolen vehicle that fled from police into a remote area between Wild-

wood, Alta., and Lobstick, Alta. Occupants fled the vehicle and police started a search. Thanks to assistance from the public, who called in suspicious activity and people on or near their property, two suspects were

located and arrested.

As a result of the investigation, Roger Cooley McCann (44) and Carrie Ann Stephen (46), both residents of Leduc, were charged with Possession of

has been released for court on Sept 17, 2025, at the Alberta Court of Justice

in Stony Plain.

RCMP advise that both Bawa and Shivani were released from the daycare at the onset of the investiga-

tion. The daycare itself has been cooperative with investigators.

stolen property over \$5000. Furthermore, McCann was also charged with Flight from police, 2 counts of failure to comply with release order and dangerous operation of a motor vehicle.

McCann and Stephen were brought before a justice of the peace, where McCann was remanded into custody while Stephen was released. They are to appear before

the Alberta Court of Justice in Evansburg on Aug. 11, 2025.

"We would like to take the time to thank the public for calling in suspicious activity and thus helping to keep our community and their goods safe" said Cpl. Ryan Darren of the Evansburg RCMP. "Thanks to their help, we were able to apprehend both suspects, with McCann being a known prolific offender who had been released 6 days earli-

er after having done similar offences. We are committed to continuing our efforts to hold people accountable for their actions."

JOKE of the week

For her summer job, my 18-year-old daughter arranged interviews at several day-care centers. At one meeting, she sat down on one of the kiddie seats, no simple task for most people.

The interview went well, and at the end, the day-care center director asked the standard question, "Can you give me one good reason we should hire you?"

"Because I fit in the chairs." She got the job.

Parkland RCMP Investigate Fatal Motor Vehicle Collision

Continued from Page 1

RCMP remained on scene for several hours conducting an investigation. Initial

reports indicate that the semi was travelling West on 16 and turning South on Range Road 43 when it crossed the path of the on-

coming Jeep Liberty.

Alcohol and speed are not believed to be factors.

Alberta RCMP extend our deepest condolences to the

family and friends of the deceased.

The Summer Village of Seba Beach is seeking a full-time Public Works Labourer to join its growing municipality. This role involves maintaining roads, greenspaces, drainage systems, and municipal facilities, as well as snow removal, waste collection, and equipment repair. The ideal candidate will be career-minded, physically fit, and have experience in public works or related fields, along with strong communication and organizational skills. A valid Class 5 driver's license is required, and additional certifications are an asset. Competitive wages, benefits, and an Employee Assistance Program are offered. To apply, submit your resume and cover letter to the Summer Village of Seba Beach, 140-3 Street South, Seba Beach, AB, T0E 2B0, or by email to svseba@telusplanet.net.

NEW STANDARDS FOR SCHOOL LIBRARIES

Submitted by Government of Alberta

Alberta's government has introduced new standards to ensure school library materials are age-appropriate.

School libraries should be safe and supportive places where students can learn and explore without being exposed to inappropriate sexual content. However, in the absence of a consistent standard for selecting age-appropriate library materials, school boards have taken different approaches, leading to concerns about safeguards in place.

In response to these concerns, and informed by feedback from education partners and the public, Alberta's government has created standards to provide school boards with clear direction on the selection, availability and access to school library materials, such as books.

"Our actions to ensure that materials in school libraries don't expose children to sexual content were never about banning

books. These new standards are to ensure that school boards have clear guidance to ensure age-appropriate access to school library materials, while reflecting the values and priorities of Albertans."

Demetrios Nicolaides, Minister of Education and Childcare

The new standards set clear expectations for school library materials with regard to sexual content and require school boards to implement policies to support these standards.

Standards for school library materials

Under the new standards, school libraries are not permitted to include library materials containing explicit sexual content. Non-explicit sexual content may be accessible to students in Grade 10 and above, provided it is age-appropriate.

"Protecting kids from explicit content is common sense. LGBTQ youth, like all children, deserve to see themselves in stories that are age-appropriate, supportive and affirming – not in material that sexualizes or con-

fuses them."

Blaine Badiuk, education and LGBTQ advocate

School boards must also regularly review their school library collections, publish a full list of available materials and ensure that a staff member supervises students' access to school library materials. School boards will have to remove any materials with explicit sexual content from their school libraries by October 1.

