PARKLAND RCMP RESPOND TO MOTOR VEHICLE COLLISION INVOLVING IMPAIRED DRIVER

Submitted by Parkland RCMP

On Nov. 27, 2025, just after 7 a.m. Parkland RCMP responded to a 3 vehicle collision on Highway 16A near 231 St. in Parkland County. An impaired driver was travelling east-

bound in the westbound lane, side swiping one vehicle and colliding head on with another.

The impaired driver, (42), a resident of Edmonton; was arrested and transported to the Parkland RCMP detachment where he was charged with

Impaired Operation of a Conveyance.

One of the other drivers was transported to the hospital in Edmonton with minor injuries, and the 3rd driver walked away un-injured. All three vehicles had extensive damage.

DRAYTON VALLEY RCMP ARRESTS ARMED SUSPECT FOLLOWING PURSUIT ON STOLEN ATV

Submitted by Drayton Valley RCMP

On Nov. 19, 2025, Drayton Valley RCMP was conducting rural crime prevention patrols in

Tomahawk when they attempted to stop a suspicious male on an ATV, carrying a bag. When officers attempted to stop the individual, he fled from police. RCMP

members initiated containment patrols to prevent the suspect from re-entering the community.

campaigns designed to reduce theft and related offences in a retail environment.

Offender 1 was apprehended while attempting to steal over \$300 worth of items from a business in Spruce Grove. The individual has 49 convictions since 2014; 14 of which are thefts or possession of property obtained by crime. He was charged with the following offences:

- Theft
- Possession of a weapon for a dangerous purpose

Offender 2, was apprehended while swapping

price tags at a business in Spruce Grove. This offender has had 30 convictions since 2017, 6 of which are thefts or property obtained by crime. They were charged with the following offences:

- Breach of Conditional Sentence Order
- Breach of Release Order

Offender 3 was apprehended while in a Spruce Grove business on conditions not to be there from a previous theft conviction. They were charged with breaching a probation order.

There were 3 additional offenders that were dealt with by alternative

means in cooperation with the businesses

“Retail theft not only impacts businesses financially but also drives up prices for consumers and threatens community safety,” says Cpl Yannick Coulombe of the Parkland RCMP Detachment. “Parkland RCMP urge residents to remain vigilant and report any suspicious behaviour to help protect our local economy, as what you steal today can steal your future tomorrow.”

Drayton Valley RCMP Arrests Armed Suspect Following Pursuit On Stolen ATV

Continued from Page 1

RCMP Air Services was dispatched to assist, and a coordinated tracking operation was managed by the RCMP Real Time Operations Centre (RTOC). The helicopter observed the subject cross fields and rural properties, attempt to enter a residence, and then continue into Drayton Valley. He then abandoned the ATV and fled on foot toward occupied residences on 43 Street.

Police arrested the man and recovered a loaded firearm at the scene. Neither members of the public nor the suspect were injured; however,

one RCMP officer sustained a minor injury during the arrest.

As a result of the investigation, Kaylin Hunter (19), a resident of Lac Ste. Anne County, Alta., faces 18 charges, including:

- Flight from police;
- Dangerous operation of a motor vehicle;
- Possession of stolen property;
- Possession of break-and-enter tools;
- Possession of a prohibited firearm; and
- Breaches of various court orders.

Hunter also faces charges with regards to an unrelated incident

on Nov 4, 2025, involving flight from police and dangerous operation of a motor vehicle in Drayton Valley. Hunter was brought before a justice of the peace and remanded into custody, to appear before the Alberta Court of Justice in Drayton Valley on Dec. 2, 2025.

“This is a great example of the tenacity of the officers who live and work in our community” said Sgt. Dan Ferri of the Drayton Valley RCMP. “It is also an example of how quickly the RCMP’s support units can be utilized to respond to an unfolding event. This suspect

would not have been arrested if it weren’t for the proactive work of our team and the support from our Real Time Operations Centre and Air Services. I’d like to thank the surrounding detachments and Police Dog Services for responding to assist us, as well as the motorists and property owners in the area who stayed alert and listened to the direction of officers as we worked to ensure the safety of the public during this event.”