School board policies and procedures

All school boards must have publicly available policies that align with the new standards for selecting and managing library materials by January 1, 2026. School boards can either create new policies or update existing ones to meet these requirements.

These policies must outline how school library materials are selected and reviewed, how staff supervise students' access throughout the school day, and how a student, parent, school board employee or other member of the school community can

request a review or removal of materials in the school library. School boards are also required to clearly communicate these policies to employees, students and parents before January 2026.

"A robust, grade- and age-appropriate library catalogue is vital for student success. We welcome the ministry's initiative to establish consistent standards and appreciate the ongoing consultation to help craft a plan that will serve our families and communities well."

Holly Bilton, trustee, Chinook's Edge School Division

"Red Deer Public Schools welcomes the new provincial standards for school library materials. Our division is committed to maintaining welcoming, respectful learning spaces where students can grow and thrive. Under the new standards for school libraries, we remain dedicated to providing learning resources that reflect our values and support student success."

Nicole Buchanan, chair, Red Deer Public Schools

YELLOWHEAD COUNTY FOSTERS ECONOMIC DEVELOPMENT AND GROWTH WITH NEW LAND ACQUISITION

Submitted by Yellowhead County

We are excited to announce that Yellowhead County has acquired approximately 1,850 acres of land on the west side of the county as part of our long-term strategy for the sustainable development of our region.

This purchase aligns with Council's Strategic Plan for 2022-2025, which provides direction to "Build a Robust and Adaptable Economy" with direction to "Put a focus on enhanced

tourism attraction" and "Work towards Jasper/Hinton Airport becoming a potential economic driver".

This land acquisition will enable us to create recreational amenities and opportunities for residents, while expanding tourism attractions in our region, thereby fostering economic development and growth.

Although specific long-term goals will emerge over time, the intent of this land purchase is to support economic diversification and recre-

ational development in our region while minimizing any environmental impacts.

It has taken over five years to reach this point, and we would like to thank the Province of Alberta and its Public Lands Division for their collaboration with us in helping to bring this to fruition. A special thank you goes out to MLA Martin Long for his unwavering guidance and assistance over the past five years, which helped ensure our success.

We look forward to col-

laborating with the community to transform this land into a valuable and sustainable resource for future generations to enjoy.

We encourage Yellowhead County residents and any other interested parties to monitor the county webpage, which will outline project milestones and advancements in the years to come.

KINDRED SPIRITS: CELEBRATING 100 YEARS OF THE EVANSBURG CEMETERY YELLOWHEAD COUNTY, AB

Submitted by Yellowhead County

On July 12, 2025, the Yellowhead County Heritage Program commemorated the 100th anniversary of the Evansburg Cemetery. The event, called Kindred Spirits, invited visitors to stop by and take a self-guided tour of the cemetery, enjoy some beautiful views, buy flowers to place on loved ones' graves, and more.

The self-guided tour led people to new features of the cemetery including the lookout, walking trail, and the wind phone, which is a phone "connected only to the wind."

Visitors were also asked to 'name the trail' that featured information panels on overcoming grief, which were created in partnership with Yellowhead County FCSS.

The self-guided tour also involved informative stops by historic gravesites, such as Charlotte Arnup who died on February 5, 1925, although the exact date of her burial is un-

known. The next burial after Charlotte's was Aldina Harke in the fall of 1926. Aldina is the first record in the cemetery register.

"Each cemetery in the municipality has a unique history," said Madison Sharman, Yellowhead County's Heritage Coordinator. "The Evansburg Cemetery is the only one that was a subdivision before it became a burial ground." That subdivision, called Arnupville, was started by Charlotte Arnup's brother and is now entirely taken up by the cemetery.

Another interactive aspect of the event asked visitors to count butterflies that were hidden throughout the trail for a chance to win a prize pack. Staff and volunteer were on site to answer any cemetery questions, and a board showcased recent cemetery upgrades and provided a place for visitors to share their thoughts.

One of the board's prompts asked, "What are your best words of wisdom to live a happy life?" Visitors shared advice

such as "Don't sweat the small stuff," "Stop and smell the roses," and "Go fishing." The question "What advice do you have for someone experiencing grief?" inspired answers such as "Remember them in their good light," and "It gets better over time. Time heals."