COUNCIL HIGHLIGHTS

Submitted by Yellowhead County

2025 Agriculture Services Bursary Awards

Council approved awarding \$500 Agriculture Services Bursaries to both Brock Gohmann and Abby Kennedy, following the recommendation of the Agricultural Services Board (ASB). Each year, two \$500 bursaries are available to Yellowhead County residents pursuing post-secondary studies in agriculture or environmental fields.

Homelessness Task Force So-

ciety Letter Request

Council declined a request from the Edson & District Homelessness Task Force Society for a Letter of Support to accompany a grant application. As part of the motion, Council directed Administration to continue monitoring regional homelessness initiatives and gather data to inform a holistic review of homelessness impacts within Yellowhead County.

Road Closure Application

Council reviewed a road closure application for Road Plan 8920495, located in NW-10-

53-15-W5M. After considering feedback from affected adjacent landowners, external organizations, government agencies, and County departments, Council voted not to give first reading to proposed Bylaw 07.25.

Wolf Lake and Elk River Gravel Contract Extension

Council voted to endorse the pre-determined extension rate of \$27.00 per tonne for the 2024 Wolf Lake and Elk River gravel supply and placement contract. The existing 2024-2026 agreement with Associated Aggregates includes an

option to extend into the 2027 budget year, pending mutual agreement between the County and the contractor.

The next regular Council meeting is on December 9, 2025.

The next Governance and Priorities Committee meeting is on December 16, 2025. Meetings begin at 9:30am and are streamed live on our YouTube at www.youtube.com/yellowheadcounty570.

PARKLAND RCMP SEEKING INFORMATION ON STOLEN TRAILER LOADED WITH WHEELCHAIRS

Submitted by Parkland RCMP

Parkland RCMP are releasing photos of two sus-

pect vehicles believed to be linked to the Nov. 25, 2025, theft of a trailer and Wheelchairs belonging to the Northern Lights Wheelchair

Basketball Society.

The two suspect vehicles are described as:

- A grey truck, possibly a Ford Superduty or

Silverado;

- A red truck, possibly another Ford Superduty.

BOARD CHAIR ANNOUNCEMENTS

Submitted by GYPSD

I want to begin by sharing how actively the new Board has been working over the past few weeks.

We have been diligently focused on building key relationships and advancing our advocacy work.

Last week, this included participating in the fall general meeting of the Alberta School Boards Association and holding productive meetings with our colleagues in the Public School Boards' Association of Alberta and Rural Caucus.

We have also greatly enjoyed the opportunity to connect directly with our communities. On behalf of all the Trustees, I want to express our sincere appreciation to the staff and students at our schools in Lobstick, Fulham, and Edson for the exceptionally warm welcome we received as we began our school tour this week, alongside Superintendent Scobie. We look forward to visiting our schools in Jasper, Hinton, and Grande Cache later this week. The short visits allow trustees - particularly our newer members - to meet school leaders and learn more about individual school communities.

Finally, last week also marked an important time for our communities as many of our schools recognized the significant history, language, and culture of Canada's Métis people and paid tribute to the life and legacy of Louis Riel. Trustees also attended local Remembrance Day ceremonies in their communities.

Updates were approved to Policy 07 - Role of the Board. Updates to public meeting agendas will now include public members as delegations and monthly trustee reflections.

Policy 08 - Committees of the Board. Created a new

Health and Wellness Committee.

The Board approved a motion to send a third letter to the Federal Minister of Environment and Climate Change to compensate the Division for the \$500,000 insurance deductible in relation to the Jasper Wildfire in July of 2024;

this will be the third advocacy letter to date with no response.

The Board also carried a motion to forward letters of congratulations on their behalf to all new municipal councils within the Division after the recent election.

Board Chair Bobilek:

Spoke to the reasons behind the Board's decision to not change this year's calendar after reviewing some concerns about loss of instructional time due to recent labour action.

Board requested Superintendent Scobie to forward a public letter outlining their decision.

Shared a response from Minister of Tourism and Sport for Alberta, Andrew Boitchenko, that no changes should be expected in regards to the Fairness and Safety in Sports Act. The Board had sent a joint letter to both Minister Boitchenko and Minister of Education and Childcare, Demetrios Nicolaides, about their concerns about student well-being that may be affected by the new Act.

Thanked Evergreen ATA Local# 11 President, Jessica Smeall, for her attendance and her warm welcome to the new Board.