Throughout the day, approximately 100 people came to the cemetery to celebrate the anniversary and participate in the activities. "I'm so happy with the turnout. Everyone was so happy and lovely," said Sharman. "This was definitely a highlight for me since working at the County."

Guests enjoyed the event and seeing the beautifully-maintained cemetery. Visitor Joan Melvin said, "A great big shout-out to Yellowhead County for the heartwarming and informative event to commemorate the 100th anniversary of the Evansburg Cemetery! The new lookout, walking path, wind phone, and restoring of the headstones have made it a most welcoming place to come

visit loved ones who are no longer with us! The Melvin and McGowan families are very appreciative!"

"By far, the best part of the day was seeing people reconnecting at the cemetery," Sharman said. "Giving each other hugs, talking about loved ones, and celebrating all the life the cemetery represents."

Kindred Spirits was possible thanks to the collaborative efforts of several departments across Yellowhead County, including Parks and Recreation, Transportation, Agricultural Services, FCSS, and Corporate Services.

The self-guided tour is available by QR code which will soon be posted at the cemetery, and can also be found at www.yhcounty.ca. The Tipple Park Museum is also currently featuring an exhibit called A Century of Rest, which highlights the history of the cemetery and is available for viewing until August 31.

LAKEMERE 4-H BEEF CLUB CELEBRATES 75 YEARS OF “LEARNING TO DO BY DOING”

Submitted by Sarah Bowman

Founded in 1939, the Lakemere 4-H Beef Club is proud to be one of the oldest continuously operating 4-H clubs in Alberta. Since 4-H Alberta's beginnings in 1917, Lakemere has played a key role in developing rural youth through agriculture, leadership, and hands-on learning for over seven generations.

Today, Lakemere continues to thrive with a wide variety of project offerings. These include all beef projects, veterinary sciences, poultry, woodworking, fibre arts, and Cleavers (for members ages 6-8). The club's calendar is filled with activities focused on community engagement and “learning to do by doing”—the heart of the 4-H motto.

To mark this incredible milestone, the Lakemere 4-H Beef Club invites past and present members, families, and community supporters to join a 75th anniversary celebration, taking place September 5-7, 2025, at the historic Muir Lake Community Hall. Over the course of the weekend, guests can look forward to shared memories, honoured achievements, and new connections. Highlights include onsite camping, brunch, speakers, banquet, catered dinner, silent auction, and dance. The cost is \$35/person, and children 5 and under are free. Please RSVP by August 15, 2025, at midnight to reserve meals and camping. To get in contact with the planning committee, reach out to smbowman215@gmail.com. For more details, full schedule, and RSVP info, visit: <https://sites.google.com/view/lakemere75thcelebration/home>

Whether you're a former member, local supporter, or just curious about 4-H, this is your chance to celebrate Lakemere's legacy and future. We can't wait to see you there! Stay tuned next week for a special look at the Lakemere 4-H Beef Club's history.

History of Lakemere 4-H Beef Club

The Lakemere 4-H Beef Club has been an important part of the Stony Plain and Onoway communities for the past 75 years.

Stony Plain today is an extension of Edmonton, but in 1950, Stony Plain was “in the sticks.” North of town, many roads were little more than dirt trails. It was in this environment that a local farmer, Ben Huedepohl, felt there was a need to improve the quality of the beef cattle being raised in the area. In order to achieve this, Ben and his neighbor Jake Freitag set out to recruit some local young people. Eventually, they found enough interest to get started, and the Lakemere 4-H Beef Club was launched in 1939.

The area stretched from Spruce Grove to Onoway. Ben and Jake often drove the route, picking up the members to take them to club activities. In good weather, this was simply a matter of putting on a lot of miles. This practice of leaders providing bus services lasted for quite a few years. The club took its name from the school district in which several members and the Huedepohl family lived. Meetings were held in the Lakemere school. Since the club membership continued to come from a rather wide area, the location of meetings was changed, and meetings alternated between the Muir Lake and Heatherdown halls. Members' homes were also favoured meeting places off and on over the years, but the Muir Lake Community Hall has become the recognized headquarters for the club.

While the quality of the local cattle was one reason for starting the club, it is evident that Mr. Huedepohl's emphasis was also aimed at the improvement of the young people themselves. The first club trophy that he presented wasn't for the best calf but to the 4-Her who showed the most dedication, commitment, and proficiency in fulfilling the complete 4-H philosophy. After Mr. Huedepohl's untimely death in 1954, his family continued to present the efficiency award in his memory.

Achievement Day in the early years was a two-day event. The calves were first shown in Stony Plain (along with the Spruce Grove and White Rose clubs) at the rodeo grounds or in the skating rink in early July. Following the individual club and interclub

shows, the cattle were trucked to Edmonton. The next day, the club champions took part in the Edmonton region championships in the market steer class as well as in showmanship. For many 4-H members, a trip to Edmonton was a rare occurrence, and thus, achievement day was a highlight of the year. After Stony Plain built an ice arena as a centennial project in 1967, it was decided that it would make it a lot easier on the parents if achievement day could be cut back to a single day (especially during haying season). This was accomplished by holding a sale following the club and interclub competitions in Stony Plain. The clubs involved in the first sale at the Stony Plain arena were Duffield, Lakemere, Sundance, and White Rose. Shortly after the Sundance club folded, we were joined by the Twin Hearts club. Recently, the Stony Plain and District Achievement Day has been hosted by the Lakemere and Duffield clubs at the Stony Plain Heritage Pavilion on the second-to-last Wednesday in May. It marks the beginning of the Stony Plain Farmers Days celebrations.

Every club should have a uniform, and though the uniform of the Lakemere club has been modified several times over the years, blue jeans have remained standard. The first official uniform was a maroon coloured cardigan over a white shirt with a Lakemere crest on one sleeve and a 4-H crest on the other. The uniform was then modernized to a green fleece-lined sweatshirt and a white cowboy hat. Then it was decided that vests would look nice, and the mothers were persuaded to sew a bright green polyester version. After a few years, members chose to purchase blue denim style western style vests, and a new crest was designed to fit on the back of the vest. This is still the logo used by the club. Today, the uniform is a long-sleeved, collared green shirt with our logo, and of course, blue jeans.

The club went for many years with monthly meetings held on the first Thursday of the month. As members become more involved in outside activities, meeting dates

have moved. Currently, Lakemere meets on the first Wednesday of every month and hosts a reorganizational meeting on the second-to-last Wednesday of September for new members.

The Lakemere 4-H Beef Club is more than just a 4-H club. We like to think of it as a family. All club activities are almost always supported by parents as well as younger siblings. Currently, these younger siblings are enrolled in our very successful Cleaver program. Our 4-H families seem to enjoy each other's company genuinely, and club activities provide many hours of friendship, fellowship, and laughter.

With Jake Freitag's retirement, Ben Huedepohl's son, Chuck, took over as club leader. For most of his life, Chuck has stressed commitment in all areas of the club and encouraged all members to learn to do by doing. He was also heavily involved with 4-H on the district level for many years.

Over the years, many individuals have contributed significantly to the success of our club. Some honourable names include Charlie Parker Sr., Henry Goerz, Hans Strass, and Frank Radcliffe, who were all instrumental in providing our club with long-term leadership, guidance, and support to both members and parents. While these leaders are no longer actively involved in our club, they have left a great impact on our club. Today, we have a multitude of leaders who still carry on the legacy of being Lakemere volunteers. Without this kind of support, running a club would be very difficult.

The Lakemere Beef Club has always been proud of its accomplishments. Perhaps, the people involved in the Lakemere Beef Club can take their greatest satisfaction from the many people who have benefited from participating in the 4-H movement and who have represented the club with their heads to clearer thinking, their hearts to greater loyalty, their hands to larger service, and their health to better living for their club, their community, their country and their world.

ADVOCATING TO UNLEASH OUR NATIONS' ECONOMIC POWER

Submitted by Government of Alberta

MLAs will push for a barrier-free trade relationship between Alberta and U.S. partners while at the National Conference of State Legislators in Boston, MA, from Aug. 2 to 7.