Asked all trustees to share their reflections from their first month on the various learning opportunities, community engagements, school tours, and government meetings.

Discussed work with new and returning board members

on positive and effective advocacy work with provincial elected officials and meeting with other board members throughout the province at last week's meetings with Alberta School Boards Association, Rural Caucus and the Public School Boards' Association of Alberta.

Noted the recent work with high school administrators for exam preparation and options due to recent labour action.

Outlined a successful process for School Continuous Improvement Plans.

Tash Taylor, Secretary-Treasurer, introduced the new Director of Finance, Ms. Alvin Kuzyk.

She shared this year's student enrolment count which is down approximately two percent across the Division.

Trustees and Superintendent Scobie discussed some of the possible factors for the slight decline including the ongoing recovery from the 2024 Jasper wildfire.

The annual Bus Route Information Report which includes ridership and average pick up times per zone was given by Christine Van Neck, Director of Transportation Services.

Small reduction in ridership and elimination of three routes.

Chair Bobilek requested future report on school start and end times in relation to student time on buses and future work on strategies to decrease where possible.

Director Van Neck also shared that the department will once again be participating in the Town of Edson's Santa Claus Parade this Friday.

Brian Orge, Director of Facilities, outlined this year's Infrastructure Maintenance and Renewal (I.M.R.) and Capital Maintenance and Renewal (C.M.R.) funding plans

for school facilities across the Division. I.M.R. and C.M.R. funds are provided to school boards primarily to upgrade building components to meet health and safety standards, replace failed facility components, or meet municipal requirements.

Carra Aschenmeier, Assistant Superintendent, updated the Board on an upcoming virtual information session in December on outcome based assessment and reporting for parents with students in grades 7-9.

Dr. Trudi Rowlands, Assistant Superintendent, provided some background information to questions on the province's recent release of the final report from the Aggression and Complexity in Schools Action Team.

Amy Corser, Director of Inclusion, shared information on # PUF students and deadline intervention work staffing update for BEST and wellness navigator programs, and welcome news of targeted support approved for two students in the Division at the blind and low vision clinic.

Richelle Campbell, Director of Human Resources, summarized this year's plans to develop and sustain positive mental health and wellness of GYPSD's students and staff.

She also noted the Division's new Health and Wellness Coordinator, Delaney Ueland.

DEVON RCMP LOCATED MALE WANTED FOR SEXUAL OFFENCES

Submitted by Devon RCMP

Parkland RCMP are pleased to advise that Darryl Labrecque has been arrested in Edmonton by members of the

Alberta RCMP Central Alberta District Crime Reduction Unit.

"Our Central Alberta Crime Reduction Unit worked tirelessly in finding this individual, and the RCMP here in

Parkland and Devon are grateful for their assistance. We would like to take the opportunity to thank members of public for their assistance on this," says Parkland's Staff Sergeant Brent

Meyer.

Labrecque will be taken before a Justice of the Peace to determine future court appearances.

HELP KEEP OUR STREETS AND SIDEWALKS SAFE THIS WINTER

Submitted by City of Spruce Grove

Did you know the community plays an important role in keeping our streets and sidewalks safe in the winter?

Here is how you can help:

Remove snow and ice from sidewalks around your property within 48 hours of

the snowfall.

Do not shovel or blow snow from your driveway, sidewalk or parking pad onto the road. Storing snow and ice on public property, such as roads, can lead to windrows and snow drifts, and can cause flooding in the spring (plus it is against the City's Traffic Bylaw).

Remove driveway aids,

also known as curb ramps (under the Traffic Bylaw they are not permitted from November 1 – April 30).

Give our crews plenty of room to work for your safety and theirs.

Remove vehicles from roads when parking restrictions are in place.

Store obstacles such as basketball hoops, hockey

nets and waste carts to help support safe and efficient snow removal.

Thank you for doing your part to keep our roads and sidewalks safe and clear this winter season.

EVANSVIEW FAMILY SCORES BIG WITH OIL KINGS TICKETS!!

Submitted by GYPST

The Kubicek family from Evansview School in Evansburg recently geared up for some major Western Hockey League action after winning tickets to an Edmonton Oil Kings game, courtesy of The Workun Garrick Kidz Klub.

The Kubicek family, which includes three students

spanning grades 2, 4, and 6, were the lucky recipients of the tickets donated by The Workun Garrick Partnership Architecture and Interior Design Inc. (Workun Garrick).

Beginning in 2010, Workun Garrick has been collaborating with the Edmonton Oil Kings to bring students to the rink. Their current initiative, "The Workun

Garrick Kidz Klub," which started in 2018, is a highly successful program that provides a set of tickets for each Oil Kings home game to various school boards.

The school boards then use these tickets as rewards for student achievement, incentives, or for team-building exercises, offering students memorable experiences at the rink.

For the Kubicek children—a secondgrader, a fourth-grader, and a sixth-grader—this prize was an exciting reward. The family enjoyed cheering on the Oil Kings, thanks to the generosity of Workun Garrick and their commitment to supporting local students and schools.

ABSENT FRIENDS

Submitted by MLA
Shane Getson

It's taken me a lot longer than I had thought to put pen to paper as it were for this op ed. A man well known in the Onoway area has lost his battle to cancer, those that know him, know full well he lived a lot of life that the good Lord chose to let him have amongst us, and yes he went down swinging, right to the end. He leaves behind three children, a wife, a local business, and a pile of friends. Everyone will have their own stories about a person when they leave us, I have a few of my own, and I'm absolutely certain that they will not give the full picture or do this man justice for his contributions to the area.

The first time I heard about Ken Standeven was from my wife, she was the local dentist, and I was on the road more than I was ever home working on one mainline project or another. She told me about this gent who was full of life, and energy, his wife Lisa was a force unto herself, and they were a local power couple. My wife suggested that he and I would really hit it off if we ever met. She was right.

Politics is a weird thing, and perhaps in more ways than you may think. You see for all the goofy stuff that you may think happens out there, many good things in a strange way take shape as well.

People who may have not had an opportunity to meet, come together for a common interest or cause. Many over the last 6 years, in my observations were not political geeks they were just real good people who had concerns with the way things were going, and they, as most do as community leaders roll up their shirt sleeves to see how they could lend a hand. To do what they can for others in their community and their province. Ken was one of these people.

We shared a number of interests, concerns, as well as dreams and laughs over the last few years. We both are guarded on who we let in as it were, to have that level of trust to speak openly on what's really on our minds, and to show our frailties as it were. A level of trust that the other person across the table would not use it against you. Like I said, politics and life are strange things at times, and that "Covid" period of history were the strangest times I've ever lived through, as it was for many. Having someone you could speak with openly during that time period was worth its weight in gold.

When dealing with the passing of Ken, I've had to once again reflect on my own life, my own failings, misgivings, who I am as a Man, a Father and a Husband. I've had to consider my own

mortality. Ken didn't get a bunch of time to face down the problem at hand, but he did everything he could to make the best with the time he had left, and he never gave up. He had his family there for him, as well as a number of good friends, and I guess if that's how a man can be measured then so be it. I'll miss you Ken, and I'm thankful for the time you took to give to me, and to be a good friend, someone who I trusted and respected, even if you thought Peterbilt's were better than Kenworth's. Nobody can be perfect, and now out of respect for you, I'm giving those Pete's a second chance.

I have had a number of mentors over the years that had taken the time to "coach me up", and I have had a number of close friends over the years that I've shared laughs, frustrations, and fears with as well. There are a few that have left us too soon, and some that I have not heard from that are still with us, but I've not been on touch with since becoming an elected official. With the recent passing of my friend, it's made me think of reaching out and letting those folks know, how much they influenced me over the years, and how much I do appreciate them.

I hate having regrets, and as much as we may think people know how we feel about them, they may not know. Cow-

boys may not cry, but I'll tell you what, even the toughest cowboy may get a stray piece of dust in their eyes when you let them know you respect them, trust them, and thank the good Lord for putting them in your path when they did. You never know that one act may be just what they needed that day, when they were shouldering the weight of the world. Let them know before they truly become absent friends.

As always, if there are any concerns out there regarding what you are hearing in the news on any of the legislation we are debating in the house, or if you need a direct unvarnished non politicized answer to a question, please call my office, or send an email. I keep doing what I can to address what matters to you. Take care, and God Speed Ken, thanks for all you did, I'll miss you.

SUDOKU

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.

ANSWER:
Last Weeks
You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