MLAs Angela Pitt (Airdrie-East), Glenn Van Dijken (Athabasca-Barrhead-Westlock), and Chelsae Petrovic (Livingstone-Macleod) will represent Alberta in discussions with lawmakers and legislators from across the U.S. at the National Conference of State Legislators (NCSL) 50th annual summit.

MLAs will participate in a series of policy sessions, meetings and networking events to highlight Alberta as a secure and reliable energy and agricultural partner of choice, advocate for cross-border pipelines to bring even more product to our U.S. customers, and protect and strengthen our trade and investment relationship that promotes mutual economic growth and stability.

"It is vitally important that Alberta is well-represented in discussions that have the potential to significantly affect our province's future – especially as Canada strives to reach a new economic deal with the U.S. In my discussions with decision makers, I will stress the benefits of enhancing two-way trade with Alberta that builds bridges to prosperity."

Angela Pitt, MLA for Airdrie-East

"Promoting increased access to U.S. markets for Alberta's farmers, ranchers and agri-processors will be at the top of my agenda when I take my seat on this year's NCSL Agriculture Task Force. Our producers put top-quality food on American tables, and I will leverage these discussions to reinforce the key role Alberta can play in establishing North American, and global, food security."

Glenn Van Dijken, MLA for Athabasca-Barrhead-Westlock
"Given the sheer number of influential American legislators

attending the NCSL, it's crucial to make sure Alberta is well represented in the room. I look forward to joining my MLA colleagues at this year's annual summit to advance our province's priorities with high-level decision makers who have shown time and again that they are willing to champion calls for repairing and strengthening ties with Alberta in conversations at the state-level and beyond."

yond."

Chelsae Petrovic, MLA for Livingstone-Macleod

The NCSL, established in 1975 by state legislators and legislative staff, brings together lawmakers and government leaders from all 50 U.S. states, commonwealths, territories and the District of Columbia. The conference promotes co-operation and information exchanges between state legis-

latures in the U.S. and in other countries. Alberta formalized its role in the NCSL by becoming an affiliate member of the organization and a member of its International Advisory Council last year.

Mission expenses will be posted on the travel and expense disclosure page.

COMMUNITY, CULTURE AND CELEBRATION ON ALBERTA DAY

Submitted by Government of Alberta

On Aug. 31, Albertans are invited to celebrate 120 years of culture, innovation and community spirit as Alberta marks a major milestone.

Alberta was established as a province on Sept. 1, 1905, through the Alberta Act. It is a province built on hard work, ambition and an unshakable belief in possibility. Today, we recognize Sept. 1 as Alberta Day, a chance to celebrate the people of this great province, to reflect on where we came from and show pride in all we have achieved. It is also a time to honour the Indigenous Peoples who cared for the land for generations and recognize their enduring

contributions to Alberta's identity.

This year, Alberta's government is making Alberta Day a full-day celebration of everything that makes our province so special. From our entrepreneurial spirit to our deep-rooted values of grit, determination and opportunity that continue to shape our future. The main festivities kick off on Aug. 31 at 11 a.m., coming to life at the legislature grounds in Edmonton and Heritage Park in Calgary. Albertans are invited to gather, connect and celebrate 120 years of history and growth while enjoying free cultural dance and music performances, kids' crafts, local vendors, food trucks and so much more.

"This Alberta Day marks

120 years since Alberta became a province! It will be an unforgettable day celebrating this major milestone, and the people and traditions that have shaped this amazing province and Alberta's rich history within Canada."

Tanya Fir, Minister of Arts, Culture and Status of Women

In the evening, Alberta's local music talent takes to the stage with 12-time Country Music Alberta Awards-winning band The Prairie States headlining the Edmonton show, and CCMA-nominated singer-songwriter Jake Mathews headlining in Calgary.

"The Prairie States are incredibly proud to call Alberta home. We cannot wait to stand on stage and cel-

brate this beautiful place we all call home. We will see everyone on Aug. 31 at the Legislature Building."

The Prairie States, Edmonton Headliner

"I'm thrilled to have the opportunity to share my songs during Alberta Day and celebrate everything that makes this province so special."

Jake Mathews, Calgary Headliner

This fun-filled day will wrap up around 9 p.m. in both cities with colourful aerial drone shows that light up the night sky and tell the amazing story of Alberta.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.

**ANSWER:
Last Weeks**

You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
